

Reborn (Shadow Beast Shifters Book 3)

Author: Jaymin Eve

#1 in the entire kindle store!

The epic conclusion to the Shadow Beast Shifters.

I finally have the life I always dreamed of. So why does it taste like ash on my tongue?

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

*If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

Reborn is full length (115k) words, and is the final in the Shadow Beast Shifters series, and does NOT end on a cliffhanger. It's recommended for 18+ due to language and sexual situations.

Pack of Lies (Shadow Guild: Wolf Queen Book 3)

Author: Linsey Hall

My Alpha mate and I are running out of time

In a world where magic is power, I should consider myself blessed. I'm loaded with the stuff. Except I have no control over my new magic, and no idea what I really am. All I know is that I'm running out of time before my magic tears me apart.

When a series of thefts reveals clues about my past, I must follow them. Unfortunately, the only way to save myself is to work side by side with Lachlan, the Alpha werewolf who is also my mate.

The chemistry between us is insane, but if we fall for each other, the Dark Moon curse will steal his sanity. The only problem is—we can't seem to resist each other. It seems we're damned if we do and damned if we don't.

Darkest Moon (Shadow Guild: Wolf Queen Book 1)

Author: Linsey Hall

I'm supposed to be the Alpha's mate. Screw that.

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

A new paranormal romance from Wall Street Journal and USA Today bestseller Jaymin Eve.

My father made a terrible mistake. One I'm left paying for.

As a wolf shifter growing up in a strong pack, I should be living my best life. But after my father tried to kill our leader, I'm labelled an outcast, traitor, less than dirt.

When I can't take pack life any longer, I run, but apparently they don't like losing their punching bag. Torin, the leader's son, drags me back before my first shift... a shift that will reveal my true mate. I never could have predicted who mine would be, but the moment my wolf looks upon him, I'm filled with hope for a brighter future.

Afterall, no one ever rejects their true mate, right?

Wrong. Very wrong.

When the wolves attack, my soul screams for vengeance, and somehow I touch the shadow world. Somehow I bring him to our lands.

The Shadow Beast. Our shifter god. The devil himself.

Turns out being rejected by my mate was only the beginning.

Wild Hunt (Shadow Guild: Wolf Queen Book 2)

Author: Linsey Hall

My secret is out, and the Alpha knows what I am.

Despite ten years of secrecy, Lachlan has realized that I'm his mate. He is *not* pleased that I've been hiding from him. And the fact that I escaped from his cell? Yeah, he hates that too. It's hardly my worst problem, though.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too

dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

Reclaimed (Shadow Beast Shifters Book 2)

Author: Jaymin Eve

#1 in the entire kindle store!

They all made a terrible mistake. One they will pay for.

For the past ten years I've been a victim. A victim to my pack. A victim to my true mate, who rejected me in the most brutal of ways. And a victim to Shadow Beast, who used me for his own gains.

Or did he?

The beast of mystery never reveals his whole hand, but one thing is for sure... in my time with him, I've changed. Now I will no longer walk the path dictated by the powerful men in my life. Never again will I let my strength be taken from me.

I must evolve or die.

And we all know, with a choice like that, there's really only one answer.

The first book in Suzanne Wright's bestselling witty, paranormal romance series, **Dark in You**.

Part of a small demon lair in Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumoured to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue.

The billionaire also wants Harper in his bed.

She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away. And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe.

As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive and complex, she draws Knox and his inner demon like nothing ever has.

Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak the havoc it was created to make.

Marked (The Coldest Fae Book 3)

Author: Katerina Martinez

In the frigid woods at the edge of a storm, I'm going to find myself or die trying.

I'm a fugitive of the fae city of Windhelm, framed for a murder I didn't commit. I only made it out of their dungeons by luck, and now I'm on the run—but so is the Prince.

Nobody knows where he is, but my instincts pull me toward the Veridian; a roaring tempest of dark magic that roams the land of the winter fae.

Our trip through the forest is cut short, though, by a group of fae that seize our carriage and bring us to their village as their prisoners. The mark on my hand, the mark of the white wolf, is the only thing that keeps them from killing us outright, but if I can't prove my mark is real, I'm only prolonging the inevitable.

I don't have time for these people. I need to find Cillian before he does something stupid, but I don't have a lot of options.

The Kiss of Death (The Demons' Muse Book 1)

Author: Auryn Hadley

I always imagined Death's final kiss would be cold. It wasn't.

Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else.

I'm obsessed with him.

The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero?

Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems.

Death is back.

He wants another kiss.

And he's not alone.

The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This series includes multiple love interests, some M/M themes, and graphic scenes of sex, violence, and language.

Be warned: Everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

Rejected Wolf: A Rejected Mate Shifter Romance (Virga's Doom Book 1)

Author: Savannah Rose

I'm the outcast who dared to bond with the Alpha's sons. Not on purpose, of course.

