## The Invitation

**Author: Vi Keeland**

**A new, sexy standalone from #1 *New York Times* Bestseller, Vi Keeland.**

The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city.

Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts.

I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time.

Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation I received? Well, it hadn't actually been addressed to me—it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding.

Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail.

Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block—but at least I'd escaped unscathed.

Or so I thought.

Until I realized I'd left my cell phone behind at the table.

Take one guess who found it?

This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.

Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. ## **Don't Kiss the Bride: An Age Gap, Marriage of Convenience Romance**

***Author: Carian Cole***

**Carian Cole delivers a sweet but sexy slow burn, age gap, marriage of convenience romance with major swoony feels!**

I guess you could say I was a damsel in distress, and he was my knight in shining armor.

But more accurately, I was a girl with a lot of bad luck, and he was a guy with a lot of muscles and tattoos.

Jude "Lucky" Lucketti wasn't just a sexy, brooding construction worker. He was my own personal hero, showing up in all the right places at the right times. Like when my car broke down and I needed a ride home, and when I face planted on the sidewalk right in front of him and had to be taken to the emergency room.

Those weren't exactly my best moments, but they were his.

We became friends, and it didn't matter that he was sixteen years older than me. We had a lot in common--like our love of old rock music and vintage fast cars, and our aversion to relationships.

When he approached me with a crazy idea to help me out with my many problems, I couldn't say no.

The arrangement was supposed to be temporary. A marriage on paper and nothing else.

It should've been easy, but it wasn't.

Because here I am, eighteen years-old, still in high school, and married to a man I was never supposed to fall in love with.

We had just one rule--no kissing the bride.

But we broke that rule, and it sealed our fate forever.

## Love at First Fight

**Author: Carrie Aarons**

**An Amazon Top 10 Bestseller, #1 in Contemporary Romance**

This summer was supposed to be spent lounging on the beach, madly in love with my boyfriend. Until he decided to move to Singapore, and break up with me an hour before his plane left. Now I'm stuck in a Hamptons house share with six of his closest pals, including his best friend ... who despises me.

Since the moment Smith Redfield laid eyes on me, he's hated my guts. I'm serious, I think the raven-haired restaurateur gets physically sick just being in my presence. And he's never been shy about hiding that fact.

There was the time he cackled when I landed face first in a pile of Manhattan trash bags. Or the night I tried to throw my ex-boyfriend a surprise party, and Smith had strippers crash the bash. Or maybe it was New Year's Eve, when he got in my face and called me a sheltered goody two-shoes who wouldn't know passion if it smacked me in the lips.

He's rooming right next door for the summer months, and I don't think more animosity could exist than in the hallway of our vacation rental. As if I wasn't already sporting a bruised ego and broken heart from the way his best friend left me.

But the more midnight run-ins we have, the more I can't help but think about the way his mouth would feel against mine. With each heavy-eyed glance over the dinner table, I'm starting to wonder if the damaged alpha male doesn't harbor more than just loathing towards me.

After all, they say hate is the closest emotion to love. And with the way we're skating that thin line, it's bound to burn this whole house down.

**Author: Donna Fletcher**

A promise is a promise and Raven keeps hers no matter the cost.

Five years ago Raven of the Clan MacKinnon was forced to hide after the attack on her clan. She helped get her wounded father to safety, then watched helplessly as her two brothers were taken prisoner and marched off to serve the Beast, a heartless Northman determined to claim not only MacKinnon land but surrounding clan lands as well. What she witnessed that day shocked her. How she survived afterwards changed her forever.

Her brothers' return home signal her own return home to her family and relative peace. Finally, the Beast has been appeased. Or so she thinks.

Wolf is an exceptional warrior, fearless, even ruthless when necessary. He intends to claim land that rightfully belongs to his family. All went according to plan until... how did one, young lass escape a troop of warriors and ruin his well-executed plans? He searched five years for the MacKinnon lass without success, then she suddenly surfaces with a proposal for him that will end all strife and win him most of what he wants. She may think she is the victor, but he knows better. Or so he thinks.

