## Where the Crawdads Sing

**Author: Delia Owens**

**#1 *NEW YORK TIMES* BESTSELLING PHENOMENON**

**More than 6 million copies sold**

**A Reese Witherspoon x Hello Sunshine Book Club Pick**

**A *Business Insider* Defining Book of the Decade**

**"I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon**

**"Painfully beautiful."--*The New York Times Book Review***

For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens.

*Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

## The Fire Next Time (Vintage International)

**Author: James Baldwin**

**A national bestseller when it first appeared in 1963, *The Fire Next Time* galvanized the nation, gave passionate voice to the emerging civil rights movement—and still lights the way to understanding race in America today.**

"Basically the finest essay I've ever read. . . . Baldwin refused to hold anyone's hand. He was both direct and beautiful all at once. He did not seem to write to convince you. He wrote beyond you." —Ta-Nehisi Coates

At once a powerful evocation of James Baldwin's early life in Harlem and a disturbing examination of the consequences of racial injustice, the book is an intensely personal and provocative document from the iconic author of *If Beale Street Could Talk* and *Go Tell It on the Mountain*. It consists of two "letters," written on the occasion of the centennial of the Emancipation Proclamation, that exhort Americans, both black and white, to attack the terrible legacy of racism. Described by *The New York Times Book Review* as "sermon, ultimatum, confession, deposition, testament, and chronicle...all presented in searing, brilliant prose," *The Fire Next Time* stands as a classic of literature.

## Panic

**Author: Lauren Oliver**

**From *New York Times* bestselling author Lauren Oliver comes a captivating, thrilling novel of fear, friendship, courage, and hope that will leave readers gasping for air. Now a television series on Prime Video, starring Olivia Welch, Mike Faist, Jessica Sula, Enrique Murciano, Camron Jones, and Ray Nicholson!**

But when she finds something, and someone, to fight for, she will discover that she is braver than she ever thought.

Dodge has never been afraid of panic. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most.

**Fighting fate isn't for the weak.**

*Cait*

I am many things, but a supernatural being is not one of them. At least until a crescent mark appears on my wrist and everything changes. I've been marked by a wolf goddess, yet no one knows what that means, myself included.

On top of that, I find out my best friend is a werewolf and her pack alpha is my supposed mate. Just like that my future is decided—unless I find a way out.

And someone wants me dead because of it.

When I meet the alpha heir, sparks fly. And bombshell—he's my supposed wolfy fated mate, but he's nothing like the boy I loved. He's cold, sullen, a total jerk but impossibly gorgeous. *Of course*. ## Anchored: An Urban Fantasy (The Anchored Series Book 1)

**Author: Bridget E. Baker**

**"The premise [of Anchored] is not only the right blend of imagination, mystery, and hold-your-breath action, but is entirely unique and leaves the reader wanting more. This is a 10 out of 10." --Publisher's Weekly.**

*Two worlds, one fate ...*

Alora's life has been anything but magical. Since her parents died, she and her brother have been on the run from a creepy, doggedly determined social worker. In a few more months she turns eighteen, but until then, they're stuck hiding. It's hardly surprising that she dreams every single night of another world, Terra, where she possesses telekinetic powers.

What Alora can't explain is how, when she breaks her arm in her dreams, she wakes up with the same (very real) injury on Earth. And if her dreams are fueled by wishful thinking, why isn't being magical more fun? Since only men on Terra are supposed to be able to move things with their minds, Alora is forced to hide what she can do.

But when her best friend on Terra is threatened, Alora uses her powers to save him. She inadvertently kills the attacker and reveals her hidden talents. The next day on Earth, the exact same man she killed on Terra walks into her workplace. . .and drops dead. As the two worlds collide, Alora must discover how they're connected and how far she'll go to save a world that may not deserve to be saved.

★ Trade Reviews ★

"This fantasy series opener finds its rhythm early and then breezes along, keeping readers enthralled. [This] novel is a winner," Kirkus Reviews

"The best part of [Anchored] was the non-stop, action-packed, exciting plot. All I can say is, Bridget E. Baker, where have you been all my life? I can't believe this

is her only book that I have read. I will most definitely be reading more of her work. This book has it all: suspense, mystery, love, action, romance, war, you name it. And it is all perfectly combined to produce the perfect story and the perfect beginning to what I know will be a fantastic series," Readers' Favorite

"Wow, this book is intense. It takes hold and doesn't let go. Fast-paced writing, an awesome storyline, and ridiculously fun world-building make this a new favorite of the year. Plus, Egyptian mythology! A must-read for fantasy lovers," USA Today Bestselling author M. Lynn

"Anchored is a fast paced, fantasy adventure with a strong heroine. I have no idea how Bridget did it, but she tangled reality and dream fantasy together effortlessly. This is one of those books you will go back and read again and again! I cannot wait for book 2," USA Today Bestselling author, J.A. Culican

