## Advisory Services matters

---

Prepared by: Chair, System Council's Strategic Impact, Monitoring and Evaluation Committee

Document category: Working document of the System Council - There is no restriction on the circulation of this document.

# Topics

1. ISDC membership and forthcoming transition of Chair role
2. Shared Secretariat staffing update
3. Evaluation budget recommendation for 2019
4. 'Connecting the Dots' - Recommended priorities for ISDC, SPIA and evaluation focus

# 1. ISDC membership matters

## ISDC membership search

- 6 arising vacancies during 2019
- Nominations/applications deadline by 3 June (**please circulate to your networks**)
- Nominations panel to recommend candidates by 12 August 2019
- SC electronic approval by end August 2019
- Target commencement 1 September

## Chair role

- Current term is to 30 June 2019
- Maggie Gill available to serve to 20 September 2019
- **Extension facilitates delivery of series of key transitional matters** that are discussed in the slides that follow

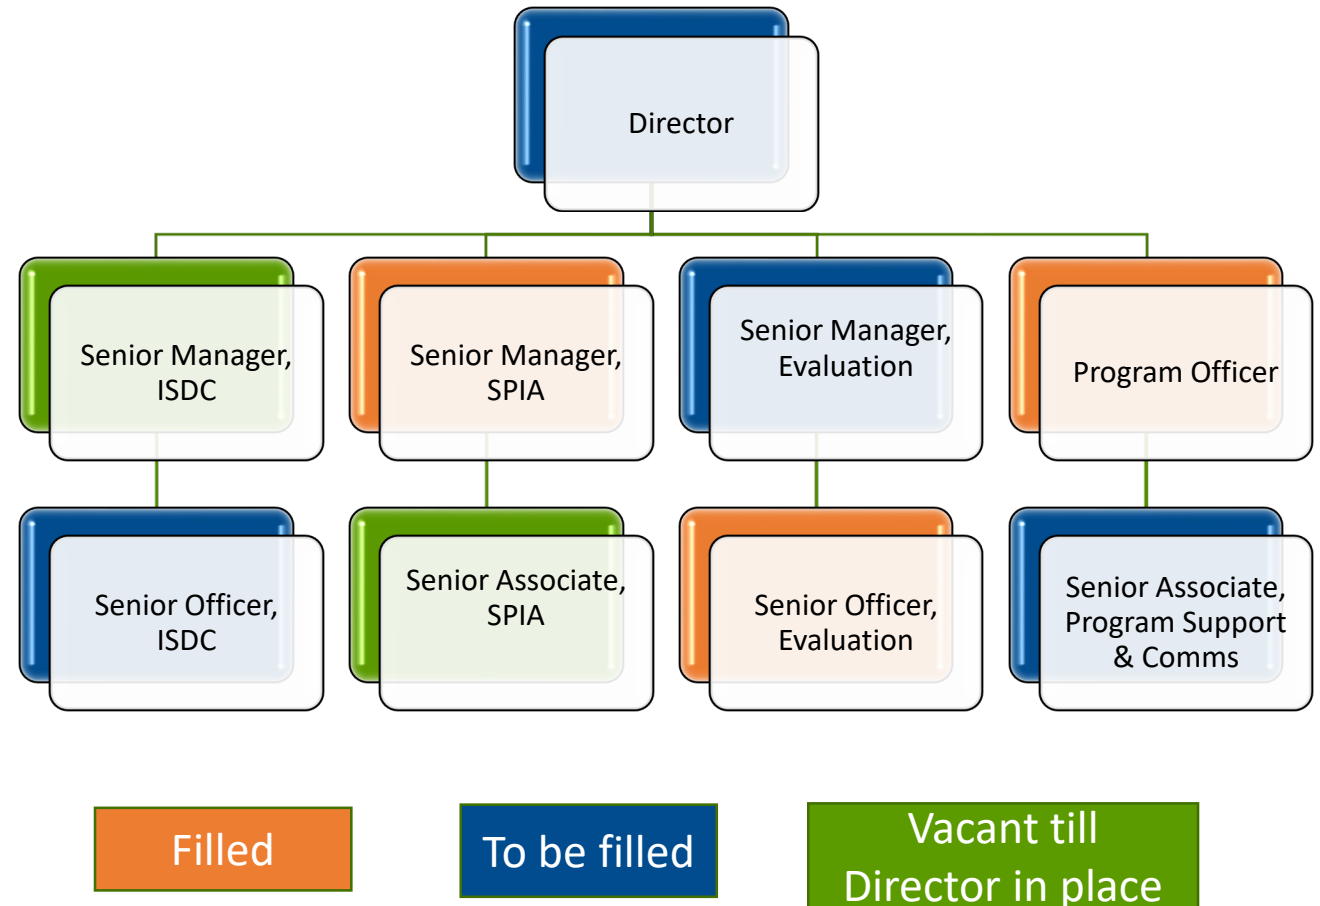

Decision session (agenda item 9) will include this proposal

## 2. Shared Secretariat staffing update

- **Initial goal** – 9 Shared Secretariat staff by 1 April 2019 to support the three operational workstreams
- **Reality** – number of challenges arising, so the 3 orange highlighted are in place
- **Director position** also remains vacant

### To move forward

- Executive search firm for **Director role** (please do refer strong candidates)
- **Fill roles highlighted in blue**
- **Additionally** - provide small amount of weekly support through senior consultancy (not 'Interim Director', but work plan stewardship support)

### 3. Shared Secretariat evaluation budget for 2019

#### SC7 – November 2018

**SC requested** further refinement of the workplan and budget to take into account the feedback provided during the System Council meeting session

#### SIMEC recommendation to SC8

- Recommend approval of the 2019 budget ceiling as presented – which takes up the two recommended priorities from the ‘connecting the dots’ meeting
- SIMEC proposes to oversee the further development of the evaluation workplan

Activity Area	People/Days	Budget
<b>Review of CRP progress</b>		
Evaluation Panel	3/30	130
Review Consultants (initiating review process)	10/20	165
Evaluation Analysts	2/60	70
<b>Performance Management Standards</b>		
Review proposal process	2/3	10
Contracting agency to completed assessments	5/30	150
Travel		30
Meetings		50
<b>TOTAL</b>		<b>605</b>

