

Adrian's Vengeance: A Dark Mafia Romance

Author: Isabella Starling

I'll kidnap her before she says I do.

ADRIAN

She's sweet, innocent, beautiful, and she's going to be mine no matter what.

Mafia princess Marzia De Luca made me a promise when we were children.

She broke that promise. Now it's time to teach her a lesson.

Marzia thinks she's going to celebrate her arranged marriage at a masked ball.

But this party is the perfect opportunity for me to kidnap her.

It's time for me to show her that my love... means *pain*.

MARZIA

Since I was a little girl, I've been in love with him - dark, twisted, menacingly handsome Adrian Bernardi.

But my father, the mafia don, decided I'd marry someone else.

Except I don't want to marry the other man. I only want Adrian.

I pray for help, asking Adrian to save me.

But saving me means taking *everything* from me.

Adrian's Vengeance is the first book of the Mafia Heirs series. Adrian and Marzia's story begins in Broken Promises. This is a dark mafia romance.

Tattooed Sweetheart (Sweetheart, Colorado)

Author: Jenika Snow

I'd always been a loner, the label of "bad boy" always following me around because I was tattooed and pierced—although, it wasn't like anyone ever saw my piercing.

People saw me as some kind of delinquent, when I was anything but, and they were too afraid or wary to try to get to know me.

And as the years went on, I accepted that was my reality... until I had enough.

So, with nothing else to lose, no family or friends, I decided to make a change. I packed up, moved to the Colorado mountain town of Sweetheart, and started my own business as a tattoo artist. Seemed like the perfect distraction, the ideal way to reinvent myself.

And it was working out for the last three years. I'd been content with what I had and never wanted more than that. That was until I saw her, and I realized exactly what I'd been missing in my life.

Because she wasn't in it.

Flora Harrison, owner of the brand-new coffee shop that opened up right across from my tattoo parlor, was everything I didn't know I needed in my life.

And I couldn't stop from inserting myself into hers until there was no doubt that I was meant to be there. That she was meant to be mine.

If nothing else, I was persistent, and no one and nothing would dissuade me from claiming the woman of my dreams. Not even her.

Good Boy : M/M Puppy Play Romance (Secret Desires)

Author: Jayda Marx

Zack - Life has been pretty hectic lately. After working long hours at multiple jobs, I finally saved up enough money for a down payment on a house. The ink barely had time to dry on the mortgage paperwork when things started falling apart and needing repairs. Just when I think my luck can't get any worse, my truck breaks down and I find myself on the city bus.

But what I saw as misfortune turns out to be a blessing in disguise when I sit by a beautiful blue eyed boy named Blake. He's sweet but not totally innocent, curious and playful, but in definite need of structure and guidance. He presses all of my buttons and checks all of my boxes; Blake is everything I've been searching for in a partner...and a pup. I can just picture him on all fours with a cute little tail, playing without a care in the world. But is it all wishful thinking on my part, or will I finally get the chance to become the Master I've always dreamed of being? My luck may be turning around after all.

**Thank you for your interest in my book! This title is very low angst and insta-love, following a relationship on the fast track. It is the third and final title in the "Secret Desires" series, and the books are best when read in order. This story features the love between a sexy Master and his sweet, playful pup. It's packed with heat and BDSM elements, but is still warm and fuzzy because I want my readers to finish my books with a smile on their face. Laughter is guaranteed, and each read delivers its own type of drama. Thanks again for taking a look and happy reading!

Fuck Valentine's Day

Why does there have to be a holiday to grind the salt in Andi's proverbial wounds?

Resigned to watching reruns of "Sleepless in Seattle" and binge eating on half-priced holiday chocolates, Andi is surprised when not one but two guys start to take an interest in her. Author: Jenika Snow

Mikalina

It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time.

Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough.

Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by.

Perfection. Stress-free. Exactly what I needed.

Or maybe I was wrong about it all.

I felt someone or something watching me from the darkened, dangerous woods.

I felt someone—something—stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me.

Ren

I wasn't human, not completely.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing.

My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

Hung Sweetheart: An Age Gap Valentine's Day Romance (Sweetheart, Colorado)

Author: Lena Lucas

A complete standalone in the Sweetheart, Colorado series.

All it had taken was seeing Pepper one time, and I knew she'd change my world. At thirty-two, the only positive I had in my life was taking over my father's legacy in Sweetheart, Colorado. McKenzie Hardware was the center of my universe, but I wanted more. I was lonely, isolating myself from people at every turn.

