

## Wild Sign (Alpha and Omega Book 6)

**Author: Patricia Briggs**

**Mated werewolves Charles Cornick and Anna Latham must discover what could make an entire community disappear--before it's too late--in this thrilling entry in the #1 *New York Times* bestselling Alpha and Omega series.**

In the wilds of the Northern California mountains, all the inhabitants of a small town have gone missing. It's as if the people picked up and left their possessions behind. With a mystery on their hands and no jurisdiction on private property, the FBI dumps the whole problem in the lap of the land owner, Aspen Creek, Inc.--aka the business organization of the Marrok's pack.

Somehow, the pack of the Wolf Who Rules is connected to a group of vanished people. Werewolves Charles Cornick and Anna Latham are tasked with investigating, and soon find that a deserted town is the least of the challenges they face.

Death sings in the forest, and when it calls, Charles and Anna must answer. Something has awakened in the heart of the California mountains, something old and dangerous--and it has met werewolves before.

## Lightning Game (A GhostWalker Novel Book 17)

**Author: Christine Feehan**

**Danger and passion fuse in this electrifying GhostWalker novel from #1 *New York Times* bestselling author Christine Feehan.**

GhostWalker Rubin Campo's rough upbringing made him into the man he is today: strong, steadfast and wary of outsiders. When he and his brother return to their family's homestead in the Appalachian Mountains, he can immediately sense that a stranger has taken up residence in their cabin—a woman who just happens to be a GhostWalker too.

Jonquille looks deceptively delicate but is clearly a fighter. She also doesn't seem to care that Rubin could kill her where she stands. She sought him out, wanting to connect on their shared interest in electrical charges. As one of the first failed GhostWalker experiments, Jonquille can produce lightning with her body—but she can't control it.

Their connection is magnetic, their abilities in sync. Rubin knows she's his match, the answer to a lifetime of pain and intense loneliness. But Jonquille came to him with hidden intentions, ones that threaten to destroy their bond before it can truly begin....

## Alien Mercenary's Prize (Lathar Mercenaries: Warborne Book 3)

**Author: Mina Carter**

**Natalia Heath is a survivor. She'll survive an alien fight pit. No problem.**

On the run from her crime lord father most of her life, Nat knows how to survive in the worst places in the universe. Being kidnapped by aliens and thrown into a gladiatorial arena to fight for her life is just another turn of bad luck in a lifetime of them. She just needs to figure out a plan to escape.

What she doesn't plan on though is the sexy alien who says he's here to rescue her... or the sparks that fly between them.

**Beauty's secret could get him killed... not revealing it will mean her death.**

Former pit champion and now a member of the famous mercenary unit, the Warborne, Beauty has two goals in life; keep his head down and die of old age in his own bed. Unfortunately he picked the wrong profession for that. When a team member's sister is captured, he must head back to the gladiatorial fight pits and reclaim his place as champion to save her.

Unfortunately for him, she turns out to be a spiky, snippy little human female with plans to save herself. Worse, her scent is the most tantalizing he's ever encountered... She's beautiful, alluring, and HIS. His mate.

But the rules have changed. The pits are no longer a place where skill in combat can elevate a fighter to freedom. It's a place of despair and hopelessness with no way out.

**To save them all, he must deal with the devils of his past and fight a new champion, one shrouded in secrecy who kills all who dare to step onto the sands in challenge...**

## Bachelor Beast (Interstellar Brides® Program: The Beasts Book 1)

**Author: Grace Goodwin**

Warlord Wulf thought nothing could be worse than being tortured and contaminated by the Hive. That was before he's ordered to transport to Earth and represent The Colony in an unfamiliar horror... a human reality show. The Bachelor Beast is the hottest new program on Earth, but being set up with two dozen clingy females is not his idea of a good time. When his Beast refuses to show the slightest interest in any of the show's potential mates, he knows he must choose one or die due to his raging mating fever.

His Beast prefers execution to claiming anyone but his true mate. Wulf is resigned to his fate, a one-way trip to Atlan, a prison cell and execution. It is the only honorable thing left to do.

Until one glance, one sweet, feminine scent lingering in the air and his beast rages for a female who is not supposed to be his.

But try telling that to his Beast when his entire body transforms on live television and one simple word thunders from his lips...MINE.

## **Stolen Destiny (Shattered Stars Book 8)**

***Author: Viola Grace***

Kidnapped from the education station, Sil is set loose on a huge warship, only to find herself bound in a contract no one expected.

Silhouette watches the alien abductors trying to unload the entire shipment of stolen Terrans. She wished that she could sleep standing up, but it wasn't a skill she had acquired.

When a medical team comes in, a grey alien comes by and tests the humans. When he gets to her and she goes off, there is relief in his expression. She is taken to medical, brought to stability, and they run some tests while stowing her in a cell for her own protection. The problem is there is a Hmrain in the next cell, and while his wings are gorgeous and look so soft, his eyes are so hot he could burn her.

Kalek is just finishing rut when this receptive human is dropped in next to him, but she needs calm, and he tries to give it, right up until the moment when his second in command makes an offhand remark about her prognosis and tries to remove her from his presence. Instinct takes over, and he breaks out of his cell. Being chased by the captain of the ship is strange enough, but having him next to her when she wakes up from a painful medical procedure is shocking. He wants her body, mind, and soul, and maintaining her is part of the deal. He will hold up his end if she signs the contract to bind them together.

## **Healing Her Patient: Kindred Tales #33**

***Author: Evangeline Anderson***

***A woman who struggles with infertility has given up on finding love***

***A warrior who thinks he will never be able to bond a bride***

***Thrown together on a mission where they must pretend to be Joined Mates***

***Will their lie become a reality?***

Dr. Danielle Adams isn't looking for love. Health issues have rendered her unable to have kids and she has given up on finding a relationship. Instead, she's focusing her energy on her career as a Medical Anthropologist. She's excited for her next assignment--going to study a new group of humanoids with their own special brand of medicine. But when she receives an ancient love artifact that supposedly grants wishes about love, passion, and fertility, she can't help making a few wishes of her own. Not that they'll ever come true...

Commander Bravik is a Hybrid Kindred--half Blood, half Beast and all business. He's also the Diplomat in charge of the first cultural visit to Soluu Four, home of the H'raken people. Rumors that they have incredible healing techniques that don't rely on medical technology have piqued the High Council's interest, so they are sending Bravik and a human woman he barely knows--Dr. Danielle Adams--to investigate.

Everything is going well until they arrive on Soluu Four and find out they are expected to bring a mate. In order to avoid offending their hosts and ruining the mission, Danni pretends to be Bravik's bride. But to her surprise, the healing techniques she has come to study turn out to be sexual in nature. When her "husband," Bravik, is injured on the strange little planet, she is called upon to put her new skills to the test. Things are getting hot and heavy--can it be that Danni's wishes will come true after all?

You'll have to read *Healing her Patient* to find out.

## **Wrapped in Fire (Shattered Stars Book 7)**

***Author: Viola Grace***

Removed from her bond post, she wasn't expecting to be moved from a retired overseer to the possession of the new generation.

Recovering from an attack by a cranky client, Dorra is surprised to be pulled out of her cell and hauled off the floating station and down to the surface to visit a dying client.

She arrives at the home of a client she hasn't seen for months—the general. He smiles and invites her to stay and play strategy games with him. He has paid her bond off on the station, and she now has a new place to live. There is just one problem. The residence isn't his anymore. His grandson has taken on the position of overseer, and it is Hreon's opinion that matters.

Dorra is used to bantering and flirting with the general, but she knows instinctively that Hreon is not going to flirt and let things go. Her own body pulls the trigger. She's receptive, he's in rut, and very little is going to get in his way. He can't get enough of her, and she gives him everything she has.

## **Beauty and the Beast (Interstellar Brides® Program: The Beasts Book 3)**

***Author: Grace Goodwin***

**No one denies the beast.**

I am a Warlord. A beast.

An assassin for the Intelligence Core.

Even so, I've been sent to Earth for a simple mission: Find a mate.

I hold no hope. Who would want me? I'm scarred... inside and out.

But one look at the human beauty and there is no question, she's mine.

When she is taken from me, I will use all my training to save her from my enemies.

Nothing on Earth—or any planet in the universe—will keep me from her.

She. Is. Mine.

## **Her Cyborg Champion (The Drift: Haven Colony Book 2)**

***Author: Susan Hayes***

**She risked everything to escape from Earth - but her new life came with a cost.**

Haven colony is Maggie's new home and her one chance at freedom. Clean water, free air... As far as she's concerned, it's paradise. But getting here meant leaving her best friend behind.

It doesn't take long for her to learn Haven is surrounded by hidden dangers—and the most dangerous of all is a sexy, scarred cyborg named Striker.

**Humans took everything from him. His family, his friends, even his voice. Why would he trust one of them with anything?**

Striker just wants to live quietly. The wild places beyond the colony are his sanctuary, a place he can go to forget about his past and the ones he failed to protect.

He intended to stay clear of the human colonists. Then, one of them started entering his woods. Maggie isn't like the others. She's determined, beautiful, and unaware of the dangers prowling the forest.

He never wanted to be responsible for anyone again, but the flame-haired beauty needs him more than she knows... and he might need her more than he thinks.

## **Noxx: Alien Adoption Agency #1**

**Author: Tasha Black**

**The Alien Adoption Agency is going to make all of Luna's dreams come true.**

At least, that's what Luna believes when she boards a rickety space craft headed for a frontier moon to meet the child she will raise in exchange for 100 acres of land and a modest stipend. But she doesn't count on the dangerous animals, the short but lonely nights, or the big blue warrior who informs her he is on permanent security duty for the baby.

Noxx is a proud dragon warrior of the Invicta, dedicated to use his strength, strategy and endurance to protect his homeland. When his commander assigns him

guard duty for a baby, he resents the interruption of his career. It's bad enough that he's starting to bond with the little whelp, but the instant he sees the child's adoptive mother, he knows she is his fated mate. Noxx will have to deny his desperate craving for the dark-haired beauty if he wants to hold on to his chance at redemption.

When a last-minute trek through the forest of Clotho gets them entangled in a dangerous battle, Luna will have to learn to trust the hunky blue warrior. But can the dragon let go of his duty long enough to let himself love someone, and be loved in return?

## **Marked (Tribes Book 1)**

***Author: Milana Jacks***

**This alien female crash-landed then marked my territory. I have a lot to say about that. Namely, welcome to the tribe, human.**

My exciting vacation gets a little too exciting when my ship blows up, and my escape pod lands on an alien planet filled with a predator species. They're barely civilized, not a translator chip in sight, and there's no mistaking the way they drool when they stalk me.

