My father made a terrible mistake. One I'm left paying for.

When I can't take pack life any longer, I run, but apparently they don't like losing their punching bag. Torin, the leader's son, drags me back before my first shift... a shift that will reveal my true mate. I never could have predicted who mine would be, but the moment my wolf looks upon him, I'm filled with hope for a brighter future.

Afterall, no one ever rejects their true mate, right?

Wrong. Very wrong.

A Court of Silver Flames (A Court of Thorns and Roses Book 5)

Author: Sarah J. Maas

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Wings of Fury

Author: Emily R. King

From Emily R. King, author of the Hundredth Queen series, comes an epic novel of ancient Greece, Titans and treachery, and the women who dare to rise up against the tyranny of the Golden Age.

My mother told me that men would speak about the Golden Age as a time of peace and happiness for all... However, the women of our age would tell a very different story...

Cronus, God of Gods, whose inheritance is the world. Among his possessions: women, imprisoned and fated to serve. The strong-minded Althea Lambros controls her own fate and lives to honor her dying mother's plea to protect her two sisters at all costs. Althea's journey toward crushing the tyranny has begun. It is a destiny foretold by the Fates. And she is following their visions.

On the southern isle of Crete, hidden among mortal women who have fled the Titans, is the Boy God, son of Cronus and believed dead. He shares Althea's destiny to vanquish the Almighty—fate willing. Because Cronus has caught wind of the plot. He's amassing his own forces against Althea's righteous rebellion and all those who will no longer surrender or run. There will be war. If she's to survive to write their history, the indomitable Althea must soar higher than any god.

I'm supposed to be the Alpha's mate. Screw that.

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

Tooth and Claw

Author: Jo Walton

A tale of contention over love and money—among dragons

Jo Walton burst onto the fantasy scene with *The King's Peace*, acclaimed by writers as diverse as Poul Anderson, Robin Hobb, and Ken MacLeod. In 2002, she was voted the John W. Campbell Award for Best New Writer.

Now Walton returns with *Tooth and Claw*, a very different kind of fantasy story: the tale of a family dealing with the death of their father, of a son who goes to law for his inheritance, a son who agonizes over his father's deathbed confession, a daughter who falls in love, a daughter who becomes involved in the abolition movement, and a daughter sacrificing herself for her husband.

Except that everyone in the story is a dragon, red in tooth and claw.

Here is a world of politics and train stations, of churchmen and family retainers, of courtship and country houses...in which, on the death of an elder, family members gather to eat the body of the deceased. In which society's high-and-mighty members avail themselves of the privilege of killing and eating the weaker children, which they do with ceremony and relish, growing stronger thereby.

Annihilation: A Novel (The Southern Reach Trilogy Book 1)

Author: Jeff VanderMeer

The Southern Reach Trilogy begins with this Nebula Award-winning novel that "reads as if Verne or Wellsian adventurers exploring a mysterious island had warped through into a Kafkaesque nightmare world" (Kim Stanley Robinson).

Area X has been cut off from the rest of the continent for decades. Nature has reclaimed the last vestiges of human civilization. The first expedition returned with reports of a pristine, Edenic landscape; the second expedition ended in mass suicide; the third expedition in a hail of gunfire as its members turned on one another. The members of the eleventh expedition returned as shadows of their former selves, and within weeks, all had died of cancer. In *Annihilation*, the first volume of Jeff VanderMeer's Southern Reach trilogy, we join the twelfth expedition.

The group is made up of four women: an anthropologist; a surveyor; a psychologist, the de facto leader; and our narrator, a biologist. Their mission is to map the terrain, record all observations of their surroundings and of one another, and, above all, avoid being contaminated by Area X itself.

They arrive expecting the unexpected, and Area X delivers—they discover a massive topographic anomaly and life forms that surpass understanding—but it's the surprises that came across the border with them and the secrets the expedition members are keeping from one another that change everything.

But before Paul can set down more than a sentence or two of this cautionary tale, the sorceress herself magically appears to him. He is a liar, she tells him, and always has been. She lays a spell on him: from this moment, he will only be able to write the truth.

But what is the truth? All his life he has rearranged his memories to suit his faith. He has judged Karelian, judged the women, judged the world.

Now, against his will, an entirely different story begins to emerge.

Wolf Shunned: A slow-burn fantasy romance (The Warrior Queen Legacy Book 1)

Author: Laurel Night

It's amazing to be a dominant wolf... if you're male.

When you're a nineteen year-old girl who can beat the crap out of every wolf in your pack, suddenly it's not so great. Love isn't everything, I know; but even the most powerful she-wolf submits to her mate. If you can't be dominated, you can't be mated.

And an unmated wolf has no place in the pack.

My one hope is the clan gathering in the Blackwood Fortress. Every wolf in the continent attends, and a few seriously sexy wolves catch my eye. I'm bound to find at least one who can match me, right?

