Zodiac Academy: The Awakening

Author: Caroline Peckham

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride

Author: Jennifer L. Armentrout

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series...

Is Love Stronger Than Vengeance?

A Betrayal...

Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her.

A Choice....

Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation.

A Secret...

But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Wild Hunt (Shadow Guild: Wolf Queen Book 2)

Author: Linsey Hall

My secret is out, and the Alpha knows what I am.

Despite ten years of secrecy, Lachlan has realized that I'm his mate. He is *not* pleased that I've been hiding from him. And the fact that I escaped from his cell? Yeah, he hates that too. It's hardly my worst problem, though.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

Never His Mate: a Rejected Mates Shifter Romance (Claws and Fangs Book 1)

Author: Sarah Spade

After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me...

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

Jessie is well on her way to learning her new life and settling in. The tough alpha, Austin, has joined her team, and she has painstakingly learned to fly. At the moment, life couldn't get any better.

But it can get a whole lot...more irritating.

Her parents have decided to visit. They don't know anything about magic, about Jessie's new digs, or about the crazy crew living in and around Jessie's house. She must do everything in her power to keep the truth away from them.

Which would be much easier without the unfelt presence lurking within Ivy House's borders. It seems an enemy has figured out a way to magically bypass Ivy House's defenses. Jessie is completely exposed.

The real battle, however, won't be with the incoming force. It will be between Mr. Tom and Jessie's mom, each intent on being the most helpful. Mr. Tom might have met his match, and he is not pleased.

Just when things were finally settling down, Jessie is in the thick of it again, and this time, the turmoil is all around her.

Author: Skye Wilson

Hades is coming for me. But that doesn't mean he can have me . . .

He says he knows me. Who I am. What I am.

Then he claims I'm Persephone and he's Hades, the God of the Underworld. He says I was taken from him and now he's here to awaken my spirit so he can take me back to the underworld. That his position in the underworld depends on it.

Either he's crazy . . . or I'm a mythical goddess. A queen of the underworld. His Queen.

Except if I was his Queen, he needs to do more than seduce me. I'd want him to love me. To Hell and back. No matter how strong the attraction is that burns between us, it's obvious someone like him isn't capable of love.

And there's no way I'm going back to the underworld without a fight . . .

Radiants, immortals of the Light, have been warring with their enemies, the Shadows, for millennia. Now, twisted together by fate, the two adversaries must embark on a journey. Rhapsodic (The Bargainer Book 1)

Author: Laura Thalassa

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

The head of the royal guard takes his job so seriously that he keeps getting in her way. He's brooding and, when all is said and done, very rude and obnoxious. Hope shouldn't find him as appealing as she does. Not when men are off-limits to her, especially after what her ex pulled. Thing is, Reece isn't a man...he's a Feral. He's sexy, larger than life, and not in the least bit interested, which suits her just fine.

Hell doesn't just follow me. It's a part of me - the most powerful one.

When I called my father evil, I had no clue how true that was. For years, he's abused me. He had his reasons, but that doesn't make it any better. In truth, it makes me terrified of what I'll become.

I'm an abomination.

That's what Deke calls it, but I hate that term. How can I be the good girl and evil at the same time? More importantly, what does this mean for the guys I'm now bound to?

The four of us have been tasked with making sure the seals that hold back Hell never break. We are the Brethren, the first line of defense against the start of the apocalypse. Just one problem: the seal in our backyard is already cracked.

It's starting.

My newfound power is the answer to all of this. If I can just learn how to master it - and keep the Order of Martyrs from finding out - then we can close the seal. If they figure out what I am, though, they will kill me.

Because all abominations must die.
Even the good ones.

The Secrets in Shadow and Blood: An Enemies to Lovers Fantasy Romance (Fae Guardians, Season of the Vampire Book 1)

Author: Lana Pecherczyk

In the shadows, vision can turn blurry. Truths can become lies. Enemies can become lovers.

