**Author: Lana Dash**

**A Curvy Girl Sweet and Steamy Hot Virgin Guy Romantic Comedy**

**LILY**

When I read a romance novel, it's fun picturing myself as a protagonist falling head over heels for the book boyfriend. But I never imagined myself as the heroine of a comic book. That is until I'm approached by a group of sweet nerds who ask me to join them in a costume contest at the local comic book shop. I couldn't have imagined that dressed in tights and a cape that I'd meet a guy that could potentially become my own real-life book boyfriend.

**BEN**

As the owner of a comic book store, I'm known by my customers as the "King of the Nerds." Not a title I want to be yelled out when the spitting image of my favorite comic book heroine walks in my door. It doesn't help that I perpetuate the myth that comic book nerds are virgins. Is it possible that I actually have a chance with my dream girl, or is it best to leave the fantasy to my comics?

**THE NICE GIRLS' NAUGHTY BOOK CLUB** series are short, sweet, and steamy standalone romantic comedies about curvy women who enjoy reading naughty books, stepping out of their comfort zones, and finding love in unlikely places. Read **LILY** if you like *a hot virgin guy, comic bookstore nerds, and a steamy romantic comedy that you won't want to put down*. No cheating. No cliffhangers. HEA guaranteed.

Split between fighting fires and burnin' up stages with my guitar, my life is chaotic to say the least.

When the fame and attention get to be too much, I get away from it all in my newly purchased cabin in the woods.

*Excuse me* for being a tad on the grumpy side when a woman shows up on the doorstep of my hideaway.

She's a sweet, curvy little thing...but she's insecure about the birthmark on her face and the extra cushion on her hips I love to squeeze.

How can I convince Kennedy she's more than 'good enough' to be pictured with me?

She's perfect.

And *mine*.

Dear Reader,

The Wylder Bluffs are heating up!

These firefighting mountain men know what they want.

Gunnar: Wylder Mountain Heroes Book 1  
An Alpha Military Mountain Man, OTT Instalove Age Gap

Gunnar

Home is my cabin in the mountains, where I decompress.

As a soldier I know I shouldn't get attached. But right now I have everything I've ever wanted—

Except a curvy beauty to share it with.

Then Natalie appears at my front door like a babe in the woods. She's exactly the kind of distraction I don't need while I'm deployed. I'll worry about her. I'll dream of her.

I can throw her out—out of these woods, out of my home, out my life.

But I can't throw her out of the spot in my heart she's carved open and crawled into.

#### **Natalie**

Confession: I'm a romance novel addict.

My favorite kind of heroes? *Mountain men*.

I realize I'm more likely to meet Sasquatch out here than a real-life, hulking, handsome recluse who will come to my rescue if I get lost.

It's just a silly fantasy...until my eyes land on him. My mountain man. *My hero*.

Cruel is the fact that Gunnar is deploying in just three days.

He says I don't have to wait for him.

But that's not how the story is supposed to go.

Dear Readers,

Ready for a whole new band of mountain men?

These alpha heroes might dwell in the shadows of the Wylder Bluffs, but when duty calls, they show up.

These are the mountains they call home. The mountains they protect.

And when their sweet, curvy women come for them, they'll walk through fire to keep them safe, too.

No cliffhangers. No cheating. HEAs guaranteed. <3

Love,

Tarin

But with the big Harvard-Yale game coming up, Dabney is determined to make the trek to New Haven to see Clen. She's even borrowed a sexy black outfit from a classmate down the hall.

But when she arrives at the tailgate to see sparks flying between Clen and Jocelyn, a girl with dark blue eyes and luscious black hair, Dabney fears the collapse of a bond she has never questioned before, a bond so important that she'll be lost without it. Dear Reader,

I love to read MC romances. I've just always enjoyed reading about the tightness of the MC brothers and the way they love their women. I love it so much that I have always wanted to write one. However, being a short story romance author, it seemed impossible to build an in depth storyline like most MC romance series, but I wanted to give it a try. Therefore, I present to you my version of an MC romance. I'm borrowing the term MC Lite from Frankie Love. It is heavy on the motorcycle club sense of family, it has lots of alpha men and the curvy women that love them. However, it is a little lite on the drama and most violence is handled off page. I sincerely hope you like it.

XX,

Hope

This is a Steamy, Sweet, Short Story Romance. No Cliffhangers. This is the first story in the Exiled Guardians MC Series. If you love short romances with insta love, hot love scenes, and a sweet story, then this one is for you.