I gravitate toward the one that seems to want to keep me safe. Impossibly huge, black hair, pale eyes.

But tribal law decrees I'm the prize in a series of deadly games. To claim me, he must win. If he loses, I'm toast.

\*\*\* From the author of the Horde and the Beasts, comes a new exciting series with an authentic Alpha alien male voice, humor, and heart.

They're primal.

They're Vikings in space.

They can shift and will hook you for life.

**Welcome to the tribe!**

## **Close Up**

***Author: Amanda Quick***

**Welcome to Burning Cove, California where 1930s Hollywood glamour conceals a ruthless killer...**

Vivian Brazier never thought life as an art photographer would include nightly wake-up calls to snap photos of grisly crime scenes or headshots for aspiring male actors. Although she is set on a career of transforming photography into a new art form, she knows her current work is what's paying the bills.

After shooting crime scene photos of a famous actress, the latest victim of the murderer the press has dubbed the "Dagger Killer," Vivian notices eerie similarities to the crime scenes of previous victims—details that only another photographer would have noticed—details that put Vivian at the top of the killer's target list.

Nick Sundridge has always been able to "see" things that others don't, coping with disturbing dreams and visions. His talent, or as he puts it—his curse—along with his dark past makes him a recluse, but a brilliant investigator. As the only one with the ability to help, Nick is sent to protect Vivian. Together, they discover the Dagger Killer has ties to the glitz and glamour of Hollywood royalty and high society. It is a cutthroat world of allure and deception that Vivian and Nick must traverse—all in order to uncover the killer who will stop at nothing to add them to their gallery of murders.

## **Command Control (Terran Reset Book 4)**

**Author: Viola Grace**

Maya worked hard jobs all her life, and a devastating explosion at sea turned her from a hard worker into a crispy critter. Bedridden and blind, she accepts the order from the Volunteer Project and gets herself reset into a body that can move and skin that isn't black.

She did not think of anything aside from getting her body back under her control, so when she ends up at her assignment as a guardian communicator and tactician for three worlds, she does the job with good cheer until she got the first day off.

Having locals trying to seduce her was strange, but knowing that she had been reset with the genes to be one of their queens, she just tried to ignore it. An act of kindness puts her in the path of a guardian who coincidentally also has a day off, and her day in the sun warms up considerably from there.

The next day she meets his teammate, and the next teammate the day after that. The new genes come with new morals and less control.

## Stolen (Tribes Book 2)

**Author: Milana Jacks**

**No male in the tribal lands would stoop so low as to steal a prize instead of winning her fair and square.**

Nar

There's a reason I'm standing knee-deep in mud, my body pelted with rain that annoys me to the bone. I'm hating on the rival tribe, and I'm entering their games only to eliminate their Earl. I'm not here for the prize.

The moment I spot the female—who's shivering, miserable, but still managing to spit at her captors—I forget I'm not competing for her. My heart thumps in my ears, and the hunter steers.

I wanna win her.

Michelle

Once upon a recent time, I traveled on a ship bound for a sun-and-sea vacation planet. Until it crashed, and the natives captured and threw me in a hole—then dragged me in front of a couple hundred warriors who're here competing for breeding rights.

I hate them all. Except for the one who seems not quite like the others. Oh, he's pretty much like them, but some instinct within me tells me if I stop throwing my inner pity party and do as I'm told, I just might survive...

Nar

**Ask me how I feel about stealing the prize now.**

Inside the pages: world building, tribal legends, action, plot, revisit of couple from book 1, strong tribal friendship bonds, sassy smart heroine, and humor all tightly packed into pages to deliver sci-fi and fantasy romance with an authentic alien Alpha voice. Flirt with the edge wrapped in cozy comfort of warm furs and firelight today.

## Rough (Alpha Brotherhood Book 3)

**Author: Sara Fields**

**I came here as a spy. I ended up as the king's property.**

I was captured and locked in a dungeon, but it was only when I saw Magnar that I felt real fear.

He is a warrior and a king, but that is not why my virgin body quivers as I stand bare before him.

He is not merely an alpha. He is my alpha.

The one who will punish and master me.

The one who will claim and ravage me.

The one who will break me, but only after he's made me beg for it.

**Publisher's Note:** *Rough* is a stand-alone novel which is the third entry in the *Alpha Brotherhood* series. It includes spankings, rough sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

## **Ancient Thought (Terran Reset Book 3)**

**Author: Viola Grace**

Elizabeth has spent her life exploring the world, visiting strangers, and learning all the customs she could. When the first Volunteer Project began, she had been in her fifties and out of the running. Now, at eighty-two, they offer to tune her up and send her to the stars. What world traveller could resist?

She becomes taller, stronger, but her sense of humour remains the same. Her assignment is to collect memories from alien ancients who have been gathered on one world as a disconnected think tank. She needs to get them together, one at a time.

She begins her journey there as a novice monk and works her way up to master. She deals with the indifferent man who greeted her and prepares to be charming with the other ancients until one goes too far, and she shows him what she is made of. Her mind is not his playground, and she has a strong right hook.

---

## **Recruiting Measures (Terran Reset Book 2)**

**Author: Viola Grace**

Kyna was shocked when she got an invitation to the Reset Project. She was even more shocked when she found out that her nephew had found her application from decades earlier and forward it to the Volunteer Project.

She had been mature then, she was older now, but her body was still her prison. Wracked with two types of arthritis, her body had been a temple to pain since childhood. The project says that it can reverse the effects on her body, so she cannot believe it actually works.

Kyna gains her health with a few additions. Her hair is darker, longer, and her ears are pointed. The one fun alteration is her eyes, as she is tired of being overlooked.

Kyna lands on Rai and begins her career helping the local retreat for wounded guardians to organize, and from there, she branches out and starts to perform her contracted obligation in guardian recruitment.

A few years pass, and she comes home to a full house, her normal room occupied, and she is given one of the VIP rooms. Across the hall is a guardian who is a little gruff but very charming, and there is pain in his eyes. She was always very comfortable with pain.

## **Entered in the Alien Bride Lottery: A Sci Fi Alien Romance (Khanavai Warrior Bride Games Book 1)**

**Author: Margo Bond Collins**

**There are a million ways to end up in the Alien Bride Lottery. But it takes only one.**

Every unmarried female human over the age of 21 gets entered once a year. You can also accept extra entries for legal infractions—instead of paying a parking fine, for example, you can request an extra entry. Lots of women do that. I mean, why not? The chances are astronomical that your name will get chosen to be one of the hundred or so women who get shipped off to space every year.

And even if your name is drawn, the odds are slim that you'll match up with an alien who's looking for a mate.

Most of the lottery-drawn women come back to Earth every year and resume their lives as if nothing changed.

But some don't.

And no matter what, getting drawn in the Lottery means you have to compete in the Bride Games.

Guess that's where I'm heading now.

I only hope I can avoid catching the eye of one of the giant, rainbow-hued brutes whose mission is to protect Earth—and who can claim me as a mate.

All because I was Entered in the Alien Bride Lottery...

***Fans of Grace Goodwin, Laurann Dohner, and Ruby Dixon will love this steamy new series featuring gorgeous, bright alien heroes and the sassy human women they choose as mates!***

## Half-Breed Conquerer: A SciFi Alien Romance (Mated to the Monster Book 1)

**Author: Luna Hunter**

**I must breed her — or she dies.**

I am a caged beast, bred for war. My captors force me to fight for my life, day in, day out, to hone my skills. Pain, war and death are all I know.

And then Amy's dropped into my cell. The most beautiful creature I have ever seen. Long dark hair, big eyes, and a curvy body I want to sink my fangs into.

My captors tell me I must mate with the human female and impregnate her within the next seven days — or they will kill her.

There is nothing I would like to do more than to sate my urges and release myself inside this female, but there's one problem: She is *terrified* of me.

I cannot and will not mate with a female against their will.

But, I cannot let my captors kill her either.

Every second she is my presence, my animalistic urges grow harder and harder to resist, but I am determined to prove that, despite everything, I am no animal.

If I can convince Amy to come to me willingly, then perhaps I can save her — and myself...

## Kade: Alien Adoption Agency #2

**Author: Tasha Black**

**She's the target of an intergalactic bounty hunt. But he's going to capture her heart.**

Aurora Day is running from a crime she didn't commit – or at least, she didn't *mean* to commit. But the intergalactic soldiers on the hunt for the woman known as *the Fox* don't care about the details. Hiding out on the remote frontier moon of Clotho is her only hope for survival. But to gain access, she has to adopt an alien baby. Aurora is shocked when she learns that a dragon warrior of the Invicta is part of the package.

Kade knows two things about Aurora. The bright-eyed Terran is going to be the mother of the child he has pledged to guard and grown to love. And the mysterious woman is fated to be his mate. But Aurora has no interest in his love, and she doesn't even seem to be that interested in adorable baby Lyra. She's clearly hiding some secrets, and Kade is determined to unearth them before his dragon's wild lust for her burns them both alive.

When Kade runs afoul of the local law enforcement, only Aurora can save him. The perfect life she's dared to dream of is almost in her grasp, and now it's all about to come crashing down around her. Will she stand her ground and fight for her new family? Or will the Fox keep running for freedom?

## The Segonian (Aldebarian Alliance Book 2)

**Author: Dianne Duvall**

**A USA TODAY Bestseller and Barnes&Noble Press Top 5 Favorite Indie eBooks Pick**

**New York Times bestselling author Dianne Duvall brings readers the second stand-alone novel in a thrilling new sci-fi romance series full of action, humor, and happily-ever-afters.**

Eliana's life has never been what one might term ordinary. At least, it hasn't been for a very long time. As a powerful Immortal Guardian, she spends her nights hunting and slaying psychotic vampires that most of humanity doesn't even realize exist. Then an opportunity arises that instantly makes her extraordinary existence seem downright boring. The leader of the Immortal Guardians asks her to guard a group of mortals who are embarking upon a voyage across the galaxy to the planet Lasara. How could she possibly say no?

In no time at all, Eliana is hurtling through space on board a Lasaran battleship and getting to know not one but *two* alien races. It's the most exciting adventure of her long life... until the ship is unexpectedly attacked. Amid the chaos and destruction that follow, she valiantly helps everyone she can before an explosion renders her unconscious. When Eliana awakens, she finds herself alone, floating in space, clad only in a spacesuit, with no ship in sight. Alone--that is--except for the warm, deep voice that carries over the comm in her helmet.