I knew better than to think a motherless, fatherless, half-wolf would ever be welcomed within their ranks. What I also knew was that I'd be punished. A lashing, five days on my knees, no food or water, something like that.

Boy was I wrong.

The alpha insisted our bond be rejected.

This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

We all knew I was nothing like them. A mut. Half wolf. Half unknown.

But what we didn't know was that when they put death on the table, the unknown half would be the one to save my life.

Because sometimes the unknown is stronger than a thousand men.

Stronger than magic.

Stronger than death.

It's the eve of the biggest business deal NYC has ever witnessed, and I, Willow De Luca, am kicking foreign ass with my new Christian Dior heels. Now that I'm a wolf shifter, I find myself in four new roles:

CEO. Wolf Alpha. Princess. Royal Mate.

I'm finally free to walk boldly as a woman in a man's world, but I'm not giving up on my male persona just yet. My alias, William De Luca, has a new position in my company, and that involves sealing a contract my Papa Dearest can't refuse.

With enemies around the globe recognizing my true identity and hidden past, I'm thrust into a world of power-hungry savages, but I'm not the slightest bit worried about what's to come. We may become an endangered pack, but if I add Dimitris, Neo, Saint, Jayce, or Onyx into the equation, things will become delightfully bloody.

The stakes are high — just the way I like them — but as a part of the Forbidden, it's time to show the world exactly how much of a De Luca I really am.

WOLF ENDANGERED is a 205,000-word, Paranormal Wolf Shifter Romance with enemies-lovers/bully themes.

Sometimes heat can find you even in the depths of winter.

Part of me screams for me to keep him at arm's length, but the other part draws me closer to the brutally gorgeous fae, and it's going to get me killed.

He thinks I'm his soulmate, but that's impossible because I'm not even supposed to be here. So, why am I infuriatingly attracted to him? I need answers, only to get them, I'll have to play with fire and hope it doesn't burn us both alive.

Martha knows that youngsters have to learn for themselves... but that doesn't mean you can't give them a nudge in the right direction. If, that is, you can make the darn idiots *listen*. And right now they're all seriously pissing me off.

As they each try and fail to dominate me, the only person who remains on my side is my best friend and former lover, Emory.

But as the trip wears on, I begin to suspect even Emory's keeping secrets.

Plus, lest I forget, there are still the blood-drinking monsters that dog our steps and leave a few nasty surprises along our journey.

It is a common truth in my life that when it rains, it pours.

The killings that once plagued New Orleans are cropping up again in Seattle. The local office is stumped. I'm called out to lend a fresh set of eyes, and my unique magical touch.

It's only when I get there that I realize the Seattle office isn't stumped at all.

They're being silenced by the Mages' Guild, a corrupt magical institution that doesn't want word to get out of what is plaguing the city. Worse, news of my magic might've slipped down to the underworld, hitting the ears of some extremely powerful demons.

What I thought was a routine murder investigation turns into a fight for my life. With the help of Darius, my stalker elder vampire, and my dual-mage side kicks, I somehow have to dodge the Guild in order to stop one of the most powerful demons I've ever encountered. If I don't? It'll escape back down below with proof of what I really am.

My life hangs in the balance, and this time, I can't see a way out.

His name is Rogan Kendrick, and he's certain that someone is hunting down and taking my kind.

According to him, I'm next.

But the Kingdom of Flora has its own secrets, from bleeding trees to branded slaves and missing guards. Something is stirring in the land of all that grows, and if Callie isn't careful, it will claim everything and everyone she loves—and her along with it.

The Fae King's Curse (Between Dawn and Dusk Book 1)

Author: Jamie Schlosser

Kirian and I were just twelve years old when I pulled him from the icy waters of the creek behind my house. As he looked in my direction with unseeing lavender eyes, I quickly realized our age was just about the only thing we had in common. He spoke with an accent, he had pointy ears, and he was so beautiful it made my heart ache. Oh, and he claimed to be a fae prince cursed by witches who stole his sight.

I thought he was crazy from hypothermia. Turns out, he wasn't, and for some reason he keeps coming back. But a day in my world is a year in his. Every time I see him, he's older. Wiser. Hotter.

Over the past six years, I've tried not to fall in love with him because the terms of the curse are clear: If he doesn't wait for his fated mate in all ways, including an innocent (or not-so-innocent) kiss, he'll be blind forever.

So when Kirian kisses me and pulls me through the portal to his realm, I make it my mission to do some damage control. It'd be a whole lot easier if he wasn't determined to marry me... And if someone wasn't trying to murder me every step of the way.

The Fae King's Curse is a full-length novel with no cliffhanger.

