

Cover Note:
MOPAN independent assessment of CGIAR 2019

Purpose

The 2019 MOPAN independent assessment of CGIAR looked at CGIAR's organizational effectiveness (strategic, operational, relationship and performance aspects) and the results it achieved against its objectives. The assessment was championed on behalf of the MOPAN membership by MOPAN Institutional Leads Eric Witte from the United States and Daniel Frans van Gilst from Norway.

Action Requested

The System Council is invited to review the documents from the MOPAN assessment available on their website at: <http://www.mopanonline.org/assessments/cgiar2019/index.htm> and provide strategic reflections on the assessment during the SC10 meeting session.

For those who wish to engage further with the MOPAN team on the process, content and next steps for the report there will be an added 'MOPAN deep-dive' virtual session on Friday 12 June (extra resources day).