"I picked this book up for the breathtaking cover, but I stayed for the fascinating story. I can honestly say I've never read anything quite like this. Usually it takes me a while to connect with a narrator, but I found myself rooting for this funny, self-deprecating protagonist from the first page. Top that off with a story that's solid and compelling, and a twisty plot that pulls at your heartstrings every step of the way, and you've got five amazing stars! My only complaint is that I can't binge read the rest of the series yet!" USA Today Bestselling Author Robin D. Mahle

"This action-packed novel is a dose of both fantasy and reality. The writing is infectious, jam-packed with emotion, and the tangling of two worlds--the real and the dream--is masterfully done. Anchored is a book not to be missed," Author Cortney Pearson

### Early Reviews From Followers

\*I have read this a few times because I really like the story and the pacing. This story explores an interesting question of what do high level characters do in their happily ever afters. Personally it resonated with me because if you have ever played an MMO you get to a point where people quit because there's no more content and you are left trying to find something to do. The characters are really good and overall I really liked this. Looking forward to more from the author. - K N

For the readers who want a simple slice of life story, The Retired S Rank Adventurer is not the story for you. However, for those readers who want to read a story with a vast world and want twists and turns in their story, read at the very least to chapter 24. I will not spoil the story, but chapter 24 completely caught me off guard. It truly surprised me, but I can't say there were not hints along the way looking back now. It is a slow burn, but it definitely is worth the wait. - John Plume

## Her Defenders: A Rejected Mates Romance (Fall Mountain Shifters Book 2)

**Author: G. Bailey**

The alpha rejecting me was just the start of my revenge...

Being an outcast of the wolves was always something I accepted until I met them. The four alpha wolves of Fall Mountain Pack. They showed me I could be so much more than the rejected wolf they found on a beach and saved. They healed me and made me stronger, fixing what was broken in my soul.

*But they lied.*

Dragged back to the Ravensword Pack, I learn who I am before being left in the hands of the alpha I ran from, starting a war no one can stop. The past that I couldn't remember has caught up with us, and it turns out they were always a part of it. They aren't just alpha wolves and our fates are as intertwined as Hades and Persephone's were.

I never thought being rejected would lead me to my past, but it has, and my past comes with more than a bite

*It comes with wings.*

This is a full-length reverse harem romance novel full of sexy alpha males, steamy scenes, a strong heroine and a lot of sarcasm. Intended for 18+ readers.

Layla just wants to fit in at school and go on a date with Zayne, whom she’s crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla’s kiss will kill anything with a soul—including him.

Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it’s tough when that whole no-kissing thing isn’t an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she’s the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world.

I had no idea how those words would change my life. Or how they'd changed my life already...

Until the day the most dangerous man I've ever met waltzed onto my farm and left us a death sentence.

In an invitation.

My younger brother has been chosen for the prestigious, secret magical school hidden within the folds of our mundane world. A place so dangerous, they don't guarantee you'll make it out alive. If he doesn't go our entire family will be killed.

It's the same invitation my older brother received three years ago—the same place he mysteriously died.

The academy has already killed one sibling. I'll be damned if they take another.

I do the only thing an older sister can: chop off my hair, strap on two bras to flatten the girls, and take my brother's place.

Magic and monsters are real. Assassins are coming for me, and the dead are prone to rise. What's a girl faking it as a boy supposed to do? That's right—beat the academy at its own game.

Or die trying.

## Shadow Mate (Wolf Moon Academy Book 1)

**Author: Jen L. Grey**

**One little party turned my world upside down.**

After I challenged the Blood Council's four shifter heirs at a college party, the last thing I expected was to receive a full scholarship and an admittance letter from the exclusive Wolf Moon Academy.

Despite never desiring to be an alpha, this was an opportunity of a lifetime... or so I thought.

I soon learned that there was more behind my admission to the Academy than my education. I was there to be a lesson to the heirs -- in particular, the sexiest and strongest one, Liam Hale.

As if that wasn't bad enough, it turns out that he is my true mate. A fact that should be treasured, but he makes it clear that we will never be together.

However, things aren't always what they seem, and we all have secrets— some bigger than others. When the truth comes out it'll either set me free or set me up for disaster.

## The Golden Boys: Dark High School Bully Romance (Kings of Cypress Prep Book 1)

**Author: Rachel Jonas**

West Golden—so easy to hate, yet so hard to resist.

Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all the charm of a bona fide psycho.

Trust me.

He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done.

West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty of his equally entitled brothers makes him seem untouchable. Only, I know better than that.

This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness.

Me.

The King of Cypress Prep has finally met his match, and taking him down just became an inside job.

