**Author: Julia Quinn**

Can there be any greater challenge to London's Ambitious Mamas than an unmarried duke?—Lady Whistledown's Society Papers, April 1813

By all accounts, Simon Basset is on the verge of proposing to his best friend's sister—the lovely and almost-on-the-shelf—Daphne Bridgerton. But the two of them know the truth—it's all an elaborate ruse to keep Simon free from marriage-minded society mothers. And as for Daphne, surely she will attract some worthy suitors now that it seems a duke has declared her desirable.

But as Daphne waltzes across ballroom after ballroom with Simon, it's hard to remember that their courtship is a sham. Maybe it's his devilish smile, certainly it's the way his eyes seem to burn every time he looks at her . . . but somehow Daphne is falling for the dashing duke . . . for real! And now she must do the impossible and convince the handsome rogue that their clever little scheme deserves a slight alteration, and that nothing makes quite as much sense as falling in love.

## **To Sir Phillip, With Love: Bridgerton (Bridgertons Book 5)**

**Author: Julia Quinn**

**From *New York Times* bestselling author Julia Quinn comes the fifth novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix.**

She wrote him a letter...and he stole her heart.

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more.

Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

This novel includes the 2<sup>nd</sup> epilogue, a peek at the story after the story.

Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves.

The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of those members loyal to my father were spared mercy. Not a single one.

I let the media twist and distort the story. My new recruits eagerly proved themselves in spreading false news, in covering our tracks. To the general public, the Tri-State Timberwolves were extinct.

But that couldn't have been further from the truth. We changed, we grew, we evolved and came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe.

So, what do I do, when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price?

Simple. Kill the distractions.

I'm called Hades for a reason, after all.

## When He Was Wicked: Bridgerton (Bridgertons Book 6)

**Author: Julia Quinn**

In every life there is a turning point . . .

A moment so tremendous, so sharp and breathtaking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous rake, that moment came the first time he laid eyes on Francesca Bridgerton.

After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin.

But that was then . . . Now Michael is the earl and Francesca is free, but still she thinks of him as nothing other than her dear friend and confidant. Michael dares not speak to her of his love . . . until one dangerous night, when she steps innocently into his arms and passion proves stronger than even the most wicked of secrets . . .

## The Hot Mess and the Heartthrob

**Author: Pippa Grant**

**He could have the world, yet he's looking at me like I *am* his world.**

You don't know me, but you *do* know me. I'm your neighborhood hot mess single mom, doing my best to keep my head above water while running my little slice of heaven and keeping my youngest from shoving marbles up his nose, which is exactly what he's doing the first time Levi Wilson, pop star god, world's sexiest man, and my all-time number one celebrity obsession, walks into my bookstore.

Related: I'm writing this from beyond the grave, because I've died of mortification and am now residing in an alternate universe.

I have to be.

Because Levi Wilson *came back*.

And we had a moment.

Like, a *moment* moment. The kind that makes me remember that adult pleasure isn't all about hoping the lock holds in the bathroom so your kids don't interrupt on the rare occasion you feel like taking an extra-long mommy-time shower.

So when he proposes a no-strings fling?

Count. Me. In.

Thrill of a lifetime, right?

Surely, nothing will go wrong...

*The Hot Mess and the Heartthrob is a rockin' fun, sexy romantic comedy featuring a celebrity panty-melter who doesn't know what he's been missing, a sassy single mom hanging on by a string, three adorable children who would never burst in on a woman when she's on a toilet (ha!), and shameless ovary-busting moments between a guy who never thought he'd be a dad and a family who thought they got along just fine without him. It stands alone and comes complete with a happily-ever-after.*

## It's In His Kiss: Bridgerton (Bridgertons Book 7)

**Author: Julia Quinn**

**From *New York Times* bestselling author Julia Quinn comes the seventh novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix.**

From the #1 *New York Times* bestselling author of *The Sum of All Kisses* and *Because of Miss Bridgerton* comes the story of Hyacinth, the youngest child of the famed Bridgerton siblings.