Then there's my other problem: My alpha is a grade-A jerk. After treating me like a genetic freak my whole life, he suddenly decides to stake a claim.

But I can't refuse the challenge, and my wolf won't back down. Either I submit to the alpha and become mated to his skeezy pelt, or I win the challenge and my freedom... by taking his place as alpha.

Only no one has ever heard of a female alpha, and if I become one, I'll never find a mate.

Wolf Shunned is the first book in The Alpha Queen Legacy, featuring a badass heroine, a dark fantasy world, and loads of sexy wolf shifters. Be warned: This is a slow burn, why choose romance. Once you pick this story up, you won't be able to stop devouring it until the very last page.

Savage: Nate Temple Series Book 15

Author: Shayne Silvers

Boys want attention. Men want respect. Legends just don't care...

Nate Temple is finally taking some time off to appreciate the finer things in life...like his new Valkyrie, Kára. But their weeks of romance come to a swift end and lethal end when assassins invade the sanctuary of Chateau Falco.

Not only that, but Nate finds himself neck-deep in politics when he is framed for murdering one of the most notorious Academy Justices to ever walk the Earth, and the legendary suits of magical armor belonging to Camelot are suddenly up for grabs.

New faces—both good and bad—step into the game, and Nate soon finds himself at the center of a vortex of chaos leading to war in Camelot with the Fae Queens, on Earth with the Academy wizards, and potentially in Asgard with the Norse pantheon.

The more chaotic things get, the more certain Nate becomes that the Masters are finally starting to make their moves out in the open, no longer content to hide in the shadows. They want to force Nate to act...

And they might not live to regret his decision to agree.

Because only a savage beast of a man could believe that personally kicking off the wars—all at the same time—is the safest course of action. Will he reconsider the wisdom of that decision when it finally brings him face-to-face with one of the Masters—the very person behind all the chaos in the first place?

Especially when he learns that this chaos is only the opening move in their grand game of death, and that his foe has been practicing for many, many years for this precise moment. The chance to defeat Nate Temple, once and for all.

Author: K. M. Shea

The fae of the Night Court are desperately searching for a new monarch to crown before the Court collapses.

I couldn't care less.

I've done everything I can to bury my fae blood and embrace my human half. That changes when some fae nobles show up on my doorstep and announce that I'm the next Queen of the Night Court.

Becoming an unwilling fae queen? Check. Inheriting a terrible mess? Double check.

The Court is almost bankrupt, my citizens' favorite hobby is backstabbing one another, and I don't know who I can trust since someone keeps trying to assassinate me.

Speaking of assassins, I get introduced to the best in the business—a fae lord nicknamed the Wraith. His deadly profession means he fears no one. The only reason he doesn't kill me on the spot is he's also a member of the Night Court and the Court's magic protects me. But that doesn't prevent him from trading verbal barbs with me whenever we meet.

And if cat herding all these uncooperative fae and chatting with assassins wasn't enough, I'm required to get married as part of some archaic Court law. This "queen" gig is the worst!

Supposedly I can choose anyone to marry, but with all the infighting I need someone who is neutral and won't provoke more political power struggles.

So, why do I keep thinking of a certain assassin?

This trilogy is packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

How to Stop Time: A Novel

Author: Matt Haig

“A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel.” —*The Washington Post*

“She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words.”

Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life.

Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present.

How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness.

Soon to be a major motion picture starring Benedict Cumberbatch.

Crown of Moonlight (Court of Midnight and Deception Book 2)

Author: K. M. Shea

I thought becoming Queen of the Night Court and marrying the deadliest fae assassin in the supernatural community were the biggest dangers I'd ever face. Hah!

Once I meet the fae monarchs of the other local Courts, I realize the good times are only just beginning! They hate my guts and don't even bother to use their fae tricks to hide their disgust of me and my human blood.

At least I know where I stand with them, which is more than I can say for my husband, Rigel.

My relationship with Rigel is...complicated. We married for political reasons—my greatest desire was that he wouldn't kill me after the ceremony. But now that he's saved me from countless attempts on my life and joked with me through boring Court socials, my thoughts about him have veered into uncomfortable territory.

Not that I have time to think about all of this.

Those attempts on my life I mentioned? Yeah, they're getting bolder and a lot harder to survive. I'm confident one of the other monarchs is behind it all, but I don't have the power to make them stop.

So far, my wits and Rigel's blades have gotten us through everything. But if something BIG gets dropped on us, will we survive?

Court of Midnight and Deception is an urban fantasy trilogy set in the Magiford Supernatural City universe. It features fae, werewolves, vampires, and wizards! This complete trilogy is packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

From the *New York Times* bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea.

Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

When Mia stumbles over a body in the overgrown garden, the newcomer catches the eye of the police chief and his hotshot detective, Derek Fairfax, and she becomes the number one suspect in the case. Much to her shock and awe, she also catches the eye of Derek's brother, Dane, a lawyer with a head for what's legal and a bod for what isn't—but getting arrested for murder would certainly put a damper on her dating life.