\*\*\*

The Golden Boys are all smokin' hot, but there's only one guy for Blue Riley, which means this romance isn't a reverse harem. Also, full disclosure, this saga does contain strong bully themes. So, if you're not into romances where hate turns into love (well ... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the book for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd.

This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will keep you burning through the pages to find out what happens next. One-click and get lost in this series today!

Smooches!

## Cytonic (The Skyward Series Book 3)

**Author:** Brandon Sanderson

From the #1 *New York Times* bestselling author of the *Reckoners* series, the *Mistborn* trilogy, and the *Stormlight Archive* comes the third book in an epic series about a girl who will travel beyond the stars to save the world she loves from destruction.

Spensa's life as a Defiant Defense Force pilot has been far from ordinary. She proved herself one of the best starfighters in the human enclave of Detritus and she saved her people from extermination at the hands of the Krell—the enigmatic alien species that has been holding them captive for decades. What's more, she traveled light-years from home as an undercover spy to infiltrate the Superiority, where she learned of the galaxy beyond her small, desolate planet home.

Now, the Superiority—the governing galactic alliance bent on dominating all human life—has started a galaxy-wide war. And Spensa's seen the weapons they plan to use to end it: the Delvers. Ancient, mysterious alien forces that can wipe out entire planetary systems in an instant. Spensa knows that no matter how many pilots the DDF has, there is no defeating this predator.

Except that Spensa is Cytonic. She faced down a Delver and saw something eerily familiar about it. And maybe, if she's able to figure out what she is, she could be more than just another pilot in this unfolding war. She could save the galaxy.

The only way she can discover what she really is, though, is to leave behind all she knows and enter the Nowhere. A place from which few ever return.

To have courage means facing fear. And this mission is terrifying.

—*Washington Post*

No one knows what he endured in his country's bloody civil war—and he intends to keep it that way. Yet with every day a dark magic within him grows stronger, threatening to destroy all he has built. With the help of a young monk and a legendary Grisha general, Nikolai will journey to the places in Ravka where the deepest magic survives to vanquish the terrible legacy inside him. He will risk everything to save his country and himself. But some secrets aren't meant to stay buried—and some wounds aren't meant to heal.

**The bestselling author of *The Martian* returns with an irresistible new near-future thriller—a heist story set on the moon.**

Jasmine Bashara never signed up to be a hero. She just wanted to get rich.

Not crazy, eccentric-billionaire rich, like many of the visitors to her hometown of Artemis, humanity's first and only lunar colony. Just rich enough to move out of her coffin-sized apartment and eat something better than flavored algae. Rich enough to pay off a debt she's owed for a long time.

So when a chance at a huge score finally comes her way, Jazz can't say no. Sure, it requires her to graduate from small-time smuggler to full-on criminal mastermind. And it calls for a particular combination of cunning, technical skills, and large explosions—not to mention sheer brazen swagger. But Jazz has never run into a challenge her intellect can't handle, and she figures she's got the 'swagger' part down.

The trouble is, engineering the perfect crime is just the start of Jazz's problems. Because her little heist is about to land her in the middle of a conspiracy for control of Artemis itself.

Trapped between competing forces, pursued by a killer and the law alike, even Jazz has to admit she's in way over her head. She'll have to hatch a truly spectacular scheme to have a chance at staying alive and saving her city.

Jazz is no hero, but she is a very good criminal.

That'll have to do.

Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home.

## The Rake and Lady Julia (Wilful Wallflowers Book 3)

**Author: Claudia Stone**

Lady Julia Cavendish has always been a most sensible and practical young woman. So when her parents declare that she must marry, or spend the rest of her days acting as a companion to her dreadful Aunt Mildred, she agrees.

Love, she believes, is not real, and an advantageous marriage is far preferable to the life of a servant.

But then she meets Lord Montague...

The only son of the house her family has been quarrelling with for centuries, he is the last person a sensible and practical girl would think to fall in love. But try as she might, Julia cannot resist the rake's charm and smiles, and finds herself falling head over heels into something she believed was impossible.

Robert William Montague, current holder of the title Marquess of Thornbrook and heir to the Ducal Seat of Staffordshire, has fallen in love. Again.

But this time, he has not given his heart to an unsuitable actress, or an outrageous opera singer. No, this time, he has given it to a lady, and he has given it away for the last time.

True, the lady in question seems reluctant to accept his heart, and even more determined to talk her way out of falling in love with him, but Robert is determined. Their two lost souls will find a home together if Robert can just convince Lady Julia to see the light.

As Julia struggles to trust a rake with such a tarnished past, Robert must prove himself to be a changed man. But when the families' enmity boils over into violence once again, it will take a miracle to join these two star-crossed lovers...

...or at the very least, a little help from Julia's fellow wallflowers.

