**Author: Jaymin Eve**

#1 in the entire Kindle Store.

A new paranormal romance from Wall Street Journal and USA Today bestseller Jaymin Eve.

*My father made a terrible mistake. One I'm left paying for.*

As a wolf shifter growing up in a strong pack, I should be living my best life. But after my father tried to kill our leader, I'm labelled an outcast, traitor, less than dirt.

When I can't take pack life any longer, I run, but apparently they don't like losing their punching bag. Torin, the leader's son, drags me back before my first shift... a shift that will reveal my true mate. I never could have predicted who mine would be, but the moment my wolf looks upon him, I'm filled with hope for a brighter future.

Afterall, no one ever rejects their true mate, right?

Wrong. Very wrong.

When the wolves attack, my soul screams for vengeance, and somehow I touch the shadow world. Somehow I bring him to our lands.

The Shadow Beast. Our shifter god. The devil himself.

Turns out being rejected by my mate was only the beginning.

**Author: Leia Stone**

When my parents were banished from Wolf City before I was born, I thought there was no way I would ever live in a pack again. Cuffed, with my shifter magic bound, I was forced to go to school with witches and vampires in order to keep my true nature from coming out.

**Then I met him.**

Sawyer Hudson.

The Alpha's son was visiting the Delphi College for Magically Banished Youth and spotted me. He took one look at me, and an hour later, I was being pulled out of school, taken into Wolf City and leaving my parents and everything I knew behind.

It's the Alpha's son's selection year, the year he must pick a mate, and every female aged 18-22 must be in attendance.

I've landed myself in the middle of Werewolf Bachelor, and just when I think I've got a handle on things, Sawyer releases my cuffs, unbinds my magic, and sees what I really am.

The problem is, I don't know what this creature is that I transform into. It's not an ordinary werewolf, that's for damn sure.

But when Kieran, a sinfully sexy demigod at the pinnacle of power, crashes into my life, suddenly my whole world is turned upside down.

He's harboring a deadly secret, one that could destroy all he holds dear. He thinks I'm the key to his salvation, and he wants me to help him claim vengeance.

He also wants me with a passion that burns my body from the inside out.

To ignore him is impossible, but to give in to my desires, even for a night, would thrust me into danger I might not survive.

Can I resist the temptation?

## Shadow Mate (Wolf Moon Academy Book 1)

**Author: Jen L. Grey**

Despite never desiring to be an alpha, this was an opportunity of a lifetime... or so I thought.

I soon learned that there was more behind my admission to the Academy than my education. I was there to be a lesson to the heirs -- in particular, the sexiest and strongest one, Liam Hale.

As if that wasn't bad enough, it turns out that he is my true mate. A fact that should be treasured, but he makes it clear that we will never be together.

However, things aren't always what they seem, and we all have secrets— some bigger than others. When the truth comes out it'll either set me free or set me up for disaster.

**Author: Jennifer L. Armentrout**

***Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa.***

A Maiden...

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

***Is Love Stronger Than Vengeance?***

**A Betrayal...**

Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. **A Choice....**

Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation.

But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Until one evening when four eerily gorgeous men break me out of my prison.

They give me a soft bed and delicious food. They say they'll protect me—but their generosity may come at a price.

These fearsome men need me, and not just to lift the curse. A tragedy left them outcasts, and offering me to their rulers could win them back the home and the power they lost.

## **Dark Secrets Absolved (The Children Of The Gods Paranormal Romance Book 46)**

**Author: I. T. Lucas**

**"Waiting for each next book in series is always torture :)** Just finished reading this latest installment in the series and that was after going back and reading the entire series for the second time. To give this some context - although I am a voracious reader from the classics to contemporary, I can count on one hand how many books I have ever read a second time and those were primarily classics - Jane Austin, Dickens, etc. With that said, I absolutely love this series - it is so much fun! Lucas does an excellent job of character development and easily form a clear picture of the characters in my mind. I'll be going through withdrawal until book 47 is released :)

At least I know where I stand with them, which is more than I can say for my husband, Rigel.

