

# Adrian's Vengeance: A Dark Mafia Romance

**Author: Isabella Starling**

I'll kidnap her before she says I do.

**ADRIAN**

She's sweet, innocent, beautiful, and she's going to be mine no matter what.

Mafia princess Marzia De Luca made me a promise when we were children.

She broke that promise. Now it's time to teach her a lesson.

Marzia thinks she's going to celebrate her arranged marriage at a masked ball.

But this party is the perfect opportunity for me to kidnap her.

It's time for me to show her that my love... means *pain*.

**MARZIA**

Since I was a little girl, I've been in love with him - dark, twisted, menacingly handsome Adrian Bernardi.

But my father, the mafia don, decided I'd marry someone else.

Except I don't want to marry the other man. I only want Adrian.

I pray for help, asking Adrian to save me.

But saving me means taking *everything* from me.

**Adrian's Vengeance is the first book of the Mafia Heirs series. Adrian and Marzia's story begins in Broken Promises. This is a dark mafia romance.**

## Dear Diary (Love, Daddy Book 7)

**Author: Dani Wyatt**

Dear Diary,

If it's just a fantasy, why does it feel so wrong?

Whenever I close my eyes, I hear his voice...

It's okay, no one's going to know. You should feel good too. Here, I'll show you how...

What's wrong with me?

I can't stop wondering what it would be like to have a man think of me in that certain, special way. To treat me like his porcelain doll and then do things to me like I'm a filthy plaything.

His filthy plaything. His baby girl. His everything.

I want to look up to him. I want to count on him. To feel his presence even when he's not with me. To know, beyond anything, he is the one that believes in me. The one that wants what's best for me. The one that will draw the line and not hesitate to correct me when it's crossed.

I want to feel the sting of his hand while he puts me over his knee. Telling me it's going to hurt him more than it hurts me but it's what's I need.

I'm a grown woman for Christ's sake. Wait, is twenty considered grown? IDK, but, deep inside, there's still a little girl. I could never tell anyone the things I think about. It's embarrassing.

I'm supposed to go to some fancy uptown bar after work tomorrow where the drinks cost more than I spend for groceries every week. But, maybe that's where I'll see him from across the room and he'll see me. And we'll just know.

Anyway, it's just a fantasy, right? And fantasies are better left as fantasies. At least that's what everyone says.

Okay, it's time for bed. Maybe he'll sneak in my room tonight, slip under the covers with me, tell me I'm such a good girl and he's going to show me just how good. At least in my dreams that is...

Good night Diary. Keep my secrets for me while I sleep.

xoxo

## Tattooed Sweetheart (Sweetheart, Colorado)

**Author: Jenika Snow**

I'd always been a loner, the label of "bad boy" always following me around because I was tattooed and pierced—although, it wasn't like anyone ever saw my piercing.

People saw me as some kind of delinquent, when I was anything but, and they were too afraid or wary to try to get to know me.

And as the years went on, I accepted that was my reality... until I had enough.

So, with nothing else to lose, no family or friends, I decided to make a change. I packed up, moved to the Colorado mountain town of Sweetheart, and started my own business as a tattoo artist. Seemed like the perfect distraction, the ideal way to reinvent myself.

And it was working out for the last three years. I'd been content with what I had and never wanted more than that. That was until I saw her, and I realized exactly what I'd been missing in my life.

Because she wasn't in it.

Flora Harrison, owner of the brand-new coffee shop that opened up right across from my tattoo parlor, was everything I didn't know I needed in my life.

And I couldn't stop from inserting myself into hers until there was no doubt that I was meant to be there. That she was meant to be mine.

If nothing else, I was persistent, and no one and nothing would dissuade me from claiming the woman of my dreams. Not even her.

## BIG MAN'S HEAT (Big Men Big Hearts Book 3)

**Author: Penny Wylder**

I bumped into the perfect pair of legs (and much more) at my best friend's wedding.

What can I say? Guess I'm just lucky.

