One year ago, he started opening up to the possibility that he would someday be an uncle. One year ago, he watched Leslie's sister, Kimberly, struggle through a divorce, and has watched her be weighed down by her reality ever since. At every Wilson family party throughout the year, she's grown quieter and quieter, and it doesn't sit well with him. She's losing everything, and the animal inside of him wants to point her in the right direction again. Not because he cares. Of course not because of that. But because he doesn't like seeing alpha females go weak and get broken by circumstance. But as he steps out of the routine of his life to make sure she's okay, he falls for her quiet strength, and her brazenness, and her tenacity. Kimberly is on a journey, and he wants to be a part of it. She has a lot to prove in the

new year, and he wants to have that front row seat at seeing her not only succeed, but step out of the shadow of her family name and become her own legend.

Kimberly is losing everything. The future that she'd thought she had is dead and buried, and she's coming out of a split that stole her entire life. When her sister, Leslie, offers her a job at a pottery shop, and a small home to call her own, everything in her wants to run back to the comfortable life her parents are tempting her with. But Burke Dunne is challenging her to be more than just some Wilson with a planned, perfect future. He's wanting more for her. He's wanting her to work harder and be her own woman. And the more he tells her she can, the more she believes she can too. She has big resolutions this year, but they don't include tethering herself to a shifter with a red mark on his name. Burke is off-limits for a human like her, and the rules they are breaking could send him right to shifter prison. All she wants for the new year is a simpler, easier, worthwhile life...but sometimes ultimate sacrifices need to be made to reach a dream so steady.

Managing Expectations (Artemis University Book 9)

Author: Erin R Flynn

My name is Tamsin Vale... And I'm no longer no one. I'm not simply an abandoned orphan without any answers. Granted, most of the answers led me to ask more questions, but I have at least some now.

Fairies aren't what I was promised they would be and I'm certainly not what they want, but I'm the only one who can save them from their magical prisons. They're the best help I have to fix so many wrongs in the world and keep the ones I love safe, given all the threats against me.

And if that wasn't enough to crack my sanity, I'm still on rocky ground with the men in my life. Why the hell did I think it was a good idea to get involved with more than one?

I'm trying not to run. After almost two decades of knowing that the only way to keep myself safe is to run, it's not a reaction I can easily change. I might be making a mistake by not running away from what people want of me.

Because who I might become to defeat the monsters would be as bad as the people I'm fighting against.

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Tooth & Claw Complete Series

Author: Emilia Hartley

The Tooth and Claw series contains 4 happily ever after steamy romance novels and all the rough, rugged and irresistibly sexy alpha male shifters that you've been waiting for.

This limited-edition publication includes:

Dragon Desire (#1) - Devin wants to keep his family's secrets. Moira wants to find the story that will set her apart as a journalist. Too bad they can't both have what they want. If the human reporter uncovers their secrets, she could ruin them all. That's why Devin wants her to stay away. It could definitely make her career—but also ruin him, and maybe the rest of the VanTassels as well.

All she has to do is print it. If only she hadn't fallen in love.

Dragon Devotion (#2) - If she knows the kind of person Griffin is, she'll dump him faster than an overloaded dragon can fall out of the sky. Althea has time for everybody in the pack but herself. She's too busy to sleep, but not busy enough to distract herself from her aching loneliness. Griffin has come to upstate New York to locate the last two of his father's offspring—Alistair and Devin VanTassel. What he finds, though, is not just the two dragons he expected, but a growing family. He also finds Althea but she's too good for him. All he knows is he can't turn his or her pack over to his bloodthirsty sire, but he doesn't know how to keep the monster away from them without sacrificing himself.

Bear Loyalty (#3) - She's loved him for years, but he doesn't even know her name. Summer Benson has loved Colton Peters since they shared middle school classes together. He doesn't notice her though, not even once they're part of the same pack. Summer arranges a date with another guy Gabe, who seems like a gentleman, but when they meet in person, he's overbearing and panics Summer's inner cat. Unsure how to escape, Summer calls Colton for help—and he delivers, saying it's what any pack member would do. Spending time with Colton doesn't feel like time with just any pack member, though. If only he weren't so shy of commitment, he would be perfect.

Bear Affection (#4) - They ended their high-school relationship on a messy, angry note. The hate they spouted then is enough to keep them apart forever, even if the eventful intervening decade apart isn't. Back in town after her New York dreams have crashed to pieces, Ashlyn wants to get her career back on track. Bumping into the ex she left behind is not on her agenda, especially when the ex in question has turned into some kind of Greek god lookalike. She's going to stay away from Mac. If only he would stay away from her.

Tooth & Claw is a steamy romance series with each book ending in it's own satisfying happily-ever-after.