Meet Our Hero . . .

Gareth St. Clair is in a bind. His father, who detests him, is determined to beggar the St. Clair estates and ruin his inheritance. Gareth's sole bequest is an old family diary, which may or may not contain the secrets of his past . . . and the key to his future. The problem is—it's written in Italian, of which Gareth speaks not a word.

Meet Our Heroine . . .

All the ton agreed: there was no one quite like Hyacinth Bridgerton. She's fiendishly smart, devilishly outspoken, and according to Gareth, probably best in small doses. But there's something about her—something charming and vexing—that grabs him and won't quite let go . . .

Meet Poor Mr. Mozart . . .

Or don't. But rest assured, he's spinning in his grave when Gareth and Hyacinth cross paths at the annual—and annually discordant—Smythe-Smith musicale. To Hyacinth, Gareth's every word seems a dare, and she offers to translate his diary, even though her Italian is slightly less than perfect. But as they delve into the mysterious text, they discover that the answers they seek lie not in the diary, but in each other . . . and that there is nothing as simple—or as complicated—as a single, perfect kiss.

This edition includes the second epilogue from *The Bridgertons: Happily Ever After*.

## Wolf Girl

**Author: Leia Stone**

When my parents were banished from Wolf City before I was born, I thought there was no way I would ever live in a pack again. Cuffed, with my shifter magic bound, I was forced to go to school with witches and vampires in order to keep my true nature from coming out.

**Then I met him.**

Sawyer Hudson.

The Alpha's son was visiting the Delphi College for Magically Banished Youth and spotted me. He took one look at me, and an hour later, I was being pulled out of school, taken into Wolf City and leaving my parents and everything I knew behind.

It's the Alpha's son's selection year, the year he must pick a mate, and every female aged 18-22 must be in attendance.

I've landed myself in the middle of Werewolf Bachelor, and just when I think I've got a handle on things, Sawyer releases my cuffs, unbinds my magic, and sees what I really am.

The problem is, I don't know what this creature is that I transform into. It's not an ordinary werewolf, that's for damn sure.

## Moonshine Kiss (Bootleg Springs Book 3)

**Author: Lucy Score**

***All those years of adolescent fantasies and this was how Bowie Bodine first touched my boobs. And he apologized. Real life was stupid and unfair.***

Small town deputy Cassidy Tucker's dating life is a train wreck on repeat. All she ever wanted was a solid partner. A man to share pajamas with. The handsome, big-hearted Bowie Bodine. Wait. Scratch that. Mr. You're-Like-a-Sister-to-Me is not welcome in her fantasies.

She and Bowie aren't going to happen—that's been clear for a long time—and as for the rest of mankind? Cassidy's officially giving up on love and adopting cats. Good thing the cold case disappearance of Callie Kendall is heating up to keep her distracted. Except the investigation is testing her friendship with all the Bodines—Bowie in particular.

Bowie knows he can't have his little sister's best friend. He made a promise and he's determined to keep it. But putting distance between them isn't easy—not when she lives right next door.

Having her poke around trying to prove his father's guilt isn't helping either. All Bowie has ever wanted is to shed the No-Good Bodine reputation. It's looking like he'll never be free of that shadow.

But one nocturnal animal, a feverish against-the-wall kiss, and absolutely zero pajamas has a way of changing everything.

## Make Me Yours: A Small Town Single Dad Romance

**Author: Melanie Harlow**

He's my brother's best friend.

The hot single dad next door.

And one accidental sext later, my massive crush on him is no longer a secret.

It's my own damn fault. I'm thirty years old, for heaven's sake. I'm a kindergarten teacher and a (reasonably) responsible adult. I should know better than to get tipsy and draft a fake text listing all the dirty things I wish Officer Cole Mitchell would do to me.

I wasn't supposed to hit send.

He wasn't supposed to see it.

And he definitely wasn't supposed to text back telling me to go on . . .

Because after that, things escalate quickly.

