I expected one of two things:

That he'd never mention it again (my preferred option)

Or to be fired (ugh)

But when he calls me into his office, he does something else...

He tells me he can't get the vision of me out of his head.

That he needs to see me (all of me) again so he can move on.

Our first encounter was an accident.

Will the second be something better... or worse?

A Touch of Darkness (Hades X Persephone Book 1)

Author: Scarlett St. Clair

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth.

"Let me worship you," he said.

She remembered the words she had whispered to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you."

His request felt sinful and devious, and she reveled in it.

She answered, "Yes."

Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger.

Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist.

After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing. My mate.

For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole.

And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search.

Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation.

Mine.

She didn't see me, but she sensed me.

And she ran. She couldn't possibly know how much the chase turned me on.

I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine.

Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

My Best Friend's Ex (The Binghamton Series Book 2)

Author: Meghan Quinn

My Best Friend's Ex is a small town, roommates to lovers romance that can be read as a standalone romantic comedy. See why readers are falling in love with these blue collar heroes.

When I found an eviction notice taped on my apartment door, I had two options: find a comfortable cardboard box to call home, or move in with Tucker Jameson.

Seeing that cardboard makes me feel itchy, I chose the latter. Which shouldn't be that big of a deal since Tucker is one of my good friends. And because he's still pining after his ex-girlfriend and I'm trying to finish my nursing degree, there is nothing to worry about in the romance department, making my last semester an easy one to conquer.

Boy, was I wrong.

Rules are set, dinners are made, conversations are had, and a shirtless, swoony roommate walks around in nothing but a pair of black briefs, ruining me for every other man.

Before I know it, I turn into a panting, lust-filled woman begging for Tucker to kiss me, touch me, and show me exactly what is hiding under those briefs.

But with great orgasms, comes great consequences.

Tucker might be my friend and roommate but he's also my best friend's ex-boyfriend, making him completely off-limits. At least that's what my brain is telling me, my heart is speaking an entirely different language.

*** This is a full length novel , 100,000 words, with a happily ever after, no cliffhanger, no cheating, and full of heart, humor and, steamy heat. ***

The Virgin and the Beast (Stud Ranch Standalone Book 1)

Author: Stasia Black

They say good things come to those who wait.

Bullsh*t!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines.

Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway.

If you can even call him a man. More like a **beast out of a friggin' fairytale.**

"Well?" Her pronouncement echoes throughout the room while the speculum is still inside me.

"She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires!), bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

The Claiming of Sleeping Beauty: A Novel (Sleeping Beauty Trilogy Book 1)

Author: A. N. Roquelaure

Before E.L. James' *Fifty Shades of Grey* and Sylvia Day's *Bared to You*, there was Anne Rice's *New York Times* best seller *The Claiming of Sleeping Beauty*

In the traditional folktale of "Sleeping Beauty," the spell cast upon the lovely young princess and everyone in her castle can only be broken by the kiss of a Prince. It is an ancient story, one that originally emerged from and still deeply disturbs the mind's unconscious. In the first book of the trilogy, Anne Rice (author of *Beauty's Kingdom*), writing as A.N. Roquelaure, retells the Beauty story and probes the unspoken implications of this lush, suggestive tale by exploring its undeniable connection to sexual desire. Here the Prince awakens Beauty, not with a kiss, but with sexual initiation. His reward for ending the hundred years of enchantment is Beauty's complete and total enslavement to him . . . as Anne Rice explores the world of erotic yearning and fantasy in a classic that becomes, with her skillful pen, a compelling experience. Readers of *Fifty Shades of Grey* will indulge in Rice's deft storytelling and imaginative eroticism, a sure-to-be classic for years to come.

Praise for *The Claiming of Sleeping Beauty*:

"Articulate, baroque, and fashionably pornographic." —**Playboy**

"Something very special . . . at once so light and yet so haunting." —**The Advocate**

And if I wasn't careful, he was going to be my death.

A scorchingly hot modern retelling of Psyche and Eros that's as sinful as it is sweet.

In the ultra-modern city of Olympus, there's always a price to pay. Psyche Dimitriou knew she'd have to face Aphrodite's jealous rage eventually, but she never expected her literal heart to be at stake...or for Aphrodite's gorgeous son to be the one ordered to strike the killing blow.

Eros has no problem shedding blood. Raised to be his mother's knife in the dark, he's been conditioned to accept that he's more monster than man. But when it comes time to take out his latest target...he can't do it. Confused by his reaction to Psyche's unexpected kindness, he does the only thing he can think of to keep her safe: he binds her to him, body and soul.

Psyche didn't expect to find herself married to the glittering city's most dangerous killer, but something about Eros awakens a fire inside her she's never felt before. As lines blur and loyalties shift, Psyche realizes Eros might take her heart after all...and she's not sure she can survive the loss.

Her parents had other plans for her that I wasn't supposed to be a part of. They used her amnesia to steal her from me, her friends, the life she wanted, the future we had planned.

I should have searched harder, longer, but medical school and my residency that followed took over ten years of my life. I drowned myself in work, and when that didn't numb the pain, I sought relief with a tattoo needle.

A chance encounter changed everything.

There she was standing in the doorway, singing the lyrics to the song I was strumming on the guitar. After a decade, my love was back. But she was married with two kids. And one of them—her nine-year-old—had eyes that mirrored my own.

King Sebastian

Except now I must find the right alpha to father my heir, and I need to choose carefully.

Initiation: Sex Wizards, Book 1

Author: Alethea Faust

Magic is a rare gift that only exists in the bloodlines of the rich, the royal, and the reputable. Dominai of Airedale, a poor hunter and forest guide, is barely one of those things. But after a moonlit encounter with the wizard Allisande, Dominai's life is changed forever. She reveals that Dominai has magic in his lineage and provides him with a letter of introduction to the Crux, the center of magical study in the Kingdom of Straetham.

Magical study is a far cry from the dusty tomes and rituals Dom was expecting. Instead, it is sex and desire, submission and surrender, loyalty and love, and, above all, trust. But when the trust of the Crux is betrayed, Dom must face his own insecurities and the unknown to protect his new home and his fellow wizards.

Alethea Faust's debut novel delivers risk-aware consensual kink, hard BDSM, budding relationships between kind, emotionally mature adults, and a lot of butt stuff.

Initiation is a full-length adult fantasy, the first in the epic Sex Wizards series set in a sex-positive, magical world. This novel has a kink-based magic system which crosses a wide range of play with varying degrees of intensity. The wizards of the Crux include pansexual, polyamorous, fantasy race, nonbinary, gender non-conforming and intersex characters. Please see book preview for full CW.