But when I'd seen Pepper, something in me lit up. She was like the sun in my very dark world, and I wanted that light to wash over me forever.

I wanted her forever.

But I was over a decade older than her and hadn't ever been in a relationship. What could I offer her aside from my own inexperience and a hardware store?

Despite the fact that I saw myself lacking, that she deserved better than me, I knew I had to find out more about her. I had to make her mine.

She was so much younger than me, innocent and fragile. She was soft and perfect to my hard and rough.

And she transfixed me, mesmerized me. I was infatuated. It got to the point where I couldn't stay away anymore. I couldn't lie to myself that what I felt for her was just a passing curiosity. It was more. She was more. I needed her to be mine.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of Valentine's Day romantic filth thrown in. An age gap double virgins romance to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

BIG MAN'S CLAIM (Big Men Big Hearts Book 2)

Author: Penny Wylder

I'm not a guy who looks for love--I sure as hell don't deserve it.

Especially not from a gorgeous red-head who I found nearly-naked in a river.

Melody is tough as nails and freshly eighteen. A rugged, tattooed mountain man like me knows better than to get mixed up with someone as pure as her.

But the second we're alone, her lips close to mine, I can't fight my desire.

She's too innocent for me. I tell myself one night is enough for us both.

It's stupid to let my heart beat a million beats for a woman who will turn into a memory.
But now that I've had a taste, I can't let her go.
I'm claiming her as mine... for better or worse.

Dreaming of You (Gamblers Book 2)

Aware that he is the last man that an innocent young woman should ever want, Derek is determined to protect Sara from himself, no matter what it takes. But in a world where secrets lurk behind every shadow, he is the only man who can keep her safe. And as Derek and Sara surrender to an attraction too powerful to deny, a peril surfaces from his dark past to threaten their happiness . . . and perhaps even their lives.

Together they will discover if love is enough to make dreams come true.

Pretty Lies (Watch Me Burn Book 1)

Author: R.E. Bond

My dad's an asshole. Plain and simple.
He's made it obvious that I can only ever rely on myself.
Until I meet them.

Caden, Tyler, Jensen, and Lukas.
My new stepbrother and his best friends have suddenly become my everything.
Until they aren't.

They think they can break me, but they're dead wrong.
They wouldn't have bet on me having someone else on my side, or in my bed.
These rich boys haven't seen anything yet.

Their pretty lies are nothing compared to what's coming though, and I'm going to need them to anchor me when I finally break.

Death is coming to those who deserve it, and I don't care if I lose myself in the process.
Did I mention the local street crew being on my side?
No one will ever see me coming.

My name's Rory Donovan, and I'm about to paint the walls red.

*Pretty Lies is a 75k word dark romance reverse harem novel. This is the first book in the series and it must be read in order. The first four books are Rory's, and the harem grows over those books, so other guys will be added as the story goes. It contains abuse and rape content, and the series will have m/m. If you are triggered by sensitive content, this series is not for you.

Be Ours: A Valentine's Day Romance

Author: Jagger Cole

**There are rules. There are lines you don't cross.
But she makes us want to break and cross every single one.**

She's scared and on the run. The Cartel wants her dead. So does the corrupt chief of police who pulled the trigger on a hit she witnessed.

We're just one cop and one retired Marine. But when we catch her breaking and entering, we're suddenly something else: her protectors.

Neither of us have any business even thinking about her like this. She's too young for us. She's too innocent for the darkness in our hearts. She's a witness to the biggest crime this town has ever seen, for God's sake.

Nothing's ever come between us. But then, there's Cora, caught in the middle. And now she's the only thing we ever do want between us.

This temptation is almost as dangerous as the killers trying to hunt her down. But once we've both had a taste, there's no turning back.

This Valentine's Day, and every day, all we want is her. And no one is going to stand in our way.

All of the attention is on her in this mfm romance – no m/m! Extra hot, VERY over the top (for real, it's ridiculous), and packed with explosive insta-love. Safe, absolutely no cheating, no cliffhanger, and a perfect happy ever after.

Adored by Aiden: A Valentine's Day Possessive Alpha Romance (Small Town Love)

Author: Lena Lucas

Kassidy

It happened like one of those horror movies. Car breaks down in the middle of the night. Cell phone stops working. Not a single living soul to be found.

Before I did anything semi-brave, like try to walk back to town, I saw a flash of dual beams aimed right at me. And when I saw it was none other than Aiden Shayne, resident mechanic at the small mountain town we both live in, I had a feeling this may have just gotten worse.

