

## **Auctioned To The Billionaire (Part Seven)**

**Author: Kelly Favor**

I never thought I'd allow myself to be bought. Purchased by a man I hardly know, a man I don't even like...

Billionaire Kingston Stiles is heir to an empire the likes of which I can't even imagine, and one day he will inherit a fortune and rule like a king. Perhaps that is why he thinks he can hire me to play his willing little servant.

And maybe he's right. Because I need the money.

I have so many bills to pay that I feel as if I'm drowning, and now perhaps I will finally be able to swim to shore.

At least, that's what I tell myself as Kingston begins to draw me in, closer and closer, somehow destroying all of my defenses, shattering my illusions, and ultimately dragging me deeper down beneath the surface than I ever thought I could go.

And worst of all, he knows that I'm enjoying every minute of it...

## **QUIVER EVER AFTER: A DARK ROMANCE (PART TWELVE)**

**Author: LAURA AVERY**

EMERY

I had to run from the darkness that lived inside of him.

Love had been insignificant; the kind we'd shared was twisted and broken.

Being close to him felt a lot like having a death wish.

I had to leave, not just for him or myself, for something bigger than the both of us.

The only problem was that I'd taken something of his with me...

Something so important that he would destroy everything in his path to find it.

The only thing I could do was hope that some secrets were meant to stay buried.

JACKSON

I had to push the light she radiated out of my life.

Love had been nonexistent in my mind; the kind she gave me was dangerous.

Being near her felt a lot like destroying everything good in the world.

I had to get rid of her, not for me but for her, I'd been destined for darkness either way.

The only thing she had going for her was that she had never betrayed me...

It was why I had let her walk away with her soul still intact.

But God help her if I ever found out otherwise.

## **Auctioned To The Billionaire (Part Three)**

***Author: Kelly Favor***

**I'm totally innocent. Completely inexperienced in all the important ways.**

**And now I've been auctioned off to a man I've never met.**

Billionaire mogul Dermot Nash is like nobody else I've ever encountered. He's powerful and handsome, with a cold gaze that heats me to my very core.

But there's so much about him that's a mystery – secrets he will never reveal. And the way he makes me feel when he touches me can never make up for the fact that I've been purchased to be used as his personal plaything.

When he's done with me at the end of the month, I'll be discarded and forgotten. A disposable woman, something only the very wealthy can afford...

He can throw me away whenever he wants. And the more time I spend with him, the more I fear I'm falling for him, starting to love a man incapable of feeling anything.

And the worst part of it all?

His secrets can't be anywhere near as bad as the one I'm keeping...

## **Cain: A Mountain Man Curvy Woman Romance (Men of Mist Heights Book 1)**

**Author: Sarah Taylor**

Cain

I'm Cain, a mountain ranger, and I've lived in the mountains of Colorado for years.

I love the outdoor way of life and I'm at my happiest when I'm in the fresh air with my dog, Ace.

I never really thought much about love because I was already happy in my life and I just couldn't see that altering.

But everything changed when Lyla walked, or rather fell, into my life.

She's got all the curves in all the right places and for a city girl she's certainly got that feisty frontier spirit. I just hope I can persuade her to stay.

Lyla

All I wanted was a taste of adventure, away from the city life I had always known, and Colorado seemed like a great place to visit. But I should have been better prepared.

The mountains are always a dangerous place. Wild animals, rough terrain and of course, bad weather.

So when I fell and twisted my ankle that really shook me up. I wondered how I would get down again, until Cain showed up.

His cabin in the woods was like another world and while he might be a bit rough round the edges he's the sort of man I always dreamed of.

Question is, am I ready to move from the city and spend my life in the wilderness?

## **A Heaven to Reach For**

**Author: R. Cooper**

Ara is a festival for spring, for the return of clear skies, for beginnings. People dance, drink, and decorate themselves in blue capes or ribbons, or, for the more bold, with aras blooms, which leave behind a blue stain when crushed. A splash of this blue across the lips indicates someone is open to kisses, while a chain of the delicate blooms in their hair means they are open to more than kissing, whatever that may be.

It is a tradition older and perhaps stronger than the disapproving Church, yet it is still a surprise for Owin, one of the Duke's guardsman, to find the Duke's little priest-mage at the festivities. Owin has long been captivated by the stern, awkward postulant with a habit of broadcasting his moods with sparks of magical energy. Seeing Maschi's lips stained blue finally puts a name to the ache Owin carries in his chest whenever he thinks of the tiny mage. But Maschi is young, learned, and pretty as well as nearly a priest. Not meant for an older, battered guard with no faith or learning.

But Ara is a day—and a night—for love, and magic, and perhaps even grace, if that is to be found in the heart of one scarred giant. When Maschi puts aras blooms in his hair and speaks of Heaven, Owin must make a choice; reach for his, or leave Maschi to dream alone.

## Wicked Kings MC

**Author: Autumn Summers**

Saint:

**Sometimes, crap hits the fan. Sometimes, crap really hits the fan.**

Tonight, I was slapped with the news that our biggest shipment – a shipment worth \$1.2 million – has been hijacked by some pansy club still messing around in the minor leagues. Apparently, some loud-mouth chick wanted to prove herself at my expense.

She really had no idea who she was messing with.

