

DATE	START TIME	FINISH TIME	VENUE	Event Type	Title
5-Apr	9:00	17:30	Ext	Field Trips	International wheat stem rust phenotyping platform-KALRO, Njoro
7-Apr	8:30	13:00	CR10	Side Event	The power of research partnerships to deliver at scale
7-Apr	10:30	12:30	CR3	Parallel Sessions	Strategy Dialogue - Climate Action
7-Apr	10:30	12:30	CR4	Parallel Sessions	Strategy Dialogue - Food Frontiers and Security
7-Apr	10:30	12:00	CR9	Side Event	Agricultural Genomics and Game-Changing Innovations
7-Apr	11:00	12:30	CR6	Side Event	Game Frontiers: from learning and understanding behavior to co-creating social-technical innovations
7-Apr	11:30	13:00	CR8	Side Event	Innovations in impact assessments
7-Apr	13:30	14:30	Ext	Special Events	Good Food for All Pre-Plenary Luncheon
7-Apr	15:00	18:00	CR2	Plenary	Plenary 1 - Opening Ceremony: Welcoming Science & Empowering Inclusivity
7-Apr	18:30	20:00	CR4	Side Event	Gathering for Growth: A Unified Vision for Adapted Crops and Soils (VACS)
7-Apr	18:30	20:00	CIFOR-ICRAF Campus	Special Events	CIFOR-ICRAF & BGI Group Reception
8-Apr	8:00	10:00	CR1	Parallel Sessions	Genebanks Accelerator Strategy Dialogue
8-Apr	8:00	10:00	CR10	Side Event	Empowering CGIAR and its Partners to Harness Data for Agronomic Solutions to Global Challenge
8-Apr	8:00	10:00	CR9	Side Event	Science and Innovation for Resilient Food Systems in Fragile and Conflict-Affected Settings
8-Apr	8:30	10:00	CR8	Side Event	Game On: Gamification for Smarter Innovation Portfolio Management in CGIAR's 2030 Strategy
8-Apr	10:30	13:30	CR2	Plenary	Plenary 2 - Building Bridges & Scaling Impact
8-Apr	13:30	15:30	CR4	Special Events	BBC's Unexpected Elements
8-Apr	13:30	16:00	CR8	Special Events	34th SIMEC Meeting
8-Apr	14:00	15:30	CR3	Side Event	Participatory Research for Sustainable and Inclusive Transformations in Food, Land, and Water Systems
8-Apr	14:00	15:30	CR1	Side Event	CGIAR research priorities for environmental health and biodiversity to advance the three Rio Conventions
8-Apr	14:00	16:00	CR6	Special Events	Kick-off Brainstorming Workshop CGIAR-Bezos Earth Fund
8-Apr	14:30	18:00	CR9	Side Event	Transformative Partnerships for Sustainable Agriculture: Scaling Innovation, Strengthening Seed Systems, and Strengthening Climate Resilience
8-Apr	14:30	16:00	CR10	Side Event	Sustainable Futures: Systems Science for Transforming Food, Land, and Water Systems
8-Apr	14:30	16:00	CR11	Side Event	I2I Champions Workshop – Science to Policy in Practice
8-Apr	16:00	18:00	CR1	Parallel Sessions	Strategy Dialogue - Breeding for Tomorrow
8-Apr	16:00	18:00	CR3	Parallel Sessions	Crop Breeding Frontiers: Latest Innovations from CGIAR
8-Apr	16:30	18:00	CR6	Side Event	Unlocking Collaborative Potential: Shaping the Future of Research Ethics@CGIAR
8-Apr	16:30	18:30	CR4	Side Event	Special (IWMI) Launch of IWMI Strategy in Kenya and East Africa
8-Apr	18:30	20:00	ICIPE Campus	Special Events	Biodiversity Bites: Feeding the Future through Innovation
8-Apr	20:00	22:00	Ext	Special Events	Ban Ki-moon Centre for Global Citizens Dinner
9-Apr	8:00	10:00	CR1	Parallel Sessions	SAAF in Action: Transforming Livestock & Aquatic Food Systems for People and Planet

