Bike routes

Hotel Blaumar, **** star superior-category hotel, is the only beachfront hotel offering a wide range of services and spaces especially for cyclists.

Our unbeatable location for both road, gravel and mountain cycling makes us the perfect place to discover the most scenic tracks in the province. From epic mountain passes such as La Mussara and Mont-ral, the Prades mountain massif for those who aren't afraid of some uphill pedalling, tracks towards Valls and Santes Creus for the ultimate leg killers and of course, the entire coast to the south, going along Miami Platja, Ametlla de Mar and even the Ebro Delta.

Our facilities and extensive cycling experience mean your only worry will be pedalling and beating your PRs.

Hop on your bike and then relax in a king-size bed in one of our Mediterranean Suites, unwind in the SPA with an extensive range of massages and sports therapies, or take a dip in the ecological pool. The hotel also features a washing area and workshop with everything you need to keep your bike in tip-top condition.

Our Cyclist Pack includes early breakfast, personalised sports menus and late check-out so that you can make the most of the day. The package also includes 10% off in our Arena Tapas Restaurant, where you can savour Mediterranean cuisine made with local produce to replenish your energy for the next day's ride.

THE HOTEL

DON'T FANCY CYCLING? KICK BACK INSTEAD!

The hotel boasts an entertainment service and children's mini club with snack service. Our leisure programme includes a series of family fun activities and live performances, including live music, folklore and magic shows to liven up your stay.

Hotel Blaumar also features 2 ecological swimming pools, one for adults and one for children, so that the whole family can enjoy their stay to the fullest.

Come and enjoy an authentic oasis of leisure and relaxation in Salou, in a unique hotel on the Mediterranean coast in harmony with the environment so that your travel companions can have as much fun as you do cycling.
