ABOUT

Cover plate + fixing frame

SOCKETS

Parts are not included and should be ordered separately with your request.

ASSEMBLY

Only suitable for round flush-mounted boxes for concrete walls & round flush-mounted boxes without ridges for plasterboard walls.

Our included screws must be used during installation. The walls must also be perfectly flat.

The curved multiple combination plate is installed with a new flush-mounted box each time, with center distance of 71mm.

CARE AND MAINTENANCE

Please do not clean our products with aggressive cleaning agents or alcohol-based products. These can damage the exclusive finish and materials used.

To maintain the quality and appearance, we recommend using only mild cleaning applications. Do not place any type of tape on the bronze finishes this can damage the varnish layer.

FINISH CODE

To complete your order code, add the code of your chosen finish to the product code. For example: CJCRO505V