9-Apr	8:00	10:00	CR3	Parallel Sessions	Enabling global gains towards gender equality, youth and social inclusion in agri-food systems
9-Apr	8:30	10:00	CR9	Side Event	Supporting healthy diets and inclusive livelihoods through diverse foods on our plates
9-Apr	10:30	13:30	CR2	Plenary	Plenary 3 - Targeting Transformation: Africa & Harvesting Innovation - L.America
9-Apr	13:30	15:30	CR4	Special Events	BBC's CrowdScience
9-Apr	13:30	16:00	CR8	Special Events	34th SIMEC Meeting
9-Apr	14:00	16:30	CR10	Side Event	Unlocking the Potential of Local Value Chains for Global Impact
9-Apr	14:00	15:30	CR1	Side Event	Leveraging science excellence and development impact through partnerships
9-Apr	14:30	16:00	CR6	Side Event	Synergies for accelerating the digital agriculture revolution through Knowledge Co-Creation and collaborative Partnerships
9-Apr	14:30	16:00	CR9	Side Event	Sustainable Funding towards Transformative Agricultural Research: A Pathway to Resilient Food Systems in a Climate Crisis
9-Apr	14:30	16:00	CR11	Special Events	COP30 @ CGIAR Science Week – Aligning on Innovation Outcomes
9-Apr	16:00	18:00	CR1	Parallel Sessions	CGIAR Better Diets and Nutrition Science Program Strategy Dialogue
9-Apr	16:00	18:00	CR3	Parallel Sessions	Sustainable Farming Science Program (SFP) Launch Event
9-Apr	16:30	18:00	CR4	Side Event	Accelerating Agricultural Innovations: Scaling CGIAR Science, Digital Solutions, and Delivery Models for Global Impact
9-Apr	16:30	18:00	CR9	Side Event	Staying the course: How can research and knowledge ecosystems support political transitions?
9-Apr	16:30	18:00	CR6	Side Event	Assessing the Evaluability of CGIAR's 2025-2030 Portfolio
9-Apr	18:30	20:00	CR8	Side Event	Accelerating uptake of biofortified and health-enhancing crops and products – How?
9-Apr	18:30	20:00	Afrika House, Karen	Special Events	Goals House / Community Jameel
10-Apr	8:00	10:00	CR1	Parallel Sessions	Parallel - Scaling for Impact
10-Apr	8:00	10:00	CR3	Parallel Sessions	Digital Transformation Accelerator
10-Apr	8:00	15:00	CR4	Side Event	Launching the Climate Action Science Program 2025-2030: Advancing Science and Solutions for a Resilient Future
10-Apr	8:30	10:00	CR8	Side Event	Fostering South-South Learning for building resilience and income opportunities in smallholder systems: Entrepreneurship and innovations in agri-food value chains
10-Apr	8:30	14:30	CR10	Side Event	Delivering Resilient Drylands – Theme day at Science Week
10-Apr	8:30	10:00	CR11	Side Event	AABNet – BecA ILRI Hub Luncheon Symposia series: The vision for Animal Breeding in Africa
10-Apr	10:00	14:30	Ext	Field Trips	CIFOR-ICRAF Research and Innovation Laboratories
10-Apr	10:00	14:30	Ext	Field Trips	IITA Gene Editing Facility at ILRI Campus
10-Apr	10:00	14:30	Ext	Field Trips	The ILRI Nairobi Campus tour -- a hub for cool science in agriculture, food systems and climate
10-Apr	10:30	12:00	CR1	Side Event	Launch of the Global NARS Consortium (GNC)
10-Apr	10:30	12:00	CR9	Side Event	Innovations and Collaborations in the Genebanks Global Community
10-Apr	10:30	12:00	CR11	Side Event	Addressing the nexus of nutritional security, livelihoods and climate change adaptation and mitigation in livestock systems of low and middle income countries (LMIC).

