PLURAL NOUN _________________________
Espionage is the formal word for ________. In the shadowy world of spies, a/an ________ organization like the US government uses spies to infiltrate ________ groups for the purpose of obtaining top secret ________. For example, spies might have to crack the code for accessing confidential, ________ files, or their mission could be far more dangerous—like stealing the key ingredient for making ________’s award-winning Explosive Fudgy ________. Spies are found all over (the) ________—but they are not allowed to reveal their ________ identities. A teacher, ________, or even the little old ________ with the cane and fifteen pet ________ who lives next door to you could be a spy. The world of spying might seem glamorous and ________—but it’s filled with risks and ________! Sure, spies have a never-ending supply of supercool electronic ________, but they can’t trust any ________—which is why the number one rule of spies is to keep friends close—and ________ closer!
MAD LIBS® is fun to play with friends, but you can also play it by yourself! To begin with, DO NOT look at the story on the page below. Fill in the blanks on this page with the words called for. Then, using the words you have selected, fill in the blank spaces in the story.

Now you've created your own hilarious MAD LIBS® game!