My relationship with Rigel is...complicated. We married for political reasons—my greatest desire was that he wouldn't kill me after the ceremony. But now that he's saved me from countless attempts on my life and joked with me through boring Court socials, my thoughts about him have veered into uncomfortable territory.

Not that I have time to think about all of this.

Those attempts on my life I mentioned? Yeah, they're getting bolder and a lot harder to survive. I'm confident one of the other monarchs is behind it all, but I don't have the power to make them stop.

**Author: Laura Thalassa**

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

## Skin Walkers: Mason

**Author: Susan Bliler**

Mason EnemyHunter is a Skin Walker who's only had time for work and hunting for his sister. Hell, he didn't even know he had a sister until a siege on the facility where his parents were once captives produced a file verifying her birth. Distracted beyond measure, his treatment of a human female visiting StoneCrow Estates is unforgivable. Never had he physically harmed a female, until now. His inexcusable manhandling of Amanda Chandler leaves him needing to make amends. When his efforts at making things right pulls him from his sole-minded purpose of finding his sister, Mason realizes that he's put his happiness on hold. That's about to change.

Amanda Chandler doesn't know why Mason attacked her. A friend and ally to Skin Walkers, she'd always felt safe in their presence until now. Worse, Mason's guilt over the situation has him turning up every time she turns around. His insistence at making amends has him doing more for her than any man has done in a long time. It's got strange emotions filling her head and a longing tugging at her heart. But Mason isn't for Amanda. He's too consumed with finding his sister, and Amanda's too preoccupied trying to end things with Skin Walker Sentry, Remy McCabe. Mason couldn't have arrived at a worse time, but Amanda can't seem to shake him or the idea of what if.

\*This is book 4 in the Skin Walkers series; however, each book focuses on a different couple and can be read as a standalone.

\*\*\*

Canting his head, Mason watched as wisps of black hair with blue undertones that reminded him of midnight licked around Amanda's face. The wind was harsh, and she wasn't wearing a coat, but he couldn't imagine how she'd manage the feat with the sling that held her injured arm.

Eyes scanning the tree-line, Mason sought out any evidence that Remy had been here recently. Someone had been. With his keen animal eyesight, he picked up large footprints in the snow, but they only skirted the perimeter of Amanda's property, never coming any closer than a few hundred feet. Odd. Why would Remy be spying on his girlfriend?

From what Mason had learned, Amanda and Remy had been dating for four months. It was an on and off relationship that had turned mostly off lately. If rumors were true, Amanda intended to end things with Remy. He smirked at that. Remy was well known at StoneCrow as a lady's man, and Mason knew it would be a blow to the Walker Sentry's ego to be dismissed, especially by a human female. Maybe that's why Remy was slinking around. He was probably trying to find a way back into Ms. Chandler's heart.

Amanda's hissed, "Shhhhit," drew his attention back to her.

He watched as she used a booted foot and her good arm to pry her axe free from the log she'd failed to split. Splitting wood would be difficult for a woman in peak physical condition, so watching Amanda struggle at the task knowing it was his fault she was having such a hard time, filled him with guilt.

Eyes locked on Amanda, they narrowed when she cursed some more and then ripped the sling from around her neck. Gingerly removing it from her injured arm,

she tossed the sling into the snow, and then, to Mason's shock, she gripped the axe handle with both hands.

Surely, she's not going to...

A wince claimed her delicate features an instant before she lifted the ax and steadied it in front of her with both hands.

Son of a bitch!

Mason dove from his branch and shot straight for Amanda, but it was too late. Before he could get to her, she was swinging the axe up and over her head with a pain-filled grunt. In a blink and with a jarring thud, the axe buried about six inches into the log and then toppled to the side as Amanda screamed and released the handle. Falling to her knees, her hand shot up to her injured shoulder and clamped onto it in a white-knuckled grip. Eyes pinched shut, Amanda Lamaze-breathed through the pain that Mason could scent before he even landed.