Crown of Moonlight (Court of Midnight and Deception Book 2)

Author: K. M. Shea

I thought becoming Queen of the Night Court and marrying the deadliest fae assassin in the supernatural community were the biggest dangers I'd ever face. Hah!

Once I meet the fae monarchs of the other local Courts, I realize the good times are only just beginning! They hate my guts and don't even bother to use their fae tricks to hide their disgust of me and my human blood.

At least I know where I stand with them, which is more than I can say for my husband, Rigel.

My relationship with Rigel is...complicated. We married for political reasons—my greatest desire was that he wouldn't kill me after the ceremony. But now that he's saved me from countless attempts on my life and joked with me through boring Court socials, my thoughts about him have veered into uncomfortable territory.

Not that I have time to think about all of this.

Those attempts on my life I mentioned? Yeah, they're getting bolder and a lot harder to survive. I'm confident one of the other monarchs is behind it all, but I don't have the power to make them stop.

So far, my wits and Rigel's blades have gotten us through everything. But if something BIG gets dropped on us, will we survive?

Court of Midnight and Deception is an urban fantasy trilogy featuring fae, werewolves, vampires, and wizards. It's packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

It's A Wonderful Midlife Crisis : A Paranormal Women's Fiction Novel: Good To The Last Death Book One

Author: Robyn Peterman

A Paranormal Women's Fiction with a bit of class, and a lot of sass, for anyone who feels like age is just a number!

Whoever said life begins at forty must have been heavily medicated, drunk, or delusional.

Thirty-nine was a fantastic year. I was married to the man I loved. I had a body that worked without creaking. My grandma, who raised me, was still healthy, and life was pretty damned good.

But as *they* say, all good things come to an end. I'd honestly love to know who *'they'* are and rip them a new one.

One year later, I'm a widow. My joints are starting to ache. Gram is in the nursing home, and dead people think my home is some kind of supernatural bed and breakfast. Gluing body parts onto semi-transparent people has become a side job—deceased people I'm not even sure are actually there. I think they need my help, but since I don't speak *dead*, we're having a few issues.

To add to the heap of trouble, there's a new dangerously smokin' hot lawyer at the firm who won't stop giving me the eye. My BFF is thrilled with her new frozen face, thanks to her plastic surgeon, her alimony check, and the miracle of Botox. And then there's the little conundrum that I'm becoming way too attached to my ghostly squatters... Like Cher, I'd like to turn back time. Now.

No can do.

Whatever. I have wine, good friends, and an industrial sized box of superglue. What could possibly go wrong?

Everything, apparently.

All in all, it's shaping up to be a wonderful midlife crisis...

Magic Forged (Hall of Blood and Mercy Book 1)

Author: K. M. Shea

I'm one scrappy wizard.

As someone with barely a flicker of magic, I've spent my life being mocked and surviving fights with bullies. But when my parents die in an accident, and I find myself responsible for our whole wizard house and family, I know my usual tactics aren't going to cut it.

The situation veers from bad to catastrophic when my backstabbing cousin stages a coup and takes my family hostage.

I barely manage to flee, but the only supernatural willing to help me is Killian Drake--the most feared vampire in the region, and a far more deadly villain than the jerk threatening my family.

Is Killian sexy and charismatic? Heck yeah.

He's also so powerful that my flight or fight instincts kick in every time our eyes meet. And he's definitely using me as his personal magic detector in his feud against the local fae.

But Killian is also the first person to believe I might have more than just a scrap of magic. And if I can convince him to train me, I might get strong enough to free my family and get my house back.

I'm not sure what happens when a scrappy wizard is taught how to fight by a hall of deadly vampires, but I'm about to find out.

Magic Forged is the first book in the Hall of Blood and Mercy trilogy, which features vampires, wizards, fae, and werewolves. It's packed with humor, adventure, and a sweet, slow burn romance between a vertically challenged wizard and the most lethal vampire in town. (All three books of this trilogy are out now!)

Which would be much easier without the unfelt presence lurking within Ivy House's borders. It seems an enemy has figured out a way to magically bypass Ivy House's defenses. Jessie is completely exposed.

The real battle, however, won't be with the incoming force. It will be between Mr. Tom and Jessie's mom, each intent on being the most helpful. Mr. Tom might have met his match, and he is not pleased.

Rhapsodic (The Bargainer Book 1)

Author: Laura Thalassa

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

Now she must walk the line this holiday season—pretend to be in love without actually falling in love.

Captive of Wolves (Bound to the Fae Book 1)

Author: Eva Chase

My blood is their salvation... and my ruin.

For years, the monsters who killed my family have held me in a cage. Brutalized and half-starved. Only kept alive so they can steal my blood.

Until one evening when four eerily gorgeous men break me out of my prison.

They give me a soft bed and delicious food. They say they'll protect me—but their generosity may come at a price.

My rescuers are monsters like my captors: fae who shift into wolves. A curse gripping the faerie realm turns them wild under the full moon. Only my blood can cure their rage.