Cole is everything I've ever wanted. He's sexy and protective. A devoted father to his little girl. A dedicated cop the whole town adores. The kind of guy you can trust to keep his hands to himself, even when you're desperately hoping he won't.

I'm not the girl he thought he'd end up with, but after all this time, I might finally get the chance to say the words I've always dreamed of . . . make me yours.

## Bourbon Bliss (Bootleg Springs Book 4)

**Author: Claire Kingsley**

***"I didn't reply. I couldn't. Seeing this man's naked private parts had not rendered me speechless but watching him lick ice cream off his finger had."* – June Tucker**

June Tucker doesn't understand people. Numbers, data, and statistics? Those make sense. People? Not so much. In a town of Friday night fighters and moonshine-swilling line dancers, she's the odd duck. And that suits her just fine. But her sister and friends are pairing off, and the change is unsettling.

George "GT" Thompson was at the top of his game—one of the best receivers in football. But a career-ending injury sidelined him for good. Now he's hoping to find relief in the healing waters of this tiny West Virginia town. And maybe an idea of what life has in store for him next.

He doesn't expect the no-nonsense girl at the hot spring, telling him he's not supposed to be there. And pointing out his sizeable... equipment.

George is fascinated by June, with her head full of statistics and blunt honesty. He appreciates her in a way most others don't. And when the local missing persons case takes a shocking turn, he's by Scooby-June's side as she digs for the truth.

He was her fantasy receiver. Now he's her real-life boyfriend. But as their relationship heats up, June worries she's not capable of the kind of intimacy he needs. He's convinced his campaign to get her out of her own head—to stop thinking and feel—will work. But his own crisis could drive them further apart.

## Sidecar Crush (Bootleg Springs Book 2)

**Author: Claire Kingsley**

**"I tried to think of something—anything—to calm my raging hard-on. One wrong move and Leah Mae would rub up against it and that was liable to kill me dead on the spot." -- Jameson Bodine**

Model turned disgraced reality TV starlet, Leah Mae Larkin, crash lands in her hometown of Bootleg Springs to lay low while a scandal threatens her career. She can't shake the feeling that her agent—and supposed fiancé—manipulated her into the role of made-for-TV homewrecker. Connecting with her roots is just what she needs, **and Bootleg Springs is home to her father, moonshine, and her childhood best friend, Jameson Bodine.**

Only there's nothing childlike about Jameson—a **man who turns scrap metal into art and isn't afraid to throw down on a rowdy Friday night with his brothers and hellcat sister.** He might not say much, but still waters run deep. Seeing the ring on his crush's finger? He doesn't like it, but he can't wish it away. No more than he can wish away **the trouble his family is in, with evidence pointing to his late father in the cold case disappearance of Callie Kendall.**

Jameson and Leah Mae are **just two friends reliving their summers together**, blowing off steam, and having fun for the first time in a long time. But Leah Mae is realizing what's really important in her life, and it isn't what she thought.

And sometimes steam turns into sparks—hot as molten steel—and friends aren't *just friends*.

## Neighbors: A Novel

**Author: Danielle Steel**

**In Danielle Steel's gripping new novel, a reclusive woman opens up her home to her neighbors in the wake of a devastating earthquake, setting off events that reveal secrets, break relationships apart, and bring strangers together to forge powerful new bonds.**

Meredith White was one of Hollywood's most recognizable faces. But a personal tragedy cut her acting career short and alienated her from her family. For the last fifteen years, Meredith has been living alone in San Francisco with two trusted caretakers. Then, on a muggy late summer day, a massive earthquake strikes Northern California, plunging the Bay Area into chaos. Without a moment's hesitation, Meredith invites her stunned and shaken neighbors into her mostly undamaged home as the recovery begins.

These people did not even realize that movie star Meredith White was living on their street. Now, they are sharing her mansion, as well as their most closely kept secrets. Without the walls and privacy of their own homes, one by one, new relationships are forged. For every neighbor there is a story, from the doctor whose wife and children fear him, to the beautiful young woman dating a dishonorable man, to the aspiring writer caring for a famous blind musician.

