| Distribution Notice: | <u>This document is restricted to System Board members and observers until deliberations are completed</u> |
| Agenda Item | #7: Operationalizing the CGIAR Integration Framework Agreement: Updated 2022-2024 Integration Plan |
| Issue date: | 3 April 2023 |
| Purpose: | This document provides the System Board with an updated 2022-2024 Integration Plan for the continued, adaptive management of CGIAR’s integration process through 2024 for approval and recommendation to the System Council. |
| Requested action: | <u>For Decision</u> |
| Draft decision point | Pursuant to Article 8.1 gg in the <u>Charter of the CGIAR System Organization</u> the System Board approves the recommendation of this Updated 2022-2024 Integration Plan for the continued, adaptive management of CGIAR’s integration process through 2024 to the System Council. |
| Details of the Board’s most recent deliberations on this matter: | The Plan has been developed in an inclusive and collaborative manner with members of CGIAR’s Senior Leadership Team (SLT) and their teams, and previous versions of the material has been shared with the System Board (<u>SB24</u>) and the System Council (<u>SC17</u>) in September and November 2022, respectively. |