Commander Dagon and the crew of the Segonian battleship *Ranasura* respond to a distress call from their Lasaran allies and join a massive Alliance-wide search-and-rescue mission. He quickly achieves communication with a lone Earthling female and races toward her. Every time they speak, his fascination with her grows and he becomes more desperate to reach her before her oxygen supply runs out. Her strength, bravery, and humor entice him, even more so when she defies all odds and they meet in person.

As he and Eliana embark upon a quest to find her missing friends, a bond swiftly grows between them that deepens with every laugh and smile and tender touch they share. But they are not the only ones searching for Earthling survivors. When Eliana herself becomes the hunted and their enemies begin to close in, can the two of them fight their way to victory, or will their enemies take everything?

## **Tyro: Alien Adoption Agency #3**

**Author: Tasha Black**

**Phoebe has nothing but her secrets. Her alien protector is determined to lay them bare.**

Phoebe arrives on the moon of Clotho with a trunk full of secrets and an imagination filled with preconceived notions about life on the frontier. She's more than ready to scrap and fight for her own piece of farmland, and a future for the little one she is adopting. When her new land turns out to be underwater, and the baby shows up in the strapping arms of an Invicta dragon-guard, Phoebe doubles down on her promise to herself to live free, or die trying.

Tyro never asked to be made guardian to a baby. But little Atlas has his heart, and he is shocked to find that the baby's adopted mother has his soul. His inner dragon roars triumphant, but his human side must fight to win her over. If only the headstrong little Terran would slow down long enough to let him claim her before mad desire pushes his restraint to the limit.

When the farm is threatened, the two must work together to protect Atlas's future. But then Phoebe's past comes back to find her, and she has a decision to make that could derail even the best laid plans. Tyro is willing to bet the farm on their future together. Will Phoebe run, or will she decide to land herself an alien?

## **Beauty and His Beast [Saturian Trilogy 1] (The Stormy Glenn ManLove Collection)**

***Author: Stormy Glenn***

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Romance, Alternative, Romantic Suspense, Science Fiction, MM, HEA] Someone is out to kill Jynx K'Vada and the only way he can protect himself is to buy a guardian beast, something he is loath to do. When he visits a lab and discovers a man being horribly abused, he buys him on the spot. He has no idea that he's just changed the entire course of his life. Bay doesn't remember anything of his life past the last few weeks, and those had been filled with nothing but pain and rage. When a sweet smelling man rescues him from his horror, Bay knows protecting Jynx is more important than his life. The man was meant to be his. With the continued attempts on Jynx's life, and someone hunting them, they have to figure out who is after them before it's too late, but doing so means solving a mystery neither of them are prepared for. It reaches beyond them and into the stars. Stormy Glenn is a Siren-exclusive author.

## **Humanity's Endgame**

***Author: Eve Langlais***

***Humanity's endgame was only the beginning for me.***

Aliens ended life as we know it on Earth.

Not on purpose I should add, though that didn't matter to the billions who died. But it turned out, in some respects, surviving was even worse.

My family used to say good thing I was pretty. In case you were wondering, it didn't help when the end of the world arrived.

Alone, and afraid, somehow, I managed to hold on. Foraging for supplies. Eking out a hidden existence. Avoiding the mutants that emerged after the alien plague.

I'd resigned myself to dying alone, which was when I literally fell into Xavion's arms.

And I managed to find love in the apocalypse.

## **Guardian of the Dark Paths (Children of the Ajda Book 1)**

***Author: Susan Trombley***

Sarah had many doubts about entering an abandoned mine to help her best friend capture video footage to share on her social media. Convinced to do it anyway, her worst fears are realized when the exploration quickly goes awry, plunging Sarah into grave danger. Separated from the group and isolated in the depths of a long-forgotten mine, she must hold onto her wits and her sanity to survive, because something nightmarish hunts her through the darkness. Her only option is to travel deeper to escape it.

Jotaha serves as the Guardian of the Dark Paths, patrolling deep underground in a maze of tunnels and caves that protect his people from human invaders. His duty is to kill any human who crosses the boundary into yan-kanat territory, and he performs that duty admirably.

Until he meets the one human who is destined to be his mate.

They are from two different worlds that have clashed violently in the past. Humans view reptilians as monsters straight out of myth and urban legend, and Jotaha's people view humans as their mortal enemies. Will the decree of a fertility goddess be enough to convince the yan-kanat that Sarah belongs with their guardian? Or will the enmity that exists between their people end up destroying the growing love between Sarah and her reptilian mate?

## **Hearts of Stone: Complete Series Box Set: An Alien Breeder Romance**

***Author: Miranda Bridges***

If you like dangerous and demanding alien warriors searching for their fated mates, seduction romance, and scorching scenes with a happily ever after, you'll love Miranda Bridges sci-fi romance series Hearts of Stone.

## **Chosen by a Beast (Book 1)**

I've been abducted. Twice.

Currently I'm in the midst of a group of primitive gargoyle aliens running around in loincloths. Which doesn't hide much, let me tell you.

There's one gargoyle alien in particular who watches my every move, and as much as I'd like him to rescue me, it looks like I'm on my own. Maybe I shouldn't have flipped him off...but how was I supposed to know I'd need his help?

Now, I'm going to have to tap into my survival skills or I'll be dead by morning. May the odds and the aliens be ever in my favor. Or something.

## **Tamed by a Beast (Book 2)**

I hate this place.

Not that my life on Najarie was great, but at least I didn't have a beastly alien trying to get me into bed all the time. And when I say all the time, I mean all the

freaking time.

I haven't forgotten Earth or the loved ones I've left behind. In fact, I'm willing to use any means necessary to get back to them. However, when the alien that claimed me offers to help in exchange for my body I find myself torn.

Either I'm nothing more than a breeder to him or he's trying to find a way to persuade me to stay. And I'll just say if that's the case, his method is working...

### **Seduced by a Beast (Book 3)**

He wants me.

And this male is used to getting whatever he demands. The only problem is I don't want to be bothered. Especially not hot and bothered.

But he's not getting the hint. He thinks I'm his and that he needs to claim me. But I've been given my freedom and I have no intention of giving it away to this alien.

No matter how handsome, strong, and kind he is. Just because he makes me feel things doesn't mean they're real.

Or are they?

### **Taken by a Beast (Book 4)**

He's a thief.

And what did he steal? Yours truly.

I get it that women are a hot commodity on this planet, but why me? It's not like there weren't others to choose from. Besides, I've just found my sister and I have no desire to be away from her.

But this alien doesn't take no for an answer. And the more time I spend with the infuriating male, the harder it is to plan my escape.

Assuming he will stop touching me long enough for me to properly think.

### **Loved by a Beast (Book 5)**

My marriage is in trouble.

Jaxar and I didn't exactly have a regular romance since he abducted me and then sent me on a journey that could've resulted in my death. But that's neither here nor there. And what doesn't kill you, makes you bitter. I mean, stronger.

Anyway, the point is that my husband, who I adore, is becoming distant. That, plus my hormones, are turning me into someone I don't recognize. With war imminent, now is not the time to be insecure and emotional, and yet tell that to my pregnant self. All she wants to do is eat and cry.

I need to figure out how to save my relationship with Jaxar, as well as lead my people or I won't be just dead emotionally, but physically as well.

And I didn't travel all across the galaxy to just give up now.

## **Nanny For The Alien King: A SciFi Romance (Intergalactic Fated Mates Book 1)**

***Author: Athena Storm***

**There is no way this alien King will make me his servant...**

Yes, I run a school for children and love kids.

But that's no reason to take me from my home and tell me that my new job is to be nanny for his three little hellions!

He's an alien warrior whose killed enemies with his bare hands.

**Such hands are not used to changing a diaper...**

But no...  
He's alien royalty, sure.  
But he's not the boss of me.  
He can't just order me around and expect me to obey or say I'm his fated mate and expect me to give myself to him.  
We are not going to be a family!

So why is that all I can think about?  
Why does a part of me feel connected to him no matter how far I go?

And most of all...

**Why does it feel that I've finally come home?**

*Author's Note: This is a completely standalone novel set in the Athenaverse. Even if you've never come into the Athenaverse, you'll be able to enjoy this science fiction romance that has no cliffhangers or cheating and guaranteed happily ever after!*

## **As Darkness Spreads (The Vassi Contact Book 1)**

**Author: Michelle Howard**

2130

One minute the world was a safe and sane place, the next all hell broke loose. A mysterious infection spreads across the country turning people into walking flesh eaters.

Aspen Brooks, top pilot extraordinaire, is scared. Pure and simple truth. Zombies are crossing the land and terrorizing the entire country and she has no idea where to turn or what to do. Receiving the call to bring home a group of military guys is the perfect distraction she needs to stop worrying about how she's supposed to survive.

Captain John Crawley faces his toughest mission yet. With his combat team at his side, their immediate goal is to protect their families from the flesh eating beings crossing the land and terrorizing America.

Venik Avar came to Earth to find his missing brother. Instead he's faced with the consequences of a careless act. Just when he decides to leave the primitives of this strange world to suffer their cruel fate, he crosses paths with a courageous female who makes him believe they might be worth saving.

Dawn Reavers had planned to hunker down during the worst of what appeared to be a zombie invasion. Stumbling across an alien in her front yard forces her to rethink her plan and soon she's forming a temporary alliance to save the country. Maybe even the whole world.

While the world spirals amidst chaos, a courageous group emerges to save the day.

**\*\*New zombie romance with a touch of aliens from sci-fi author Michelle Howard**

## **Alien Mercenary's Bride (Lathar Mercenaries: Warborne Book 2)**

**Author: Mina Carter**

**Stowing away on an alien ship? Idiomatic. Stowing away on the Warborne's ship? Suicidal.**

Marika Ingrassia is desperate. To escape another wedding arranged by her father, she runs. Between a homicidal groom and a ship full of trained killers, she'll take her chances with the mercenaries, thank you very much.

Only things don't go quite to plan. Her idea to force them to help her at gunpoint seemed a stroke of brilliance until she's on board and facing down the sexiest mercenary she'd ever seen. She can't think straight, never mind shoot straight. She's doomed for a long walk out of a short airlock until Mr. tall, muscled, and growly agrees to help her escape her father's clutches... by marrying her.  
Just one problem. This time she wants the wedding to be for real...

**She's the prettiest thing he's ever seen. And everything a killer like him doesn't deserve.**

Skinny has been a mercenary most of his life. One of the legendary Warborne, he's killed more men than he's had hot dinners and he's damn good at it. When he finds a scared human female, he doesn't expect his reaction to her, or for her to clock him over the head with a pipe.