In the heart of the crisis, Meredith finds herself venturing back into the world. And thanks to the suspicions and the dogged detective work of a disaster relief volunteer, a former military officer named Charles, a shocking truth about her own world is exposed. Suddenly Meredith sees her isolation, her estranged family, and even her acting career in a whole new light.

Filled with powerful human dramas, *Neighbors* is a penetrating look at how our world can be upended in a moment. In a novel of unforgettable characters and stunning twists, acts of love and courage become the most powerful forces of all.

## Say You Do

**Author: Weston Parker**

**My brother is an idiot—he's getting married.**

And I'm in charge of getting things together since our folks are gone.

Lucky me. The guy who thinks love is for the birds and worn-out 80s songs.

I honestly don't have time for this drama. I run a billion-dollar company, have women to entertain, and am working on my plans to rule the world.

No, seriously.

And yet, when you least expect it, life kicks you in the balls.

The beautiful, snarky woman that runs the flower shop is perfect to help me pull off this wedding.

Just seeing her sends my head spinning with possibilities.

She's perfect. To play my fake wife for an event I have coming up as a side deal.

My ex-wife will be at the event, and I sure could use someone to show her how well I've done since she ripped out my soul.

So my curvy new friend gets my ring and a chunk of my wallet before agreeing to the deal.

Funny thing is, I'm not so interested in taking it back by the end of the adventure.

I'm willing to go all in on what might be the best decision of my life.

And I'm demanding the same of her. No maybes. No I-don't-knows.

No fear of what might be or might not be.

Open your pretty pink lips and utter the words.

**Say you do.**

*Every good girl deserves a bad boy. ~ Weston*

## Dynamite (Stacked Deck Book 10)

**Author: Emilia Finn**

They call us the devil twins - a fallacy and unfair assumption on everyone's part.

Well... mostly.

My name is Luke Hart, and I'm the oldest of identical twin boys. Although I may be responsible for the 'devil' in our name, I have no urge to set the record straight and exonerate the innocent half of our pairing.

There's no point letting the truth get in the way of a good story.

Right?

Not so.

Turns out, a judge can get twitchy when you arrive at court with a 'can't touch this' attitude.

Despite my mom's best efforts, I've been served a tidy little sentence that I'll have to do behind bars, unless I complete my community service and satisfy court orders.

I have until Christmas to finish, but if I fail, I'll be spending the holidays avoiding the mistletoe in the shared showers in lockup.

It all sounds so easy. So straightforward.

Do the hours, avoid jail.

That is, until Allyson Moore walks in.

Now court orders are the furthest thing from my mind, and decades long family friendships go completely ignored, because I can't stop looking at Ally's enchanting green eyes, or her dark red hair the colour of Snow White's poisoned apple.

The temptation to take a bite is simply too much.

Ally is a rule follower. A goodie-goodie who refuses to bend. Which, to me, is the ultimate challenge.

I want to know what's burning beneath the surface. I want to see her passion, her fire, her attitude. And not the professional façade she's so good at putting up. It'll be a battle of the wills. My devil, versus her obsession with being perfect.

I mean, rules were made to be broken, right?

Breaking them is how I met her in the first place.

But unable to resist the pull of fate, Sean finds himself fighting for Emilia's heart while he fights by her side to dismantle a dangerous criminal organization. And slowly, Emilia falls victim to his charms. His incredible strength. Those big blue eyes and sinful accent.

Sean and Emilia's insatiable need for each other has them playing with fire and blurring the lines by which they are bound.

But when the sins of her father come to light and secrets are revealed, Emilia and Sean don't know whom to trust. Is their happiness attainable, or will Emilia once again choose duty over love?

*In this thrilling new pulse-pounding addition to the Dublin Nights Series, everything will be on the line in the final hour, including their lives.*

*The Final Hour* is a **standalone** romantic suspense novel in a series of interconnected books. For the best reading experience, it's recommended to first read *The Real Deal*.

