Learning Objectives

1. Discuss clinical management for LGBTQ+ people who use drugs, including treatment initiation, dosing adjustments and best practices
2. Recognize the importance of appropriate language to decrease stigmatization, and the practical application of trauma-informed care, harm reduction and patient-centered care when working with LGBTQ+ people who use drugs
3. Explain the importance of warm handoffs and care coordination to best support LGBTQ+ people who use drugs

CME Accreditation/Certification Statement

The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 1.0AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE Statement

The University of Rochester Center for Nursing Professional Development is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This offering provides 1.0 nursing contact hours.
