With the other residents of the estate, Caitlin Fergusson has been planning just how to deal with the new owner, but coming face to face with Gregory Cynster throws her and everyone else off their stride. They'd anticipated a bored and disinterested gentleman who, once they'd revealed the income generated by the Hall's community, would be content to leave them undisturbed.

Instead, while Gregory appears the epitome of the London rake they'd expected him to be, they quickly learn he's determined to embrace Bellamy Hall and all its works and claim ownership of the estate.

While the other residents adjust their thinking, the burden of dealing daily with Gregory falls primarily on Caitlin's slender shoulders, yet as he doggedly carves out a place for himself, Caitlin's position as chatelaine-cum-steward seems set to grow redundant. But Caitlin has her own reasons for clinging to the refuge her position at Bellamy Hall represents.

What follows is a dance of revelations, both of others and also of themselves, for Gregory, Caitlin, and the residents of Bellamy Hall. Yet even as they work out what their collective future might hold, a shadowy villain threatens to steal away everything they've created.

Every lady on the marriage mart wants him as her prize, and every young fop wants to be him. When his foolish younger brother declares his intention to marry a devious East End fortune hunter, Garrick is appalled. He vows to do everything in his power to stop the mésalliance from occurring.

Penelope Sutton has long considered Lord Aidan Weir her unlikely friend. But when he decides he wants to marry her to anger his father and condescending brother, she refuses to take part in his schemes. She would have told the arrogant Lord Lindsey as much had he not attempted to bribe her. And she *most definitely* would have informed him he should take his blunt back to Mayfair where it, and he, belongs...had he not kissed her.

Torn between a confounding attraction to Miss Sutton and the desire to make certain she stays far, far away from his brother, Garrick must prove she is every bit the title-hungry fortune seeker he believes her to be. Pen is equally determined to show the viscount how very wrong he is about her. But when their battle leads to much higher stakes than pride, everything changes for the rigidly proper lord and the rookeries-born lady.

## Mischief, Mayhem, and Marriage (Supposed Scandal)

**Author: Rebecca Connolly**

**One good scandal deserves another...**

Lady Alexandrina Lawson has never minded her widowhood. After the disaster that was her first marriage, she found it rather enjoyable, despite the pity she received. What the public saw as devoted mourning to a respected man was, in fact, a complete disinterest in participating in anything Society could offer her ever again. When an invitation to a cousin's London event proves disastrous for Alexandrina, her reputation, and that of her child, her choice becomes simple: rescue or ruin.

Enter Taft Debenham, Earl of Harwood.

Taft could not have less interest in Lady Lawson or her cold manner, but neither could he stand by and let her suffer a forced marriage to a drunken idiot. Sacrificing himself on the altar of Society, thinking how his own reputation might benefit, he provides a rather clever solution: marry the woman himself, and claim outrage for the offenses against her. Over the protests of his bride, and those of his own sanity, Taft begins the greatest scheme he could ever imagine. Nothing surprises him more than beginning to discover that his wife has a heart beneath her icy exterior.

And that he would do almost anything to claim it.

**Author: Julia Quinn**

**A New York Times Bestseller**

**From #1 New York Times bestselling author Julia Quinn comes the story of Eloise Bridgerton, in the fifth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix.**

### **ELOISE'S STORY**

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more.

Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

## Nary a Hedgerow: A Pride and Prejudice Variation

**Author: Don H. Miller**

This book continues the story of the Darcys and Bennets in *Pride and Prejudice* at a point which is more than two months later than when Darcy and Mr. Bingley leave Hertfordshire immediately after the ball which Mr. Bingley hosted at Netherfield Park. It assumes that Mr. Bennet has died and that the Bennet women no longer live at Longbourn because of the entail which gave that estate to Mr. Collins. The Bennet daughters have been distributed among relatives—Mary and Lydia with Mrs. Bennet in a cottage in Meryton, Jane with her Uncle and Aunt Phillips in Meryton, and Elizabeth and Kitty with their Uncle and Aunt Gardiner in London. This variation addresses how the family manages to survive the tragedy, how the relationship of Elizabeth and Darcy is influenced by Elizabeth's becoming the ward of her merchant uncle and aunt, and how the lives of other Bennet daughters are affected.

A new year and a new Season means a new Lillian Clarke. She's transformed herself from wallflower to incomparable. But she's no Cinderella. She's washed her hands of love and of Lord Devon, her own charming prince who barely knew she existed. She'd rather be the fairy godmother, helping invisible debutantes gain the attention they deserve on the marriage mart. But even though she's booted Lord Devon from her heart, he's not done with her. His sudden appearance at her home and inexplicable teasing threaten to distract her from her debutante dreams.

Lord Devon, the second son of duke, has put self-pity and scandal behind him and found a new purpose. He'll invent a machine that improves coffee, buy a coffeehouse, and be a self-made man. He's determined to be more than the heir's spare, privileged but kept in case of emergency. Unfortunately, he needs the assistance of Miss Clarke's brilliant father. And he hates Lillian Clarke for speaking the truth about him. The delectable woman thinks she's better than him. He'll teach her she's not. If he can ignore the way her courage makes him smile.

When sparks in the workshop fly, Lillian and Devon invent a passion that's more than they bargained for and complicate their paths to happily ever after.

## **The Meddler (A Series of Worthy Young Ladies Book 1)**

**Author: Kate Archer**

***A Mistaken Lord and a Meddling Lady!***

Welcome to book 1 in one of the most anticipated series *A Series of Worthy Young Ladies* from bestselling author *Kate Archer*.

Six highly placed matrons mourn their lack of daughters until they devise a scheme to launch eligible girls in need of assistance, and so *The Society of Sponsoring Ladies* is born.

Miss Georgiana Wilcox, eldest daughter of the sixteenth Baron of Manley, has done just what she liked in her little corner of England. She is not unaware that her family's fortunes have been dwindling for the past three generations, nor that her upbringing has not been up to snuff. Her father has regrets from time to time, as his daughter has never had a tutor, musical or otherwise, and he never did get around to purchasing a proper sidesaddle. For all that, Georgiana is rather cheerful regarding her circumstances and imagines she'll marry some dashing soldier who might pass through the neighborhood. That is, until the Countess of Mendleton devises a plan to launch her in London.

Jasper Stapleton, Viscount Langley and heir to the Earl of Mendleton, is rendered speechless over his mother's latest plan. Some unknown and penniless lady from an equally unknown family is to be taken under Lady Mendleton's wing. As his mother is a great adopter of the needy—human and canine both—he presumes the young lady is one more lost soul to be rescued. He determines he'll have nothing to do with the project, as he's far too busy working for the queen. Though, he does find Miss Wilcox very pleasant to look at. More than pleasant, actually.

Jasper is directed by Queen Charlotte to achieve what appears to be a simple task—discover the villain who dares talk to the newspapers about the king's maladies. As he digs deeper, though, it becomes apparent that gossip is the least of their problems. The Stuart has left Russia and Jasper believes he may be in England, poised to take advantage of the incapacity of the king and make a run at the throne. Worse, he discovers evidence that Miss Wilcox is a part of it.

***Can Jasper unravel the plot in time to keep Miss Wilcox out of the Tower? Or perhaps he will realize that it's him that needs saving...***