## **The Relationship Pact : Fake Dating Standalone (Kings of Football)**

**Author: Adriana Locke**

**Amazon Top 5 Overall Bestseller**

How hard can it be?

That was the question rolling around Larissa Mason's mind just before she asked Hollis Hudson to be her fake boyfriend.

It was only supposed to be for five minutes, after all.

Granted, that was also before she felt his hand on the small of her back as he charmed the heck out of her family.

And it was definitely before she saw the football god shirtless. Otherwise, she would've had an idea of just how hard some things could be.

It turns out that pretending to be in love with a crazily handsome, somewhat enigmatic, and absolutely unforgettable tight end (that has an amazing tight end) is easy.

Reminding herself that just because opposites attract doesn't mean they're forever is much harder.

What they have isn't love--it's a relationship pact. Right?

AUTHOR'S NOTE: The Relationship Pact is a fun and flirty college sports romance with lots of heart. No cliffhanger.

Other interconnected standalone books in this series:

The Revenge Pact by Ilsa Madden-Mills

The Romantic Pact by Meghan Quinn

**Author: Ellis O. Day**

Two strangers.

Six nights exploring their deepest, darkest fantasies.

Whatever he wants, she'll try.

Whatever she wants, he'll submit.

But when the sixth night ends will either be able to walk away?

"Is this book hot, yes, is it sexy, yes, is it steamy, yes but there is also a love story." – Rosemary M.

"Hot. Sexy. Erotic. Fun. Playful. Touching. Imaginative. This was a series of emotional encounters between two people with powerful attraction and personal issues. -- Kae

Interview with the Author

Q. – So, why should someone read the Six Nights Of Sin series?

Because it's hot – really, really hot and it's well written.

The story is kinky and erotic but at the core is love. The two main characters must journey to find that love but it's there waiting for them if they're willing to take a chance. For Sarah, this is her second chance and perhaps her last if she doesn't discover how to move on from the past.

This series also has a rich, alpha male and who doesn't love to read about handsome, billionaires with hearts of gold? I know I love reading these kinds of books and writing them. I truly believe that one of the cornerstones of a great relationship is fabulous sex and my books have that and more.

On top of all those reasons, you'll get your first glimpse into La Petite Morte Club—a sex club where almost anything goes as long as the participants are willing. There will be at least four additional series surrounding this club and possibly more, depending on what characters pop out of the woodwork as we wander deeper into the club and its activities.

Q. – Who should read the Six Nights Of Sin series?

These books are packed full of kinky, explicit sex with some bondage, bdsm and submission scenes. So, they're meant for mature readers of 18 years and older. I don't gloss over the emotions or the actions. It's all there in hot, graphic detail, so get your glass of wine and a fan, and enjoy Sarah and Nick's adventure. Anyone college age and older who likes contemporary romance, new adult and erotic should love this series.

## The Takeover (The Miles High Club Book 2)

**Author: T L Swan**

**A *Wall Street Journal* bestseller.**

**In bestselling author T L Swan's second hot installment to the *Miles High Club* series, he's sexy, rich, and her mortal enemy. Hate never felt so good.**

I first met Tristan Miles at a meeting where he was trying to take over my late husband's company.

He was powerful, arrogant, and infuriatingly gorgeous, and I hated him with every cell in my body. In the shock of the century, he called me three days later and asked me on a date.

I would rather die than date a man like him—though I do have to admit it was good for the ego. Turning him down was the highlight of my year.

Six months later, he was the guest speaker at a conference I attended in France.

Still arrogant and infuriating—but this time, surprisingly charming and witty.

When he looked at me, I got butterflies.

But I can't go there.

He's just a player in a hot suit, and I'm just a widow with three unruly sons.

I just need this conference to be over.

Because everybody knows that Tristan Miles always gets what he wants...and what he wants is me.

What's a guy to do? Easy...get my assistant to stand in as the "love of my life."