When Violet inexplicably wakes thousands of years after a nuclear holocaust, she finds the world very different. Fae exist now. They're vicious, animalistic monsters who pervert magic and can morph into any shape—including vampires. They hoard the bounty of the new world, and keep humans banished to the wasteland. At least, that's what the humans of today have told her. Determined to make up for an unforgivable mistake in her past, she becomes a covert assassin and seeks revenge for her human brethren. And she's good at it. But when the thing she hunts saves her life, injuring himself in the process... her

crystal clarity suddenly becomes blurry.

Vampires are meant to be monsters, not protectors... not charismatic, annoyingly handsome and loyal and... *everything*.

Indigo is a Fae Guardian, and a ruthless vampire protector of Elphyne. The Order has tasked him with finding a human with deadly secrets before the unhinged Unseelie Queen, or the fanatical human leader, can exploit her. They chose him for one reason, and one reason only – the taste of human blood does things to him. Addictive, dark, insatiable things. And when he catches Violet's scent, they know he'll do everything in his power to possess her and keep her safe. But Indigo hides his own shameful secret in the shadows of his heart, and if it ever comes to light, Violet will never trust him. She'll kill him.

***The Secrets in Shadow and Blood* is the next installment in the Fae Guardians series, and the first in the *Season of the Vampire* Trilogy. Each book features a separate couple with a satisfying HEA, but to enjoy the full benefits of the over arching plot, start the Fae Guardian journey with book one of Fae Guardians: Season of the Wolf. All Fae Guardian books include steamy romance, a splash of time travel, monster hunting, a band of brothers, fated mates, growly fae protectors, and their strong willed women from our time. If you love your books full of page turning action, romantic tension, and world building you can get lost in, then this series is for you. Warning: Trusting these seductive fae will lead to sleepless nights. But it will be worth it.**

Veronica's Dragon: A SciFi Alien Romance (Icehome Book 2)

Author: Ruby Dixon

Resonance.

It's a given on the ice planet, forced upon you by the parasitic symbiont called the 'khui'. With resonance, a guy and a girl are paired up because they'll make great babies. It's a survival mechanism necessary for this sparsely-populated world we're stranded on...and romantic, in a weird, alien way.

Everyone expects resonance to happen when twenty newcomers are dropped onto the frosty world. I doubt anyone expects the gorgeous, golden god named Ashtar to resonate to someone like me, though. He's fierce. Flirty. Powerful. Disgustingly handsome.

I'm...not any of those things. I'm bland. Boring. Clumsy.

But resonance seems to think we'd be great together. And Ashtar does, too...

—

The Icehome series features all of the adventure, humor and community you've come to expect in the Ice Planet Barbarians series, but it stands on its own. You do not need to read the other series (or be caught up) in order to read VERONICA'S DRAGON. I do recommend reading LAUREN'S BARBARIAN to get the full experience. Enjoy!

Part of me screams for me to keep him at arm's length, but the other part draws me closer to the brutally gorgeous fae, and it's going to get me killed.

He thinks I'm his soulmate, but that's impossible because I'm not even supposed to be here. So, why am I infuriatingly attracted to him? I need answers, only to get them, I'll have to play with fire and hope it doesn't burn us both alive.

Imp And The Beast (The Shadow Imp Series Book 1)

Author: Stephanie Hudson

Hell.

Just do your time, they said.

It will be easy, they said.

What's a hundred years, sentenced to a prison in Hell?

Well, I can tell you, for an Imp like me, it was a pretty long time.

Because like most Imps, we were a mischievous sort and that tended to annoy people, say people like the prison guards. Which meant that my time in Hell had just gotten a lot more complicated. Because I was about to receive the type of punishment no living soul had ever come back from. Not a single one had ever survived.

I was about to become a snack for the most dangerous Beast in all of Hell. The only one that gave even the Devil nightmares.

Only I would soon find...

He didn't intend to eat me at all.

No, instead he decided...

He was keeping me.

This book may or may not but most likely does..okay, so it definitely does contain content of a sexual nature. Now if the idea of monster sex makes you want to go screaming into the night as you make the sign of the cross, then this book probably isn't the best choice for you. However if you have raised a brow with intrigue, then I welcome you to this sinful goodness.

So get yourself comfortable and strap in, as you're in for a bumpy, fun filled, naughty ride.

Love Pip. - Your friendly neighbourhood Imp.