Unpleasantness aside, when he realizes she needs help, he's all ears. And everything else she needs. Up to and including his hand in marriage to protect her...

**No plan survives first contact with the enemy. Between an assassination attempt and his past catching up with them... can Skinny convince Marika**

he's the alien for her, or will he lose her forever?

---

## **Tempted: A Sci Fi Alien Romance (Fated Mates of the Kalixian Warriors Book 8)**

**Author: Presley Hall**

**I promised myself I would never trust an alien. But with Zhori, I may not have a choice.**

After being kidnapped by aliens, nearly rescued, and then snatched back by my captors, I don't have much hope of getting rescued again. Still, I'm determined to fight back on my own, to break free and find some way off this horrible planet.

But when I'm put up for auction, my heart nearly stops when I see *him* in the crowd—the bronze-skinned alien who tried to free me before.

What is he doing here? Why did he come back?

My instinct is to assume the worst. Maybe he returned because he wants to steal me for himself. Maybe he plans to use me just like every other alien has.

But he keeps helping me. He keeps *protecting* me. And every time he does, it gets harder and harder to deny the truth.

**This alien warrior may be the hero I need... and a temptation I can't deny.**

*Tempted is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a heroine fighting for her freedom, and a daring hero who will risk everything for her.*

*If you like hot aliens, sweeping adventure, and steamy romance, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!*

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

## **The Naked Alien: A SciFi Alien Romance (Exposed to the Elements Book 1)**

**Author: Honey Phillips**

**Can Jane survive alone on an alien planet? And is she really alone?**

Jane has no interest in the great outdoors. She prefers her comfortable bed, her books, and all the conveniences of modern life. So when she wakes up alone and naked in what appears to be an alien jungle, her only goal is to find her way home.

The question of whether or not she's alone is answered when a massive stranger comes to her rescue. Her savior is big and growly and he doesn't speak her language - but the heat in his eyes doesn't need translation...

Commander Taraxan's people may have mastered advanced technology, but they have never forgotten their primitive roots. So when he wakes up naked and weaponless on an unknown planet, he is annoyed but not alarmed.

As he searches for a way to return to his civilization, he discovers a strange, pale female blundering around the jungle. Oblivious to the hazards surrounding her, she is clumsy, helpless... and completely adorable. As an honorable warrior, he has no choice but to protect her - but he doesn't expect the task to be so rewarding...

Can two complete opposites survive the jungle - and their sizzling attraction to one another? And what possible future awaits a human woman and an alien commander who are both determined to return to their own worlds?

*Each book in the Exposed to the Elements series can be read as a standalone romance. This sweet and steamy romance is intended for mature audiences only.*

## Alien AI's Marine (Warriors of the Lathar Book 14)

**Author: Mina Carter**

**He's the lone human male in a sea of lethal alien warriors. He's either gifted or suicidal...**

Kidnapped by aliens, rescued, and now on a secret base in a system he can't even pronounce, Major Jay Stephens has given up on a wing and a prayer... he's now on kicking butt and taking names. Especially when it comes to the alien AI who's risked everything, even her 'life' to protect him.

The only problem... she's gone and gotten herself a body. Beautiful and delicate, she evokes reactions in him that should be illegal. The REAL problem? An AI in physical form is totally illegal and against just about every law in Latharian society. Which means lots of lethal aliens want to kill it, and by extension, his AI.

And that's going to be a problem. Because Jay thinks... no, he *knows* he's in love with her, and no little (large) green (totally not green) men are going to draanth up the best thing he ever had...

**She never wanted a body. Until she met her human marine.**

One of the most advanced AI's in the empire, Keris is used to being so much more than any biological could dream of. She never expected that saving a lone human would lead to her taking physical form...

But a new form comes with a whole host of new problems. She's gone from being able to run a ship single-handed to struggling to co-ordinate her own two legs. And when Jay is around, her new brain quits functioning. All she can think about is the handsome human, and what his lips would feel like on hers...

But when the chips are down and Jay is taken from her, she'll show them that any woman scorned is a dangerous thing, AI or not...

## Mission: Planet Biter (Veslor Mates Book 4)

**Author: Laurann Dohner**

When his Veslor grouping answers a distress call on planet Biter, Roth discovers a sole survivor. The little female isn't rational and latches onto him like a lifeline. That surprises Roth, since most humans fear him. This one won't let him go, but he must resist his desire for her. It's the only honorable thing to do.

Stuck on an alien planet, her facility sabotaged and all her coworkers dead or dying, Vera Wade isn't sure she'll make it out alive. They've all been exposed to a drug that is making them crazy. She's slowly losing all hope, until an alien shows up. He feels real, but he's probably just another hallucination. A sexy one who seems too good to be true.

Now she just needs to convince Roth that their attraction is definitely real, once the drugs leave her system...before the unknown person trying to kill her finishes the job.

## Her Alien Warrior (Exiled Warriors of Planet Virix Book 1)

**Author: Viki Storm**

**VELA**

One last job before I go legit. An easy smuggling run, one crate off-planet and then I can leave all my dark secrets behind.

Crash landing was not part of the plan. Neither was being rescued by a monster.

Did I say rescued? Because I think I mean kidnapped. This muscle-bound alien is keeping me captive on his ship. And if he finds out what cargo I'm really carrying? I don't want to know what he'll do to me.

He's super intense, super scary... And super hot. Once you get past the fangs and claws. He says we're mates and he's going to claim me as his own. I'm totally at his mercy—I just hope he has some underneath his scaled exterior...

Humans and aliens are not supposed to mix. If he takes me, I'll be ruined. Tainted. Despoiled. But the more he looks at me with those yellow eyes, the more I think I want to be ruined...

#### **AUVOK**

Mine. The female is mine. She fell out of the sky in a fiery wreck of twisted metal and now she belongs to me. A gift from the Universe itself: my fated mate.

Even though I've been exiled, I'm still a Virixian warrior—and warriors don't ask. They take. I can't wait to defile her delicate, innocent body.

But first, I have to complete this mission. I can't screw it up. All I have to do is keep my hands off this sassy female so I can focus on the job. Not likely. The desires of a Virixian warrior are voracious. She's not just going to be the death of me, but the death of us all...

**This is a standalone book, no cliffhanger, HEA guaranteed!**

---

## **The Alien Warrior King's Accountant (Royal Aliens)**

**Author: Loki Renard**

He's brutal.

He's dangerous.

He's seven years behind on his taxes.

Enter me. Tania McMillan. Tax accountant.

If I can get Tyrant (yes, that's actually his name) to stop laying waste to his enemies for a moment, I might be able to decide if boiling hot space oil is a combat deductible, or an entertainment expense.

I'm on contract to him until we can sort his Galactic tax debt.

He seems to think he owns me.

And that's just the start of a series of miscommunications (you don't even want to know what he does with red tape) which leads me to his battle bed, where he is just as rough and intense as he is on the battlefield.

## **The Bare Essentials: A SciFi Alien Romance (Exposed to the Elements Book 2)**

**Author: Honey Phillips**

**Can Janet survive the heat of an alien desert? And the heat of the alien warrior who finds her?**

One minute Janet is sliding into a snow bank. The next she is alone in the middle of a strange pink desert. Alone and naked.

When a huge, golden-scaled male appears out of the shifting sands, she is convinced that he is a mirage. But the fiery pleasure of his touch feels too real to be an illusion.

Sabrost is preparing for his final initiation as a priest of Tetlana when he is snatched away from his temple. The desert in which he awakens reminds him of his ancestral sands. But his ancestors would never have accepted the delicate female who arouses all of his protective instincts.

The desert holds many secrets - not the least of which are the secrets of the heart. Which will prove most treacherous as Janet and Sabrost make the perilous trek to safety?

*Each book in the Exposed to the Elements series can be read as a standalone romance. This sweet and steamy romance is intended for mature audiences only.*

## **Containing Malice: A SciFi Cyborg Romance (Rebel Cyborgs Book 1)**

**Author: Cynthia Sax**

This tormented cyborg craves vengeance...and her.

\*\*\*

Malice, a C Model cyborg, has spent his long lifespan enslaved by the Humanoid Alliance. His cruel manufacturers have hurt him in all the ways a male could be hurt.

His enemy has now added a new weapon to their arsenal—a tiny human medic with soft hands and a delectable scent. She experiments on him multiple times a shift, delivering pain...and frustration.

He wants her. He also seeks retribution.

Once Malice frees himself, he plans to achieve both of his goals, taking Medic Illona captive and ending her research...permanently.

Illona is as much a prisoner as the cyborgs she experiments on. Since her arrival at the Human Alliance's secret laboratory, she has carefully, stealthily, crafted a plot to free her test subjects. To conceal her covert activities, the medic has been forced to harm beings rather than heal them.

The being she has damaged the most is also the cyborg she fiercely desires— Malice, a huge, gray-skinned, blue-eyed C Model with massive hands and a voice deeper than space. He hates her, has good reason to do so, and, when he's freed, there's a high probability he'll kill her.

Illona will take that risk to ensure he survives.

## **Beast in the Cage: A Scifi Alien Romance (Fated Mates of Breeder Prison Book 1)**

**Author: Tammy Walsh**

**What happens when an alien slave master gets greedy?**

After being thrown into cages to pleasure brutal alien fighters, I'm broken—a mere shell of who I used to be.

I'll be used and forced to do the monsters' bidding, it's too much to expect a male to watch over me.

Then the Beast claims me.

When he touches me, I yearn for more.  
When he kisses me, I surrender in gratitude.  
When he undresses me, I ache to scream his name.  
And when he makes me fly, I soar higher than ever before.

But there's a problem. In exchange for my release, I've already made a deal with the warden to get impregnated with the Beast's baby. How can he love me when I'm betraying his deepest wishes?

*Beast in the Cage is a full-length, standalone alien sci-fi romance. It features a possessive, alpha alien in intense, steamy scenes with his human mate. There are no cliffhangers or cheating, and a happily ever after is guaranteed!*

## **Alpha Night (Psy-Changeling Trinity Book 4)**

**Author: Nalini Singh**

***New York Times bestselling author Nalini Singh returns to her breathtaking Psy-Changeling Trinity series with a mating that shouldn't exist...***

Alpha wolf Selenka Durev's devotion to her pack is equaled only by her anger at anyone who would harm those under her care. That currently includes the empaths who've flowed into her city for a symposium that is a security nightmare, a powder keg just waiting for a match.