Wolf accepts the proposal, signs the agreement, making the woman who caused him endless trouble... his wife.

Raven and Wolf face challenges, not only with each other, but with an old enemy seeking revenge, and unexpected secrets that reveal surprising truths and unforeseen danger.

Can foes become friends? Or will love decide for them?

## A Scot Mess: a comedy of errors (The Hots for Scots Book 1)

**Author: Caroline Lee**

**Laird Oliphant's sons have no choice but to get married. Without an heir, the laird has gathered his sons--his six *illegitimate* sons, all born in the same year--and declared whoever presents him with a grandson first, will become the next Highland Laird.**

**Reactions are...*mixed*.**

But to Finn Oliphant, this is exactly the news he's been hoping for. You see, Finn has already chosen his future wife: the vivacious and intelligent Fiona Maclan, whom he fell in love with the previous year. He knows she's in love with him as well, so this whole "marriage ultimatum" thing should be easy-peasy. He'll simply invite Fiona to Oliphant Castle to sign all the betrothal contracts and... *Bam!* Done! They can get on with the baby-making!

Except...

It's not that Fiona is getting cold feet, exactly. She's fairly certain she loves Finn. Mostly. Well, verra likely, at least. But she's never been the most self-confident woman, especially compared to her sister--her *identical twin* sister--whom Finn happens to mistake for Fiona upon their arrival at his keep, which is *super-awkward* all around.

The idea of marrying Finn makes her feel all warm and giddy--hopefully that's just lust, not the ague--but how can she be certain he truly wants *her*, and not just *any* woman?

It's hard enough to be certain of anything on Oliphant land, especially with Finn's mad Aunt Agatha spreading rumors, five potential brothers-in-law offering terrible advice, and a mysterious ghostly drummer keeping the entire keep awake at all hours.

And *mayhap* Finn should've mentioned *his* identical twin brother as well? That information likely would have saved everyone a lot of headache...and a lot of heartbreak.

Finn and Fiona have plenty to learn about themselves, and one another, before they can be certain this marriage is a good idea. But unfortunately, they're running out of time. *Dun-dun-duuuuuuun!*

**Warning... This comedy of errors is not for anyone who can't handle the following: plenty of naughty scenes, more than a few anachronistic jokes, and an embarrassing number of mistaken-identity gags. Only pick up this book if you have a sense of humor. You've been warned.**

# The Objects of Attraction: The Complete 6-Book Collection

**Author: Penelope Bloom**

The internationally bestselling series with over 10,000 five-star ratings on Goodreads is back. This collection introduces two brand new bonus scenes and a new novella featuring fan-favorite "Grammy" and the story of her first love.

This 6-book collection includes:

**Book 1: His Banana (Top 10 Amazon Bestseller)** - My new boss likes rules, but there's one nobody dares to break...

No touching his banana.

Seriously. The guy is like a potassium addict.

Of course, I touched it.

If you want to get technical, I actually put it in my mouth.

I chewed it up, too... I even swallowed.

I know. Bad, bad, girl.

Then I saw him, and believe it or not, choking on a guy's banana does not make the best first impression.

\*His Banana now includes a never-before-published bonus scene to conclude the book.

**Book 2: Her Cherry (Top 10 Amazon Bestseller)** - How'd I meet her?

Well, a gentleman never brags.

Thankfully, I'm no gentleman.

First, I paid for her cherry (pie, but that's not the point),

Next, I deflowered her.

After that? I left my business card and walked out like I owned the place.

Yeah, you could say we hit it off.

\*Her Cherry now includes a never-before-published bonus scene to conclude the book.

**Book 3: His Treat (top 10 Amazon Bestseller)** - Having a hot boss isn't complicated or confusing at all,

Said no one ever...

