## Tender documentation

### 1. PRESENTATION OF PROJECT

The Rice Centre for Africa (AfricaRice) is a pan-African intergovernmental association specializing in rice development research, currently comprising 28 African member states, in the regions of West Africa, central, eastern and northern. AfricaRice is also one of the 15 International Agricultural Research Centers that are members of the CGIAR System Organization

AfricaRice is planning to:

- Repair the rain out shelter roof and drainage in Ibadan AfricaRice Nigeria office.

### 2. WORKS SUBJECT OF THE PRESENT CALL FOR TENDER

The successful bidder will purchase all material necessary for the works related.

### 3. FRAMEWORK OF THE PRESENT CALL FOR TENDER

This Call for Tender only concerns the works related to the BoQ in Annex 1 and Annex 2  
The visit to the site is encouraged.

A site visit to the areas where work will be conducted will be carried out with the successful bidder

### 4. SPECIFIC CONDITIONS

The successful bidder will be sole responsible of works related.

The bill of quantity is to be filled in rate and the amount please make sure arithmetic's are correct before submission of tender. **The contractor will be paid only for the implemented unit in each BoQ line. Unit prices will prevail in case of discrepancy and will be the base for payment of works performed.**

During the Bidder selection, the Client will take in consideration and compare the material prices proposed and the prices in the market. If the materials prices proposed by the Bidder are considered too high compared to the prices in the market the Client will keep the right to purchase the materials. The Bidder should take carefully vision of the enclosed documents (BoQ and Drawings) before providing his quotation and provide any justified correction to the quantities if found not correct. The material prices provided in the BoQ by the Bidder in his offer will not be changed during the implementation of the project.

The client will not be responsible of any material damage and loss during all the cycle of the project implementation. If any damage or loss will occur, the Contractor will replace the missing or damaged materials at his own expenses.

The successful bidder will be obliged to respect the turnaround time that he will have himself indicated in the tender document. In case of any justified delay (force major), he will have to immediately inform the Client. Delays related to wrong planning (like delayed material supply) will not be accepted under any circumstances and will result in penalties

The successful bidder will be obliged to respect the characteristics of all materials to use as well as the dimensions for all works requested, as specified in this document and its annexes.

## 5. PAYMENT CONDITIONS

Payment terms need to be mentioned on the financial offer.
