Can there be any greater challenge to London's Ambitious Mamas than an unmarried duke?—Lady Whistledown's Society Papers, April 1813

By all accounts, Simon Basset is on the verge of proposing to his best friend's sister—the lovely and almost-on-the-shelf—Daphne Bridgerton. But the two of them know the truth—it's all an elaborate ruse to keep Simon free from marriage-minded society mothers. And as for Daphne, surely she will attract some worthy suitors now that it seems a duke has declared her desirable.

But as Daphne waltzes across ballroom after ballroom with Simon, it's hard to remember that their courtship is a sham. Maybe it's his devilish smile, certainly it's the way his eyes seem to burn every time he looks at her . . . but somehow Daphne is falling for the dashing duke . . . for real! And now she must do the impossible and convince the handsome rogue that their clever little scheme deserves a slight alteration, and that nothing makes quite as much sense as falling in love.

ELOISE'S STORY

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more.

Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin.

But that was then . . . Now Michael is the earl and Francesca is free, but still she thinks of him as nothing other than her dear friend and confidant. Michael dares not speak to her of his love . . . until one dangerous night, when she steps innocently into his arms and passion proves stronger than even the most wicked of secrets . . .

Phineas Hayworth refrained from setting eyes on his new bride before their wedding day—the price he forced himself to pay for being so mercenary as to wed the sister of a wealthy merchant in a bid to save his estate from ruins. A Governess Should Never... Tempt a Prizefighter

Author: Emily Windsor

'A story so beautiful and joyful, that I just want to read it over again... wonderfully written, with characters to love, root for, and sigh over.' ★★★★★ & TOP PICK - *Roses are Blue, Romantic Fiction Reviews*.

"So tell me, Miss Griffin, why should I employ you as governess?"

A question to rouse fear within the breast of any prospective governess but for Matilda, a lady without references, appropriate brown clothing or any experience with children whatsoever, doubly so.

But alone in the world except for a brutish guardian and a malodorous betrothed, Matilda must seek her own future, even if that means employment in the household of a rugged ex-prizefighter with sizeable muscles and doubtless minuscule intellect.

"Please continue to enlighten me, Miss Griffin."

Mr Seth Hawkins, owner of famed Boxing Academy, has reached the point of desperation in his search for a governess.

Yet with no other suitable candidates, could this yellow-clad, bespectacled female who seemed to think him a witless dolt with calloused knuckles and no books, teach his daughter the ways of a lady?

The Lady and the Prizefighter.

One should never judge a man by his well-defined muscles or a lady by her yellow-silk slippers, for beneath both façades lay shared dreams, yearning hearts and a taste for adventure.

With scandalous kisses in midnight carriages, tavern jaunts, whifflers, nobblers and dressing as a nefarious footpad on the prowl, the vocation of governess has never been so exciting...

A fun, heart-warming stand-alone Regency romance, this is the first book in a companion series to the *Games of Gentlemen*.

Just four short weeks after their marriage, the deep love between Elizabeth Bennet and Fitzwilliam Darcy is on the verge of collapsing forever. They must join forces to overcome whatever—or whoever—threatens to destroy their home, their love and their very lives.

But Dare finds her and offers to resume their role as husband and wife, and this time it will yield a fortune. A fortune that could be used to help the disadvantaged, without resorting to ever-more-daring thefts...

Determination: A Pride & Prejudice Variation

Author: C. P. Odom

"Love at first sight" is a laughable concept in the considered opinion of Colonel Richard Fitzwilliam and never occurs in real life—certainly not in the life of an experienced soldier. In fact, until he observes the smitten nature of his cousin Fitzwilliam Darcy, he doubts that fervent love exists. Marriage, after all, is a matter of money, social standing, and property.

But his cousin becomes besotted with Elizabeth Bennet, the lovely but penniless daughter of a Hertfordshire gentleman, and is determined to make her his wife. Unfortunately, emotions overwhelm his good judgment, and he botches an offer of marriage.

When the colonel attempts to untangle the mess, his own world becomes almost as chaotic when he makes the accidental acquaintance of Miss Jane Bennet, Elizabeth's beloved eldest sister. Can emotions previously deemed impossible truly seize such a level-headed person as himself? And can impassible obstacles deter a man of true determination?

How to Stop Time: A Novel

"A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel." —*The Washington Post*

"She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words."

Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history—performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life.

Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present.

How to Stop Time tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness.

The Best-Laid Plans

Author: Sarah M. Eden

Newton Hughes has long dreamed of pursuing a career in law, an acceptable choice for a gentleman of status and wealth. His parents, however, disapprove of his ambition, urging him instead to take his rightful place as a gentleman of leisure—with a suitable wife of their choosing, of course.

Ellie Napper would like nothing more than for her parents to abandon their incessant efforts to marry her off to the greatest possible advantage. Her lack of matrimonial enthusiasm drives her family mad, but she refuses to feign frivolity in order to make herself more palatable to potential suitors.

When Ellie and Newton are introduced through their mutual acquaintance, Charlie Jonquil, they commiserate over their shared plight. In desperation, they hatch a plan: Ellie and Newton will feign an interest in each other—enough to convince their parents not to push them toward unwanted matches but not enough to cause whispers or expectations. Their plot quickly spirals out of control, but the greatest complication is the one they didn't see coming: their plan never included falling in love.