## Infernal (The Shadow Guild: Hades & Persephone Book 1)

**Author: Linsey Hall**

**Hades never saw me coming...**

Tuesday night in the library started out normal--alone with cheap beer and a murder mystery. Partying, librarian style. Until the god Hades appears.

When he abducts me, I try to say he's got the wrong girl--I'm no goddess. At least, I don't *think* so.

Suddenly, I'm in his world, captive. The upside? I live in a castle with a lethally beautiful god who wants to make me a queen. The downside? He's scary AF and *also* wants me to help him destroy the world.

Obviously that gets a big 'no' from me. I'll do whatever it takes to escape, including seducing the god of death. But together, we're an inferno, and the heat is impossible to resist. His touch fogs my mind, but I must succeed. Otherwise, everyone dies.

## **Midlife Magic: A Paranormal Women's Fiction Novel (Not Too Late Book 1)**

***Author: Victoria Danann***

"Enthralled!" - Novel After Thoughts

"The best thing I've read in years." - the Paranormal Romantic

*If you can imagine yourself as a romantic and adventurous woman in midlife, who's come into her power, ready to meet happy accidents head on, this book is for you!*

"This book hits all the notes." - Cynseer Booklover Blog

Amazon customers call this series...

"utter perfection"

"a breath of fresh air"

"too much fun"

"best in the genre"

and more.

**FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S *NOT TOO LATE* FOR MAGIC!**

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of K.F. Breene, Shannon Mayer, Elizabeth Hunter, Darynda Jones and Lucia Ashta.*

## Secrets of the Sword 2 (Death Before Dragons Book 8)

**Author: Lindsay Buroker**

For ten years, I've been using a magical sword that I won in battle to ruthlessly slay enemies, break evil artifacts, and open stubborn pickle jars, but I don't know much about it.

That's about to change.

Thanks to the fact that I'm dating a powerful dragon, I can get a ride to the dwarven home world, and we're going to research the sword's roots. Not that I care much about its history, mind you, but several allies and enemies have suggested it can do a lot more than whack things. Considering the magical bad guys I fight are always stronger, faster, and more powerful than I am, I need every advantage I can get.

There's just one problem: a half-dwarf thief has shown up and says she's the rightful heir to the sword.

I want to believe it's a scam and can't possibly be true, but I didn't get the sword in the most legitimate manner. If I have to give it up, I might not be able to do my job anymore, and just as bad, I'll be a target for all the bad guys who have been waiting for an opportunity to take me down.

But when he meets Leslie, it's clear this job is more complicated than he'd anticipated. She isn't what he thought at all. And the more he understands of her life, the more he doesn't want to leave her at the conclusion of Christmas Day, as their contract requires.

All her life, her last name has cast a long shadow over her life. All she wants is a simple life, but her family has different plans for her. And what better rebellion than bringing a date to the holiday celebrations than hiring a real-life shifter? Her sister's fancy husbands might be rich, but they don't turn into animals. ## **Shadow's Kiss: (Adult Fantasy Romance - Completed Series) (Shadow Series Book 1)**

**Author: T. M. Hart**

ADULT FANTASY ROMANCE . . . COMPLETED SERIES

**WARNING:** Are you looking for a sweet romance with puppy dogs and rainbows? An innocent, young adult fairy tale with a chivalrous prince who will seek permission to kiss your cheek? Do you like a predictable story line? Do you want every character to be perfect? To make all the right choices? To have zero flaws?

If so, this is not the series for you.

If, however, you've got a little darkness buried deep down inside; if you prefer your romance to be adult in nature; if you enjoy the mystery and suspense of not knowing what's around the next corner; if you like darkly flawed characters who don't give a damn about being polite, charming gentlemen; if you like protagonists who develop and grow over the course of an entire story . . . then welcome to the Shadow Series.

