Marrying Mr. Wrong: A Hot Romantic Comedy

Author: Claire Kingsley

I never should have gone commando in that dress.

I'm almost positive the rest of it wouldn't have happened if I hadn't been dangling off a hotel balcony with my lady parts in the breeze. And of course the one person to witness my mortification had to be HIM. Camden Cox.

Sure, today he's gorgeous and wealthy, and fine, I can admit he has a great sense of humor. But once upon a time, he was the boy who loved to make my life miserable.

He no longer pulls my pigtails, but I know his type. He wants one thing, and one thing only. A chance to get in my pants.

Nope. Not happening. Not even with that sexy Southern drawl.

But I'm Sophie Abbott, and if there's one thing I'm good at, it's making a mess.

Only this isn't just a mess. It's a disaster. A Sophie disaster.

Because after a wild night in Vegas, I wake up naked in his hotel room.

And I'm pretty sure we got married.

Author's note: An adorkable hot mess who throws a cocky charmer completely off his game. Plus a salty dad playing matchmaker, laugh-out-loud banter, a couch scene that will melt your Kindle, and the swooniest of swoony happy endings.

Marrying Mr. Wrong can be read as a stand alone.

Summer Island: A Novel

Author: Kristin Hannah

NEW YORK TIMES BESTSELLER • The author of the cherished bestseller *On Mystic Lake* returns with a poignant, funny, luminous novel about a mother and daughter—the complex ties that bind them, the past that separates them, and the healing that comes with forgiveness.

“[Kristin] Hannah is superb at delving into the characters' psyches and delineating nuances of feeling.”—*Washington Post Book World*

Years ago, Nora Bridge walked out on her marriage and left her daughters behind. She has since become a famous radio talk-show host and newspaper columnist beloved for her moral advice. Her youngest daughter, Ruby, is a struggling comedienne who uses her famous mother as fuel for her bitter, cynical humor. When the tabloids unearth a scandalous secret from Nora's past, their estrangement suddenly becomes dramatic: Nora is injured in an accident and a glossy magazine offers Ruby a fortune to write a tell-all about her mother. Under false pretenses, Ruby returns home to take care of the woman she hasn't spoken to for almost a decade.

Nora insists they retreat to Summer Island in the San Juans, to the lovely old house on the water where Ruby grew up, a place filled with childhood memories of love and joy and belonging. There Ruby is also reunited with her first love and his brother. Once, the three of them had been best friends, inseparable. Until the summer that Nora had left and everyone's hearts had been broken. . . .

What began as an expose evolves, as Ruby writes, into an exploration of her family's past. Nora is not the woman Ruby has hated all these years. Witty, wise, and vulnerable, she is desperate to reconcile with her daughter. As the magazine deadline draws near and Ruby finishes what has begun to seem to her an act of brutal betrayal, she is forced to grow up and at last to look at her mother--and herself--through the eyes of a woman. And she must, finally, allow herself to love.

Summer Island is a beautiful novel, funny, tender, sad, and ultimately triumphant.

Katherine

Author: *Anya Seton*

“A glorious example of romance in its most classic literary sense: exhilarating, exuberant, and rich with the jeweled tones of England in the 1300s.”
—*Austin Chronicle*

Katherine is an epic novel of a love affair that changed history—that of Katherine Swynford and John of Gaunt, Duke of Lancaster, the ancestors of most of the British royal family. Set in the vibrant fourteenth century of Chaucer and the Black Death, the story features knights fighting in battle, serfs struggling in poverty, and the magnificent Plantagenets—Edward III, the Black Prince, and Richard II—who rule despotically over a court rotten with intrigue. Within this era of danger and romance, John of Gaunt, the king's son, falls passionately in love with the already-married Katherine. Their affair persists through decades of war, adultery, murder, loneliness, and redemption. Anya Seton's vivid rendering of the lives of the Duke and Duchess of Lancaster makes *Katherine* an unmistakable classic.

Author: *Julia Quinn*

From #1 *New York Times* bestselling author Julia Quinn comes the story of Eloise Bridgerton, in the fifth of her beloved Regency-set novels featuring her charming, powerful Bridgerton family, now a series created by Shondaland for Netflix.

ELOISE'S STORY

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more.

Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

Hot Stuff

Author: *Max Monroe*

Have you ever seen a fireman who's so insanely sexy you'd actually consider DIY-ing a little at-home arson just so he'd show up at your front door?

Dramatic, I know, but hear me out.

Chiseled hot body, bright blue eyes, and the sexiest smile I've ever seen—the first time I saw Garrett Alexander in my exam room, it took everything inside me not to do something crazy like mount him during his yearly physical.

