

Tattooed Sweetheart (Sweetheart, Colorado)

Author: Jenika Snow

I'd always been a loner, the label of "bad boy" always following me around because I was tattooed and pierced—although, it wasn't like anyone ever saw my piercing.

People saw me as some kind of delinquent, when I was anything but, and they were too afraid or wary to try to get to know me.

And as the years went on, I accepted that was my reality... until I had enough.

So, with nothing else to lose, no family or friends, I decided to make a change. I packed up, moved to the Colorado mountain town of Sweetheart, and started my own business as a tattoo artist. Seemed like the perfect distraction, the ideal way to reinvent myself.

And it was working out for the last three years. I'd been content with what I had and never wanted more than that. That was until I saw her, and I realized exactly what I'd been missing in my life.

Because she wasn't in it.

Flora Harrison, owner of the brand-new coffee shop that opened up right across from my tattoo parlor, was everything I didn't know I needed in my life.

And I couldn't stop from inserting myself into hers until there was no doubt that I was meant to be there. That she was meant to be mine.

If nothing else, I was persistent, and no one and nothing would dissuade me from claiming the woman of my dreams. Not even her.

BIG MAN'S CLAIM (Big Men Big Hearts Book 2)

Author: Penny Wylder

I'm not a guy who looks for love--I sure as hell don't deserve it.

Especially not from a gorgeous red-head who I found nearly-naked in a river.

Melody is tough as nails and freshly eighteen. A rugged, tattooed mountain man like me knows better than to get mixed up with someone as pure as her.

But the second we're alone, her lips close to mine, I can't fight my desire.

She's too innocent for me. I tell myself one night is enough for us both.

It's stupid to let my heart beat a million beats for a woman who will turn into a memory.

But now that I've had a taste, I can't let her go.

I'm claiming her as mine... for better or worse.

Laura Biel and her boyfriend are on a dream vacation in beautiful Sicily. On the second day of their trip, her twenty-ninth birthday, she is kidnapped. After surviving the attack, he vows that he will find the woman in his vision and make her his own. No matter what.

For 365 days, Massimo will keep Laura captive in his palatial estate and attempt to win her heart. If she doesn't fall in love with him during this time, he will let her go. But if she tries to escape at any point, he will track her down and kill her entire family.

Soon Laura develops a fascination with her handsome and powerful captor. But as a precarious, risky relationship forms between them, forces outside their control threaten to tear them apart...

Big Bad Wolf (The Lycans, 1)

Author: Jenika Snow

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for

an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone—something—stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

Hung Sweetheart: An Age Gap Valentine's Day Romance (Sweetheart, Colorado)

Author: Lena Lucas

A complete standalone in the Sweetheart, Colorado series.

All it had taken was seeing Pepper one time, and I knew she'd change my world. At thirty-two, the only positive I had in my life was taking over my father's legacy in Sweetheart, Colorado. McKenzie Hardware was the center of my universe, but I wanted more. I was lonely, isolating myself from people at every turn.

But when I'd seen Pepper, something in me lit up. She was like the sun in my very dark world, and I wanted that light to wash over me forever.

I wanted her forever.

But I was over a decade older than her and hadn't ever been in a relationship. What could I offer her aside from my own inexperience and a hardware store?

Despite the fact that I saw myself lacking, that she deserved better than me, I knew I had to find out more about her. I had to make her mine.

She was so much younger than me, innocent and fragile. She was soft and perfect to my hard and rough.

And she transfixed me, mesmerized me. I was infatuated. It got to the point where I couldn't stay away anymore. I couldn't lie to myself that what I felt for her was just a passing curiosity. It was more. She was more. I needed her to be mine.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of Valentine's Day romantic filth thrown in. An age gap double virgins romance to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

Hanging around is a bad idea, but I don't play by the rules. Amber acts all prim and proper, but she has a secret, too. She may not want her psychic abilities, but they're a gift.

I should let her go, but the way she fights me only makes me want her more. When she learns what I am, there's no escape for her. She's in my world, whether she likes it or not. I need her to use her gifts to help recover my missing sister—and I won't take no for an answer.

She's mine now.

Dreaming of You (Gamblers Book 2)

Author: Lisa Kleypas

When shy and secluded author Sara Fielding ventures from her country cottage to research a novel, she inadvertently witnesses a crime in progress—and manages to save the life of the most dangerous man in London.

