Report from the Assurance Oversight Committee (AOC)

**Purpose:** For information: This document sets out an overview of the AOC’s activities and areas of focus on its under its mandate during 2021.
Assurance functions related to internal and external audit

Revised internal audit arrangements as part of transition to One CGIAR under development

• At AOC-7 (22 October 2021) – discussion with Chair, CGIAR Audit, Finance & Risk Committee (‘AFRC’) on current CGIAR internal audit arrangements and direction of travel (including recruitment of Chief Audit Executive for One CGIAR) and interim arrangements
• AOC closely connected to that work through one member (Muriel Uzan) serving on Working Group that commenced the process, and one member (Maurice Goddard) serving on both AOC and AFRC;

Current priorities:
• Recruitment of Chief Audit Executive (underway) with appropriate haste to minimize period of uncertainty
• Ensuring effective interim IA leadership to ensure continued delivery of internal audit engagements until future structure/appointments completed

Para 5: Provision of
a. Input on behalf of the Council into the periodic review and approval by the Board of terms of reference and a process for fulfilling the Internal Audit Function arrangements for the CGIAR System
b. Advice on the System’s Internal Audit Function arrangements; whether they provide sufficient system-wide assurance consistent with the risk management framework of the CGIAR System and whether such arrangements are appropriately funded
Management of risks and opportunities during transition to One CGIAR

• At AOC-6 (March 2021) and AOC-7 (22 October 2021):
  • Discussion with EMT on overall process of risk identification, monitoring and management;
  • Key transition risks and mitigation strategies, including how these have evolved between each meeting;
  • Appreciation from AOC on openness and transparency on risks and opportunities – and on challenges encountered in managing these effectively

Statement of assurance delivered by management during AOC-7 that no corrective actions have been required in 2021 under funding agreements with Centers and the Risk Management Framework of the CGIAR System.
Oversight of System-wide governance, risk management and internal controls (2/2)

Plans and budgets for CGIAR’s Advisory Services

- At AOC-7 (22 October 2021) - Discussion with Director, Advisory Services Shared Secretariat on draft budgets and workplans in overall CGIAR budget context – prior to finalization as part of 2022-2024 FINPLAN

Implementation of CGIAR Ethics Framework as key System-wide policy

- At AOC-7 (22 October 2021) - Discussion with Director, Ethics & Business Conduct on key activities undertaken including ensuring full coverage of whistleblowing hotlines; rolling out training, supporting investigation processes and streamlining reporting mechanisms
- Consolidated information provided on ethics cases reported and advice sought – noting that the AFRC undertakes a close oversight role across CGIAR in this regard

AOC role from its TOR

Para 5i: Provision of advice on the reasonableness of business plans and budget projections for the Council’s advisory functions to inform the Board’s submission to the Council of consolidated System entity multi-year and/or annual work programs and budgets

Para 5k: Provision of advice to the Council regarding its approval of CGIAR policies relating to System-wide governance and risk management
Reflection on CGIAR assurance and oversight needs

Joint workshop with System Board’s Audit & Risk Committee on CGIAR assurance mapping work

- **May 2021 workshop** – with aim to identify potential gaps and also duplication in the assurance activities over governance, internal controls, risk management in CGIAR’s multi-stakeholder governance architecture – and implications for future mandates
- Work fed into thinking of Transition Advisory Group #3 on unified governance – and is planned to be continued in an early-2022 workshop focusing on future oversight arrangements

AOC role from its TOR

**Para 4b:** Coordinate with the System Council’s Strategic Impact, Monitoring and Evaluation Committee to support the delivery of effective combined assurance in relation to scientific advice and evaluation elements; and

**Para 4c:** Establish and maintain an effective consultation model with the System Board via its Audit and Risk Committee to facilitate delivery on the respective mandates of the two committees thus ensuring [...] the appropriate escalation and deescalation of matters as relevant to the differing oversight responsibilities within the CGIAR System.
Looking ahead to 2022
