

Neon Gods: A Scorchingly Hot Modern Retelling of Hades and Persephone (Dark Olympus Book 1)

Author: Katee Robert

He was supposed to be a myth.

But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine.

A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.

Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade.

With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed.

Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

He's the only gift she wants to unwrap this Christmas...

If you believe the hype, Christmas is supposed to be a time to spend with loved ones.

And up until a few days ago, I was blissfully happy, in full holiday mode and planning to visit my family in Iowa with my lovely new boyfriend, Adam.

But rather than the engagement ring I expected and the happy introduction to my family, Adam dumps me.

Via *email*.

I did *not* handle it well.

Seven-ish Margaritas and half a box of tissues later, and I've somehow accidentally agreed to spend Christmas in **Alaska**.

To make matters worse, when I touch down in Anchorage, it's not my sweet old college roommate, Cindy waiting for me with more tissues, but her smoking hot brother, Ryder.

I'm supposed to be writing a review of Cindy's retreat for the travel magazine I work for, and getting over Adam, not fantasizing about smooching a broody ex MMA fighter under the mistletoe.

As if the three-hour drive back to the retreat with him wasn't awkward enough, knowing Cindy's broken her ankle and can't show me around makes it even worse.

My reluctant tour guide has made it clear I'm an inconvenience, so wandering off to take photos of The Northern Lights and falling through the ice, only makes him resent my intrusion more.

But after we're forced to spend a night snuggled together in his cabin to stave off hypothermia, and he lets slip why he hates Christmas, I'm pretty sure there's warmth under his icy exterior.

If I can get just get him to let his guard down long enough to tell me why he lives like a cross between a prepper and a hermit in the wilderness, there's a chance I might still be here come New Years...

Upon arrival, the men and the daily decadence of the manor feel too good to be true for a girl of Esther's station. There are rules to be followed, expectations to meet, and Esther is afraid she might be too wicked even for a place like Rooksgrove.

Temptations lurk around every shadowy corner and Esther has never been a girl able to resist. But the risk of disappointing her new gentlemen isn't all that's threatening Esther's new position. Rooksgrove Manor's protections for its unusual patrons are failing, the wards are crumbling, and Esther's new and exquisitely pleasurable life may all come tumbling down.

When he takes things a step too far, entering me in Club Wyld's infamous submissive lottery without my permission, I can't help but think this life might not be for me after all.

Until I see which man is holding the winning ticket.

Step behind the steel door and meet the men of Club Wyld—demanding, dominant, and oh-so-delicious!

Sorrowland: A Novel

Author: Rivers Solomon

A triumphant, genre-bending breakout novel from one of the boldest new voices in contemporary fiction

Vern—seven months pregnant and desperate to escape the strict religious compound where she was raised—flees for the shelter of the woods. There, she gives birth to twins, and plans to raise them far from the influence of the outside world.

But even in the forest, Vern is a hunted woman. Forced to fight back against the community that refuses to let her go, she unleashes incredible brutality far beyond what a person should be capable of, her body wracked by inexplicable and uncanny changes.

To understand her metamorphosis and to protect her small family, Vern has to face the past, and more troublingly, the future—outside the woods. Finding the truth will mean uncovering the secrets of the compound she fled but also the violent history in America that produced it.

Rivers Solomon's *Sorrowland* is a genre-bending work of Gothic fiction. Here, monsters aren't just individuals, but entire nations. It is a searing, seminal book that marks the arrival of a bold, unignorable voice in American fiction.

Lucas and Bennett Gaines are the newest home owners on Calumny Court. Being a gay couple in their mid-thirties, the two must navigate through the traditional lifestyle of those that live on the cul-de-sac. At every turn, they run into what seems to be a never-ending set of problems with the judgmental and catty neighbors.

Their biggest obstacle comes from Skyler Steller and Zachary Cauderling, gay, entitled, college boys that have lived in the neighborhood for years with their family. Little do the Gaines know that these two scheming college boys have their own hidden agenda that could put their relationship in peril.

Will Lucas and Bennett be able to adapt to the standards and expectations that come with living on the cul-de-sac?

The Worrier: Lucas Gaines
will go out of his way to fit in with the new neighbors.

The Easy-Goer: Bennett Gaines

The Narcissist: Zachary Cauderling

The Conspirator: Skyler Steller
always plays mind games with anyone and everyone.

As if being gay didn't come with its own set of problems and prejudices already. Try being gay and moving to the cul-de-sac, where there are judges and juries all around you.

Thirsty (Black Wolf Pack Book 1)

Author: Jenika Snow

We were a close-knit community of wolf shifters, and finding your fated mate was a rare gift. So when it happened to me, I knew I'd fight to the death to claim her as mine.

But she was the Alpha's daughter.

Off-limits to everyone, especially me, the Beta of the pack. The Alpha's second-in-command.

Mia was the one female who had been born to be mine and mine alone. There would never be another for me. There *never* had been anyone for me. And when I finally gave myself over to a woman, when I kissed a female for the first time, touched her, I'd give that honor to my mate only.

And the way Mia looked at me, the innocence that poured off of her but mingled with her bone-deep desire told me my mate was ready to take things to the next level. She was ready to let me claim her... mark her.

But there was one massive obstacle stopping me from making my dreams a reality, from making my fated mate mine. And that was her father finding out and trying to stop me.

He had his own heartache in the past, and because of that, he held Mia very close, was very protective of her. He wouldn't give her up without a fight.

And when the truth was finally revealed, there was only male who had the strength and power to challenge the Alpha... and that was me.

Todo lo que somos tú y tú y yo (Spanish Edition)

Author: Marta Cillán

Gala y Olivia llevan ocho años juntas y su vida transcurre por los apacibles senderos de una relación de pareja plena y feliz. Ambas trabajan en la empresa creada por ellas, se quieren, se desean, se complementan a la perfección y sostienen que cada una es todo lo que la otra necesita... Y, sin embargo, y de la manera más inesperada, cuando Stella irrumpe en sus vidas, esos cimientos que creían tan sólidos comienzan a tambalearse llevándolas a replantearse todas las normas establecidas entre ambas, hasta el punto de que ya nada volverá a ser igual entre ellas. A través de una arquitectura narrativa original, audaz y sorprendente, que nos permitirá sumergirnos en los secretos, deseos y dilemas de cada una de las protagonistas, Todo lo que somos tú y tú y yo aborda, con una prosa directa, sincera y actual, el reto, la excitación e inseguridades que, como una montaña rusa de novedades y dudas, embargan a quienes se embarcan en un modelo de relación fuera de lo convencional. Devermut, en su debut literario, nos sorprende con una historia de amor amena, lúcida, sensual y apasionante, pero también con una aguda reflexión sobre el sexo, la monogamia o los celos que, por su intensidad, por su verdad, no podremos dejar hasta haber llegado a su punto y final.

It takes a few seconds, but Alistair begins to stir, kicking the covers off of himself. Try as she might, Hailey's not strong enough to hold it on him. Alistair snatches the pillow from her hands, then throws it to the foot of the bed.

"Woman what the hell is wrong with you," he barks, breathing heavily. "Were you seriously trying to kill me?" Alistair glares at Hailey, rubbing his nose.

"Kill you, no. Make you suffer because I can't sleep, then yes," Hailey states, irritated.

Alistair squints his eyes at her. "So, because I can sleep and you can't, you try to smother me? And they say I'm the crazy one."

Soul Eater is the debut novel of Lily Mayne. It is the first in a planned post-apocalyptic fantasy series featuring monsters and human men falling in love.
