Download

3 days - 118 km

## Day 1

The Radal Siete Tazas National Park is located 55 kilometers northeast of Molina. Its main attractions include El Radal and the Claro River waterfalls found when entering La Montaña. The park has a series of viewpoints and hiking trails of different lengths and levels of difficulty. This allows you to appreciate a nature with a unique diversity of flora and fauna.

Always remember to observe the posted instructions and environmental protocols.

## Day 2

Termas de Panimávida is a hot springs resort in the district of Colbún in the Maule Region. The hot springs include an old style, relaxed and restful environment, being frequented by families and tourists looking for a moment of disconnection. Here you will find about twenty treatments that are divided into cosmetic and health treatments, being mud therapy the preferred by visitors.

Bring cash, a carry-on bag, your passport, cell phone charger, first aid kit, and toiletries.

## Day 3

The Nevado de Longaví is a volcano in the district of Longaví, with a height of over 3,000 meters and surrounded by the Achibueno and Blanco rivers. Its name is owed thanks to being almost always snow-capped and entirely white. It is generally visited for hiking and is a difficult route. On the way there are impressive areas, such as virgin forests and glaciers.

Get plenty of rest, always carry water, sunscreen, passport, adequate clothing, first aid kit, and toiletries.

## Plan your perfect trip

- If you are from another country, we suggest taking travel insurance with coverage in Chile in case of any contingency.
- Always have some cash available because you can get to places where ATMs are not available.
- Always prefer to travel during the low seasons to avoid high traffic and higher costs.
- Don't forget to check information on covid-19 restrictions before traveling anywhere.
