Neon Gods: A Scorchingly Hot Modern Retelling of Hades and Persephone (Dark Olympus Book 1)

Author: Katee Robert

He was supposed to be a myth.

But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine.

A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.

Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade.

With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed.

Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

Sugar Daddies

Author: Jade West

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.

Someone who can entertain them, amuse them, fit in with their corporate schedule.

And sex. They want sex.

Lots of sex.

Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.

Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.

Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.

But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

Teasing the Hitman: older man teased by her curves - feisty younger woman

Author: Alice May Ball

My last hit, but the one thing in the way was her.

I wasn't looking for love, but the first time I felt the heat from her pale amber eyes, she lit me up in places where I'm usually cold as steel. Seeing her made me want all kinds of crazy stuff.

I wanted to take her around the world. Open her up.

I wanted her, right then and there.

By then, I was already in too deep to ever get out.

She teased so hard, but was she trying to cross me?

Her Soul to Take (Souls Trilogy)

Author: Harley Laroux

Leon

I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her.

The one I was supposed to take, the one I should have killed - I didn't.

The cult that once controlled me wants her, and I'm not about to lose my new toy to them.

Rae

I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name.

I don't know who I can trust, or how deep this darkness goes.

All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul.

Her Soul to Take is book 1 in the *Souls Trilogy*. Although all the books are interconnected, they are *stand-alone* and can be read in any order.

Grey: Fifty Shades of Grey as Told by Christian (Fifty Shades as Told by Christian Book 1)

Author: E L James

E L James revisits the world of *Fifty Shades* with a deeper and darker take on the love story that has enthralled millions of readers around the globe.

"I've never felt this desire, this . . . hunger before. It's a new feeling, new and shiny. I want so much from her: her trust, her obedience, her submission. I want her to be mine, but right now . . . I'm hers."

Christian Grey exercises control in all things; his world is neat, disciplined, and utterly empty—until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him—past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart.

Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

Thirsty (Black Wolf Pack Book 1)

Author: Jenika Snow

We were a close-knit community of wolf shifters, and finding your fated mate was a rare gift. So when it happened to me, I knew I'd fight to the death to claim her as mine.

But she was the Alpha's daughter.

Off-limits to everyone, especially me, the Beta of the pack. The Alpha's second-in-command.

Mia was the one female who had been born to be mine and mine alone. There would never be another for me. There *never* had been anyone for me. And when I finally gave myself over to a woman, when I kissed a female for the first time, touched her, I'd give that honor to my mate only.

And the way Mia looked at me, the innocence that poured off of her but mingled with her bone-deep desire told me my mate was ready to take things to the next level. She was ready to let me claim her... mark her.

But there was one massive obstacle stopping me from making my dreams a reality, from making my fated mate mine. And that was her father finding out and trying to stop me.

He had his own heartache in the past, and because of that, he held Mia very close, was very protective of her. He wouldn't give her up without a fight.

And when the truth was finally revealed, there was only male who had the strength and power to challenge the Alpha... and that was me.

A Lady of Rooksgrave Manor (Tempting Monsters Book 1)

Author: Kathryn Moon

On the brink of losing her position as a maid and with no prospects to go on, the offer of a place at Rooksgrave Manor—a house of ill and unusual repute—sounds like a perfect fit for a young woman with Esther's inclinations. Even better, the invitation comes by the hand of the handsome Dr. Underwood, a delicate gentleman with a ferocious alter ego who knows exactly what he wants from Esther.

Upon arrival, the men and the daily decadence of the manor feel too good to be true for a girl of Esther's station. There are rules to be followed, expectations to meet, and Esther is afraid she might be too wicked even for a place like Rooksgrave.

Temptations lurk around every shadowy corner and Esther has never been a girl able to resist. But the risk of disappointing her new gentlemen isn't all that's threatening Esther's new position. Rooksgrave Manor's protections for its unusual patrons are failing, the wards are crumbling, and Esther's new and exquisitely pleasurable life may all come tumbling down.

The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)

Author: Stasia Black

They say good things come to those who wait.