Ethan Night is an Arrow who isn't an Arrow. Numb and disengaged from the world, he's loyal only to himself. Assigned as part of the security force at a world-first symposium, he carries a dark agenda tied to the power-hungry and murderous Consortium. Then violence erupts and Ethan finds himself crashing into the heart and soul of an alpha wolf.

Mating at first sight is a myth, a fairytale. Yet Selenka's wolf is resolute: Ethan Night, broken Arrow and a man capable of obsessive devotion, is the mate it has chosen. Even if the mating bond is full of static and not quite as it should be. Because Selenka's new mate has a terrible secret, his mind surging with a power that is a creature of madness and death...

## Maid For An Alien Prince: A SciFi Alien Romance (Intergalactic Exchange Program Book 1)

**Author: Roxie Ray**

**I won't be forced into alien servitude.**

I've spent my life mucking out the houses of the rich and famous. I know what they're really like.  
They think they can take whatever they want.  
I learned that the hard way.

Royalty? They have got to be worse.  
I'm not interested in any of them, not even an alien prince.  
I was supposed to be heading to another planet for a one-year housekeeping contract.  
Instead he bought me out.  
Does he think he can own me?  
I don't want him.  
I won't submit to him.  
So why is he so ... nice?

Niall is unlike any rich guy I've ever known, but I still can't trust him.  
Not even when he treats me well.  
He calls me his fated mate!  
But he's an alien prince and I'm a housekeeper.  
We don't belong together.  
So why do I want to kiss him more than I want my next breath?

## Dragon Loved (Dragons of Mount Rixa Book 2)

**Author: Riley Storm**

**She was stuck in the past, until he showed her a brighter future...**

Jordyn Hall loves her job working for the town of Five Peaks. As the records custodian, she spends her days in the basement of city hall surrounded by dusty old books filled with fascinating new information. What's *not* to love about it? It's private, and lets her escape from a pain that refuses to fade even years later. That is, until *he* shows up. He's handsome, charming and, most importantly, in need of her help. Jordyn is the only one who can find him the information he's looking for before it's too late. As it turns out though, that isn't the *only* thing he needs...

After failing yet another attempt to join his clan's Strike Team, dragon shifter Tars Rixa is given a task by his clan head. Go look into the dragons' past for any information on what their ancient enemy the Warped Fae might be up to. Convinced it's a punishment, he doesn't hold much hope that anything will come of it. What he never expected, was that his 'punishment' would lead him to finding his mate. Now they just need to unravel the old secrets before it's too late.

The trial for the Warped Fae is coming up in less than a week, and the Rixa clan leader is convinced that whatever is going to happen will occur before then. With the clock ticking, Tars and Jordyn bury their heads in books, desperate for anything. Their search for clues might be fruitless, but spending so much time together has led to another realization. They were *meant* for one another. Fate has brought them together. Unbeknownst to them however, the Warped Fae has other intentions, and he can't let the pair discover his plans. Even if that means striking at them in broad daylight...

## Raised to Kill: Kindred Tales 32

**Author: Evangeline Anderson**

**A Bride ordered to kill her Husband**

**Marries a Kindred warrior who loves her.■**

**Will she fulfill her mission to kill him?**

**Or lose her heart to him instead?**

**Read RAISED TO KILL to find out!**

All her life, Allara Ke'ta'nu has been raised and trained with one purpose in mind--to kill a member of the Kindred High Council and avenge the Blood Feud which has raged between her people, the Q'ess, and the Kindred for generations. But in order to do that, she must first get close enough to kill. And what better way to get close than to marry the enemy?

Brand is a Beast Kindred who has just become a provisional member of the High Council. When the Q'ess announce they will end the Blood Feud with a marriage of one of their maidens to a Kindred warrior, he agrees to take her as a wife, since he is the only unmated member of the Council. What he doesn't expect is to fall in love...

Raised on tales of Kindred cruelty, Allara believes that Brand will be rough with her on their wedding night. When, instead, he introduces her to the Kindred concept of the Claiming Period, a slow dance of seduction begins. Can Allara hold on to her sense of purpose and do her duty as mandated by her people? Or will she lose her heart to the gentle touch of her new husband? You'll have to read *Raised to Kill* to find out...

## The Lasaran (Aldebarian Alliance Book 1)

**Author: Dianne Duvall**

**New York Times bestselling author Dianne Duvall brings readers the first novel in a thrilling new sci-fi series full of action, intrigue, humor, and romance.**

Taelon searches the galaxy for his younger sister, who mysteriously disappeared while on a diplomatic mission. When an ally reveals that she was seized and is being held prisoner on Earth, Taelon descends upon the blue planet, intent on freeing her and exacting vengeance. However, all does not go as planned. Before he can find her, Taelon is captured and becomes the subject of torturous experiments. For what feels like an eternity, all he knows is pain and fury... until a mind tentatively touches his own and a woman's voice forever changes his world.

After suffering tragic losses, Lisa is finally beginning to carve out a future for herself when chance sends her to the Anomalous Cognition Research Institute. What at first appears to be a benign organization seeking participants for a psychic study instead turns out to be a government facility harboring a much darker intent. Lisa discovers this too late and soon becomes the unwilling subject of a terrifying experiment. Just as fear and desperation threaten to consume her, a deep, compelling voice penetrates the looming insanity and lends her hope.

Having seen only the worst of humanity, Taelon is shocked when Lisa risks everything to free him. Together the two make their escape, and Taelon finds himself fascinated by the small human woman who--despite all she's suffered--can still laugh and tease and lure smiles from him. Friendship swiftly grows between them as they work together to evade soldiers intent on capturing them and find themselves hunted by mystifying preternatural beings. Through it all, Lisa steadfastly remains by his side, stealing more of his heart each day while she helps him unravel the mystery of his sister's fate. Can they find his sister before the hunters find them? If they survive their quest, will Taelon have to bid Lisa farewell... or can he coax her into leaving her planet and joining him for the adventure of a lifetime?

## My Alien Baby: The Lost & Found (The Lost And Found Series Book 1)

**Author: Rena Marks**

**♥♥ Ivory Bellows fell down a well. Ivory Bellows woke up in hell. Better listen to the big blue giant, zip your lip, and hush. Better not stare at his son who makes you blush.♥♥**

The Raza are a people full of honor, faith, and family. Especially Havak of the Jaha clan. His first yun is of his heart, not his blood. But when his mate dies and his beloved yun goes off into the world to study other people and languages, the Creators give him a second chance at life. He happens upon a strange little yun of a species unlike anything he's ever seen.

A strange, five-fingered species.

When the yun wakes and screams, he gives her a bub-bub, wraps her in a pu-pu, and packs her in his sket to bring home.

His huge heart is filled with love for his second adopted yun.

♥♥♥ ♥♥♥ ♥♥♥ ♥♥♥ ♥♥♥

Ivory Bellows wakes up in a strange land filled with blue giants. They threaten her in their strange language, shove a plug in her mouth to keep her quiet and take her home to fatten her up. And marinate her. They must marinate her when she sleeps, because she's swollen and always needs to pee.

Oh, God. She's dinner. It's only a matter of time until they decide when.

But when a hot new alien arrives, the only way she can keep sane is to pretend he's her husband and she's his wife and everything is hunky-dory fine.

Thank God this new arrival, lik, doesn't know her language.

Yet.

## **Maid For The Alien Warrior: A SciFi Romance (Intergalactic Fated Mates Book 3)**

**Author: Athena Storm**

**There is no way in the galaxy Prince Elvion will force me into servitude.**

Yes, I did take a job to be his little sister's Royal Nanny. But serving him wasn't on the agenda.  
But what else can you expect from a warrior prince?  
This is the kind of guy who pulls out his blaster when he hears a baby cry.  
Not the kind that takes no for an answer.

Except that's what he's gonna get.  
Yes, he's fabulously wealthy.  
And I am very broke.  
But I have some dignity!

I'm not giving into the urges he brings out when I see him shirtless.  
Or indulge my daydreams when he says we're fated mates.  
And I sure as hell am not entertaining the racing heart when he gets so close to me that I can smell his scent.

No! We are not meant to be together.  
This is a job. That's all.

So why can't I stop thinking about him?  
Why does a part of me not just want to serve him...

**But love him with all my heart?**

*Author's Note: This is a completely standalone novel set in the Athenaverse. Even if you've never come into the Athenaverse, you'll be able to enjoy this science fiction romance that has no cliffhangers or cheating and guaranteed happily ever after!*

## **The Enclave: Alex Mason and The Fluidians Book 1**

**Author: Jack Coltrane**

The governments started to crumble in 2073. There was no war. Just a collapse. I knew it was coming. I prepared. I collected a library of books - real, physical, paper books on subjects that I thought would be helpful. I found an abandoned military bunker for sale outside a small city in the wilderness. I didn't bother to pay for it. I just moved in.

Right now, I was just entering the closest thing we had to a city within two days' driving distance. There were a few small towns closer but nothing that would have what I needed. I was looking for one place in particular. A bell rang as I opened and closed the door.

A guy looked up from his counter and said grimly, "Can I help you? You look lost."

I cocked my head slightly and said simply, "A Bot." I kept my description short, "Domestic. Type-F. Or childcare or household maintenance."

He said, "Yeah, OK. I got something. Come with me."

I said, "I want salvage. Spares. Non-working units."

I found one that was exactly what I wanted.

He said, "OK, fella. You don't seem like an idiot, so I'll take your money. If that's what you're into."

I said, "If you find any more of this series, set them aside for me."

When I left, I drove in the opposite direction from where I was actually headed.

## **Theirs to Command (Kobar Mates Book 2)**

**Author: Ivy Barrett**

**Yesterday Marissa Scott thought she would never be selected for breeding.**

Today she stands naked before her new masters with her tear-stained cheeks blushing crimson, her bottom burning from a stern reminder of her place, and her helpless arousal on full display.

But it isn't just the thought of three Kobar warriors ravaging her without mercy that terrifies her.

It is what these brutes will do once they've claimed her.

She knows they will share her.

She knows they will use her in ways more shameful than she can imagine.

But worst of all, she knows they will make her beg for all of it.

**Publisher's Note:** *Theirs to Command* is a stand-alone novel which is the second book in the *Kobar Mates* series. It includes spankings and rough, intense sexual scenes. If such material offends you, please don't buy this book.

## **Possessed: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 1)**

**Author: Tana Stone**

**I sacrificed myself to save my sister's ship. Now the raider warlord owns me.**

It was my own fault. I was the navigator of our ship, and I'm the one who led us straight into Vandar territory.