But what was supposed to be a ruse to get me through the night exploded into something much more when the press got involved. I probably shouldn't have shouted, "She's mine!" in front of all those rabid-eyed reporters, either.

Now the world thinks Erin and I are engaged. I'm ready to publicly set the record straight...

...until Erin suggests staying "engaged" for three months.

A fake engagement would earn me a break from my mom's baby-nagging and my cray-cray ex's machinations for another chance.

## My Lucky Charm: a contemporary romance novel (Fate With A Helping Hand Book 4)

**Author: Lisa Mondello**

A little thing called desperation had Zoey Preston under the gun. She had two choices, find a job that would help pay enough for her to stay in Boston...or face moving back to the country to a house full of family and various animals. The last thing on her mind was love...until she meets the devastatingly handsome surgeon Marcus Drake. He's like her lucky charm. He's nothing like any of the doctors she's ever met. He drives a Harley and has a thing for Irish music. Too bad she's leaving town.

Hard work never bothered Marcus until the night he returned home after a bad day and realized there was nothing there for him. At a crossroad in his life, he decides it's time to make a change. Then he meets Zoey Preston. The green-eyed girl who can't stand the sight of blood is nothing like the woman he'd imagined would one day be his wife. But he soon realizes, she's is everything he wants...for life.

Excerpt:

Marcus handed Zoey the envelope across the counter. His hand grazed her fingers as the exchange was made, sending tingles of sensation up her arm and making her lightheaded. His deep blue eyes were unlike anything she'd ever seen. In fact, Zoey couldn't quite figure out if she'd ever met a man as striking as Marcus Drake. And he was a surgeon. Oh, the things he could do with those hands. Her cheeks flamed.

As if he were reading her mind, he smiled and lifted his eyebrows quickly and said, "I'd better be going."

"Okay," she said in a voice that sounded much too breathless for her ears.

"Can I have my hand back?"

Zoey glanced down and saw that their hands were entwined. No, not entwined. That would mean he was holding her hand. Instead, she was clutching his, making it impossible for him to move away from the counter. Acid coiled in her stomach as she snatched her hand away.

"Sorry."

"No need to be. Good luck with your job interview, Zoey."

"Thank you."

Vicky came up alongside her and extended her hand to Marcus. He glanced at it quickly, but instead of taking her hand, he simply nodded.

"It was nice meeting you both."

Zoey watched as Marcus left the store and then walked down the crowded sidewalk.

"My luck changed the moment I met that man. Do you have any idea what he is?" Zoey said.

Vicky crossed her arms and nodded. "Stalker."

Zoey made a disgusted face. "Don't be ridiculous. He's a surgeon at one of the best hospitals in the country."

Vicky pointed a finger at her. "Does that mean he can't be a stalker?"

"He's my lucky charm."

"What luck? You're not even Irish."

"We're in Boston. Everyone is Irish when they're in Boston."

## The Iron Wolfe

**Author: C.J. Petit**

Erich had been treated as a freak of nature for as long as he could remember. When he was twelve, he was bigger than any fully grown man in Brainerd. His defense against the constant taunts was to retreat into a shell which marked him as a dimwitted giant.

He'd been working as a blacksmith for six years when he found himself without a job and decided to leave Minnesota for the far West. Maybe in Montana Territory he would be more readily accepted as just a man and not a monster.

But it wasn't until he met another freakishly sized person that his life dramatically changed ways that he could never have anticipated.

## He Saw Me First (Age & Innocence Book 1)

**Author: M Johnson**

Across an empty laneway in Paris, through my hotel window,

**He saw me first.**

I stopped undressing . . . but only for a moment.

The next night, he was waiting for me.

He sat there in his expensive suit and watched.

No participation.

My only acknowledgement was the look of lust in his eyes.