And then I got luckier-- if you get my drift.

One fantastic night was meant to be just that. Turns out I'm not ready to quit Little Miss City Girl. One flight later and I'm staring up at skyscrapers and wall to wall people. This isn't my world, but for her sweet mouth, I'll endure it.

Thing is... her friends and family are ready to get in my way.

Her world is full of money and high-end luxury.

All I can offer her is my massive HEAT.

Will she choose a future with me over her spoiled lifestyle?

*This is Book 3 in the Big Men Big Hearts series, and features Mark, Ryder's best friend. You can read any of these books in any order, they're standalones+satisfying in their own right (wink wink.) However, they're even MORE exciting when you recognize the familiar faces... xoxoxo*

## Big Bad Wolf (The Lycans, 1)

**Author: Jenika Snow**

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone—something—stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

## **He Saw Me First (Age & Innocence Book 1)**

***Author: M Johnson***

Across an empty laneway in Paris, through my hotel window,  
**He saw me first.**

I stopped undressing . . . but only for a moment.

The next night, he was waiting for me.

He sat there in his expensive suit and watched.

No participation.

My only acknowledgement was the look of lust in his eyes.

It continued until the night before I left,

when I found a card under my door.  
No words. Just a number.  
So, I texted him.  
I'd never done anything like it before.  
It felt so dirty and wrong, but at the same time, I felt alive.  
He was much older than me, so intimidating and sexy.  
He made me feel things no man ever has.  
I was under his spell.  
**The last thing I expected was to ever see him again.**

After surviving the attack, he vows that he will find the woman in his vision and make her his own. No matter what.

For 365 days, Massimo will keep Laura captive in his palatial estate and attempt to win her heart. If she doesn't fall in love with him during this time, he will let her go. But if she tries to escape at any point, he will track her down and kill her entire family.

## **BIG MAN'S CLAIM (Big Men Big Hearts Book 2)**

**Author: *Penny Wylder***

I'm not a guy who looks for love--I sure as hell don't deserve it.  
Especially not from a gorgeous red-head who I found nearly-naked in a river.  
Melody is tough as nails and freshly eighteen. A rugged, tattooed mountain man like me knows better than to get mixed up with someone as pure as her.  
But the second we're alone, her lips close to mine, I can't fight my desire.  
She's too innocent for me. I tell myself one night is enough for us both.  
It's stupid to let my heart beat a million beats for a woman who will turn into a memory.  
But now that I've had a taste, I can't let her go.  
I'm claiming her as mine... for better or worse.

They wouldn't have bet on me having someone else on my side, or in my bed.  
These rich boys haven't seen anything yet.

Their pretty lies are nothing compared to what's coming though, and I'm going to need them to anchor me when I finally break.

Death is coming to those who deserve it, and I don't care if I lose myself in the process.

Did I mention the local street crew being on my side?

## **The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)**

**Author: Stasia Black**

They say good things come to those who wait.

Bullsh\*t%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

## **Hung Sweetheart: An Age Gap Valentine's Day Romance (Sweetheart, Colorado)**

**Author: Lena Lucas**

\*A complete standalone in the Sweetheart, Colorado series.\*

All it had taken was seeing Pepper one time, and I knew she'd change my world. At thirty-two, the only positive I had in my life was taking over my father's legacy in Sweetheart, Colorado. McKenzie Hardware was the center of my universe, but I wanted more. I was lonely, isolating myself from people at every turn.

But when I'd seen Pepper, something in me lit up. She was like the sun in my very dark world, and I wanted that light to wash over me forever.

I wanted her forever.

But I was over a decade older than her and hadn't ever been in a relationship. What could I offer her aside from my own inexperience and a hardware store?

Despite the fact that I saw myself lacking, that she deserved better than me, I knew I had to find out more about her. I had to make her mine.

She was so much younger than me, innocent and fragile. She was soft and perfect to my hard and rough.

