**The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

**NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation.**

From the moment MacKayla Lane arrived in Dublin to hunt her sister's murderer, she's had to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves.

*The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on?*

Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne.

But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake.

From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . .

## The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)

**Author: Seana Kelly**

**A “master class in storytelling and survival.” —*Publisher’s Weekly* (starred review)**

Welcome to The Slaughtered Lamb Bookstore and Bar. I’m Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We’ve been having some problems lately. Okay, I’m the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I’ve been found.

A protection I’ve been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He’s grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I’m a survivor. I’ll fight fang and claw to protect myself and the ones I love. And let’s face it, they have it coming.

\*\*\*

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She’s since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she’s content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city’s vampire community, whose good looks attract Sam “like a zombie to brains.” Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam’s emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they’ll be eager to see where Sam goes next.” (Publisher’s Weekly (starred review))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs’s Alpha and Omega series.” (Book Life (Editor’s pick))

## **Black Sunshine: A Dark Vampire Romance**

***Author: Karina Halle***

**"Deliciously dark, sinfully sexy, absolute must read!" - Claire Contreras, NYT Bestselling author**

*A contemporary dark romance with a vampire twist, from the New York Times bestselling author of A Nordic King and Sins & Needles*

All Lenore Warwick wants for her 21st birthday is to hang out with her friends, finish her second year at Berkeley with flying colors, and maybe catch the eye of a hot musician playing a show at a club that she can now (legally) get into.

Unfortunately, fate has other plans for her.

A week before her birthday, she's kidnapped by the brooding and dangerous stranger with cold eyes and a lethal touch, who has been stalking her on San Francisco's fog-shrouded streets. Absolon "Solon" Stavig isn't your average criminal though. He's a centuries-old vampire who's caught between wanting to kill Lenore and wanting to save her.

You see Lenore, too, is a vampire.

She just doesn't know it yet.

Taken by a pair of vampire slayers when she was just an infant, Lenore was raised never knowing her true nature. All Lenore knows is that she has (normal) parents who love her, that she's exceptionally smart, and she's squeamish around blood. But once she turns twenty-one, she'll fully turn into a vampire, and Solon hopes he'll be there to guide her, opening her eyes to her deepest hunger...both sexual and otherwise.

But this turning can't be kept a secret. Soon both slayers and vampires are hunting Lenore, with only Solon and his unpredictable motley crew of vampires to save her.

If they don't kill her first.

*Black Sunshine is a dark adult standalone romance with a paranormal twist, about sex, love, secrets, and revenge, set in contemporary San Francisco.*

*CONTENT WARNING: as a vampire romance with a sexy bite, it features blood, blood play, cutting, bondage, borderline M/F/M, and scenes of dubious consent*

## **Simon's Runaway Mate (James Pack Book 5)**

**Author: Lacey Thorn**

Cici...

I've been fascinated with shifters since my father married one and I inherited a big brother named Hannibal. Following him on the hunt for rogue wolves was fun and exciting. Now, I'm running because no matter how much I yearn for his touch, I'm not who he wants. But Simon? I'm learning he's the wolf those tall tales warn you about.

Simon...

I've always had a fascination with humans. So fragile as they go about their day to day lives never knowing what lurks around them. Then there was her. I spilled blood for her. I'd do it again. I claimed her when I carried her to safety. My mate. I'll forgive her for not understanding. She is human. But running from me should have never crossed her mind. ## **The Dead Don't Drink at Lafitte's (Sam Quinn Book 2)**

**Author: Seana Kelly**

I'm Sam Quinn, the werewolf book nerd owner of the Slaughtered Lamb Bookstore and Bar. Things have been busy lately. While the near-constant attempts on my life have ceased, I now have a vampire gentleman caller. I've been living with Clive and the rest of his vampires for a few weeks while the Slaughtered Lamb is being rebuilt. It's going about as well as you'd expect.

My mother was a wicche and long dormant abilities are starting to make themselves known. If I'd had a choice, necromancy wouldn't have been my top pick, but it's coming in handy. A ghost warns me someone is coming to kill Clive. When I rush back to the nocturne, I find vamps from New Orleans readying an attack. One of the benefits of vampires looking down on werewolves is no one expects much of me. They don't expect it right up until I take their heads.