But all I have to do is resist for a few months.

Come January, I'm flying to Paris to chase my dream of being an artist,

Too bad I can't have my treat and eat it, too.

**Book 4: His Package (top 10 Amazon Bestseller)** - His package ended up inside my box.

Calm down, perv. My mailbox.

As soon as I saw what was inside,

I knew two things:

It belonged to my hot neighbor, and he had a dirty secret.

**Book 5: Her Secret (top 40 Amazon Bestseller)** - I'll admit it. I messed up.

Mistake #1: Asking Peter Barnidge for a job.

Mistake #2: Accepting his offer instead of throwing it in his face like I planned.

Mistake #3: In the interest of stopping before #99, I'll pretend the only other mistake was withholding one, tiny little nugget of truth during my interview.

**Book 6: Her Bush (top 40 Amazon Bestseller)** - Everything went wrong when I trimmed his bush.

And no, it's not what you're thinking. I'm a professional.

The client hired me to trim a bush in his garden for a party.

I accidentally turned it into something that rhymes with "a big rock and walls".

Imagine my surprise when the art world decides it's a masterpiece.

**Book 7: Grammy's Story (brand new novella only available in this bundle)** - She's kept quiet about the story of her first love for years. But when the opportunity to recount every hilarious, graphic detail of their love to William, Hailey, Bruce, and Natasha comes up, she can't resist. *Grammy's story is a quick but sweet and funny story about how she met her first love when she was eighteen and had just moved to Manhattan.*

*If you love hilariously heartfelt stories with just the right amount of swoon and a little dose of ridiculous for good measure, then clear your calendar. Once you dive in, it's going to be days before you come up for air from this bundle. Scroll up and one-click now!*

**Author: Louise Bay**

**Get all FIVE multi-USA Today bestselling books!**

"A fabulous, **smouldering love story**" *Katy Evans, NYT bestselling author*

"Off the charts **hot tension and chemistry**...I ravished every page!" *Audrey Carlan, #1 NYT Bestselling Author*

"**Everything that a romance junkie could ever want** in a contemporary romance. Once you start, there is no setting this sucker down. An absolute PAGE-TURNER." *Shayna's Spicy Reads*

### King of Wall Street

At work, I'm King of Wall Street. The heaviest hitters in Manhattan come to me to make money. They do whatever I say because I'm always right. I'm shrewd. Exacting. Some say ruthless.

At home, I'm a single dad trying to keep his fourteen year old daughter a kid for as long as possible. If my daughter does what I say, somewhere there's a snowball surviving in hell. And nothing I say is ever right.

When Harper Jayne starts as a junior researcher at my firm, the barriers between my worlds begin to dissolve. She's the most infuriating woman I've ever worked with.

I don't like the way she bends over the photocopier—it makes my mouth water.

I hate the way she's so eager to do a good job—it makes my dick twitch.

And I can't stand the way she wears her hair up exposing her long neck. It makes me want to strip her naked, bend her over my desk and trail my tongue all over her body.

If my two worlds are going to collide, Harper Jayne will have to learn that I don't just rule the boardroom. I'm in charge of the bedroom, too.

### Duke of Manhattan

I was born into British aristocracy, but I've made my fortune in Manhattan.

A family feud means I need to inherit the title I've never wanted—so I need a wife.

I didn't bargain on finding a one night stand across the boardroom table the next day. I wonder if she'll marry me?

### The British Knight

Nothing and no one will stand in the way of my destiny. Not my ex-wife. Or opposing counsel. And certainly not Violet King, my disarmingly beautiful and annoyingly feisty new assistant.

Resisting this woman is more challenging than any court battle—and the only one I've secretly wanted to lose.

### The Earl of London

On a spring morning in the English countryside, a tall, dark stranger emerges from the mist. He's all tousled hair, hard chest and perfectly kissable lips. I'm sure that's a thunderclap of chemistry I feel between us.

