

SEVILLE IN

1 DAY

HOSTELS & HOTELS

Rush, rush, rush!!! Ok, for some reason (that we don't understand) you decided to give Sevilla one day. You're gonna realize it was mistake but well, it is what it is!!! Our recommendations:

FREE WALKING TOUR

There's a lot of fascinating stories about this amazing city and its people, definitively the best way to start the day (after having had churros and chocolate for breakfast, of course).

CATHEDRAL OR REALES ALCÁZARES

Well, you have one day so you get to choose between the biggest gothic cathedral in the world or the oldest palace in use (and some scenes from Game of Thrones were filmed!)

PLAZA DE ESPAÑA

The most beautiful Plaza de España of the whole world. Not lying. Oh, Star Wars recorded something here. Google it!

PUB CRAWL

Do i need to explain? Get to know people and go out together. (Use condom please, babies doesn't fit in a backpack).