Derek Craven is a powerful and near-legendary gambling club owner who was born a bastard and raised in the streets. His reputation is unsavory, his scruples nonexistent. But Sara senses that beneath Derek's cynical exterior, he is capable of a love more passionate than her deepest fantasies.

Aware that he is the last man that an innocent young woman should ever want, Derek is determined to protect Sara from himself, no matter what it takes. But in a world where secrets lurk behind every shadow, he is the only man who can keep her safe. And as Derek and Sara surrender to an attraction too powerful to deny, a peril surfaces from his dark past to threaten their happiness . . . and perhaps even their lives.

Together they will discover if love is enough to make dreams come true.

With good cause.

Men from the newly created Capricorn Institute bring her to the newly renovated prison on the hill to work her wiles on their beasts, creatures she'd thought she'd only ever seen in a zoo, but they don't respond to her psychic overtures like a normal animal would.

Because they aren't.

Beautiful, wild, Shannon's about to find out the truth about the Big Bad Wolf and all of his apex predator friends. These sexy shifters track her every movement, memorise her scent, because even from behind bars, they're hunting her. Physically, psychically, these men will use whatever tactics they can to get what they want: her.

THERE IS AN EXTENSIVE TRIGGER WARNING INSIDE THE START OF THE BOOK. PLEASE MAKE SURE TO READ IT.

The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)

Author: Stasia Black

They say good things come to those who wait.

Bullsh*%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

Reasonable Doubt: Full Series (Episodes 1, 2, & 3)

Author: Whitney G.

A New York Times bestseller with over 100,000 copies sold!

My cock has an appetite.

A huge and very particular appetite: Blonde, curvy, and preferably not a fucking liar...(Although, that's a story for another day.) As a high profile lawyer, I don't have time to waste on relationships, so I fulfill my needs by anonymously chatting and sleeping with women I meet online.

My rules are simple: One dinner. One night. No repeats.

This is only casual sex. Nothing more. Nothing less.

At least it was, until "Alyssa"...She was supposed to be a 27 year old lawyer, a book hoarder, and completely unattractive. She was supposed to be someone I shared law advice with late at night, someone I could trust with details of my weekly escapades.

But then she came into my firm for an interview--a college-intern interview, and everything fucking changed...

It doesn't take long for me to realize it's jealousy.

Damn it.

We've always been friends. Can we be more? Maybe I'm not as straight as I thought. One night with Richie and all thoughts of straight fly out the window. I want to see where our feelings take us, even if it means exploring who I really am. Life with Richie could be everything I ever wanted... except I've always dreamed having a family and kids of my own.

Am I ready for a new, different life when I've always craved a white picket fence?

After fifteen years of teasing, insults, and practical jokes, the ultimate joke seems to be on them. The two people who always thought they'd end up killing each other must now work together if they want to survive.

"Just wow. This book was unlike anything I've ever read before. It was so unexpected and so, so good! I loved Cora and Dean, I loved their intense connection. Reading about the emotional way they became bonded to each other. Dean is probably hands down my favourite book boyfriend ever. His protectiveness and utter devotion to Cora was so beautifully written. This book is easily in my top 10 favourite books of all time. My only regret is that I'll never be able to read it for the first time again." — **Emlovesreading Bookstagram**

Adored by Landon (Small Town Love)

Author: Cameron Hart

Landon: The last thing I want to be doing at nine in the evening is driving out to see what old Mr. Leroy is complaining about. But that's what I signed up for when I became the sheriff of Still Creek, Minnesota. I never would have expected the old man to be fighting with an angel in the parking lot of his antique store. And I certainly never expected to offer her my guest bedroom. She's runnin' from something, that's for sure, but I hope soon she'll be runnin' right into my arms. I'll protect her from the whole world if only she'll let me. Looks like I won't be alone this Valentine's Day...

Zoe: I've been on the run for days now. I don't even remember how I ended up in the tiny town of Still Creek. The last person I ever thought would be nice to me is a giant, tatted-up sheriff. If he only knew what kind of criminal he had sleeping in his guest room, he'd never look at me again. I'll just have to savor every sweet, heated moment he gives me while it lasts.

What to expect from a Cameron Hart book: Lots of heat, plenty of sweet, and just enough drama to keep things interesting. No cheating, safe, guaranteed HEA!