10-Apr	10:30	12:00	CR8	Side Event	One Health Horizons: Catalyzing Collaborations, Innovations and Policies for Improving Global Health and Food Security
10-Apr	10:30	14:30	CR3	Side Event	AI-Powered Innovation: Acceleration Research for Agri-Food System Transformation
10-Apr	13:00	14:30	CR9	Side Event	Emerging rigorous evidence of the reach and impacts of CGIAR research
10-Apr	13:00	14:30	CR11	Side Event	The Power of True Price Transparency as a Roadmap for Healthy, Affordable and Sustainable Food for All
10-Apr	13:00	14:30	CR6	Side Event	Unpacking the status of women in African agrifood systems
10-Apr	13:00	14:30	CR1	Side Event	A New Chapter for CAADP: The Kampala CAADP Declaration and CAADP Strategy and Action Plan, 2026-2035
10-Apr	13:00	14:30	CR11	Special Events	BMGF
10-Apr	14:30	16:00	CR11	Side Event	CGIAR Flagship Report Launch and Devex Science to Action Forum
10-Apr	15:00	18:00	CR2	Plenary	Plenary 4 - Connecting Science & Growing Frontiers
10-Apr	18:00	20:00	The Aberdare UNON	Special Events	Women In & For Science Event at CGIAR Science Week 2025
10-Apr	18:30	20:00	CR3	Side Event	Unlocking the Potential of Agricultural Biotechnology: A Milestone Partnership for Africa's Farmers
10-Apr	18:30	20:00	CR1	Side Event	CTLGH and Livestock Biotechnologies for AU Agenda 2063, The Africa we want
10-Apr	19:30	21:00	Seven Seafood & Grill	Special Events	High-Level Dinner on Aligning Global Action to End Hunger and Malnutrition
11-Apr	12:30	14:20	Kilimanjaro Room	Special Events	Host Country Working Lunch
11-Apr	8:00	10:00	CR1	Parallel Sessions	Parallel - Multifunctional Landscapes
11-Apr	8:00	10:00	CR3	Parallel Sessions	Parallel - Capacity Sharing
11-Apr	8:00	15:00	CR4	Side Event	Crop Breeding Frontiers: Latest Innovations from CGIAR
11-Apr	8:30	14:30	CR8	Side Event	Toward impact on better diets and nutrition through engagement and collaboration across CGIAR Science programs and Accelerators
11-Apr	8:30	14:30	CR10	Side Event	Water Theme Day: Water Security for Transforming Agrifood Systems
11-Apr	10:30	12:00	CR6	Side Event	The Pathway to Sustainability of CGIAR's Most Critical Assets
11-Apr	10:30	14:30	CR9	Side Event	Leveraging agroecology and regenerative agriculture across multifunctional landscapes: A science dialogue
11-Apr	10:30	14:30	CR11	Side Event	Gender Equality and Inclusion: Transformative solutions for gender equality in climate affected food, land, and water systems
11-Apr	10:30	14:30	CR3	Side Event	Digital Innovations for Advancing Agri-Food Systems Research
11-Apr	11:00	14:30	Ext	Field Trips	Walking tour: A behind-the-science look into climate-smart livestock research at the International Livestock Research campus
11-Apr	11:00	14:30	Ext	Field Trips	Kenya Plant Health Inspectorate Service home of RTB East Africa Germplasm Exchange Laboratory
11-Apr	15:00	16:30	CR2	Plenary	Plenary 5 - Closing Remarks
11-Apr	17:00	19:00	CR10	Special Events	Integrated Partnership Board Meeting
11-Apr	19:00	20:00	CR10	Special Events	Integrated Partnership Board Meeting - CLOSED SESSION
12-Apr	9:00	17:30	Ext	Field Trips	Visit Kapiti Research Station and Wildlife Conservancy
12-Apr	9:00	17:30	Ext	Field Trips	The Kiboko Research Complex: Advancing Agricultural Innovation for Food Security in Sub-Saharan Africa

12-Apr	9:00	17:30	Ext	Field Trips	Discovering the Heart of Kenya's Rice Production