Now, Clive and I are setting out for New Orleans to take the fight back to the source. Vampires are masters of the long game. Revenge plots are often decades, if not centuries, in the making. We came expecting one enemy, but quickly learn we have darker forces scheming against us. Good thing I'm the secret weapon they never see coming.

## **Only the Buried (A Death Gate Grim Reapers Thriller Book 6)**

**Author: Amanda M. Lee**

Izzy Sage was looking for answers when she took a job as keeper of the death gate in Detroit. Unfortunately, the answers being delivered aren't what she was hoping for. Personal worries have to take a backseat, though, because the reaper world is in an uproar.

News that their former leader Renley Hatfield was working with the enemy has spread, but that doesn't mean the good guys can trust everybody that's left. With that in mind, Cormack Grimlock has closed ranks. Only those in their inner circle are allowed access to all the information. Sadly, there is very little information to go around.

Despite that, Belle Isle is hopping with activity thanks to an influx of furries who are running rampant across the island for a local convention. Even the mysterious death of one of their own in the waters off the yacht club doesn't dampen their enthusiasm. Izzy isn't convinced that the death is an accident but they don't have proof otherwise, so she looks elsewhere for adventure.

Then, in the middle of the night, adventure comes to her in the form of Emmet Grimlock, the missing Grimlock patriarch who disappeared through the gate weeks before.

A dream leads Izzy to the gate in time to watch him cross over, but Emmet's memory is tainted and he has nothing to offer by way of leads. While dealing with his return, Izzy's grandfather finally decides to make a visit, too. He senses Izzy needs him, which means even more trouble is on the way.

Unauthorized gates are popping up all over Detroit, and revenants are crossing through them. The reapers are on the verge of war, and Izzy might be the only one who can save them.

She might've come to Detroit alone but now Izzy is amongst family. She's going to need all of them to unravel the tangled lines of her past and survive to forge a future.

Is she up for the challenge?

## **The Solstice Countdown: A SPI Files Novel**

**Author: Lisa Shearin**

As an agent of Supernatural Protection & Investigations (SPI), I know that evil doesn't take a vacation, but this time it made an exception and followed me on mine.

I'm Makenna Fraser, seer for SPI, and I'm taking my boyfriend, goblin dark mage Rake Danescu, home for the holidays to meet my family.

Weird Sisters is a small town in the North Carolina mountains that was built on a network of ley lines that magnify psychic and paranormal energies. It doesn't show up on Google Maps, was named after the three witches in Macbeth, and the first word of the town name perfectly describes most of its human and supernatural citizens.

A stranger has come to town, bringing with him a dormant source of primordial evil. Soon, magically gifted locals start vanishing, and the power of the ley lines is turned against us, cutting us off from the outside world and any source of help.

For a town and its people steeped in magic, and my family sworn to protect both, it's a race against time to use a local winter solstice phenomenon to free the town from its prison. But first, I must trust a father I've never known to fight and defeat an awakening evil that's existed since the beginning of time. If we fail, and it is unleashed, the world will not survive.

This fast-paced sequel to the *New York Times* bestselling near-future adventure *The Rise and Fall of D.O.D.O.* picks up where the original left off, as Tristan Lyons, Mel Stokes, and their fellow outcasts from the Department of Diachronic Operations (D.O.D.O.) fight to stop the powerful Irish witch Gráinne from using time travel to reverse the evolution of all modern technology.

Chief amongst Gráinne's plots: to encrypt cataclysmic spells into Shakespeare's "cursed" play, *Macbeth*. When her fellow rogue agents fall victim to Gráinne's schemes, Melisande Stokes is forced to send Tristan's untested, wayward sister Robin back in time to 1606 London, where Edmund Tilney, the king's Master of Revels, controls all staged performances in London.

