

# Scratch Cooking Curious **Workshop**

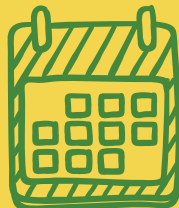

Interested in introducing more fresh, healthy, and delicious meals to your students? Join us for an exploration of scratch-cooked school food during this free one-day workshop!

In partnership with the Park Foundation, the Chef Ann Foundation is hosting an interactive workshop for school food leaders who want to learn about operating a scratch-cooked school meal program and see existing programs in action.

The workshop will include:

- ✓ Tours of a central production kitchen and a site-based school food operation
- ✓ A delicious, kid-approved, scratch-cooked lunch
- ✓ A Q&A panel discussion with directors with 1-3+ years of experience operating a scratch cooking program
- ✓ Breakout group discussions on operational challenges and solutions

- **Thursday, June 4 | 8AM - 3PM**
- **Ithaca, NY**

Spots are limited. Sign up by May 19 to secure yours!
