Hello,

I live in West Asheville and wanted to comment on the budget. APD does not need a \$1.5 million budget increase. They are down on staff but that is because the people of Asheville simply do not want more police or more funding for the police. We want racial justice, affordable housing, and we want APD and this council to stop terrorizing homeless people. Stop using this police force to sweep homeless people away from your rich residential and tourist areas, as if they are expendable objects, they are human beings who need shelter in a deeply unaffordable city.

Thank You,
Daniel Dean