And she transfixed me, mesmerized me. I was infatuated. It got to the point where I couldn't stay away anymore. I couldn't lie to myself that what I felt for her was just a passing curiosity. It was more. She was more. I needed her to be mine.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of Valentine's Day romantic filth thrown in. An age gap double virgins romance to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

#### REVIEWS ■■■■■■

"Just wow. This book was unlike anything I've ever read before. It was so unexpected and so, so good! I loved Cora and Dean, I loved their intense connection. Reading about the emotional way they became bonded to each other. Dean is probably hands down my favourite book boyfriend ever. His protectiveness and utter devotion to Cora was so beautifully written. This book is easily in my top 10 favourite books of all time. My only regret is that I'll never be able to read it for the first time again." — **Emlovesreading Bookstagram**

## **Good Boy : M/M Puppy Play Romance (Secret Desires)**

**Author: Jayda Marx**

Zack - Life has been pretty hectic lately. After working long hours at multiple jobs, I finally saved up enough money for a down payment on a house. The ink barely had time to dry on the mortgage paperwork when things started falling apart and needing repairs. Just when I think my luck can't get any worse, my truck breaks down and I find myself on the city bus.

But what I saw as misfortune turns out to be a blessing in disguise when I sit by a beautiful blue eyed boy named Blake. He's sweet but not totally innocent, curious and playful, but in definite need of structure and guidance. He presses all of my buttons and checks all of my boxes; Blake is everything I've been searching for in a partner...and a pup. I can just picture him on all fours with a cute little tail, playing without a care in the world. But is it all wishful thinking on my part, or will I finally get the chance to become the Master I've always dreamed of being? My luck may be turning around after all.

\*\*Thank you for your interest in my book! This title is very low angst and insta-love, following a relationship on the fast track. It is the third and final title in the "Secret Desires" series, and the books are best when read in order. This story features the love between a sexy Master and his sweet, playful pup. It's packed with heat and BDSM elements, but is still warm and fuzzy because I want my readers to finish my books with a smile on their face. Laughter is guaranteed, and each read delivers its own type of drama. Thanks again for taking a look and happy reading!

When a demon introduces me to an ancient and primal magic, how can I say no?

My life will change to one of adventure, secret trysts, lewd magic, running for my life, traveling the world, and a spark of a new destiny I never would have dreamed of in a thousand lifetimes.

Welcome to my tale of sensual adventure and dripping destiny.

"Let's go in," Liam said, taking the hotel keycard Calla had been clutching. She looked confused until Liam eyed Mack and said, "All of us."

Calla's eyes widened and her mouth dropped open slightly. But when the door unlocked, she stepped inside and held it open wide.

In invitation.

F\*ck him. Mack felt it in his chest and his balls—the wanting. She doesn't know what she's inviting in.

Liam stepped right over the threshold, but still, Mack hesitated. She deserves a million times better than either of you horny f\*cks.

Mack was about to turn around and leave. He really was.

But then Calla reached over and took his hand. With her other, she reached out to Liam. When she started tugging them inside, Mack let himself be pulled forward.

He didn't know if he was heading into heaven or hell. But as the door closed behind him, Mack knew there was no other place he'd rather be.

Book 2 in the Educating Sarah series.

Sarah's night has only just begun.

On her birthday she learns she has to help pay off her mother's gambling debts to an outlaw MC. There's only one form of currency these alpha bikers are interested in and they don't care about being gentle.

Sarah agrees, under duress, to help her mom. Before she's given to the gang, Randy, her mom's boyfriend, helped break her in. With that one experience under her belt and dressed in an old Girl Scout uniform, she's taken to the MC clubhouse.

Things heat up fast.

In the second hour of her long night of education she's going to learn the difference between rough and mean, and just what can happen when men are line up and wait for their turn. It's humiliating, hardcore, and harrowing.

(Trigger warnings? Bet your ass)

She's going to be sore, exhausted, and sticky before she's done. She's been told she can quit whenever she wants, but can she?