So the bills are piling up, our reputations hang in the balance, and we have no new customers. I can almost see the writing on the wall. My dream will crash and burn.

To top it all off, my tracking skills are acting up, confusing me and throwing me for a loop when I least expect it.

Despite all of this, I can't turn away from the chaos that threatens to turn St. Louis into a Skew warzone, and I keep getting deeper and deeper into the awful scheme that the power-hungry werewolves and vampires that rule the city have concocted.

And as I become the center of their deranged plot, I know I have no other choice but to fight them. I just hope I don't lose myself in the process.

As if the dream can't get any weirder, he tells me we're soul mates. He says he can fix my banged-up brain. He wants to be my hero.

Little does he know, I just might end up saving him. Because once I wake up, the real challenge begins. A bunch of vengeful witches want him dead, and they'll stop at nothing to seal his fate.

But I've got plans of my own. The coven has caused too much tragedy, and I'll defend my newfound love, even if it's the last thing I do. And it just might be, because if Damon doesn't survive, neither will I.

The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)

Author: Seana Kelly

A “master class in storytelling and survival.” —*Publisher's Weekly* (starred review)

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found.

A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming.

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (Publisher's Weekly (**starred review**))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs's Alpha and Omega series." (Book Life (Editor's pick))

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

Perfect for fans of everyday heroines over forty.

Fused in Fire (Demon Days, Vampire Nights World Book 3)

Author: K.F. Breene

The gripping next installment in the bestselling Demon Days, Vampire Nights World books!

I'd thought the threat from Seattle was finished. That we showed up in time and took care of business.

I hate being wrong. It really ruins my day.

When Roger, the alpha of the North American pack, shows up at my door with the news that a demon has made it to the Underworld with knowledge of me, some hard decisions have to be made.

Do I stay above ground, with all my magical friends, and wait for the battle to come to me? Or do I seek the demon out, and pluck the threat out by the root?

I don't want my friends to die on my behalf. I could never live with myself. But if I venture into the Underworld, it'll be the most perilous journey of my life.

This time, it isn't just my life hanging in the balance, it is my eternity.

Captive of Wolves (Bound to the Fae Book 1)

Author: Eva Chase

She has survived inhuman horrors. They will protect her at all costs. But can they save her from the monsters within them?

For years, the monsters who killed my family have held me in a cage. Brutalized and half-starved. Only kept alive so they can steal my blood.

Until one evening when four eerily gorgeous men break me out of my prison.

They offer me a safe haven under their protection. A soft bed, delicious food, and all I need to heal. I'm not used to this kindness—or the desires their smoldering eyes and strong hands stir in my body and my heart.

But these fearsome men aren't really men. Like my captors, they're fae who can shift into wolves. A curse gripping the faerie realm turns them wild under the full moon, and only my blood can cure their rage.

As long as I'm a prize more than a person, how can I trust their kindness?

I've survived this long without giving up. Somehow this damaged human girl will hold her own among the savage wolves.

Captive of Wolves is the first in a new romance series featuring possessive wolf shifters, dangerous fae politics, and a wounded heroine finding her strength. Grab it now and get swept away in the fantasy!

Note: The story contains scenes of physical abuse and emotional trauma dealt by the villains but no sexual violence. All intimate moments are consensual, and there is no abuse from the love interests.

Plaidypus (A Magical Romantic Comedy (with a body count) Book 19)

Author: R.J. Blain

After a close encounter of the hotspot kind, Nadine's paws are full figuring out how to feed her thirsty vampire of a brother, trying to convince the CDC she actually can be a shapeshifter infected with the lycanthropy virus, and dodging the pack of crazy women out for her blood—or her brother's body.

She's not sure if they want her or her brother, but she doesn't want to find out.

Nadine knows one thing for certain: her backwater town is too small for everybody coming to pay her family of two a visit. Maybe she doesn't have a male platypus's venomous spurs, but she's ready to put up a fight to protect her brother, and not even the sexy plaid-clad stranger strutting his stuff is going to lure her away from home.

Assuming she'll be given a choice in the matter is only the first of her mistakes.

Warning: this novel contains the mythical plaidypus and other deadly puns, romance, bodies, a minimum of two Canadians, and a mandatory magical adventure to Australia.

Proceed with caution.

Plaidypus can be read as a standalone.

Magical Twist: Paranormal Women's Fiction (Midlife Witchery Book 3)

Author: Brenda Trim

Rumor has it that midlife is for drinking wine, traveling, and discovering the joy of life. But there's no rest for the wicked. Or for a Fae-witch hybrid like myself.

Danger follows me everywhere - even to the grocery store - as the evil entity continues to stalk supernaturals in Cottlehill Wilds. But I barely have time to worry about that now that the Fae Queen is dead.

My bad. No, seriously. I let my power loose and it took over.