Bullsh*t%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

Lola & the Millionaires: Part Two

Author: Kathryn Moon

Lola is being hunted by her past, stalked with every step she takes. Sheltered with the pack of her dreams, at first it seems like the hardest challenge isn't even staying safe from Indy. Tensions at work are at a tipping point and after taking the role of management's spy, Lola's in the crossfire if anything goes wrong.

As romances between Lola and the pack members are developing left and right, the woman who swore she wanted nothing to do with alpha is turning to them like a bloom to the sun. If only it weren't just one monstrous alpha that twisted her own thoughts. Lola is quickly realizing that her worst enemy is herself, and it's like walking the tightrope to find a balance with the pack that gives her strength rather than sends her toppling to the ground.

But Indy won't be ignored. One way or another, he's determined to get his hands on her again. Lola needs more than a pack to shield her. She needs to be ready to fight.

Alistair snatches the pillow from her hands, then throws it to the foot of the bed.

"Woman what the hell is wrong with you," he barks, breathing heavily. "Were you seriously trying to kill me?" Alistair glares at Hailey, rubbing his nose.

"Kill you, no. Make you suffer because I can't sleep, then yes," Hailey states, irritated.

Alistair squints his eyes at her. "So, because I can sleep and you can't, you try to smother me? And they say I'm the crazy one."

A top 50 Amazon bestseller.

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing. My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me.

And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Pushing Her Limits: A Forbidden Romance (Forbidden Fantasies Book 26)

Author: S.E. Law

Kitty: I'm a salesgirl at a candy store, but every woman has needs. One day when I'm alone in the shop, I decide to get naughty with the lollipop display. Okay, so that's not its intended use, but everyone has a wicked side, right?

Clay: Imagine my surprise when I went to a local candy store and caught a young lady using multiple lollipops in a "very" imaginative way. I had no idea that the sweet treats could even do that, and my eyes popped out of their sockets (*something else popped out too*). But now, Kitty's let the cat out of the bag (no pun intended), and I'm going to push the curvy girl to her limits by taking her to a very dirty club ... ***even if it results in a baby in her belly!***

In this tale, Kitty's an imaginative woman, and she's found just the man who appreciates her wicked ways. In fact, Clay is so intrigued that he introduces her to a new world at a no-holds-barred private club where ANYTHING goes. Strap on your seatbelts because together, our hero and heroine create sizzling heat that will leave you panting for more! This is a follow up to My Sweet Fake Fiancée, but all of my books are standalones and do not need to be read in order. No cheating, no cliffhangers, and always a HEA for my readers.

Extreme Treatment: Experimented On and Ganged at the Doctor's Office (Doctor's Discipline)

Raya is no stranger to the clinic, but this time she's there to help test new treatments. Controversial products and the rough doctor who administers them prevent most girls from signing up for the study. It takes a real brat to be able to handle it.

Cleaned out, stretched wide, poked and prodded in her most sensitive parts, Raya loves the challenge. From a hand controlling her breath to stuffing it inside her, nothing is off limits. The only issue is the crush she develops on her doctor.

She's not big on emotion and would rather just feel the extreme and painful treatments. Still, part of her wishes she had a Daddy to comfort her when it's over. Will she be able to convince her doctor there's more between them than clinical orgasms?

Your Dad Will Do (A Touch of Taboo)

Author: Katee Robert

I've been harboring a dark secret for two long years. I've been fantasizing about my fiancé's father, thinking filthy thoughts that a good daughter-in-law should not be indulging in. So when I catch my fiancé cheating on me, there's only one revenge that will fulfill all my needs.

I'm going to seduce his father. It's dirty and it's wrong, and I don't care. I want him, so I mean to have him.

After this weekend, my ex won't be the only one who calls his father Daddy.

PUSH

Author: Nyla K

To the unassuming observer, Ben Lockwood is your typical, suburban dad. Aside from the fact that he's only thirty-six and his daughter is a sophomore in college. He and his wife, Jessica, had their only daughter, Hailey, when they were in high school. So you can imagine the unease Ben is feeling when said daughter brings her new boyfriend home for Thanksgiving... To stay, in their house, for the whole weekend.