He Saw Me First (Age & Innocence Book 1)

Author: M Johnson

Across an empty laneway in Paris, through my hotel window,
He saw me first.
I stopped undressing . . . but only for a moment.
The next night, he was waiting for me.
He sat there in his expensive suit and watched.
No participation.
My only acknowledgement was the look of lust in his eyes.
It continued until the night before I left,
when I found a card under my door.
No words. Just a number.
So, I texted him.
I'd never done anything like it before.
It felt so dirty and wrong, but at the same time, I felt alive.
He was much older than me, so intimidating and sexy.
He made me feel things no man ever has.
I was under his spell.
The last thing I expected was to ever see him again.

Teaching Foster's Cowboy: An MM BDSM Romance (Different Hearts Book 5)

Author: Izaia Winter

One drink. Three times a week. For thirty minutes and no more.

Foster knows he should stay away from him. As the owner of the largest BDSM club in the state, he accepts the big, sweet bartender next door isn't for him. It doesn't matter if Elias's blushes set his body on fire. It doesn't matter if he sees the same burning need he feels reflected in Elias's gaze because Elias isn't submissive and dominance runs through the very core of Foster's being.

Those are the rules.

Submissive and inexperienced, Elias is fascinated by the worldly, sophisticated man who comes into his bar. He's everything Elias has ever wanted in a man: a compact body, an intense stare, and dominance that clings to his skin. It's a shame he never makes a move.

But rules are meant to be broken.

And then something unexpected happens. When a coworker comes in and drags his stranger out of the bar, Elias can't help but follow. As Elias lets his curiosity overtake him, he finds himself Foster's partner, and suddenly, the man who never makes a move is making them all.

*Author's Note: If you're looking for some hardcore/dark BDSM romance, this **isn't** that book. I live to write cute, sweet, feel-good romance. And just because Foster likes things a little rough doesn't mean he's not going to get the same treatment. Enjoy!*

WARNING: This book is intended for Adult (18+) readers. I try to write all books so that they can be read and understood as stand-alone stories. However, reading them all together will create a more complete and rich experience as past characters can and will make surprise appearances.

Author: Amelia Hutchins

Creating a new House of Magic is hard work. Aria knew she had a tall task ahead of her, cleaning up the mess her family had made in the Nine Realms, but nothing could have prepared her for the horrors that awaited within the Nine Realms.

Dark magic has taken hold of the lands as Aria finds herself in the middle of an ongoing war while playing cat and mouse with Knox, who hunts her relentlessly.

To make matters worse, Aria's creature has grown impatient and is doing everything she can to get back to the monster within Knox, even knowing that Aria's heart is on the line.

How far will Aria go to protect those she loves from Knox's wrath? How long can she evade the man stalking her every waking hour as her body and mind fight against the growing need for him to claim her? Can she break the curse that has plagued the Hecate bloodline for over 500 years while protecting her heart?

The highly anticipated complete novel of *The Professional*--the first installment in #1 *New York Times* bestselling author Kresley Cole's scorching Game Maker series, an erotica collection that has readers asking: *How hot is too hot?*

Meet the Professional.

Mafiya enforcer Aleksandr "The Siberian" Sevastyan's loyalty to his boss is unwavering, until he meets the boss's long-lost daughter, a curvy, tantalizing redhead who haunts his mind and heats his blood like no other. Ordered to protect her, Aleksandr will do anything to possess her as well--on his own wicked terms.

He makes the rules.

Grad student Natalie Porter has barely recovered from her first encounter with the dark and breathtaking Siberian when he whisks her away to Russia, thrusting her into a world of extreme wealth and wanton pleasures. Every day under his protection she falls deeper under his masterful spell.

In the game of obsession, two players are better than one.

Yet all is not as it seems. To remove Natalie from an enemy's reach, Aleksandr spirits her into hiding. From an opulent palace in Russia to the decadent playgrounds of the mega-rich in Paris, the two lovers tempt each other's boundaries to discover whether their darkest--and most forbidden--fantasies really can come true....

Just a Bit Wrecked (Straight Guys Book 11)

Author: Alessandra Hazard

A plane crash. A homophobe and a gay man stranded together on a desert island. A love born out of hatred, need, and mutual desperation.

Andrew Reyes is handsome, rich, and very straight—he's married to a gorgeous woman. Outspoken about his distaste for gay people, he isn't shy about his opinion as he watches the gay couple he and his wife share a flight with.