Rhapsodic (The Bargainer Book 1)

Author: Laura Thalassa

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

Author: Eva Chase

She has survived inhuman horrors. They will protect her at all costs. But can they save her from the monsters within them?

For years, the monsters who killed my family have held me in a cage. Brutalized and half-starved. Only kept alive so they can steal my blood.

Until one evening when four eerily gorgeous men break me out of my prison.

They offer me a safe haven under their protection. A soft bed, delicious food, and all I need to heal. I'm not used to this kindness—or the desires their smoldering eyes and strong hands stir in my body and my heart.

But these fearsome men aren't really men. Like my captors, they're fae who can shift into wolves. A curse gripping the faerie realm turns them wild under the full moon, and only my blood can cure their rage.

As long as I'm a prize more than a person, how can I trust their kindness?

I've survived this long without giving up. Somehow this damaged human girl will hold her own among the savage wolves.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

Perfect for fans of everyday heroines over forty.

The Faceless Mage (Legends of Abreia Book 1)

Author: Kenley Davidson

**He'll protect her with his last breath...
Until she becomes his next target.**

Leisa's ambitions used to be simple. Guard the princess. Hide her magic. Wait for her family to return.

But all of that changes when her king demands that she use her unique abilities to spy on the rival kingdom of Garimore.

Alone, far from home, and living a lie that grows more perilous by the day, Leisa's task is complicated by her most dangerous enemy yet—the masked assassin known only as the Raven.

Everyone in the Five Thrones knows to fear him, but the Raven is not what Leisa expected. As silent as he is lethal, he provokes her curiosity as much as her fear, and hides secrets she's determined to learn.

When her already precarious mission takes a deadly turn, Leisa must evade the Raven himself if she is to succeed. It's never been done before, but Leisa is nothing if not stubborn. And if she doesn't become the first to escape his blade, her entire kingdom will pay the price—in blood.

A Witch Named Hazel (Crafty Witch Mysteries Book 1)

Author: Sara Bourgeois

She's in a better place...

A surprising call from a rather crabby lawyer was an unpleasant interruption to Hazel Holloway's otherwise blissful day off. She's baffled at the news that a great uncle she's never even heard of before has left her his old funeral home. Stranger still, the mortuary is in an unfamiliar small town. Fullmourn is less than thirty minutes away, but the place is a complete mystery.

Things get even weirder, though...

More shocking than a surprise Great Uncle and a peculiar small town is the "gift" she receives from a ghost. The gift is the craft. Witchcraft, to be exact. The spirit of an old witch has to pass her magic onto someone before crossing the veil to the afterlife. Since no one shows up for her memorial, Hazel was the "lucky" recipient of her strange and unusual powers.

But, the whole witchcraft thing might have to wait...

When Hazel gets into an argument with grouchy Fullmourn resident, George Cadell, she knows her reputation is about to bite the big one. Of course, George appears to be innocent in the squabble, so when he's found dead in front of the funeral home Hazel just inherited, she becomes the prime suspect.

Hazel is one toadstool short of an alibi, and the hunky town Sheriff, Nicodemus "Nico," Quillen doesn't entirely believe in her innocence. But Hazel isn't the only one in Fullmourn who might have wanted George – an unrepentant jerk - on the other side of the grass. Hazel needs all the help she can get exhuming the real culprit.

With her new familiar, Loftus, the cursed mouse, and her cousin, Rook, the mortician, at her side, Hazel's prepared to harness her unique abilities and summon

any spirit, to catch the real killer. She's desperate to clear her name before the funeral home goes belly up, but will her mission lead her right into a killer's snare?

The Vine Witch

Author: Luanne G. Smith

A *Washington Post* and Amazon Charts bestseller.

"Cleverly crafted... *The Vine Witch* is a grown-up fairy tale with a twisty-turn-y story line of magic, love, and betrayal that holds your attention...Pure escapism." —*Forbes*

A young witch emerges from a curse to find her world upended in this gripping fantasy set in turn-of-the-century France.

For centuries, the vineyards at Château Renard have depended on the talent of their vine witches, whose spells help create the world-renowned wine of the Chanceaux Valley. Then the skill of divining harvests fell into ruin when *sorcière* Elena Boureanu was blindsided by a curse. Now, after breaking the spell that confined her to the shallows of a marshland and weakened her magic, Elena is struggling to return to her former life. And the vineyard she was destined to inherit is now in the possession of a handsome stranger.

Vignerons Jean-Paul Martel naively favors science over superstition, and he certainly doesn't endorse the locals' belief in witches. But Elena knows a hex when she sees one, and the vineyard is covered in them. To stay on and help the vines recover, she'll have to hide her true identity, along with her plans for revenge against whoever stole seven winters of her life. And she won't rest until she can defy the evil powers that are still a threat to herself, Jean-Paul, and the ancient vine-witch legacy in the rolling hills of the Chanceaux Valley.