Sarah's night is just beginning.

She's been coerced by her mom's boyfriend, then broken in by the Angels outlaw MC. Rode hard and put away wet, she's sore and tired and sticky. She's learned things about her body and her appetites than she ever dreamed possible.

It's been quite the awakening for a girl perched on the verge of becoming a woman.

It's not over yet.

Scrubbed down and dolled up, she's about to go out to pay off her mother's gambling debts. She's scared, but she'd be lying to herself if she didn't admit she's also curious.

When Amos, the Angel's leader, takes her to the Bartholomew Lexington hotel, one of the nicest downtown, she thinks she's ready.

Ooops.

In a penthouse suite she becomes plaything to a mysterious and wealthy man known as "The Tutor." His lessons aren't just naughty, they're utterly filthy. Lessons in submission. Lessons in bondage. Lessons in how pain and pleasure can mix in a single, orgasmic harmony.

The hand that spans is also the hand that pleasures.

These are the least of the Tutor's dark kinks.

He demands she call him Daddy or face punishment. Uttering this taboo name unlocks something inside Sophia, something she didn't know was there. The Tutor doesn't just enter her body in new painful/pleasurable ways, he also enters her mind.

Whatever Sarah thought she knew about discipline and humiliation, she's about to learn a lot more about being DOMINATED.

This is a dark, EXPLICIT journey packed to the brim with Trigger Warnings. Find a quiet place, bring kleenex, and buy this book!

## **Be Ours: A Valentine's Day Romance**

**Author: Jagger Cole**

**There are rules. There are lines you don't cross.  
But she makes us want to break and cross every single one.**

She's scared and on the run. The Cartel wants her dead. So does the corrupt chief of police who pulled the trigger on a hit she witnessed.

We're just one cop and one retired Marine. But when we catch her breaking and entering, we're suddenly something else: her protectors.

Neither of us have any business even thinking about her like this. She's too young for us. She's too innocent for the darkness in our hearts. She's a witness to the biggest crime this town has ever seen, for God's sake.

Nothing's ever come between us. But then, there's Cora, caught in the middle. And now she's the only thing we ever do want between us.

This temptation is almost as dangerous as the killers trying to hunt her down. But once we've both had a taste, there's no turning back.

This Valentine's Day, and every day, all we want is her. And no one is going to stand in our way.

*All of the attention is on her in this mfm romance – no m/m! Extra hot, VERY over the top (for real, it's ridiculous), and packed with explosive insta-love. Safe, absolutely no cheating, no cliffhanger, and a perfect happy ever after.*

## **Adored by Aiden: A Valentine's Day Possessive Alpha Romance (Small Town Love)**

**Author: Lena Lucas**

Kassidy

It happened like one of those horror movies. Car breaks down in the middle of the night. Cell phone stops working. Not a single living soul to be found.

Before I did anything semi-brave, like try to walk back to town, I saw a flash of dual beams aimed right at me. And when I saw it was none other than Aiden Shayne, resident mechanic at the small mountain town we both live in, I had a feeling this may have just gotten worse.

Because for more years than I wanted to admit, I'd been in love with him.

I was the nerdy girl in high school who used to stare at him obsessively... the girl who'd secretly fallen for him, even though we would never be together.

And even though we were well past high school and had lives of our own, I still wanted him fiercely. He was still the only man I ever cared for. The only man I ever loved.

Aiden

I used to watch her in school like I was afraid some little bastard would try to make a move on her... like someone would take her away from me, even though she wasn't mine.

She was the only one I ever wanted, and that was still true to this day.

Kassidy wasn't only gorgeous; she was smart as hell and way out of my league. I resolved that, for me, when it came to her, it would always be "look but don't touch." Or so I thought.

Because one night, she needed my help, and there was no denying the sexual chemistry that was suffocating us both. There was no stopping what happened next.

