SUCCESS STORY

The new websites are much more appealing and functional than the previous sites we had

Eddie Nunez, General Manager at The Kent Hotel

The Kent Hotel, built in 1939, is a **charming Art Deco gem** located in the heart of Miami Beach's vibrant **South Beach neighborhood**. This **60-room boutique hotel** has been lovingly restored to blend elegant **historic charm** with **modern luxury** conveniences.

The **Colony Hotel**, on the other hand, is located on the prestigious **Ocean Drive**, one of the world's most sought-after tourist destinations, also in the heart of **Miami Beach**. With a rich history dating back to 1935, this renowned hotel has become a **symbol of South Beach's iconic Art Deco district**.

These two Miami Beach landmarks, full of potential, chose to join forces with **Paraty Tech** to boost their direct business by centralizing their tech ecosystem under a single provider. In less than a year of collaboration, **operational costs have slightly decreased** and **direct revenue has increased** by over 100%.