Ryan Harper, otherwise known as The Boyfriend, is every dread Ben's ever had in his daughter dating come to fruition. There's nothing wrong with Ryan. He's polite, smart, and charming... He doesn't have any neck tattoos or facial piercings, and he drives a BMW. But still, he's dating Ben's daughter. That makes him a threat.

It's in Ben's best interest to keep an eye on the kid. You know, to make sure there's no funny business going on under his roof. Unfortunately for him, the tension

in the house is less about Ryan being his daughter's boyfriend, and more about him being a strangely intriguing human.

And soon enough, Ben can't tell if he's watching Ryan to protect his daughter's innocence, or obliterate his own. It seems like the boring married-guy image isn't going to hold up for long... Not after this bizarre, life-changing weekend.

What are these new, strange feelings and desires? Where did they come from? And why do they have to center around what belongs to his daughter?

Ben and Ryan's situation couldn't get much more complicated... Until Jessica steps into the mix.

An unexpected push is all it took for their lives to change forever.

PUSH by Nyla K is a label-free HEA love story. It contains infidelity triggers, which do work themselves out, so I urge you to give it a shot. MM turns to MMF, in a very steamy, unexpected romance that will make you laugh, maybe cry, and definitely swoon. The theme of love is love is key here, so there aren't many defining, or coming out moments. That being said, this book does explore male-male bisexuality, pansexuality and polyamory, but in a very casual, unassuming way. If MM and MMF are not your cup of tea, then steer clear. However, if you're looking for an open-minded tale of taboo and forbidden romance that ultimately works out for its characters, then this book is for you!

Daddy's Hunting Cabin: Pregnant Babysitters Forbidden Younger Woman Taboo Older Man Explicit Erotic Age Gap Sex Shorts (Daddy's Babysitter)

Author: Daddy Domergue

God, I'm so thrilled to be at daddy's hunting cabin.

I can't believe he and his friends invited me, his **feminine little babysitter**.

Most thrilling of all, is that **we're sharing a bed**.

It's such masculine, alpha den in here:

Bear heads on the walls, bear skins on the floor.

A crackling fire casts an orange glow on daddy's salt-and-pepper scruff.

I was supposed to sleep in the closet, with the baby, beside the crib, but my sleeping bag was too cold.

When I told daddy I was cold, stretching out my limber body so he could see my goosebumped-skin, he and his friends took one look at **my soft, curvy little body**, and made room for me at their late-night poker game.

Now, my stomach flutters, and **my panties get wet and tangled**, bedtime drawing near, feeling so primal out here in the woods, with this older man pulling me closer and closer.

Despite his reservations, daddy's hunting buddies persuade him to take me to bed.

"There's only one rule," one of them says:

"Babysitters sleep naked."

Taming the Tease (Stronghold Book 2)

Author: Golden Angel

His dream girl lives right next door, but can she handle his needs?

Rick Winter is tired of playing empty scenes with submissives, only to return home alone. He wants what he sees his friends getting - a real relationship with submissives who love them. Unfortunately, since his move to be closer to his friends and Stronghold, the BDSM club they all frequent, the only woman who has really sparked his interest not only isn't a submissive, she's his neighbor. Since he's always had strict rules for himself about not becoming entangled with women that he can't avoid (just in case things go badly), Rick's doing his best to ignore the distractingly gorgeous and curvy Maria.

Maria Arias is the oldest of four sisters; the middle two are married and her baby-sister just got engaged. That doesn't bother her though, what bothers her are the assumptions everyone else seems to have about how it SHOULD bother her. She's just looking for some fun and maybe a few hot nights when she meets her sexy new neighbor, but he's staying aloof - mostly. After a series of mixed-signals, and one very clear warning to stay away from him, this tease is about to find out what happens when she flirts with a Dom who demands more than just a casual affair.

Want Me (Extracurricular Activities Book 1)

Author: Neve Wilder

Two roommates. One calculus exam. A whole lot of extracurricular activity.