While Robin poses as an apprentice in Shakespeare's Globe Theatre, Mel travels to the ancient Roman Empire and, with the help of double-agent Chira in Renaissance Florence, untangles the knotted threads of history while the diabolical Gráinne jumps from timeline to timeline, always staying frustratingly one step ahead—or is it behind?

## **Slayer Witch: A Demon Slayer Urban Fantasy (Demon Hunters Wanted Book 1)**

**Author: *Katie French***

**Nothing like getting your ass kicked by a demon on the way to the most important job interview of your life.**

But, that's where I find myself right before trying to make a good impression on the supernatural investigation agency of my dreams. If I get the job, I can slay demons legally, unlike the criminal slaying I've been doing.

The only problem? I have to lie through my teeth about who I am or they'll never hire me.

But the good news is I'm great in a fight, even if I fight dirty. The even better news is there are lots of openings at the agency. Unfortunately, they were created by a murderous cartel known as the Viceroy's who seem to be releasing the demons and using their powers to take out most of the agency's staff. This gets me the job and moves me and the other wet-behind-the-ears interns right in harm's way.

Exactly where I like to be.

The other interns don't think much of me, and the feeling's mutual, especially in the case of Dax Murphy. He may look like a Hemsworth brother, but he's arrogant as hell. Not my type. Really. I've got a lot to focus on with keeping my identity secret and not getting my head cut off by a Viceroy.

But maybe there's more to Dax than eight-pack abs. And maybe secrets from the past don't always stay buried.

Because I wasn't where I was supposed to be. And I could forget all my jokes about falling into Wonderland and Oz and seeing any of those fuzzy fellas from Narnia, because no amount of wishing that my life was a fairy tale would make it so.

Not when I was caught in this nightmare world. One where I was to be terrorised by its ruler for an eternity.

A tyrant King that wanted a new game to play.

One I had no chance of winning.

Not when it was my heart, that was on the line.

Just when Sarah Zellaby, adopted Price cousin and telepathic ambush predator, thought that things couldn't get worse, she's had to go and prove herself wrong. After being kidnapped and manipulated by her birth family, she has undergone a transformation called an instar, reaching back to her Apocritic origins to metamorphize. While externally the same, she is internally much more powerful, and much more difficult to control.

Even by herself. After years of denial, the fact that she will always be a cuckoo has become impossible to deny.

Now stranded in another dimension with a handful of allies who seem to have no idea who she is—including her cousin Annie and her maybe-boyfriend Artie, both of whom have forgotten their relationship—and a bunch of cuckoos with good reason to want her dead, Sarah must figure out not only how to contend with her situation, but with the new realities of her future. What is she now? Who is she now? Is that person someone she can live with?

And when all is said and done, will she be able to get the people she loves, whether or not they've forgotten her, safely home?

## **The Revelation of Light and Dark (Chronicles of the Stone Veil Book 1)**

**Author: Sawyer Bennett**

**I always knew I was different.**

From a young age, my mind has been plagued with things only I could see. Some hauntingly beautiful, others completely terrifying. Never knowing if these visions were real or just hallucinations, I learned how to lock them down and ignore them. I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for.

But just when I think my life is getting on track and my dreams are achievable, a moment of weakness causes me to learn a hard and fast lesson.

**My entire existence has been a lie.**

Now I'm faced with a new reality that's as implausible as it is fantastical. Filled with realms and veils, light and dark, fae and daemons, gods and angels--things I don't understand but am forced to acknowledge. It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne, one of Seattle's richest and most powerful men. He intimidates, annoys, and intrigues me all at the same time. I don't trust him and yet there's no one else to help me. No longer certain who to put my faith in, what to believe, or how I fit into it all, one revelation is clear...

**The world as I know it will never be the same again.**

*The Revelation of Light and Dark* is book one of the Chronicles of the Stone Veil series and is best enjoyed if read in series order.

## **The Legacy of a Vampire Witch: The Complete Urban Fantasy Boxset**

**Author: Theophilus Monroe**

**5 books and 1200+ pages of vampires, witches, and New Orleans Voodoo fill this complete urban fantasy boxset.**

**Because you can't stake a heartless vampire...**

**Book 1: Bloody Hell**

It had been almost a century and a half since I last encountered anyone from the Order of the Morning Dawn. They were religious fundamentalists with the dual goal of eliminating vampires and witches.