Logan McCall is handsome, rich, and openly gay. He isn't impressed with the bigoted jerk across the aisle, no matter how easy on the eyes he is.

To their shock and horror, they're the only survivors when the plane crashes—stranded on a desert island with no hope of rescue, and no one but each other to depend on for survival.

As the days turn into months, can disdain, antipathy, and a craving they don't understand and can't resist turn into a connection? Or something more?

Just a Bit Wrecked is a steamy gay romance with a happily ever after. Book #11 in the Straight Guys series but can be read as a standalone.

Fearless King (Kings of Rittenhouse Book 4)

Author: Maya Hughes

My first crush. My first heartbreak. My brother's best friend.

The butterflies in my stomach turned into full blown eagles the second our lips touched. A kiss under the stars that changed our relationship forever.

After a lifetime of wishing, I stared up into Ford's eyes with his fingers caressing my cheek and my heart racing.

The evening ended with my heart bleeding on the ballroom floor.

He destroyed my heart two years ago...but now he wants back in my life.

This time I won't fall under his spell. I'll resist his sexy, scruffy beard, and panty-melting smirk.

I thought I was over him. Hell, I fully planned to wave to him through my rearview mirror...but with one text, in the middle of the night, I know I'm in over my head.

Ford: I need you.

Author: Meghan Quinn

My Best Friend's Ex is a small town, roommates to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes.

When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson.

Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer.

Boy, was I wrong.

Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man.

Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs.

But with great orgasms, comes great consequences.

Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

*** This is a full length novel , 100,000 words, with a happily ever after, no cliffhanger, no cheating, and full of heart, humor and, steamy heat. ***

Getting pregnant? A big deal. Getting pregnant by your handsome, hands-on personal physician? An even *bigger* deal. And don't forget, he has a business partner who *loves* being in on the action as well.

I've put off seeing a doctor for a long time, so when I finally work up the nerve, I decide to go for the best. Doctors Ryder Stephenson and Ranger Stevens have a very exclusive practice on Park Avenue. They're two incredibly gorgeous, rich as all hell plastic surgeons with a helluva magic touch.

Except, my consultation goes off the rails.

My physicians are completely irresistible, and the temperature in the exam room heats up until it's near sizzling. We're damn near breaking the law.

But you know what I really want?

A baby.

... And the doctors are only too happy to oblige. They tell me to come back for another consultation ... and another ... and another ... until soon, I'm a mommy-to-be.

Yeah, *whoops*. This wasn't supposed to happen.

But now, I want it all, and the gorgeous, huge, growly physicians won't stop until I'm mommy to a *dozen* of their children.

We're off the reservation with crazy, over-the-top insta-love between two gorgeous doctors and a sassy curvy girl that will make you want to put on a flimsy hospital gown. There are no swords that cross because the story is all about her. Not responsible for thermometers that break. Reader beware.

As with all my books, this one is safe, with no cheating, and a HEA guaranteed.

That Wild Player: A Standalone Bad Boy Billionaire & Good Girl Romantic Comedy (Sweet Darlings Inc. Book 3)

Author: Nadia Lee

What's a good girl to do when she gets dumped via an email that's CC'd to all her best friends?

- a. run her jerkface ex-boyfriend over with a semi
- b. hire a hit man on Craigslist
- c. try online dating with her best friends cheering her on

Alas, online dating isn't what it's cracked up to be. But just when I'm about to give up, CJ appears. A Silicon Valley billionaire. Hot. Smart. Makes me tingle in places I didn't know could tingle. So perfect I'd ignore the humiliation of ending our first encounter with him clutching my bad-luck panties against his tight abs...except he's a player. The exact opposite of what I need.

But "no" is not part of his vocabulary. He wants me and pursues me relentlessly. He pops up as best man at my friend's wedding, at my office, in my home. He's sending me flowers, chocolates, coffee beans, you name it. Plus he kisses like he invented the action. It's like he knows all my weaknesses and is launching a siege.

Then my world implodes, and I realize being good and responsible is overrated. Can the wild player handle this former good girl?

Sugar Daddies

Author: Jade West

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.

Someone who can entertain them, amuse them, fit in with their corporate schedule.

And sex. They want sex.

Lots of sex.

Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.

Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.

Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.

But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

Her Mafia Daddy: A Dark Romance (Romano Mafia Brothers)

Author: Bianca Cole

He has taken me captive, and I can't stop fantasizing about him tying me to his bed.