We'd heard rumors about the Vandar raiders—everyone in the galaxy had. Terrifying and ruthless, they were a scourge on the Zagrath empire and destroyed everything in their path.

Few had actually laid eyes on the Vandar or the notorious warlords who led their fleets of warships—and survived to talk about it. So, when the ruthless aliens boarded our ship intent on destroying it and killing the crew, I did the only thing I could do.

I gave myself to the dark and menacing warlord. In exchange for allowing my sister's ship passage out of the Vandar territory, I must share his bed and travel with his crew of deadly raiders. Even though the sight of the huge, battle-scarred alien terrifies me.

But as I adjust to my new life on a savage warship, I discover that the dominant alien warrior wants more than just my body. He wants to possess my soul. And he'll make a new deal with me to get it.

*Possessed* is a full-length sci-fi romance novel with a HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious enemies-to-lovers heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction romance, and hot scenes with a happily ever after, you'll love *Possessed*, the first book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

## **Alien Mercenary's Heart (Lathar Mercenaries: Warborne Book 1)**

**Author: Mina Carter**

***Return to the worlds of the Lathar, as you've never seen them before...***

**She wanted a coffee and an easy shift. Instead, she got a smart-alec mercenary and commandos trying to kill her...**

Medically discharged from the military over a decade ago, Station Chief Eris Archer just wants a quiet life. But life on a frontier station like Tarantus is never dull. The wild west of space, she's used to less than scrupulous characters crossing her path.

So when handsome cyborg, Zero, charms her with fantastical tales of being non-human, she takes it with a pinch of salt. When commandos storm the base, trying to kill her and she ends up with a price on her head, she has to trust him with her life... but can she trust him with her heart?

**He doesn't know where he came from, but he knows one thing... his destiny is with her.**

Zero is a mystery, even to himself. Since waking up badly damaged in a wrecked shuttle, he's made his home with the Warborne, a band of Latharian Mercenaries with a lethal reputation. He lives fast and he expects to die young...

Until he meets her. Eris Archer captures the attention of all his instincts, human and cyborg. Drawn to her like a targeting lock... he wants to get to know her better. But his plans for a date in the station's brig are foiled by people with guns and they have to get off the station. Fast.

**Between murderous commandoes, betrayals and an unexpected rescue mission; can Zero prove to her that he's all the man, or machine, she'll ever need...**

***NB - Previously titled 'Zero's Heart'.***

## **Maid For Him: A SciFi Romance (Intergalactic Fated Mates Book 2)**

**Author: Athena Storm**

**If Royal Admiral Zenir thinks I'm going to be his maid, he's got another thing coming...**

He discovered me and two children stowing away on his ship.

Now instead of being killed, I'm supposed to wait on this muscled up alien warrior as he provides food and shelter to me and the two kids?

**Yeah, okay, things could be worse, I suppose.**

I'm not going to let him claim me.

Not without a fight!

He can say I'm his fated mate all he wants.

I'm not falling for his panty-dropping dimples.

Forget his royal alien bedroom eyes and his big, buff arms.

I may be his maid.

But he's not the boss of me.

**And no, I don't want him to be. I don't. Really!**

So why do I feel so happy when he and I and the children are all together?  
Why does it feel more like home than anything else I've ever felt?

But mostly...

**Why does it feel like we're a real family?**

## Frankenstein

**Author: Mary Shelley**

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein.

Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever.

A masterpiece. —Phillip Pullman

One of the most original and complete productions of the day. —Percy Bysshe Shelley

The greatest paradox and most astonishing achievement of Mary Shelley's novel is that the monster is more human than his creator. This nameless being, as much a modern Adam as his creator is a modern Prometheus, is more lovable than his creator and more hateful, more to be pitied and more to be feared, and above all able to give the attentive reader that shock of added consciousness in which aesthetic recognition compels a heightened realization of self. —Harold Bloom

## His Human Organizer (Monsters Love Curvy Girls Book 4)

**Author: Michele Mills**

**A grumpy alien boss hires a curvy, adorable human female to organize his mess—and vows to never let her go!**

I've been engaged to the same annoying guy for four long years, and still, no wedding date in sight. Grr. I'm completely fed up with this sham, so I tell my "fiancé" I'm taking a job off planet, hoping this outrageous behavior will allow him to finally break off our ridiculous engagement. It doesn't. So, I leave and become an organizing consultant to some scary alien.

My grumpy boss is Skoll Strikestone, a fire-breathing satanic-looking soldier with a deep scar bisecting his face. I'm doubting my own sanity in accepting this position, but this guy really, really needs help tidying up. He's a gruff male taking court-ordered conflict resolution classes and he's hired me to sort out the hoarding mess he's created in his cabin in the wildlands.

Whew.

I soon begin to realize this hot-tempered demon has a soft marshmallow interior. And the hardest abs I've ever seen. Those long fangs, serrated claws and barbed tail are actually causing my heart to flutter!

One big problem—I'm technically engaged to someone else, and so is Skoll. And since we're each still committed to these former "fake" engagements, there can be nothing between us but heated glances and emotional conversations.

\*cries\*

Oh hell, I think I'm falling in love with a male I can't have.

## Her Alien Mates (The Drift: Haven Colony Book 1)

**Author: Susan Hayes**

**She dreamed of being free to make her own decisions. When it comes to a mate, why must she pick just one?**

Haven colony has everything a newly freed cyborg could hope for. After a life of violence and forced obedience, Shadow can finally make her own choices. But freedom comes with its own challenges – and hers includes a pair of sexy as *fraxx* aliens who both lay claim to her heart.

**He wants her – but it's complicated...**

After a tragedy, Denz needs a change. Haven offers him a new life, a chance to finish the work his friend started, and enough work to keep him from thinking about everything he lost... until Shadow arrives at Haven. She's everything he's ever wanted – smart, sassy, and heartbreakingly beautiful. There's just one problem. She's not the assassin who murdered his best friend, but she wears the same face.

**He lost his *anrik* and any chance of a mate long ago...**

Kade is close to having it all. One last debt to pay off, and all his mistakes will be behind him. He just has to live with the mistakes of his dead *anrik*... the one that condemned him to a lifetime alone.

Everything changes when he sets down in a backwater colony and catches wind of the impossible – the mate he wasn't supposed to have.

When trouble comes to Haven, all three will have to make a choice – protect their hearts, or protect each other, no matter what the cost...

## **Savage: A Rough Romance (Alpha Brotherhood Book 1)**

**Author: Sara Fields**

**I thought no alpha could tame me. I was wrong.**

Many men have tried to master me, but never one like Aric. He is not just an alpha, he is a fearsome beast, and he means to take for himself what warriors and kings could not conquer.

I thought I could fight him, but his mere presence forced overwhelming, unimaginable need upon me and now it is too late. I'm about to go into heat, and what comes next will be truly shameful.

He's going to ravage me, ruthlessly laying claim to every single inch of me, and it's going to hurt. But no matter how desperately I plead as he wrenches one screaming climax after another from my helplessly willing body, he will not stop until I'm sore, spent, and marked as his.

It will be nothing short of savage.

**Publisher's Note:** *Savage* is a stand-alone novel which is the first entry in the *Alpha Brotherhood* series. It includes spankings, rough sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

---

## **Alpha (Alpha Ties)**

**Author: Nora Ash**

**I'm his mate. That makes me his weakness.**

A girl going into heat in the middle of a press conference, surrounded by Alpha politicians who didn't plan to show the world their true, volatile nature? Causes a bit of mayhem.

*Being* the girl whose first heat made every mayoral candidate go into a rut on national television...?

I thought the utter humiliation sucked—that losing my job for something out of my control was as awful as it got.

I was wrong.

He came from the shadows. Told me I belong to him. And then... Then he showed me exactly what that means.

But powerful as my Alpha suitor is, his ruthless possessiveness might be the ruin of us both.

I am not a trinket. I am not a thing to own. And I will never surrender.

**Alpha is the first book in Nora Ash's suspense-filled Omegaverse series, *Alpha Ties*. Each book is a full-length novel with a complete romance storyline.**

**This series gets dark, and it gets *dirty*. If you don't enjoy your romance scorching and your alphas rough & dominant, give this book a pass.**

**Please note: This book is the compiled version of Nora's previously published Omegaverse serial, *Alpha*. It contains the installments *Alpha: Taken*, *Alpha: Masquerade*, & *Alpha: Mated*.**

## Prepper's Collapse: Prepper Post-Apocalyptic Survival Fiction (Prepper's Apocalypse Book 2)

**Author: AJ Newman**

Prepper's Collapse - Book 2 in the Prepper's Apocalypse series.

Prepper Post-Apocalyptic Survival Fiction

EMP blasts started the apocalypse during Tom and his family's return flight home from vacation. Surviving the crash only caused them to confront the chaos of the apocalypse head-on. Even though they had survivor skills, and their ranch was set up to help them survive an apocalypse, the real apocalypse hits them hard. Tom has to break his grandfather's rule about never bringing outsiders into their family survival group to help them meet the unforeseen challenges life throws at them. He quickly adapts with the help of the additional survivors to increase the group's chance of surviving the end of the world, as he knew it.

## Miners of Djaromir: Toren

**Author: Leora Gonzales**

She's ready to give up...

Jessie is a romanceaholic—err, scratch that—she was a romanceaholic. Fast forward almost two months and the hearts that were shining bright in her eyes when she first landed on Djaromir, have long since dimmed. Rejection is never easy but when it's multiplied by a few hundred, it's downright awful.

She's more than ready pack up her dinged and dented self-confidence, catch a ship back home, and try to rebuild the life she'd naively walked away from. All she must do, is meet one last batch of miners while trying not to get her hopes up. A quick sniff to see if one of the hot miners trigger a whiff of the telltale mating pheromones and she'll have an answer on whether or not she's headed back to Missouri.

What could possibly go wrong?

He doesn't understand the fuss...

Toren is content with his life in Gunningg. He treks under his Warlord's command, leads hunts with his brethren to gather food, and labors long cycles in solitude on their mining planet with nothing but his pickaxe for company.

The way he sees it, there is no place in his life for a female much less a soft, weak, human one. It's one of the reasons why he spends as much time as possible working the mines instead of inside the tunnel city. As far as he's concerned, it's the perfect way to avoid the complications a human mate—until his Warlord calls him back to Gunningg and he gets a glimpse of what could only be described as pure temptation.

Too bad she's not for him, right?