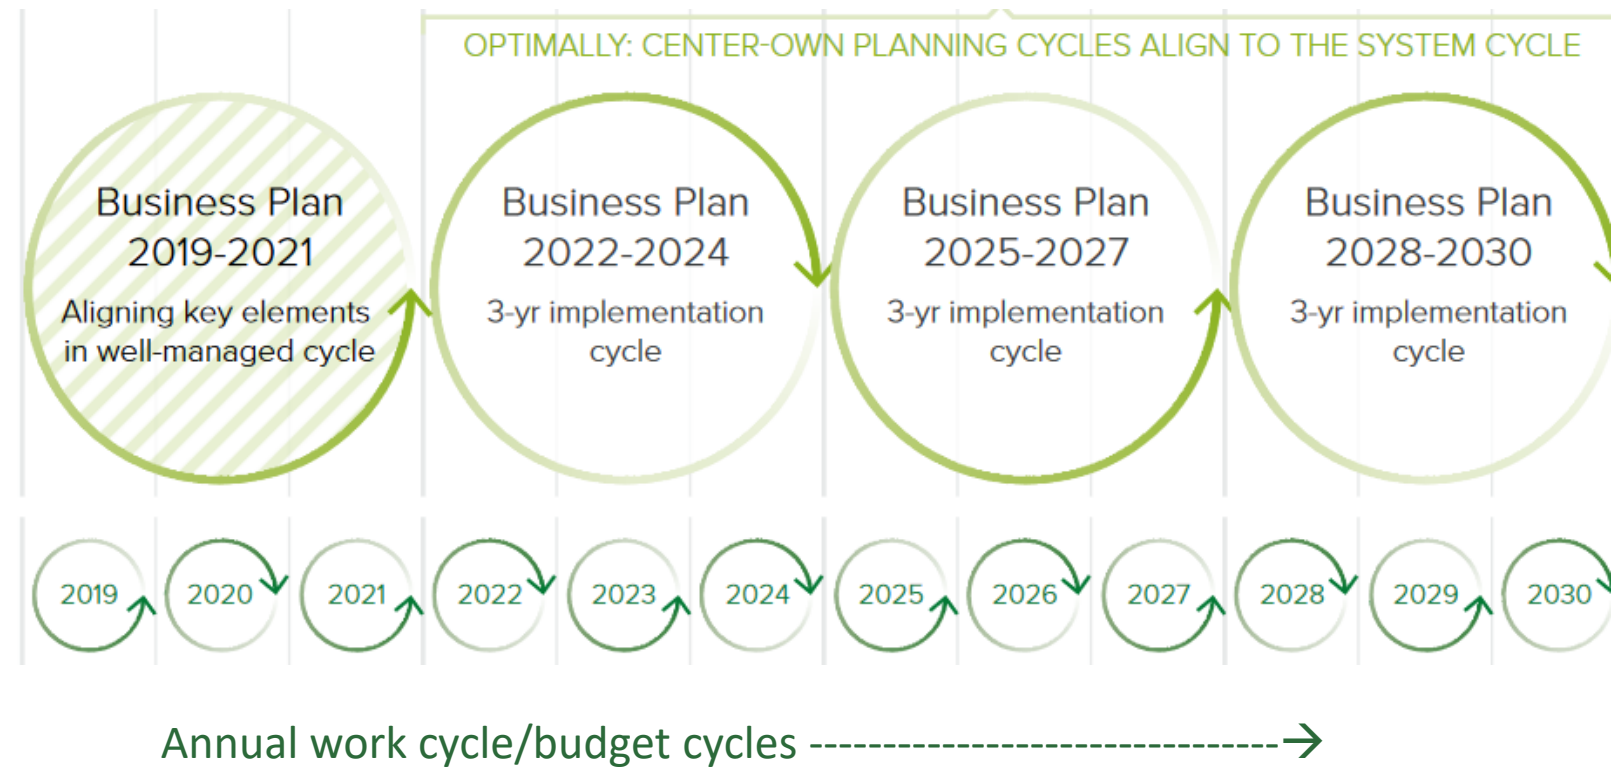

Decision session (agenda item 9) will include this proposal

## 4. Connecting the dots meeting early–April 2019

**Process led by SIMEC**, in consultation with representatives of ISDC, SPIA, the Shared Secretariat, the CGIAR System Internal Audit Function, CGIAR Centers and Programs, and the System Organization

### Overarching goal -

Set out (some of) the key advice needs of the System in the forthcoming years, to ensure effective informed decision making during the Business Plans through to 2030?

# Recap of 2018 decisions on advisory services

## Two key decisions:

- **At SC6 (SC/M6/DP3):** System Council **approved** the future functional areas and operational arrangements for the System Council’s scientific advisory, impact assessment and evaluation services.
- **On 4 October 2019 (by electronic no-objection vote):** The System Council **approved** Terms of Reference for the following

Two external panels providing high level independent strategic advice & recommendations

A small highly-skilled Shared Secretariat

### Independent Science for Development Council ('ISDC')

- Membership: up to 8 persons (7 + Chair)
- Key functions: Foresight, Horizon scanning; priority setting exercise & analysis; guidance for periodic proposal assessment processes (but not direct proposal review)
- ISDC Chair: Active Observer at System Council meetings
- SIMEC: Preparatory forum for workflow delivery to SC

### Standing Panel on Impact Assessment ('SPIA')

- Standing members: 2 + Chair, with option for up to 3 additional 'special initiative' members
- Functions: Expand and deepen evidence of impact of CGIAR Research; support further embedding of impact assessment culture; linking with other advisory bodies
- SIMEC: Preparatory forum for workflow delivery to SC

### CGIAR Advisory Services Shared Secretariat ('Shared Secretariat')

- Functions: ISDC secretariat support; SPIA secretariat support; supporting implementation of the CGIAR System multi-year evaluation plans, including providing quality assurance (*for all, to support process, but not do the expert advice themselves*)
- Director: Formal reporting line for accountability to ISDC Chair for overall Shared Secretariat performance; dual day-to-day operational engagement with ISDC Chair + SPIA Chair in terms of overall priority of Shared Secretariat deliverables
- Size: Director + 8 team members (possibility to grow with prior SC approval)

The Terms of Reference for each of the ISDC, SPIA and the Shared Secretariat are accessible at: <https://www.cgiar.org/how-we-work/accountability/advisory-bodies/>