Not only is he a total babe, but he's charming, hilarious, and the kind of single dad that would make your ovaries explode—the *total freaking package*.

I know you're probably wondering, *What in the heck are you waiting for, girl? Go get yourself a fireman!*

But, see, there's one teeny-tiny (read: huge) problem—if **we got together, we'd have to keep our relationship a secret**.

I know. Who even am I? Some heroine in a freaking forbidden romance novel?

Let me guess, now you're probably thinking...*Whoa. Whoa. Whoa. Don't do it, girl. Don't fall for the sexy, off-limits man. It's not worth it.*

Well, too late. I already went and did it.

And I have a feeling this fire of ours is going to go up in a big, mushroom-cloud-worthy, ball of figurative smoke.

Don't Kiss the Bride: An Age Gap, Marriage of Convenience Romance

Author: *Carian Cole*

Carian Cole delivers a sweet but sexy slow burn, age gap, marriage of convenience romance with major swoony feels!

I guess you could say I was a damsel in distress, and he was my knight in shining armor.

But more accurately, I was a girl with a lot of bad luck, and he was a guy with a lot of muscles and tattoos.

Jude "Lucky" Lucketti wasn't just a sexy, brooding construction worker. He was my own personal hero, showing up in all the right places at the right times. Like when my car broke down and I needed a ride home, and when I face planted on the sidewalk right in front of him and had to be taken to the emergency room.

Those weren't exactly my best moments, but they were his.

We became friends, and it didn't matter that he was sixteen years older than me. We had a lot in common—like our love of old rock music and vintage fast cars, and our aversion to relationships.

When he approached me with a crazy idea to help me out with my many problems, I couldn't say no.

The arrangement was supposed to be temporary. A marriage on paper and nothing else. It should've been easy, but it wasn't.

Because here I am, eighteen years-old, still in high school, and married to a man I was never supposed to fall in love with.

We had just one rule--no kissing the bride.

But we broke that rule, and it sealed our fate forever.

It's In His Kiss: Bridgerton (Bridgertons Book 7)

Author: *Julia Quinn*

From #1 *New York Times* bestselling author Julia Quinn comes the story of Hyacinth Bridgerton, in the seventh of her beloved Regency-set novels featuring her charming, powerful Bridgerton family, now a series created by Shondaland for Netflix.

HYACINTH'S STORY

Meet Our Hero . . .

Gareth St. Clair is in a bind. His father, who detests him, is determined to beggar the St. Clair estates and ruin his inheritance. Gareth's sole bequest is an old family diary, which may or may not contain the secrets of his past . . . and the key to his future. The problem is—it's written in Italian, of which Gareth speaks not a word.

Meet Our Heroine . . .

All the ton agreed: there was no one quite like Hyacinth Bridgerton. She's fiendishly smart, devilishly outspoken, and according to Gareth, probably best in small doses. But there's something about her—something charming and vexing—that grabs him and won't quite let go . . .

Meet Poor Mr. Mozart . . .

Or don't. But rest assured, he's spinning in his grave when Gareth and Hyacinth cross paths at the annual—and annually discordant—Smythe-Smith musicale. To Hyacinth, Gareth's every word seems a dare, and she offers to translate his diary, even though her Italian is slightly less than perfect. But as they delve into the mysterious text, they discover that the answers they seek lie not in the diary, but in each other . . . and that there is nothing as simple—or as complicated—as a single, perfect kiss.

The Invitation

Author: Vi Keeland

- #1 Wall Street Journal Bestseller
- #1 Apple Books Bestseller
- Washington Post Bestseller
- USA Today Bestseller
- Amazon Charts Bestseller

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland.

The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city.

Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts.

I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time.

Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation I received? Well, it hadn't actually been addressed to me--it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding.

Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail.

Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block--but at least I'd escaped unscathed.

Or so I thought.

Until I realized I'd left my cell phone behind at the table.

Take one guess who found it?

This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.

The Family Stone Complete Box Set: All Five Books in the Stone Family Romance Series

Author: Brooke St. James

The bestselling series is now available as a complete box set! Get swept away in the romance of it all as the members of the Stone family each find their happily ever after. The Family Stone box set is a complete series that contains five full-length, sweet romances by author Brooke St. James.

Book 1 - The Suite Life:

I was completely exhausted when I first laid eyes on him. I had been traveling, and for the last twenty-four hours, sleep had evaded me. I knew I looked terrible, and I was relatively sure I didn't smell so great, either. It was not the most ideal moment to make a first impression. On a normal day, I wouldn't be so torn up about it, but today was different. This was the day I met Taylor.