Because for more years than I wanted to admit, I'd been in love with him.

I was the nerdy girl in high school who used to stare at him obsessively... the girl who'd secretly fallen for him, even though we would never be together.

And even though we were well past high school and had lives of our own, I still wanted him fiercely. He was still the only man I ever cared for. The only man I ever loved.

Aiden

I used to watch her in school like I was afraid some little bastard would try to make a move on her... like someone would take her away from me, even though she wasn't mine.

She was the only one I ever wanted, and that was still true to this day.

Kassidy wasn't only gorgeous; she was smart as hell and way out of my league. I resolved that, for me, when it came to her, it would always be "look but don't touch." Or so I thought.

Because one night, she needed my help, and there was no denying the sexual chemistry that was suffocating us both. There was no stopping what happened next.

And that was finally getting the girl of my dreams and never letting her go. Now was my chance to finally tell Kassidy she was my first... everything.

Lena's note: I know you like them fast and right to the point so don't worry, this one gives you all the goods but with a healthy dose of double virgins romantic filth to whet your appetite! Enjoy this good old-fashioned safe smut-fest.

REVIEWS ■■■■■

"Just wow. This book was unlike anything I've ever read before. It was so unexpected and so, so good! I loved Cora and Dean, I loved their intense connection. Reading about the emotional way they became bonded to each other. Dean is probably hands down my favourite book boyfriend ever. His protectiveness and utter devotion to Cora was so beautifully written. This book is easily in my top 10 favourite books of all time. My only regret is that I'll never be able to read it for the first time again." — **Emlovesreading Bookstagram**

"This book will take you through a nightmare of events, to what happens in the aftermath of everything you thought you survived. Grab this book and get ready for the most intriguing and emotional ride you will ever go on." — **Christy, Goodreads reviewer**

"If you are looking for a slow burn book that will absolutely tear your heart to shreds then look no further... Dean and Corabelle had me falling in love with them from the beginning. The trauma that they experienced was unimaginable and my heart was beating so fast through the entire experience. I love that Jennifer made the characters healing so real and raw. The words jumped from the pages and threw emotions at me like a MLB fastball." — **Dirty Little Secret Book Blog**

"WOW. Jennifer Hartmann's emotional brand of writing leaves me breathless, every.stinking.time. This book is a roller coaster... you find yourself laughing at the banter and antics between the H and h, but then you're crying on the next page. I cried so many ugly tears during the reading of this book...prepare yourselves. One of the best I've read in a while." — **Author, E.R. Whyte**

The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)

Author: Stasia Black

They say good things come to those who wait.

Bullsh*%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand

in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

Tail 'Em: A Reverse Harem Shifter Romance (Jailbreak Book 1)

Author: Sam Hall

Never tell them what we are, Shannon's grandmother had always said.

Working as a faux-Reiki healer in her local veterinary clinic, Shannon uses her psychic abilities to help sick or anxious animals, worried that one day people were going to see past the New Age façade she'd constructed.

With good cause.

Men from the newly created Capricorn Institute bring her to the newly renovated prison on the hill to work her wiles on their beasts, creatures she'd thought she'd only ever seen in a zoo, but they don't respond to her psychic overtures like a normal animal would.

Because they aren't.

Beautiful, wild, Shannon's about to find out the truth about the Big Bad Wolf and all of his apex predator friends. These sexy shifters track her every movement, memorise her scent, because even from behind bars, they're hunting her. Physically, psychically, these men will use whatever tactics they can to get what they want: her.

THERE IS AN EXTENSIVE TRIGGER WARNING INSIDE THE START OF THE BOOK. PLEASE MAKE SURE TO READ IT.

The bedroom.

"Let's go in," Liam said, taking the hotel keycard Calla had been clutching. She looked confused until Liam eyed Mack and said, "All of us."

Calla's eyes widened and her mouth dropped open slightly. But when the door unlocked, she stepped inside and held it open wide.

In invitation.

F*ck him. Mack felt it in his chest and his balls—the wanting. She doesn't know what she's inviting in.

Liam stepped right over the threshold, but still, Mack hesitated. She deserves a million times better than either of you horny f*cks.

Mack was about to turn around and leave. He really was.

But then Calla reached over and took his hand. With her other, she reached out to Liam. When she started tugging them inside, Mack let himself be pulled forward.

