

DESCRIPTION

The range of professional gadgets ARCOS is extensive, covering any requirement that appears in the kitchen (decorators, molders, peelers, corers, graters, spatulas, pizza cutter ...). Thanks to these products everyday kitchen tasks are simplified.

They are made of high quality stainless steel and the handle of polypropylene (PP), ensuring a perfect junction between handle and blade.

These gadgets are certified by NSF (National Standard Food), guaranteeing the best hygienic behavior for food and human security.

ARCOS STANDARDS :

- UNE-EN-ISO-9001:2008 “Quality Management Systems”.
- General Foodcontact and Healthy Certificate 39.03065/AB.

- American NSF, hygienic standard.