Did I mention he's an Earl with a self-made fortune?

A billionaire who works tirelessly for charity?

And he's so hot, watching him is like staring at the sun.

Turns out the stranger's out to destroy everything I've dedicated my life to protect, the chemistry disappears and the hope that had blossomed my chest turns to rage.

### **Park Avenue Prince**

I've made every one of my billions of dollars myself. I'm calculating, astute and the best at what I do. It leaves no time for love. Until an impatient, smart-talking, beyond beautiful heiress bursts into my world.

She might be a princess but I'm going to show her who rules her body.

But he will not stand by and watch as the world he's built from the ground up burns to ashes before his eyes. Even if he has to build an army to combat the problem he sees brewing around him.

One step at a time, he carefully lays out his plan, building layer after careful layer until everything is where he wants it to be.

Every part is impeccably played, his pawns are in the perfect place, and then she barrels into his life, totally scattering every single piece he's set in motion.

## Campus Player

**Author: Jennifer Sucevic**

From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel.

Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player.

Both on and off the field.

Girls fall all over themselves to be with him. They fill the stands at football practice, show up at parties he's rumored to be at, and basically stalk him around campus.

It's a little nauseating.

Don't these girls have any self-respect when it comes to a hot guy?

Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis.

Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. The one guy I'd like to steer clear of is the very same one I can't seem to get away from.

But what if Rowan isn't the manwhore I pegged him to be?

What if one little secret has the capability to change everything between us?

\*This is a mature New Adult novel with strong language and sexual situations intended for readers over the age of 18\*

**New York Times bestselling author Dianne Duvall brings readers the second stand-alone novel in a thrilling new sci-fi romance series full of action, humor, and happily-ever-afters.**

Eliana's life has never been what one might term ordinary. At least, it hasn't been for a very long time. As a powerful Immortal Guardian, she spends her nights hunting and slaying psychotic vampires that most of humanity doesn't even realize exist. Then an opportunity arises that instantly makes her extraordinary existence seem downright boring. The leader of the Immortal Guardians asks her to guard a group of mortals who are embarking upon a voyage across the galaxy to the planet Lasara. How could she possibly say no?

In no time at all, Eliana is hurtling through space on board a Lasaran battleship and getting to know not one but *two* alien races. It's the most exciting adventure of her long life... until the ship is unexpectedly attacked. Amid the chaos and destruction that follow, she valiantly helps everyone she can before an explosion renders her unconscious. When Eliana awakens, she finds herself alone, floating in space, clad only in a spacesuit, with no ship in sight. Alone--that is--except for the warm, deep voice that carries over the comm in her helmet.

Commander Dagon and the crew of the Segonian battleship *Ranasura* respond to a distress call from their Lasaran allies and join a massive Alliance-wide search-and-rescue mission. He quickly achieves communication with a lone Earthling female and races toward her. Every time they speak, his fascination with her grows and he becomes more desperate to reach her before her oxygen supply runs out. Her strength, bravery, and humor entice him, even more so when she defies all odds and they meet in person.

As he and Eliana embark upon a quest to find her missing friends, a bond swiftly grows between them that deepens with every laugh and smile and tender touch they share. But they are not the only ones searching for Earthling survivors. When Eliana herself becomes the hunted and their enemies begin to close in, can the two of them fight their way to victory, or will their enemies take everything?

But the engineer of the next train to use that track had just reported that he hadn't found any signs of the train.

He had no idea how an entire train could simply vanish, but as he pondered the mystery, the head telegrapher came to his office and showed him a telegram that had been sent to Union Pacific headquarters. It was a ransom demand for a hundred thousand dollars. If it wasn't paid within a week, the train and its thirty-four passengers would be blown up.

He hurried out of his office and rushed through the early morning streets to tell the resident Union Pacific special agent of the kidnapped train. It was Nelson Cook's problem now.