It continued until the night before I left,  
when I found a card under my door.  
No words. Just a number.  
So, I texted him.  
I'd never done anything like it before.  
It felt so dirty and wrong, but at the same time, I felt alive.  
He was much older than me, so intimidating and sexy.  
He made me feel things no man ever has.  
I was under his spell.  
**The last thing I expected was to ever see him again.**

## **(Not) The Boss of Me: A Billionaire Boss Romantic Comedy**

**Author: Kenzie Reed**

*Considerate. Loves dogs. Walks old ladies across the street. Loves me no matter what I look like.*

We all have a list of our dream man's ideal qualities – even if it's just in our head.

And okay, mine might be written in swirly script, laminated, and used as a bookmark for my favorite Jane Austen novel.

You know what's NOT on my list? Arrogant. Impatient. Distractingly sexy. In other words, mega-successful department store magnate Blake Hudson is everything I'm not looking for.

Unfortunately, I may have ruined his life a little bit when I got creative on my first day as a personal shopper. And unless I want to see my new career go up in flames, I'm stuck with the world's smuggest billionaire until I fix everything I've broken.

Find the hottest toy of the season for an overindulged niece? On it. Pose as his date at his company's annual gala, to fool his obsessed ex – and let him fake-flirt with me all night long? Uh oh, this could be trouble.

Let Blake see me safely home – and then let him make me see stars? Wait, that wasn't on my list...

Doesn't matter. Moving on. I will not let Blake Handsome – I mean Blake Hudson - defeat me with his To-Do List of Impossibility, or his pillow-soft lips, or his secretly tender heart, or the swell of his biceps, or...oops. I seem to have forgotten where I was going with this, but if I can't remember, I'm shopping for nothing but heartbreak.

**He can be a teddy or a grizzly. She's a genius with a wrench. Can the pretty mechanic tame this cowboy's wild side, or will they both be left broken-hearted this Christmas?**

Bear Glover can be a grizzly or a teddy, and he's always thought he'd be just fine working his generational family ranch and going back to the homestead alone. But he's had a crush on Samantha Benton for a while now, and he's decided it's time to do something about it.

But his first date with Sammy is a spectacular disaster. He's embarrassed and doesn't call her back, but when three tornadoes hit Three Rivers, his first thought is of the beautiful woman he'd really like a second chance with.

Sammy feels like she has to be the strong one in her family. Ever since her sister and her husband died, Sammy's taken care of Lincoln, her sister's son, and her aging parents.

And three tornadoes?

They've only added the weight of the world to Sammy's shoulders. School's been canceled, and she has nowhere for her eight-year-old to go.

Bear know exactly what to do with an eight-year-old boy on a ranch, and he offers to take Lincoln up to Shiloh Ridge Ranch with him every day. Bear has a lot of contacts in town, and he's able to help Sammy and her parents get cleaned up and back in their houses in record time.

In fact, Bear has an answer for everything—which only makes Sammy feel weak. And she hates nothing more than feeling weak. **Can Sammy realize that the Lord may have given her Bear so she doesn't have to be strong all the time? Or will she sabotage their relationship this holiday season?**

### ***He's No Prince Charming...***

Callum Griffin is the heir to the Irish Mafia. He's ruthless, arrogant, and he wants to kill me.

We got off on the wrong foot when I set a (very small) fire in his house.

Our families believe a marriage pact is the only thing that will prevent all-out warfare.

I think I might need to murder him while he sleeps.

This would all be a lot easier if Callum wasn't so damned good-looking.

But I've got a lockbox around my heart. Because even if I'm forced to marry him...

**I could never love a brutal prince.**

*"Brutal Prince" is the explosive first act in the epic "Brutal Birthright" series. It's a stand-alone Dark Mafia Romance, complete with HEA and no cliffhangers. It contains blazing hot bedroom scenes for mature readers only!!!*

### **The Lark Notes:**

Aida is my spirit animal. She's wild, passionate, and outrageous. Callum is the only man who can tame her. These two start out trying to rip each other apart. Soon they can only rip each other's clothes off. I love this story because it launches the saga of the Griffins and the Gallos, and because it has so much humor and heart mixed in with the danger and adventure. – Sophie