Kane Romano is the most handsome, powerful man I've ever met. He's also the man holding me captive.

My asshole of a step-dad found himself on the wrong side of the mafia, and then offered me up in exchange for his life. How does he have the right? I'm eighteen years old, and my step-dad doesn't own me.

The problem is, Kane Romano agrees. Everyone knows you don't fight with a Romano, unless you want to end up in an unmarked grave.

I should be scared, but every time I look into those dark eyes, I feel safe and protected. When we're alone he's a gentleman, but around anyone else he turns quiet and cold.

There's a thrill being here with him. Even though I've never been with a man, I find myself wanting him—a man who is more than twice my age and claims he owns me now.

When he asks me to call him daddy, I know I won't be able to refuse him...

Her Mafia Daddy is the first in the Romano Mafia Brothers series. It's a safe story with no cliffhangers, a HEA and no cheating. This story has hot scenes, some dark themes, and bad language. Like most of the books by Bianca Cole it features an over the top possessive alpha male.

Snatch: Cerberus MC Book 5

Author: Marie James

I've always been a connoisseur of the opposite sex. Tall, short, thin, thick and juicy, my tastes knew no limitations.

That became abundantly clear the night my best friend took me in his mouth.

Sure, there'd been close calls before, the slip of a hand or misplaced lips. With our propensity to share women, it was bound to happen.

That fateful night, I was met with pure intention and an experience I never want to forget.

Falling for a friend has never been so complicated.

Darkblood Prison: Demon At Large : Supernatural Prison Squad Series Book 3

Author: G.K. DeRosa

Once you go dark, you never go back...

Living in the Underworld with the dark lord himself made giving in to my darkest urges easy. It's finding my humanity again that's going to be tough.

There's only one reason I'd ever go back and that's two-hundred pounds of male dragon perfection. Even with my she-demon in control, I can't resist Talon. But will my feelings for him be enough to lure me back to the light?

And if I do go back, will I be alive long enough to enjoy my newfound freedom? Not likely if my blood-thirsty cousin, Thax, has anything to do with it.

The dark lord has been playing nice with me under his thumb, but what will he do when I set my sights on his throne?

Beautiful Bastard (The Beautiful Series Book 1)

Author: Christina Lauren

NYT and USA TODAY BESTSELLER

An ambitious intern. A perfectionist executive. And a whole lot of name calling.

Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate--and completely irresistible. A Beautiful Bastard.

Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative--*completely infuriating*--creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules--or outright smash them--if it means he can have her. All over the office.

As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other.

Originally only available online as *The Office* by tby789--and garnering over 2 million reads on fanfiction sites--*Beautiful Bastard* has been extensively updated for re-release.

Altered by Lead (Undercover Sinners Book 2)

Author: Tate James

My life will never be the same, altered by lead, damaged but not broken.

I'm becoming a new me.

I won't run any longer; this time, I'm the hunter instead of the prey.

But it takes hard work, skill, and a bit of luck to catch a mob boss.

I'm going to need all three to survive this.

Especially when I've got five gorgeous a**holes for teachers—and occasional bedmates.

The Blackbirch Company.

The organization my new lovers work for, it's just as dangerous as the criminals they're paid to hunt.

So why am I so desperate to become one of them?

Either way, in their arms, I grow.

I thrive.

And I'll become a force to be reckoned with.

****ALTERED BY LEAD is Book Two in the UNDERCOVER SINNERS trilogy. This is a romantic suspense with unapologetic anti-heroes and is fully intended for a mature audience.****

All The Lies (Mindf*ck Series Book 4)

Author: S.T. Abby

To understand the monsters in the world, you have to get inside their heads. It's a dangerous place to be, especially when you start to empathize and lose your own sense of morality.

But that's never happened to me...

I've never felt conflicted on any case. Right is right and wrong is wrong. It's simple. Black and white. There's no such thing as a gray area.

But fuck this case. I don't even know what side I'm on anymore. I don't understand how this town can continue to function without breaking under the weight of all the lies they've spun and lived.

Every time I find a shard of truth, my gut twists, my heart beats faster, and I hate this place a little more. Every time I think I've heard the worst, another truth is dug up from the ashes of more burning lies.

Worst of all, I don't even know who to trust anymore. My head is all messed up.

I pride myself on being impossible to fool.

I'm an expert at knowing when someone is lying to me.

I never believed in being blinded by love...until Lana.
