Clinical Approaches to Medical Cannabis

Wednesday,
April 23, 2025
12:00-1:00pm EST

Deepika Slawek
MD, MS, MPH

**Associate Professor of Medicine,
Division of General Internal Medicine**

Learning Objectives:

- Discuss the legal status of medical and adult-use cannabis in New York State.
- Identify the most common indications for cannabis use, with a focus on pain management.
- Recognize when to initiate and maintain patients on medical cannabis
- List harm reduction principles for patients using cannabis in clinical practice.