Book 2 - Feels Like Forever:

Vi felt like she was happy being single. Her career was flourishing, and with all the time she put in to acting, looking for love was not on her list of things to do. That all changed when she stumbled upon a mysterious carpenter named Drake Christensen. Maybe it was the fact that he was a towering, strong, manly type of guy who was so unlike the men she was used to dating. Then again, it could have been that he seemed immune to her charms and fame. Either way, she had to win him over. She had to have his heart.

Book 3 - Treat You Better:

I was all wrapped up with putting my life back together when I first laid eyes on the man of my dreams. It was a shock to my system when I met this handsome stranger. He ignited feelings I had forgotten existed. My encounter with him was so brief, however, that I didn't even get his name. I just assumed we'd never meet again.

Then, in the most unlikely of places, I found myself staring at him once again. Noah. He took my breath away. It seemed too good to be true. My life was complicated, and I couldn't believe that finding love again would be possible—let alone so perfect and effortless. But sometimes, when you least expect it, the unbelievable happens.

Book 4 - The Sweetheart of Summer Street:

Josh Cassidy found himself on a plane headed back to Boston. He had grown up nearby and had a lot of friends there, but his trip wasn't for pleasure. It was purely for business, and it was just about the weirdest business trip in the history of all business trips. He had one thing on his mind, and that was getting the money he needed to invest in the newest location of Patterson Place Hotels. The fact that the source of his funds might be a little odd (or perhaps even dangerous) didn't matter to him at all.

As strange as Josh's itinerary might have been, one thing that was not on it was running into his childhood friend, Mattie Pruitt. When he first spotted her, he realized she was no longer the freckle faced girl he had grown up with. She had turned into a woman since they had last seen one another—a beautiful woman.

Book 5 - Out of Nowhere:

Ethan Ambrose was the heir to a company that had made his family a fortune. He had been groomed since he was a child to take over once his father retired. But his sights were set on a career as a film maker. No matter how much his parents protested, Ethan just didn't want to give up on his personal goals. He longed for a day when his family would be happy for him instead of constantly pushing him to run the business.

To top it off, he couldn't ever seem to connect with the right woman. They all seemed to be more concerned with his fortune than anything else. He felt he was

destined to be a bachelor. That was fine because he didn't have much hope for relationships, anyway.

Then he boarded a flight bound for Los Angeles.

Sitting next to him was the most unique and sincere woman he'd ever met. Molly Caldwell was simply different. The problem was, he would only be in California for two days, and he now had to find a way to spend every waking moment with her.

He had no idea how an entire train could simply vanish, but as he pondered the mystery, the head telegrapher came to his office and showed him a telegram that

had been sent to Union Pacific headquarters. It was a ransom demand for a hundred thousand dollars. If it wasn't paid within a week, the train and its thirty-four passengers would be blown up.

He hurried out of his office and rushed through the early morning streets to tell the resident Union Pacific special agent of the kidnapped train. It was Nelson Cook's problem now.

Wall Street Journal bestselling author Nicole Snow returns with a fierce and hilarious office romance where two sworn enemies make undeniable lovers.

My "interview" with asshole supreme was anything but normal.
He picked the worst day ever to chase me off my favorite park bench.
I retaliated with a spray of cinnamon latte all over his Italian shoes.
Then—for some unholy reason—Magnus Heron offered me a job.

Even his name sounds like a piece of work.
Guess what? He is.
But when you're single, broke, and barely surviving in Chicago, you hop on the gift horse offering a six-figure salary and *ride*.
I picked the stallion on a one-way trip to hell.

It's not the fact that he's snarly, demanding, horribly rich, and chiseled.
It's not even the pesky way he makes me blush every flipping time we're together.
Mag is my boss. I'm his lowly assistant. Some rules are carved in stone.

That's my mantra until we're sharing a sunset too beautiful for life.
Alone with wandering lips, whispered secrets, and disaster in the making.
The plan was simple: punch the clock, get paid, and keep hating my boss.

Until Cece

Author: KD Robichaux

"Never lose yourself while trying to hold on to someone who doesn't care about losing you."

Advice I heard over the years while acquaintances had gone through breakups and divorce, but I never thought I'd one day be applying it to myself.

The past decade spent being the perfect stay-at-home mom and doting housewife, I never pictured my husband coming home from work one night and admitting to having an affair.

But without him and my place at home, who am I?

With no college or work experience to speak of, what will I do?

