

Auctioned To The Billionaire (Part Four)

Author: Kelly Favor

I'm totally innocent. Completely inexperienced in all the important ways.

And now I've been auctioned off to a man I've never met.

Billionaire mogul Dermot Nash is like nobody else I've ever encountered. He's powerful and handsome, with a cold gaze that heats me to my very core.

But there's so much about him that's a mystery – secrets he will never reveal. And the way he makes me feel when he touches me can never make up for the fact that I've been purchased to be used as his personal plaything.

When he's done with me at the end of the month, I'll be discarded and forgotten. A disposable woman, something only the very wealthy can afford...

He can throw me away whenever he wants. And the more time I spend with him, the more I fear I'm falling for him, starting to love a man incapable of feeling anything.

And the worst part of it all?

His secrets can't be anywhere near as bad as the one I'm keeping...

Cain: A Mountain Man Curvy Woman Romance (Men of Mist Heights Book 1)

Author: *Sarah Taylor*

Cain

I'm Cain, a mountain ranger, and I've lived in the mountains of Colorado for years.

I love the outdoor way of life and I'm at my happiest when I'm in the fresh air with my dog, Ace.

I never really thought much about love because I was already happy in my life and I just couldn't see that altering.

But everything changed when Lyla walked, or rather fell, into my life.

She's got all the curves in all the right places and for a city girl she's certainly got that feisty frontier spirit. I just hope I can persuade her to stay.

Lyla

All I wanted was a taste of adventure, away from the city life I had always known, and Colorado seemed like a great place to visit. But I should have been better prepared.

The mountains are always a dangerous place. Wild animals, rough terrain and of course, bad weather.

So when I fell and twisted my ankle that really shook me up. I wondered how I would get down again, until Cain showed up.

His cabin in the woods was like another world and while he might be a bit rough round the edges he's the sort of man I always dreamed of.

Question is, am I ready to move from the city and spend my life in the wilderness?

Are you craving a sweet insta-love story? No cliffhangers? Guaranteed HEA? Cain is the perfect short, steamy read you've been waiting for.

You cry and scream and then wash your face.

And you go on your honeymoon. *Alone.*

I don't care if he isn't here. It's for the best.

I realize that now.

But some of the activities we planned are more...*rugged* than I'm used to.

I'm ill-prepared.

Thank goodness for heroes, right?

I'm glad my would-be groom stood me up. I'm glad I came here and I'm even glad that I almost drowned.

Because if none of that happened, I wouldn't meet Benny.

I just have to convince him he's worthy of love.

Benny

I had a great life as a Wylder Bluffs police officer.
Until the day I screwed up.
I missed a save.
The guilt and regret never stopped torturing me.
So I hung up the uniform and retreated into the mountains.
Thinking the world is better off without me.
Then *she* showed up.
Mandi almost drowns in my lake after a mishap with her canoe.
Luckily I'm there to see it—and strong enough to swim to her.
She says I saved her life.
I say she saved mine.
I'm ready to really start living again.
And I want Mandi by my side.

Dear Readers,
Ready for a whole new band of mountain men?
These alpha heroes might dwell in the shadows of the Wylder Bluffs, but when duty calls, they show up.
These are the mountains they call home. The mountains they protect.
And when their sweet, curvy women come for them, they'll walk through fire to keep them safe, too.
No cliffhangers. No cheating. HEAs guaranteed. <3

Her Midnight Mistake: A curvy girl New Year's Eve romance

Author: Barbra Campbell

Do two wrongs make a...Mr. Right?

How many sparkling ciders would it take to drown my misery? I might have found out if a handsome stranger hadn't taken the barstool next to me. He didn't flinch at my choice of drink. Said all the right things. And when I confessed why I was sitting alone at the bar, he pulled out an engagement ring. Too soon? No worries.

It wasn't actually an engagement ring.

It was adjustable, and its fake diamond made Cubic Zirconia seem like an extravagant option.

It was a piece of costume jewelry from a machine at the front of a grocery store. He'd gotten the trinket for his daughter.

But the way he looked into my eyes when he slid it onto my finger hit me deeper than anything my ex had ever done.

According to my close circle of friends, by the time the clock struck midnight and ushered out the horrendous year, the engagement ring they expected to see on my finger would be from my former boyfriend. He was back in town and everyone seemed to know he was going to make amends and pop the question.

But he was a former boyfriend for a reason.

And the ring sliding on my finger wasn't from him.

Was it wrong to undermine his proposal in such a silly way?

Was it wrong to dream of my fake fiancé being something more?

And was I foolish to believe my knight in shining armor had shown up that fateful night purely by chance?

Is there anything better than falling in love? Finding another HEA? I'll always give you a dirty-sweet story to keep your heart full and your windows steamed!

Her Midnight Mistake is part of the Hot for Curves series of New Year's Eve romances. We're ready to move on from 2020 and wanted to bring you some sexy stories to help pass the time while we wait for the stroke of midnight!

DILLON (Jade Mountain Search & Rescue #9): a BBW, mountain man instalove short romance

Author: Kate Tilney

A federal agent with the mountain search and rescue team and a curvy graduate student find action, adventure, and romance when they set out to solve a mystery together in the Pacific Northwest.

Delilah

I may be a little interested in true crime. Okay, I'm obsessed. But that's not the reason I immediately assume the pile of cash I found on Jade Mountain belongs to one D.B. Cooper. There's plenty of evidence to support me. Or, at least, the true crime podcast I listened to once would totally have my back. If only I can convince a certain FBI agent that I'm not wasting his time.

It isn't long before I find myself less interested in solving this mystery and more interested in Dillon, the special agent assigned to the case. He's handsome and surprisingly funny. And, unfortunately, he probably thinks I'm a nut. Relationships have started with worse odds, right?

Dillon

From the moment we meet, I'm captivated by Delilah. No, it isn't her fanciful story, but the way she tells it that has me hanging on her every word. It doesn't hurt that she's gorgeous. As we climb Jade Mountain together, this case becomes one of my most interesting thanks to her.

It's my job to follow her lead. It's my job to figure out where this mysterious pile of cash came from. But all of that comes second to the need I feel for her. The need to be with Delilah and to protect her at all costs.

Jade Mountain Search & Rescue is a series of standalone short, sweet, and steamy romances filled with action, adventure, and a happily ever after. Read HARRIS if you enjoy first responder mountain men and BBW women finding true love. No cheating! No cliffhangers!