Just don't get too attached, my darling. This is a complete story broken into four full-length novels. And book one is just the tip of the iceberg. If you think you know what's happening, if you think you understand the characters and the relationships, if you think you know where this story is headed, let me tell you: you have no idea, friend.

Here's to hoping you don't get lost in the Dark:

**~An epic adventure. Mysterious circumstances. Fun. Dark and steamy. The latest in adult fantasy romance . . . you don't want to miss this series.~**

A violent storm. Unending night . . . Violet Archer is running through the darkness for her very life.

A single spark blazes, calling to her. It is her chance at salvation. It is a connection beyond any she could have ever imagined. And it leads her to a lonely cabin in the woods.

But when Violet wakes she has no memory of how she got there. She is disturbingly ill. And a chilling evil creeps through her veins. Worse still, her host, the tall and powerful Elijah Stone, is intent on killing her. Yet a cataclysmic bond, neither can deny, stays Elijah's hand.

Radiants, immortals of the Light, have been warring with their enemies, the Shadows, for millennia. Now, twisted together by fate, the two adversaries must embark on a journey. One on which their very lives depend. Unfortunately for Violet, she does not know who she can trust, especially when it comes to her guide, Elijah.

But it turns out that Violet and Elijah are not alone on their quest. They soon realize they are being hunted along the way. It seems Violet has a dark debt to settle.

And someone very dark, indeed, is about to collect his due.

## It's A Wonderful Midlife Crisis : A Paranormal Women's Fiction Novel: Good To The Last Death Book One

**Author: Robyn Peterman**

**A Paranormal Women's Fiction with a bit of class, and a lot of sass, for anyone who feels like age is just a number!**

**Whoever said life begins at forty must have been heavily medicated, drunk, or delusional.**

Thirty-nine was a fantastic year. I was married to the man I loved. I had a body that worked without creaking. My grandma, who raised me, was still healthy, and life was pretty damned good.

But as *they* say, all good things come to an end. I'd honestly love to know who *'they'* are and rip them a new one.

One year later, I'm a widow. My joints are starting to ache. Gram is in the nursing home, and dead people think my home is some kind of supernatural bed and breakfast. Gluing body parts onto semi-transparent people has become a side job—deceased people I'm not even sure are actually there. I think they need my help, but since I don't speak *dead*, we're having a few issues.

To add to the heap of trouble, there's a new dangerously smokin' hot lawyer at the firm who won't stop giving me the eye. My BFF is

thrilled with her new frozen face, thanks to her plastic surgeon, her alimony check, and the miracle of Botox. And then there's the little conundrum that I'm becoming way too attached to my ghostly squatters... Like Cher, I'd like to turn back time. Now.

No can do.

Whatever. I have wine, good friends, and an industrial sized box of superglue. What could possibly go wrong?

Everything, apparently.

All in all, it's shaping up to be a wonderful midlife crisis...

## Moon Tortured (Sky Brooks Series Book 1)

**Author: McKenzie Hunter**

**Nothing is ever what it seems—including me.**

The Midwest Pack has three goals: Protect the pack. Protect the pack. And yeah, protect the pack.

I have my own goal: Live a simple life and hope no one ever discovers that the quiet young woman next door turns into a wolf.

All my efforts go up in flames when a vampire attack draws the attention of the Midwest Pack. The next thing I know, I'm staring down Ethan, a handsome and alluring alpha, as he demands to know what I am. Not who. What. The pack was warned that I'm not just a werewolf but a weapon—one that could be used against them.

*A weapon? Me?* I'd love to dismiss it as a case of mistaken identity, but I've become the supernaturals' Most Wanted overnight. The vampires have put a bounty on my head. A necromancer attempts to kill me in a room full of people. And a mysterious witch is watching me far too closely for comfort.

The only thing standing between me and certain death is the pack, but we're definitely not on the same page. I want to lie low, go back to my typical life, and live to fight another day, while their MO is "seek, confront, and destroy."

And depending on the answers we find, the enemy they destroy ... might be me.