And that was finally getting the girl of my dreams and never letting her go. Now was my chance to finally tell Kassidy she was my first... everything.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of double virgins romantic filth to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

## **Bare Ride: An Age-Gap Possessive Alpha Romance (Men of Valor MC)**

***Author: Lena Lucas***

Moving to the small mountain town of Fairhaven, Wyoming was my escape from the monotonous life I lived. I wanted something new, an experience I'd remember for the rest of my life.

After a week in my new home, I'd gotten a waitressing job and associated myself with the residents and the lay of the land.

Things weren't... complicated, and I knew I made the right decision.

Conflict, indecision, and shifting emotions were definitely not what I needed or wanted.

Until I met him. Cyrus "Bear" Grille was big and strong, an MC Nomad who made every feminine part of me come alive like a fire burned brightly in my body.

He was the last thing I need, a complication that would surely twist up my emotions and tangle with my heart.

But I couldn't stop my interest or curiosity where he was concerned. And it looked like fate was ready to make the decision for me.

When a snowstorm causes me to crash, he's the one to rescue me. I found myself in his cabin, isolated from everything, the snow sealing us in indefinitely, and I couldn't find anything wrong with the situation.

It felt right. I knew I was on a new path, one where I'd experience things that would rival the former ones. And I was going to jump headfirst into whatever this electrical chemistry was that claimed both of us.

He wanted me, and I was going to give myself to Bear in every way he wanted.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a decades long celibate hero, a virgin heroine, and all the romantic filth to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire.

But I can't dishonor my grandfather's dying wish.

Which leaves me one choice—make my sweet fiancée so miserable during our engagement festivities that she calls it quits. Operation Prince Charmless will get her out of my hair. And then I'm back to Single Ruler business-as-usual.

Or that's the plan...

But my fiancée is feistier than I remembered. Sexier, too. And she loves spur-of-the-moment adventures as much as I do. But did I mention that she hates my guts?

Looks like the Royal Package and I are in for more than we bargained for...

## Go Deep (Unexpected Lovers Book 1)

It was all supposed to be so simple.

Navaya Howard is an erotic writer in a rut. Her readers are fed up of her stale plots and Navaya can't blame them. ## **My Best Friend's Ex (The Binghamton Series Book 2)**

**Author: Meghan Quinn**

My Best Friend's Ex is a small town, roommates to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes.

When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson.

Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer.

Boy, was I wrong.

Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man.

Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs.

But with great orgasms, comes great consequences.

Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

\*\*\* This is a full length novel , 100,000 words, with a happily ever after, no cliffhanger, no cheating, and full of heart, humor and, steamy heat. \*\*\*

## Periculum: Unus (Devil's Playground Book 1)

**Author: Natalie Bennett**

### Tragic and Twisted fell in love...

*Ave Satanas, something wicked this way comes.*

*It's time for the reckoning to begin.*

*Enter the Devil's Playground wary where you tread, for demons are lurking with trickery up their sleeves.*

*Here good and bad cease to exist, and not all will make it to the end.*

*The price of freedom will be revealed only after bloodshed and rapture.*

*A claiming of one and purging of others.*

That audio recording played exactly three minutes before the crash.

It was a riddle, a warning, and a promise. But they didn't know that until it was too late.

Now stranded with two friends and a group of apprehensive strangers, Liliana Serpine must decide who and who not to trust as she navigates her way through Hell in the form of an opulent city.

There's one person who stands out among the others.

He has a gorgeous face and a darkly enigmatic aura. Being drawn to him is inevitable, but staying by his side becomes a necessity for survival.

When secrets start being revealed in blood, everything changes. From dabbling in the taboo, being tempted by the forbidden, and falling in lust with the carnage.

For those that make it out of this alive, they'll never be the same people they once were.

**\*\*Warning\*\***

Devil's Playground is a dark new adult (not high school) series. There are graphic situations and content some readers may find objectionable. If you need fluff and sweet romance, this is not the series for you. Periculum is a precursor for Maleficium and reveals the lead-up to the events in that book. The remaining books in the series are standalones.
