Antonio Urbina, MD
Medical Director, Institute for
Advanced Medicine at
Mount Sinai

**Carlotta Starks,
MScPH, BSN, RN**
Clinical Program Manager,
Institute for Advanced
Medicine at Mount Sinai

LEARNING OBJECTIVES

1. Describe the current and emerging landscape of Long-Acting Injectable (LAI) antiretroviral treatment regimens.
2. Summarize clinical trial evidence supporting LAI treatment regimens.
3. Review important clinical characteristics of LAI options.
4. Outline the operational workflows for prescribing and administering LAI treatment, including strategies for navigating procurement, cost, and coverage.

CME Accreditation/Certification:

The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