The Rake and Lady Julia is the third instalment in the Wilful Wallflowers Series. A charming adaptation of Shakespeare's Romeo and Juliet, it brings this fun-filled series to a sweet and satisfying conclusion.

## The Magic of Manifesting: 15 Advanced Techniques To Attract Your Best Life, Even If You Think It's Impossible Now (Law of Attraction Book 1)

**Author: Ryuu Shinohara**

### Why Celebrities Swear by These 15 Powerful Techniques As The Secret to Anything You Want in Life

Do you easily complain or start nagging whenever something isn't going your way?

Do you give fault and make others responsible for your misery?

Are you annoyed looking around seeing others having exactly what you want in life?

Believe it or not, you are the driver of your own life and no one else can steal your seat...if you don't let them.

What if there were straight-forward, easy principles to get everything you want in life?

Maybe you already manifest regularly or you've heard of it, but never consciously tried it. Using manifestation means using the power of your thoughts, feelings, or beliefs to bring something into your physical reality.

At first, it sounds abstract, but science has proven, **everything is made of energy**: objects, animals, thoughts, and humans.

There are **laws** that control how this energy flows and where it goes just as there are **laws of gravity** and **laws of growth**. The more you know about these laws the easier it is to navigate the energy you need in the right direction.

No wonder that even stars like Will Smith, Jim Carrey, Oprah Winfrey, and Lady Gaga swear by manifestation as the secret to their success.

Jim Carrey makes it sound really simple. He says: "*As far as I can tell, it's just about letting the universe know what you want and then working towards it while letting go of how it comes to pass.*"

Yet, there are reasons why some people are better at manifesting than others.

There are a couple of fundamentals you need to understand in order to apply manifestation effectively. With a little guidance and the right techniques, your best life is waiting for you.

This is only a select sample of what you'll discover in *The Magic of Manifesting*:

- Flap or Fab: Why you should care about manifestation more than you think

- **The scientific secret** behind changing your reality
- Why you might be manifesting your misery and how to avoid these common mistakes
- The smartest and **most powerful way to attract anything you want in life**
- How scientists manipulate your life with one particular weakness that outweighs all of science's strengths (check page 27)
- **Is everything connected?** Essentials about energy, flow, and connection
- Why your ego is the enemy and what you can do about it
- 15 techniques to **guarantee** your manifestation success story
- The #1 mental exercise Olympians and star athletes practice daily to increase their performance
- Intention vs. goals: The major difference and which is best to **achieve success** in life
- The **biggest money lie** revealed (check page 102) and how to create true abundance
- **Warning Signs** that you have a scarcity mindset and how to get rid of it

And much more.

If you think "manifesting" is just another 2020 buzzword, then you haven't heard the success stories of millions of people who made their dreams come true with this one powerful tool.

It goes from 6-year-old Kabir who manifested to become the Malaysian David Copperfield and got invited to perform in *The Magic Castle in Hollywood* to family father Daniel who manifested his dream house in Maui.

You don't have to be famous to be successful in life. These are average people, with average IQs, and the natural power to apply the laws of the universe.

Stop waiting for life to happen to you and start creating your best life right now.

**Welcome to the world of the elite.**

My mom fell in love with a monster. I know he's dangerous. And I know my mom never wanted him in my life. I don't want him in mine either. But I'm being forced to live with him.

I'm stuck in his haunting apartment in a world where I don't belong. A world full of beautiful people with ugly souls. A world filled with secrets.

And the one person that I thought I could rely on was Matt. But he says my new family is a disease. Does that make me toxic too? Is that why Matt wants to keep me his dirty little secret?

I should have known that all the secrets would come crashing down soon. I just never expected more to break than Matthew freaking Caldwell breaking my heart.

**THE VOW**

I had my chance to run from these **brutal boys** and I didn't take it. The bonds between us are too strong now. Bonds of blood, oaths, betrayal and vengeance. And I intend to make good on all of them. I've made my list. And I won't stop until each and every one of their crimes has been paid for.

**Divide and conquer.** We're going to tear them apart from the inside out. I won't quit until I've had my pound of flesh and then some. These broken boys paint themselves up as kings and stand themselves on a pedestal above everybody else. But that only means they've got further to fall. And they're going to fall hard.

I know their strength now, but I've learned their weaknesses too. And I might just be becoming their greatest one. My father taught me how to **survive**, and it's time to use everything I know about predators to lure them into my own trap.

**Lies, betrayal, seduction.** I'll use every weapon at my disposal to bring them to their knees and once I'm done with them, they won't own me.

**I'll own them.**

*This is book 2 in a dark romance series with love-hate themes, scenes of intense bullying, sexual scenes and may have triggers for some readers. It is a reverse harem which means the main character will end up with multiple partners.*

There was no negotiation.

He stole my heart. Without warning, without permission.

He was the enemy, but that didn't stop me from falling for The Touch of a Villain.