Leaving Grams behind to return to Eidothea and fight a war wasn't exactly in my plans. As usual, I'm totally clueless. At least I have my orthotic inserts to keep me on my feet and Sebastian and his irresistible kisses to lift my spirits when things go wrong.

And let's face it: things are going to go wrong.

Just because I can cast a spell without burning off my eyebrows now doesn't mean I can survive giant trolls, bogharts, or the insane Fae King. And since my best friends refuse to let me face this battle alone, the stress of saving the realm and the people I love most in both worlds is threatening to turn me prematurely grey.

Sometimes being the Guardian really sucks.

Zodiac Academy: The Awakening

Author: Caroline Peckham

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

****This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride****

Lucifer Reborn

Author: Dante King

The devil paid me a visit and said I was going to one day rule his demonic kingdom.

The catch: I have to attend the Infernal Academy, located in none other than Hell itself.

Thankfully, I won't be doing it alone. I'm going to surround myself with powerful demonesses (and maybe an angel or two as well).

Come join me at the Infernal Academy, where the temperature is always warm, and the demonesses are hotter than a furnace.

Dark Horse (A Demon's Guide to the Afterlife Book 1)

Author: Kel Carpenter

My husband killed me.

Instead of spending my immortal Afterlife pissed off and angry, I moved on. I became someone.

Sure, that someone was a demon with the highest track record of reform, AKA punishment, in Hell. But who's bragging?

I'm right on my way to retirement behind the pearly gates. Everything was going fine . . . until the Risk Witches saw a terrible vision.

Three men. Each scarred in their own way, born with powers that haven't been seen in eons.

Upper Management sent the best to correct their path. Angels. Poltergeists. Nothing worked.

These men were too stubborn. Too bad. Too untamed...

So they sent me.

Roman. Ezra. Dorian.

Combined, they have enough power to end the world—and they will.

Unless I find a way to stop them first.

Breaking people is my job. But this time...my job might break me.

*Author's Note: This is an adult paranormal romance series with multiple love interests and some dark elements. If you don't like strong but flawed women and alpha-hole heroes that need to learn a thing or two about boundaries--this book is **not** for you. If you love works by Tate James, Ivy Asher, Raven Kennedy, Joely Sue Burkhart, and CM Stunich, then dive right in to the Afterlife. It'll be one hell of a ride.*

As princess of the Moon Kingdom, and daughter of the cruelest king our land had ever seen, I was well-versed in deceit and debauchery. The Sun Kingdom's sly prince was no threat to me.

Assuming that was a grave mistake. For the ever-present smirk, irritating charm, and adoring gleam in his eyes began to melt the ice encasing my heart.

All too soon, hatred turned to love. I was captured by something I'd rarely experienced before—happiness.

But I should've known better.

After all, I'd been raised by a monster. And little did I know I was about to marry one.

Fever Fae: a shifter Fae fantasy romance (Dark Fae Kings Book 1)

Author: Meg Xuemei X

Yes, to the hottest, baddest Fae Kings. No, to being their bitch.

When my parents mysteriously disappear, leaving me to raise my six crazy, younger siblings, my dreams for college are dashed.

It gets worse when someone sends a slew of monster assassins after me. Their untimely arrival is followed by three devastatingly hot Fae who stalk me.

Baron, the pompous and dominating Summer King, thinks I'm a dark Fae and wants my head. Then he changes his mind and declares me his fated mate. Hells-a-no. Especially now that he wants me to prove my worth. Really?

Then there's Rowan, the possessive and cruel Winter King, who offers to protect me from the assassins, but only if I accept his obnoxious courtship requests.

And finally, there's Night King Rydstrom, a dangerous and mysterious Fae with an ass that doesn't quit, who thinks he has every right to play me like a fiddle.

Too bad for them, I'm not the docile type they're used to commanding. I might want them, but I have no intention of joining the trail of broken hearts and bodies in their wake.

For I hold a deep, dark secret. Their arrival has woken in me the very forbidden magic they've been hunting, and I, Evelina, am going to have a wicked good time teaching these Fae kings a lesson.

Hades never saw me coming...

Tuesday night in the library started out normal--alone with cheap beer and a murder mystery. Partying, librarian style. Until the god Hades appears.

When he abducts me, I try to say he's got the wrong girl--I'm no goddess. At least, I don't *think* so.

Suddenly, I'm in his world, captive. The upside? I live in a castle with a lethally beautiful god who wants to make me a queen. The downside? He's scary AF and *also* wants me to help him destroy the world.

Obviously that gets a big 'no' from me. I'll do whatever it takes to escape, including seducing the god of death. But together, we're an inferno, and the heat is impossible to resist. His touch fogs my mind, but I must succeed. Otherwise, everyone dies.
