

The Moon Explorer Trail

Welcome, Explorer! Your mission: explore Chester city centre and track down 12 hidden moons. Each moon holds a secret letter. Visit the businesses and shops listed below, find their moon, and write down the letter in the space provided. Once you've collected all 12 letters, unscramble them to reveal the secret moon phrase!

Email your completed trail sheet to hello@chestercathedral.com or hand in at Chester Cathedral or the Visitor Information Centre for your chance to win a family ticket to Picturehouse Cinema.