Because they might call me Saint, but I'm all sinner.

Faith:

*We had weathered plenty of storms.* Through thick and thin, me and Saint have stuck together. We learned early on that we made far better business partners than actual partners. Emotions have this way of making things messy and in our line of work, having your head up in the clouds is a good way to get yourself killed.

So, as much as I want to jump on Saint and ride him all night long, I've settled for being his den mother. I keep his motley crew of boys in line and well-fed. More than that, Saint knows he can count on me – for anything.

Which means, when suspicions rise that there's a mole amongst our ranks, Saint turns to me. And I was more than happy to point him in the right direction.

*Because no one messes with the Wicked Kings. No one.*

**If you love fast, twisted rides, READ IT NOW!**

Aimee agrees, knowing Paul's participation in the auction will raise the money needed for a mobile health clinic. Everyone knows that Paul doesn't date, and after Aimee's divorce, that's fine with her...or so she tells herself. ## **Strict (Part Nine)**

**Author: Hannah Ford**

I met him in the kind of place where bad things happen. The kind of place where women fall to their knees, call men sir, and get lashed with a belt.

Gage Stratford. Dark, damaged, cold-blooded and gorgeous, with secrets so deep you could drown. He touched me that night, made me feel things that excited and terrified me in equal measure.

When I turned up at my internship the next day, I was shocked to find he was my new boss. My billionaire boss was the one who had made me feel like I couldn't help but fall to my knees and do whatever he commanded.

He says he can't stay away from me. That he needs to make me his submissive, to take me over his desk, to punish me and make me his.

But our horrific pasts have made us who we are, and to get close to him means to crack each other open and expose the very things we've worked so hard to bury. And when our secrets come out, not only our love but also our lives will be on the line -- leaving us bound together forever, or destroyed and shattered beyond repair.

Being together isn't an option.

But staying apart is impossible....

## QUIVER EVER AFTER: A DARK ROMANCE (PART ELEVEN)

**Author: LAURA AVERY**

### EMERY

I had to run from the darkness that lived inside of him.

Love had been insignificant; the kind we'd shared was twisted and broken.

Being close to him felt a lot like having a death wish.

I had to leave, not just for him or myself, for something bigger than the both of us.

The only problem was that I'd taken something of his with me...

Something so important that he would destroy everything in his path to find it.

The only thing I could do was hope that some secrets were meant to stay buried.

### JACKSON

I had to push the light she radiated out of my life.

Love had been nonexistent in my mind; the kind she gave me was dangerous.

Being near her felt a lot like destroying everything good in the world.

I had to get rid of her, not for me but for her, I'd been destined for darkness either way.

The only thing she had going for her was that she had never betrayed me...

It was why I had let her walk away with her soul still intact.

But God help her if I ever found out otherwise.

## **Medusa and the Magic Touch: A Bully Reverse Harem Romance (Broken Monster Academy Episode Book 2)**

**Author: Avery Free**

I've never seen classes like this before.

Broken Monster Academy is wrong in all the right ways. Apparently, they see nothing wrong with me having to share an apartment with three hot men: a siren, an incubus, and a gargoyle. Nor do they have any qualms with having their professors cross some very hot lines with their students.

All that I can live with.

But when one of my friends back home is hurt, and I learn someone at the academy might be responsible, everything changes. Now not only do I have to survive this school with its questionable rules, and its sexy-as-sin men, I have to seek revenge for friend.

Unfortunately for my enemies, Medusa is one monster they should never have crossed.

MEDUSA AND THE MAGIC TOUCH is a paranormal reverse harem romance. It is a light bully academy, so her guys are not always the nicest, but they are redeemable. It is also a VERY steamy story that moves at a quick pace. This is the first episode in the series. Each episode will be released every two-four weeks.

## **QUIVER EVER AFTER: A DARK ROMANCE (PART TEN)**

**Author: LAURA AVERY**

EMERY

I had to run from the darkness that lived inside of him.

Love had been insignificant; the kind we'd shared was twisted and broken.

Being close to him felt a lot like having a death wish.

I had to leave, not just for him or myself, for something bigger than the both of us.

The only problem was that I'd taken something of his with me...

Something so important that he would destroy everything in his path to find it.

The only thing I could do was hope that some secrets were meant to stay buried.

JACKSON

I had to push the light she radiated out of my life.

Love had been nonexistent in my mind; the kind she gave me was dangerous.

Being near her felt a lot like destroying everything good in the world.

I had to get rid of her, not for me but for her, I'd been destined for darkness either way.

The only thing she had going for her was that she had never betrayed me...

It was why I had let her walk away with her soul still intact.

But God help her if I ever found out otherwise.

They've always been friendly, but now something has changed, and they're about to become closer than ever.*

### **Malcolm**

One of the good things about being a cop in a small town is that there's always a break from the action. And one of the bad things is that you can never tell when that break is going to end.

I'm working the late shift one night when I get a call that there's a prowler up at the lodge.

There's only one person I know who works the nightshift like me...and she's in danger.

It's easy to make friends with the gorgeous cop who always stops in to say hello on his nighttime rounds. It's easy to trick myself into thinking that maybe he does it because he likes me...and maybe I like it because I like him.

And as we grow closer, it becomes apparent that he's saved me in more ways than one.