Being both a vampire and a witch I was the embodiment of everything the Order hates. Their first attempt to eliminate me failed. Thanks to the fact that my mentor in the Craft was also a necromancer.

When they burned my heart they didn't kill me. They unwittingly completed a spell that tied my existence to the soul of one who took my place in hell.

Now I'm heartless, literally.

Not having a heart has some advantages. It means I'm pretty resilient, especially when it comes to wooden stakes.

So long as the soul bound to my existence remained in hell, I was virtually invincible.

But the Order figured it out. They hope to redeem the soul who was damned in my stead. If they do that, I'll meet the true death for sure. I have to capture the one damned in my place before the Order manages to liberate him from perdition. If they free him, I will die.

I have to go to bloody hell.

**Also included...**

**Book 2: Bloody Mad:** *A Vampire in an asylum? Like that's going to end well...*

**Book 4: Bloody Devils:** *We were the terrors of New Orleans. And humanity's only hope.*

**Book 5: Bloody Gods:** *I've always been the hunter... now I'm the hunted.*

## Shifter Agents: Shifter Affairs: Books 1-4 (Shifter World)

**Author: Nancy Corrigan**

*"This book kept me awake all night reading it!"*

### Freeing his Mate

**Never lead a widowed shifter cop to his true mate then tell him he can't have her.**

*Mya*

One night, I was stolen from my human life and thrust into the shifter world. With no rights among these primal males, I'm expected to submit to their will. But I only want Rick—the rugged, tattooed cop who can touch my soul and tame my wolf and... *free me.*

One thing stands in our way—the beast who kidnapped me would rather kill me than let me go.

*Rick*

A century ago, I lost my family. While on the hunt for a killer, I found my future. Mya's my true mate. She's my gift from the gods...the one woman I'm supposed to love and treasure forever.

And the rogue wolf shifter who took her from me will die.

Even if I have to break the law I've sworn to uphold to steal her back. Nothing keeps a shifter from his one true mate.

### Claimed by the Assassin

**A shy waitress and an ancient, shapeshifting assassin with a bounty on his head... *A match made in heaven?***

*Sara*

It was supposed to be a simple favor. Instead of helping out the sexy, aloof bouncer at my bar, I've narrowly escaped death at the hands of a murdering shifter and inadvertently rescued Ilan's nephew in the process. The things a woman has to do to get a guy's attention these days...

*Ilan*

For years, I kept my innocent human true mate safe from me and the dangerous world I live in. Then on the night I planned to skip town, Sara lands in the middle of a botched assassination attempt. Now, I can't let her go. She's a target. So is my infant nephew. And the killers who came after my family should be afraid.

Very afraid.

I'm not called an Angel of Death for nothing.

### Baiting the Royal

**A murder case where the stakes are personal...*in more ways than one.***

*Lyla*

As a coroner, I give a voice to the voiceless. But the latest body on my slab raises questions someone doesn't want me to answer. With my sister's attacker back in town, I need to uncover the truth. Any way I can get it. Even if that means partnering up with Uri, a Royal feline shifter from the Alexander pride and a by-the-book cop who'd rather keep me safe in my lab...or his bedroom.

*Uri*

Rules are made for a reason. But nothing in the official Shifter Affairs handbook covers what to do when you're forced to partner up with your true mate.

Especially when Lyla has a penchant for fighting for the underdog and finding herself in dangerous situations. But with a serial killer on the loose and the body count rising and hitting closer to home, only one rule matters.

Nobody threatens a shifter's mate and lives.

### Possessed

**He thinks we're destined to be together. I think he's crazy... *Or maybe that's me.***

*Zoe*

I'm called the "beloved human" of Kade, the alluring leader of the Royal Alexander pride. Its members consider me his possession. I avoid thinking too hard about what that means by teasing him mercilessly. Besides, I have other worries. My nightmares are back, stronger than ever, and they're starting to bleed into the real world. To make them stop, I have to discover the truth behind the attack that cost me my baby and my fiancé. Their deaths demand justice. And I want revenge.