## Playing with Fyre (Alien Dragon Shifter Series Book 3)

**Author: Cara Bristol**

*A forbidden love forged by fyre...*

Former Secret Service agent Henry Winslow comes to planet Draco to help a friend. He intends to return to Earth, but something about the mysterious woman in bridal white grabs him and won't let him go. It's a crazy, futile infatuation. She's an alien dragoness, a priestess, and possibly literally divine. To pursue her would be playing with fyre...

After a devastating loss, dragon-shifter O'ne seeks vengeance at the temple of the Eternal Fyre. Unexpectedly, she is exalted to priestess and bonded to the sacred flame, transforming her life to one of duty and devotion. Then Henry arrives, and the mostly human man awakens her secret yearnings. To have anything to do with him would be playing with fyre...

Surrendering to temptation and passion, Henry and O'ne are about to discover when they play with fyre they might get burned.

\* \* \* \*

Don't miss the fiery conclusion to the Alien Dragon Shifter series. Playing with Fyre can be read as a standalone, but the series is best read in order: Under Fyre, Line of Fyre, and Playing with Fyre.

## Hunted: A SciFi Alien Romance (The Legion: Savage Lands Sector)

**Author: Eva Priest**

## SOLANA

Doing the work I love in an exotic jungle locale should have been the highlight of my career. But being the only woman in a good ole boy's club is more stressful than I anticipated. So, when I dream of the sexiest lover ever, I figure I earned it.

But the morning brings its own set of complications when I discover my team is missing, and I'm being smuggled off planet.

## CADE

My latest op from Legion command has me traveling to the trash pile of the galaxy to run down a petty thief. Reaper units usually find the unfindable—no matter who or what we need to look for. On this mission? I end up finding the impossible: my fate-mate. Worse, I find her being stolen by the smuggler I've been hunting.

The universe only reveals our fate-mates once in a Rodinian's lifetime, if that, and I'm not about to let a lowlife smuggler take what's mine.

*Hunted* is a stand-alone sci-fi romance and the first book set in The Legion: Savage Lands Sector universe. This series is full of fated mates, instalove, happily-ever-afters, overprotective males, and the headstrong females that love them.

## Son for the Alien Dictator: A Sci-Fi Alien Romance (Possessive Aliens Treasure Curvy Girls, Book 1)

**Author: Skye Castel**

**My new boss is the most feared man on the planet. Great.**

Insanely powerful and ridiculously rich, President Vahadr Tzelik II is a man used to getting what he wants. Once he sets his eyes on me and demands I work for him, I *literally* can't refuse...

He is a merciless Dictator. He can ruin my life with a single flick of his black-clawed fingers. I should be horrified, but instead I'm gazing at his strong, muscled shoulders and intense blue eyes. And the heated looks he gives me send shivers down my spine.

I should never have agreed to go near Vahadr's son, a cute 4-year-old with one hell of a bad attitude. And when I find out the truth about the boy's surrogacy?

Let's just say I'm afraid to tell my boss.

*And that secret might just be the biggest mistake of my life.*

**If you like stories about possessive aliens, feisty heroines, and cute alien babies with unexpected twists and complex enemies to lovers dynamics, you'll adore this sci-fi alien romance novel with a HEA! Each book in the series is a standalone with no cliffhanger and a guaranteed happily ever after for the couple.**

## Fever Fae: a shifter Fae fantasy romance (Dark Fae Kings Book 1)

**Author: Meg Xuemei X**

**Yes, to the hottest, baddest Fae Kings. No, to being their bitch.**

When my parents mysteriously disappear, leaving me to raise my six crazy, younger siblings, my dreams for college are dashed.

It gets worse when someone sends a slew of monster assassins after me. Their untimely arrival is followed by three devastatingly hot Fae who stalk me.

Baron, the pompous and dominating Summer King, thinks I'm a dark Fae and wants my head. Then he changes his mind and declares me his fated mate. Hells-a-no. Especially now that he wants me to prove my worth. Really?

Then there's Rowan, the possessive and cruel Winter King, who offers to protect me from the assassins, but only if I accept his obnoxious courtship requests.

And finally, there's Night King Rydstrom, a dangerous and mysterious Fae with an ass that doesn't quit, who thinks he has every right to play me like a fiddle.

Too bad for them, I'm not the docile type they're used to commanding. I might want them, but I have no intention of joining the trail of broken hearts and bodies in their wake.

For I hold a deep, dark secret. Their arrival has woken in me the very forbidden magic they've been hunting, and I, Evelina, am going to have a wicked good time teaching these Fae kings a lesson.

## **Dark Haven Illusion (The Children Of The Gods Paranormal Romance Book 47)**

***Author: I. T. Lucas***

Welcome to Safe Haven, where not everything is what it seems.

On a quest to process personal pain, Anastasia joins the Safe Haven Spiritual Retreat.

Through meditation, self-reflection, and hard work, she hopes to shed the shackles of society, free herself of her father's crippling expectations, and most importantly, make peace with the voices in her head.

This is where she belongs.

Except, membership comes with a hefty price, doubts are sacrilege, and leaving is not as easy as walking out the front gate.

Is living in utopia worth the sacrifice?

Anastasia believes so until a new acolyte changes her mind not only about Safe Haven but also about herself and the world she lives in.

Apparently, the gods of old were not a myth, their immortal descendants share the planet with humans, and she might be a carrier of their genes.

"I always want to rate this series higher. Each time I read the next book, I think the next one can't get better. But it does. This is by far one of my favorite series ever. If you haven't read it you definitely need to. "

"Fantastic series. I have read this series 4 or 5 Times. The characters become friends and family. IT Lucas pulls you into the books and you never want to leave. Highly recommended characters."

## **Playing Their Parts: Kindred Tales 31**

***Author: Evangeline Anderson***

*Two detectives, hot on the heels of a killer...*

*Undercover as adult actors on the wild planet of Bachanalius*

*Will Stone and Cassie find passion while...*

## **PLAYING THEIR PARTS?**

Cassandra Steel and Commander Stone are a unique pair. Together, they comprise the first human/Kindred detective team on the Tampa PD. Their caseload is pretty normal until a heinous new crime is committed--a woman is murdered and it appears that the culprit is a Kindred.

Knowing that a Kindred warrior would never hurt a female, Cassie and Stone start following the trail of the murderer. But it leads them all the way to Bachanaluis, a planet devoted entirely to the production of all kinds of alien adult entertainment.

Undercover as "actors," can Cassie and Stone keep their partnership intact? Will making naughty vids together bring them closer together...or drive them apart entirely? And what about the murderer they are stalking? Will they catch him before he kills again?

You'll have to read *Playing Their Parts* to find out.

## **The Breeding Experiment (Veslor Mates Book 3)**

**Author: Laurann Dohner**

Darla Mitts has been secretly protecting her younger sister, Becky, for years. She'll do anything to continue, even if it means leaving their family to work on a United Earth fleet ship. She thinks they'll be safe. She's quickly proven wrong when the sisters' transport shuttle is seized by aliens instead. Aliens who want to force an experimental breeding between humans and the muscular Veslor who was also captured.

Gnaw has no intention of touching the human female from the shuttle, no matter how attractive he finds her. But Darla is determined to keep her sister safe by any means necessary, and refuses to take no for an answer. Captured and threatened by the Elth, they agree to work together as a team.

What they didn't expect was starting to feel things for each other.

---

## **Decadence (Darkstar Mercenaries Book 4)**

**Author: Anna Carven**

The retrieval mission was supposed to be simple. Get in, get the human females, kill the slavers, and get out. As a former High Commander of the Kordolian Imperial Military, Ikriss Peturic has seen--and done--much worse.

But one female in particular has been treated a lot more badly than all the others.

As he took her away from her tormentors, carrying her in his arms, she hovered between life and death.

Now she is safe. He should be able to forget about her. A new threat has appeared, and he has work to do.

So why is he so angry and restless all of a sudden?

Why can't he focus?

Why do the bases of his horn-buds throb?

What *is* this cursed madness?

*Decadence is Book 4 in the Darkstar Mercenaries series. It's a full-length novel (110 000 words) featuring a lethal silver-skinned alien hero, a human heroine, and the usual action, violence, steamy sex scenes, and HFN ("happy for now") ending. It will probably make more sense if you've read the previous books first, especially Sanctuary.*

## **Draekon Warlord: A SciFi Dragon Shifter Romance (Rebel Force Book 4)**

**Author: Lili Zander**

### **Top 3 Reasons I should stay away from Danek:**

1. He's on a super-secret, important mission for the Rebellion. He'll be undercover on a hostile planet, surrounded by people that want to kill him.
2. He's gorgeous. Entirely unattainable. Way, way out of my league.

3. I'm forty, but I'm supposed to pose as his fake fiancée.

4. And he's a really, really good actor, because when he kisses me, it feels real. When he wraps his arms around me, I want to stay in his embrace forever. (*Okay, fine, that's four reasons.*)

**This mission hasn't even started, and it's already a disaster.**

### **Top 3 Reasons I should stay away from Naomi:**

1. I'm on a super-secret, important mission for the Rebellion. I'll be undercover on a hostile planet, and I might not be able to protect her.

2. This isn't the time for a pretend-relationship. With Naomi as my fake wife. There's nothing fake about my feelings for her. She's so beautiful. And strong. And we can't keep our hands off each other...

3. This is a bad idea. *I know it is.*

But the first time we touched, **I knew Naomi was my mate.** No matter what happens on the mission, ***I cannot let her go.***

## **Colony On Fire Haven Colony Book Two: (The Sectors SF Romance Series)**

***Author: Veronica Scott***

When she came to Haven Two Dr. Saffia Mandell expected to grimly do her five years of medical service as the colony's only doctor, work off her medical school debt and leave. Then she'd fallen in love, handled an epidemic and become an accepted member of the community. Now, in her second year, she faces new challenges as the tinder dry planet heads into a fire season and a mysterious food allergy threatens the local restaurant's reputation.

Chief Ranger Micah Navonn of the Calinurra never expected to fall in love with a human woman but Saffia was a special person who captured his heart and now means everything to him. Not all of his people are as enthusiastic about the situation and his efforts to handle the politics are getting complicated. Add to that an infestation by insects from another world, causing portions of the forest to die off and his plate is full.

When the jet stream shifts course and the fires rage, will the colonists and the Calinurra set aside their differences? With Saffia's life hanging in the balance, can Micah arrive in time to save her and the colonists in jeopardy?

Life on Haven Two never lets up...

This is the sequel to COLONY UNDER SIEGE: INTERSTELLAR VIRUS, which told the story of Saffia's first year at the colony, but can be read as a standalone. The story is set in my Sectors scifi universe.