Living with four other guys, it's bound to happen.

Every guy's been caught taking care of business at least once, right?

It shouldn't be a big deal.

But I don't know Eric as well as my other roommates, and things are a little awkward now.

He's a loner. A mystery. Quietly confident. Smart.

Sexy as hell.

I've been happily subsisting on the typical frat guy diet of booze and sorority girls.
But the way Eric looked at me that night?
There was *something* there.
Something that's got me curious.
Something that's stirring up feelings I thought I'd left behind for good.

Something that's making me think I'm not as straight as I thought I was.

I can't get him off of my mind.
I don't think I want to.

So when he offers to help me study for a midterm, I take him up on it.

It's innocent.
Probably. Maybe.

There's no way I could've known what it'd start...

Want Me is a steamy new adult/college roommates-to-lovers gay awakening romance that unfolds across six episodes following Nate and Eric. Now bundled up in one collection with a bonus episode for a seamless reading experience. It's book one in the Extracurricular Activities series.

I wanna nudge that pudge.

When I get a peek into her big heart, I realize Shay could be the one I've been waiting for. The one I want to spend forever with. Now, I just need to make her see me for who I really am. Not the flirty, care-for-nothing, meathead she thinks me to be.

I had given up hope of ever finding my mate and because of that had let my inner beast reign supreme, control me. I was far more rabid than anything else.

But then it happened. I saw her, my halfling mate. Part Lycan. Part vampire. She was perfect and made just for me.

I craved her like no other, and I'd have her as mine no matter what.

For there was nothing more dangerous than a male of the Otherworld finding his mate and keeping her close.

But she had protectors, brothers and a father who saw me for the beast I was, and were ready to go to war with me... to keep her from me.

I'd been waiting my entire life for her, and they'd soon realize I'd level anything and anyone who thought to stand in the way of claiming my prize, no matter the consequences or repercussions.

SIGNIFICANT

Author: Shanen Ricci

Aaron LeBeau crashes into my life as my savior. But he is no prince. He is everything I shouldn't crave. A danger, sending all the wrong signals while awakening all the right things.

Aaron LeBeau.

A heartless alpha.

An undefeated Formula 1 driver.

A dark enigma.

... And the man who trapped me into an agreement.

I was supposed to unravel who he is, without shattering my rules.

I didn't sign up for a whirlwind passion of a twisted role-play of the hunter and the prey.

Nor for our demons to be magnetically attracted, our chemistry to be haunting, our broken souls to understand each other.

I promised I would never be his; body, soul, heart.

And that's a promise he's hell-bent on breaking.

Love.

A banned word from our vocabulary.

Significant.

It has never been a possibility for us.

A mutual salvation, or mutual destruction.

Breaking or freeing each other.
Healing or getting ripped apart.

A fatal game.

One where humans live in military-controlled, cramped and dirty cities along the coasts, and the majority of the United States is known as the Wastes. A lawless, desolate and dangerous place, teeming with monsters that have claimed the land for their own.

Including Wyn the Soul Eater.

He appears every three years, making his way across the country and slaughtering humans randomly, sucking them dry until they're nothing but husks.

I've only been in the military for six months, but now I'm part of a unit tasked with trying to stop and capture him. And when I'm the only soldier out of hundreds that the Soul Eater leaves alive, I realise that... something about me has intrigued him.

But what is it? What could a twenty-three year old guy from the south, with no one and nothing in the world, have possibly done to capture the attention of a death monster with horns, blackened fingertips and a face hidden in the dark depths of his hood?

Soul Eater is the debut novel of Lily Mayne. It is the first in a planned post-apocalyptic fantasy series featuring monsters and human men falling in love.

Warning: This m/m love story contains explicit content and is not suitable for young readers. There are also graphic depictions of torture and violence.

Take (Temptation Series Book 2)

Author: Ella Frank

TAKE – verb: to reach for and hold in one's hands or get into one's possession, power or control.

Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked.

Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance.

Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man.

Ever since then, he's thought about little else.

At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning.

He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife.

Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?