*Kade*

Ever since I healed Zoe, she's been my responsibility in the group to handle—and to control. I never asked to claim her, and I didn't want to. Until now. She's the one. My mate. And the timing couldn't be worse. Other shifters are making bets on how soon I'll lose my title, and fears over a prophesy have made our group a target. But I'll do anything to protect Zoe, to ensure our pride is a safe place for the future we could have together. All that's left is to convince her—and to prevent my enemies from claiming what's mine.

## **Shift Work: Night Shift: Book One**

***Author: TA Moore***

You'd think the werewolves would be the worst thing about the Night Shift; you'd be wrong.

All Officer Kit Marlow wanted was a cup of coffee and some downtime before his next night shift. Instead, he got a naked man in the elevator and an unaccounted-for dead girl in the morgue. He's going to need to deal with both before he can head for his bed.

Or anyone else's. Although not much chance of that.

Reluctantly partnered with the acerbic security consultant Cade Deacon—last seen naked in the elevator—Marlow delves into the dead girl's life. Between them, they uncover a new crime scene with the whiff of old corruption. A corruption that, five years ago, nearly took Marlow's life and ended his career.

## Right of Retribution: Book 2

**Author: William D. Arand**

Warner spent his days like no one else.

He got up, went to work, forced people to balance their scales— either through taking lives or forced penance— went home, spent time with his daughter, slept with one of his girlfriends, and went to sleep.

Only to repeat the pattern over and over and over.

Life was the furthest thing from mundane that it could ever be.

Warner's life had changed when his daughter had been nearly fatally injured, plunging Warner into a world of paranormal creatures, monsters, and magic that he'd never known existed.

Then he came out the other side as the arbiter of Retribution. He now personally hands out justice to any and all he comes across.

Warner has been using his powers considerably since then. Cutting down all who would stand before him and attempt to stop him in his personal crusade.

The price he is forced to pay for such power is catching up to him. Catching up to him and forcing him to pay... with interest.

Spending more of his time sick and wretched after overuse of the power, he must now begin to wonder about the balance in his own life.

Each time he finds himself throwing up golden vomit that turns to blood, he has to wonder just how much damage he is causing to his own body.

Except a great change in the world is coming. One that will force a reckoning no one wishes, with Warner becoming a massive lightning rod for it.

The very world trembles with the actions he's taken, and quails in fright at what he must do next.

Warning and minor spoiler: This novel contains graphic violence, undefined relationships/harem, unconventional opinions/beliefs, and a hero who is as tactful as a dog at a cat show. Read at your own risk.

## Midlife Magic: Paranormal Women's Fantasy (Not Too Late Book 1)

**Author: Victoria Danann**

"**Enthralled!**" - Novel After Thoughts

"**The best thing I've read in years.**" - the Paranormal Romantic

*If you can imagine yourself as a romantic and adventurous woman in midlife, who's come into her power, ready to meet happy accidents head on, this book is for you!*

"**This book hits all the notes.**" - Cynseer Booklover Blog

Amazon customers call this series...

"**utter perfection**"

"**a breath of fresh air**"

"**too much fun**"

"**best in the genre**"

and more.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd

spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of everyday heroines over forty.*

I may have had my wings cut, savagely severed by the hand fate dealt me, but I was becoming stronger and braver each day. There was an instinctual feeling inside of me, growing to the point that it wouldn't be ignored, telling me that this trip to the Dreki realm had the possibility to change everything.

I was standing on the edge of a massive drop into a cruel pit of reality... luckily, this time, I knew I could fly.

Boy was I wrong.

The alpha insisted our bond be rejected. This was old world magic. Dark magic. Strong magic. And yet, it didn't work.

We all knew I was nothing like them. A mut. Half wolf. Half unknown.

But what we didn't know was that when they put death on the table, the unknown half would be the one to save my life.

Because sometimes the unknown is stronger than a thousand men.

Stronger than magic.

Stronger than death.