## **Dark Ambitions: A Class 5 Novella (Class 5 Series)**

***Author: Michelle Diener***

It's been months since Rose McKenzie was taken far from Earth. She's trying to make a place for herself amongst the Grih, with help from her Grihan lover, Captain Dav Jallan, and the dangerous and loyal Sazo, a powerful artificial intelligence who's integrated with an infamous Class 5 battleship.

When Rose gets the chance to join an exploration team going down to collect information from a planet in Grihan airspace, she jumps at the opportunity to stretch her legs and breath some real air.

But someone is already on the planet—the Krik—and they don't want anyone to know what they're up to. The Krik are the chaos agents of the United Council, often riding the edge of the law or over it. They ambush the exploration team and take them prisoner, but they don't realize they didn't get everyone. They didn't get Rose.

With Dav, and his spaceship the Barrist, lured away by a distress signal, Rose and Sazo, along with a furry friend Rose has made, are the exploration team's only hope at rescue. And Rose never leaves a friend behind.

NOTE: DARK AMBITIONS was first published in the Pets in Space 5 Anthology on Oct 6th 2020.

## **Acquainted With the Night**

***Author: Lesli Richardson***

***I hated the military...and now I'm an alien's pet!***

I hated the Terran military. I didn't volunteer, either. Like so many others, I was drafted as cannon fodder in the senseless Terran war against the Algonquans. Not like I had much of a future ahead of me, though, without a rich family to pave my way or even pay for me to have a wife.

Now, my entire ship's been captured. If what we've been told about the alien race is true, I'll never be seen again. I hope they don't eat me.

Turns out the truth is far different than we were led to believe. The Algonquans aren't vicious, insectoid monsters, either.

We're now their pampered pets...and they're using us to help replenish their population to win the war.

You know, maybe this isn't the worst life after all.

**This standalone MMMM, sci-fi romance features humans as aliens' pets (and more), m-preg, a touch of power exchange, and...interesting alien tech. This book was previously published under my Tymber Dalton pen name. It has been revised and expanded for re-release.**

## **Blood Fae: a shifter demon paranormal romance (Dark Fae Kings Book 4)**

***Author: Meg Xuemei X***

I'd dance on a razor's edge for my mates, but the Fae kings are no longer mine.

They belong to the usurper queen, bound by her black magic. Rydstrom and Baron have forgotten what I once meant to them. The Winter King, however, remembers me, but he's embraced the dark side.

The world isn't big enough for all of us—it's either me or the kings.

So, I'll lure them to Hell's inferno to finish what they started in the Wild Hunt—to hunt down their mate to the bitter end.

Blood Fae is the final installment in the Dark Fae Kings series, a reverse harem fantasy romance starring three powerful Fae kings and a tough heroine. For fans of Karen Marie Moning, Sarah J. Maas, and Laura Thalassa.

## **Her Alien Savior (Voxeran Fated Mates Book 2)**

***Author: Presley Hall***

**We don't trust each other. We don't even like each other. So why does he keep saving my life?**

I'm not supposed to be here.

Not on this planet. Not in this galaxy. And especially not surrounded by massive alien warriors.

The other women all believe we're safe with them, but I don't. Maybe it's because I've already seen how awful humans can be, and I have no reason to think aliens will be any different.

At least the one named Jaro seems to agree with me that combining our forces is a bad idea. He looks at me with the same suspicion I have for him.

But as our group makes the dangerous trek to the Voxerans' encampment, one wrong move separates me from the others—and to my shock, it's Jaro who comes after me.

Now we're stranded together, forced to rely on each other to survive. If we can't learn to trust each other, there's a good chance we'll die out here.

And if we *do* learn to trust each other?

**Well, maybe we'll get more than we bargained for...**

*Her Alien Savior is a full-length standalone sci-fi romance featuring blue-skinned alien warriors, a gutsy heroine, and a gruff, protective hero.*

*If you like sexy aliens, steamy romance, and thrilling adventure, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!*

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

## Her Reverse Genus: The Complete Series

**Author: Adell Ryan**

**Adult Divergent fans will love this smart, near-future speculative, thrill-packed romance!**

My name is Thessaly, and at 22, I still don't know what I want to be when I grow up. Living with my parents, going to college, and hanging out with friends is pretty much the extent of my mediocre life. The biggest drama I have going on with me is fighting a growing attraction toward my best friend Bram. Oh and avoiding needles--specifically ones that draw my blood.

See, on January 27, 2044, the DNA Networking Act was set into action. This new law provides those in authority to gather genetic information from citizens in an effort to achieve nationwide resistance to diseases and other weaknesses. Sounds promising, right?

Maybe. But to me, it infringes on a person's freedom. The act prohibits citizens from declining to undergo genetic testing when summoned, and the deadline for everyone to voluntarily submit a DNA sample is fast approaching. I'm avoiding the process as long as possible.

Until one night the unthinkable happens: I'm ruthlessly abducted. Bleeding is no longer voluntary... it's a requirement. And as it turns out, the four guys who captured me aren't anything like I expected.

\*\*\*

**Her Reverse Genus is a soft Sci-Fi Reverse Harem Romance with a speculative spin on fated mates and a corrupt government hellbent on keeping them separated. This set contains all five books in the series—Perfect, Broken, Resistant, Expendable, and Preserved. Note: In 2044, while the world isn't terribly different, human rights are. Our heroines and heroes in Her Reverse Genus find themselves thrust into one unfortunate event after another where they're forced to explore varying degrees of highly triggering topics that some readers may find difficult to read. These incidents are not added to the story for shock value or to cause contention; rather, they've been included to progress the story in a way that is realistic and congruent with the concept of the overall story arc.**

## Her Alien Beast: A Sci-Fi Alien Romance (Voxeran Fated Mates Book 3)

**Author: Presley Hall**

**Axen fights like a beast. He terrifies me a little. But maybe he's exactly what I need.**

As a doctor, I'm used to thinking logically and staying calm even in intense circumstances, so I thought I was adjusting pretty well to life on Nuthora.

Then the universe threw another curveball at me.

Not only am I stuck on a prison planet with a bunch of blue-skinned aliens... but I'm pregnant.

When the mate bond flares between Axen and me, it's more than I can handle. I want to get off this crazy ride and go back to a planet where things made sense, where my heart wasn't fighting with my head, and where most of the wildlife didn't want to kill me.

But there's no going back.

This is the path fate has carved out for me, and despite my fears about the bond, Axen is determined to prove he'll be a good mate.

**Can this brutal alien warrior truly be my perfect match?**

*Her Alien Beast is a full-length standalone sci-fi romance featuring blue-skinned alien warriors, a heroine whose life is turned upside down, and a growly, protective hero.*

*If you like sexy aliens, steamy romance, and thrilling adventure, you'll love this series. No cheating, no cliffhanger, and a happily ever after guaranteed!*

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

## **Her Alien Prince: A Sci-Fi Alien Romance (Voxeran Fated Mates Book 1)**

***Author: Presley Hall***

**I was sent to make contact with aliens... I never expected one to claim me as his mate.**

When I get the chance to be part of a first-contact mission to space, I jump at it. I need a break from my life back on Earth. From the lie of my marriage. From the heartbreak of betrayal.

But after we crash on a planet far from our planned destination, everything changes. Stranded in an unforgiving wilderness, I suddenly find myself hoping extraterrestrial life *doesn't* exist.

No such luck.

As I search for a way to rejoin the other survivors, I fall—literally—into the lap of a massive alien warrior with metallic blue skin and cat-like eyes. He's... gorgeous. Mesmerizing. I can't stop staring at him, and he seems just as fascinated by me.

Actually, he seems *more* than fascinated. The way he looks at me is possessive and protective, and even though I can't understand his words, his voice sends shivers down my spine.

I don't understand what's happening between us, but I do know one thing: he's the best shot I have at finding a way back home.

**The only problem is, I'm not so sure anymore that I want to leave.**

*Her Alien Prince is a full-length standalone sci-fi romance featuring blue-skinned alien warriors, a heroine who learns what love truly is, and a rebel prince who would move the stars for his fated mate.*

*If you like sexy aliens, steamy romance, and thrilling adventure, you'll love this series. No cliffhanger, and a happily ever after guaranteed!*

Note: each book in the series can be read as a standalone, but for maximum enjoyment, it's recommended that the series be read in order.

## **Fractured Chances (Shattered Stars Book 6)**

**Author: Viola Grace**

Life as a caretaker was her fate. Crashing on an alien world and being given an ultimatum gave her something she didn't expect, a lover who had her back. She takes a chance and is swept away.

Nan has spent her life making a place for herself by taking care of those around her. Holding onto the controls of a falling shuttle with the unconscious pilot next to her, she began to regret some of her impulses.

After the asteroid, she had gathered up close to two dozen kids who had been touring the same national park that she had, and she had tried to bring them home. When their city was found to be a collapsed crater filled with water, she has to take them on the road and try to keep them alive until she can find a settlement to take them.

Eventually, the call came out for the evacuation under the contract circumstances. The kids were exempt from the contract, and as caretaker, so was Nan. That exemption holds until they are on their way to the world Abix. There is a meteor shower, a wounded pilot, and Nan manages to take the controls, leaving a scar on the landscape in a restricted area. She feels bad, but when the overseer of Abix comes in through the shuttle front screen and gives her an ultimatum, she feels nervous and a weird tension. If they make it out of the restricted area in time, everything will just resume the normal plan.

There is one thing about the overseer. When he sets a timeline, he cheats. She has no chance.

## **Plundered: A Sc-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 2)**

***Author: Tana Stone***

**My sister gave herself to the raider warlord to save me. Now I'm hunting him down and getting her back.**

I've never forgiven myself for letting that brute drag her off my ship, and I've done nothing but search for his horde of warships since he let my ship go free.

Everyone knows the Vandar raiders are cruel and merciless, so when my ship is attacked by another of the alien race's warlords, I expect to be blown out of the sky. Instead, he takes me as his captive.

I may be the warlord's prize, but no way will I submit to his demands. Even if his hard body and fiery eyes ignite a desire in me like nothing have before.

Despite my captivity, I'm still determined to find my sister. This Vandar warrior might not have her, but he knows who does. If I can give him what he wants, maybe he'll help me find her. But can I risk letting him control more than my body? Can I risk him plundering my heart?

*Plundered* is a full-length sci-fi romance novel with a HEA and no cheating. It features steamy scenes on a raider warship, heart-pounding space battles, and some serious enemies-to-lovers heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction romance, and hot scenes with a happily ever after, you'll love *Plundered*, the second book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.