He didn't know if he was heading into heaven or hell. But as the door closed behind him, Mack knew there was no other place he'd rather be.

He Saw Me First (Age & Innocence Book 1)

Author: M Johnson

Across an empty laneway in Paris, through my hotel window,
He saw me first.
I stopped undressing . . . but only for a moment.
The next night, he was waiting for me.
He sat there in his expensive suit and watched.
No participation.
My only acknowledgement was the look of lust in his eyes.
It continued until the night before I left,
when I found a card under my door.
No words. Just a number.
So, I texted him.
I'd never done anything like it before.
It felt so dirty and wrong, but at the same time, I felt alive.
He was much older than me, so intimidating and sexy.
He made me feel things no man ever has.
I was under his spell.
The last thing I expected was to ever see him again.

****Warning****

Devil's Playground is a dark new adult (not high school) series. There are graphic situations and content some readers may find objectionable. If you need fluff and sweet romance, this is not the series for you. Periculum is a precursor for Maleficium and reveals the lead-up to the events in that book. The remaining books in the series are standalones.

Tropic of Cancer

Author: Henry Miller

Henry Miller's famously banned book is "a matter-of-fact celebration of chucking one's dreary life and following your heart to Paris" (Richard Price).

Now hailed as an American classic, *Tropic of Cancer*, Henry Miller's masterpiece, was banned as obscene in this country for twenty-seven years after its first publication in Paris in 1934. Only a historic court ruling that changed American censorship standards, ushering in a new era of freedom and frankness in modern literature, permitted the publication of this first volume of Miller's famed mixture of memoir and fiction, which chronicles with unapologetic gusto the bawdy adventures of a young expatriate writer, his friends, and the characters they meet in Paris in the 1930s. *Tropic of Cancer* is now considered, as Norman Mailer said, "one of the ten or twenty great novels of our century."

Adored by Landon (Small Town Love)

Author: Cameron Hart

Landon: The last thing I want to be doing at nine in the evening is driving out to see what old Mr. Leroy is complaining about. But that's what I signed up for when I became the sheriff of Still Creek, Minnesota. I never would have expected the old man to be fighting with an angel in the parking lot of his antique store. And I certainly never expected to offer her my guest bedroom. She's runnin' from something, that's for sure, but I hope soon she'll be runnin' right into my arms. I'll protect her from the whole world if only she'll let me. Looks like I won't be alone this Valentine's Day...

Zoe: I've been on the run for days now. I don't even remember how I ended up in the tiny town of Still Creek. The last person I ever thought would be nice to me is a giant, tatted-up sheriff. If he only knew what kind of criminal he had sleeping in his guest room, he'd never look at me again. I'll just have to savor every sweet, heated moment he gives me while it lasts.

What to expect from a Cameron Hart book: Lots of heat, plenty of sweet, and just enough drama to keep things interesting. No cheating, safe, guaranteed HEA!

Playing with Her Doctors: A Medical MFM Menage Romance (Playing With Them Book 1)

Author: S.E. Law

Getting pregnant? A big deal. Getting pregnant by your handsome, hands-on personal physician? An even *bigger* deal. And don't forget, he has a business partner who *loves* being in on the action as well.

I've put off seeing a doctor for a long time, so when I finally work up the nerve, I decide to go for the best. Doctors Ryder Stephenson and Ranger Stevens have a very exclusive practice on Park Avenue. They're two incredibly gorgeous, rich as all hell plastic surgeons with a helluva magic touch.

Except, my consultation goes off the rails.

My physicians are completely irresistible, and the temperature in the exam room heats up until it's near sizzling. We're damn near breaking the law.

But you know what I really want?

A baby.

... And the doctors are only too happy to oblige. They tell me to come back for another consultation ... and another ... and another ... until soon, I'm a mommy-to-be.

Yeah, *whoops*. This wasn't supposed to happen.

But now, I want it all, and the gorgeous, huge, growly physicians won't stop until I'm mommy to a *dozen* of their children.

We're off the reservation with crazy, over-the-top insta-love between two gorgeous doctors and a sassy curvy girl that will make you want to put on a flimsy hospital gown. There are no swords that cross because the story is all about her. Not responsible for thermometers that break. Reader beware.

As with all my books, this one is safe, with no cheating, and a HEA guaranteed.

Sugar Daddies

Author: Jade West

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.

Someone who can entertain them, amuse them, fit in with their corporate schedule.

And sex. They want sex.

Lots of sex.

Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.

Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.

Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.

But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.