Step One: Call in reinforcements—my sister Mia.

Step Two: Find a job to support me and my three little girls.

Step Three: Start finding myself again.

"The fastest way to get over someone is to get under someone else."

More advice I side-eyed over the years. My ex is the only man I've ever been with. The thought of being with someone else is both terrifying and... exciting.

But that man should most definitely, a hundred percent certainly not be my savior, my real-life hero, my boss who took a chance on me at my all-time low.

Rebounds are bad news. Everyone knows that.

But Winston doesn't feel like a rebound.

He feels like home. He makes me feel things I've never even imagined before.

It feels like our timing is just... off.

Especially when I realize the ultra-delicious chef and bar-owner dad has baggage of his own.

Until Cece is part of the Aurora Rose Reynolds' s Happily Ever Alpha World. If you loved Until Talon, then you will want to read Until Cece.

Not when the sexy-as-sin boss that fired you decides he's a little more than interested after he's already taken your job.

If he thinks for one minute he's getting into these candy panties, he's wrong.

But I'll give him a run for his money. This girl's going down with a fight.

The drunk video that was made with me calling him out for being the villain he is went viral. I'm both impressed and appalled.

He's far too smooth for his own good, and way too hot for mine.

All is fair in love and war until one night we both lay down our weapons and concede.

For one night. Besides, one night of passion has never hurt anyone, right?

From enemy to lover.

But it's all a little too fishy. Maybe I'm being juked too?

An extravagant date? Check.

Steaming-hot guy who might not be the jerk I thought he was? Check.

Gorgeous ex-wife with a shiny new rock from him on her finger? Check and check.

And all of that on Valentine's Day.

Like cupid got drunk and stumbled around laughing himself into a tizzy while he jacked up lives.

Like mine. But it's my fault. I never should have dropped the enemy defense.

Unfortunately, I gave my heart to a guy who happens to be missing his.

Every good girl deserves a bad boy. ~ Weston

Can you keep a secret?

■

I grew up sick.■

■

Let me clarify.■

■

I grew up believing that real love stories include a martyr or demand great sacrifice to be worthy.■

■

Because of that, I believed it, because I made myself believe it, and I bred the most masochistic of romantic hearts, which resulted in my illness.■

■

When I lived this story, my own twisted fairy tale, it was unbeknownst to me at the time because I was young and naïve. I gave into temptation and fed the beating beast, which grew thirstier with every slash, every strike, every blow.■

■

Triple Falls wasn't at all what it seemed, nor were the men that swept me under their wing. But in order to keep them, I had to be in on their secrets.■

■

Secrets that cost us everything to keep.■

■

That's the novelty of fiction versus reality. You can't re-live your own love story, because by the time you've realized you're living it, it's over. At least that was the case for me and the men I trusted my foolish heart to.■

■

Looking back, I'm convinced I willed my story into existence due to my illness.■

■

And all were punished.

This trilogy is a gritty, modern day take on Robin Hood. It's an unconventional love story—bad boys/antiheroes—filled with suspense, steam, major twists, a little action, and ALL OF THE FEELS.

Say You Do

And I'm in charge of getting things together since our folks are gone.

Lucky me. The guy who thinks love is for the birds and worn-out 80s songs.

I honestly don't have time for this drama. I run a billion-dollar company, have women to entertain, and am working on my plans to rule the world.

No, seriously.

And yet, when you least expect it, life kicks you in the balls.

The beautiful, snarky woman that runs the flower shop is perfect to help me pull off this wedding.

Just seeing her sends my head spinning with possibilities.

She's perfect. To play my fake wife for an event I have coming up as a side deal.

My ex-wife will be at the event, and I sure could use someone to show her how well I've done since she ripped out my soul.

So my curvy new friend gets my ring and a chunk of my wallet before agreeing to the deal.

Funny thing is, I'm not so interested in taking it back by the end of the adventure.

I'm willing to go all in on what might be the best decision of my life.

And I'm demanding the same of her. No maybes. No I-don't-knows.

No fear of what might be or might not be.

There was so much more to Hudson than just billions of dollars, a prestigious last name and a very handsome face.

When the white-hot chemistry between the two of us finally explodes, do I trust the man I've come to know, or do I accept that Hudson Montgomery is the same guy the rest of the world sees?

For Sophie, an obstetrician and the orphaned daughter of free people of color, helping a desperate young mother forces her to grapple with the oath she took as a doctor—and thrusts her and Anna into the orbit of anti-vice crusader Anthony Comstock, a dangerous man who considers himself the enemy of everything indecent and of anyone who dares to defy him.