These fearsome men need me, and not just to lift the curse. A tragedy left them outcasts, and offering me to their rulers could win them back the home and the power they lost.

No matter how kindly they treat me, no matter how their smoldering eyes and strong hands stir unfamiliar desires in both my body and my heart, their castle is just another prison. As long as I'm a prize more than a person, my life will never be my own.

I've survived this long without giving up. I won't roll over now. But how can one damaged human girl hold her own against the savage fae?

Captive of Wolves is the first in a new paranormal romance saga featuring possessive wolf shifters, fraught fae politics, and a wounded heroine coming into her own. Grab it now and get swept away in the fantasy!

Spoiler: it's not.

I want to free my family from my traitorous cousin, but with all the allies he's got guarding his back, even my new powers won't be enough to beat him. My best bet is to use my parents' signet ring to prove my claim of leadership.

I can't find it!

Things aren't looking so good for my vampire housemates, either. As Killian Drake's conflicts with the fae get worse, it's clear that war will break out soon if something doesn't change.

Plus, Killian has gotten really weird about smelling me and invading my personal space. Every time he comes near my heart almost pops out of my chest, but I'm sure that's just terror caused by being so close to the most feared vampire in the region.

At least that's what I keep telling myself.

So, I'm a wizard searching for a ring while trying to survive living with a bunch of vampires and their deadly and suddenly touchy-feely leader. Yeah, life is definitely not easier.

Midlife Magic: Paranormal Women's Fantasy (Not Too Late Book 1)

"**Enthralled!**" - Novel After Thoughts

"**The best thing I've read in years.**" - the Paranormal Romantic

If you can imagine yourself as a romantic and adventurous woman in midlife, who's come into her power, ready to meet happy accidents head on, this book is for you!

"**This book hits all the notes.**" - Cynseer Booklover Blog

Amazon customers call this series...

"utter perfection"

"a breath of fresh air"

"too much fun"

"best in the genre"

and more.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S *NOT TOO LATE* FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

Perfect for fans of everyday heroines over forty.

...this is now

When shifters from the academy are taken, Skye and her pack are forced to return to Blackwater. With the Spring Summit looming, Skye will finally have to face the demons of her past if she wants to have a life with Remy.

Things aren't what they seem

Skye is done running and ready to fight for her future. She'll do whatever it takes to protect the ones she loves ... even if the threat is from someone she trusts.

PREY is the second book in the Blackwater Pack series, and should be read in order:

Radiants, immortals of the Light, have been warring with their enemies, the Shadows, for millennia. Now, twisted together by fate, the two adversaries must embark on a journey. One on which their very lives depend. Unfortunately for Violet, she does not know who she can trust, especially when it comes to her guide, Elijah.

**This M/M romance features my take on vampires and other paranormal beings. They share many (but not all) attributes of vampires found in other fictional works. This world is different from those found in my other paranormal series, and the vampires' properties differ as well. This low angst book contains insta-love between fated mates on a fast track romance, steamy scenes, a touch of danger, and age play between a powerful vampire Daddy and his sweet human little. Together, they explore elements including diapers and latching. Thank you for taking a look and happy reading!

The Blackthorne vampires need my blood but their prince desires more—me. There's something between us neither of us can deny.

He is my captor, but I'll be his ruin.

Infernal (The Shadow Guild: Hades & Persephone Book 1)

Author: Linsey Hall

Hades never saw me coming...

Tuesday night in the library started out normal--alone with cheap beer and a murder mystery. Partying, librarian style. Until the god Hades appears.

When he abducts me, I try to say he's got the wrong girl--I'm no goddess. At least, I don't *think* so.

Suddenly, I'm in his world, captive. The upside? I live in a castle with a lethally beautiful god who wants to make me a queen. The downside? He's scary AF and *also* wants me to help him destroy the world.

Obviously that gets a big 'no' from me. I'll do whatever it takes to escape, including seducing the god of death. But together, we're an inferno, and the heat is impossible to resist. His touch fogs my mind, but I must succeed. Otherwise, everyone dies.

Captured (The Shadow Guild: Hades & Persephone Book 3)

Author: Linsey Hall

The god of hell wants me to be his queen.

I've screwed up. Big time. A day ago, I mistakenly released the evil Titan Chronos onto the Earth. He's spreading devastation in his pursuit of ultimate power, and it's all my fault.

The only way to stop him is to fulfil an ancient prophecy and unite with Hades. Problem is, Hades plans to rule in Chronos' place, spreading the underworld to earth. He wants me to rule by his side, a dark queen to his dark king.

As much as I want Hades—I might even be growing to love him—I can't be part of something so terrible. Underneath Hades' dark exterior, I know there is goodness inside. My only hope is to convince him to turn to the light, because I'm afraid I can't live without him.
