

DON'T HUG DOUG

(HE DOESN'T LIKE IT)

Written by **CARRIE FINISON** Drawings by **DANIEL WISEMAN**

You can hug a pug.
(Awww!)

You can hug a bug.
(Maybe . . .)

Or a slug.
(Ewww!)

But don't hug Doug.
He doesn't like it.

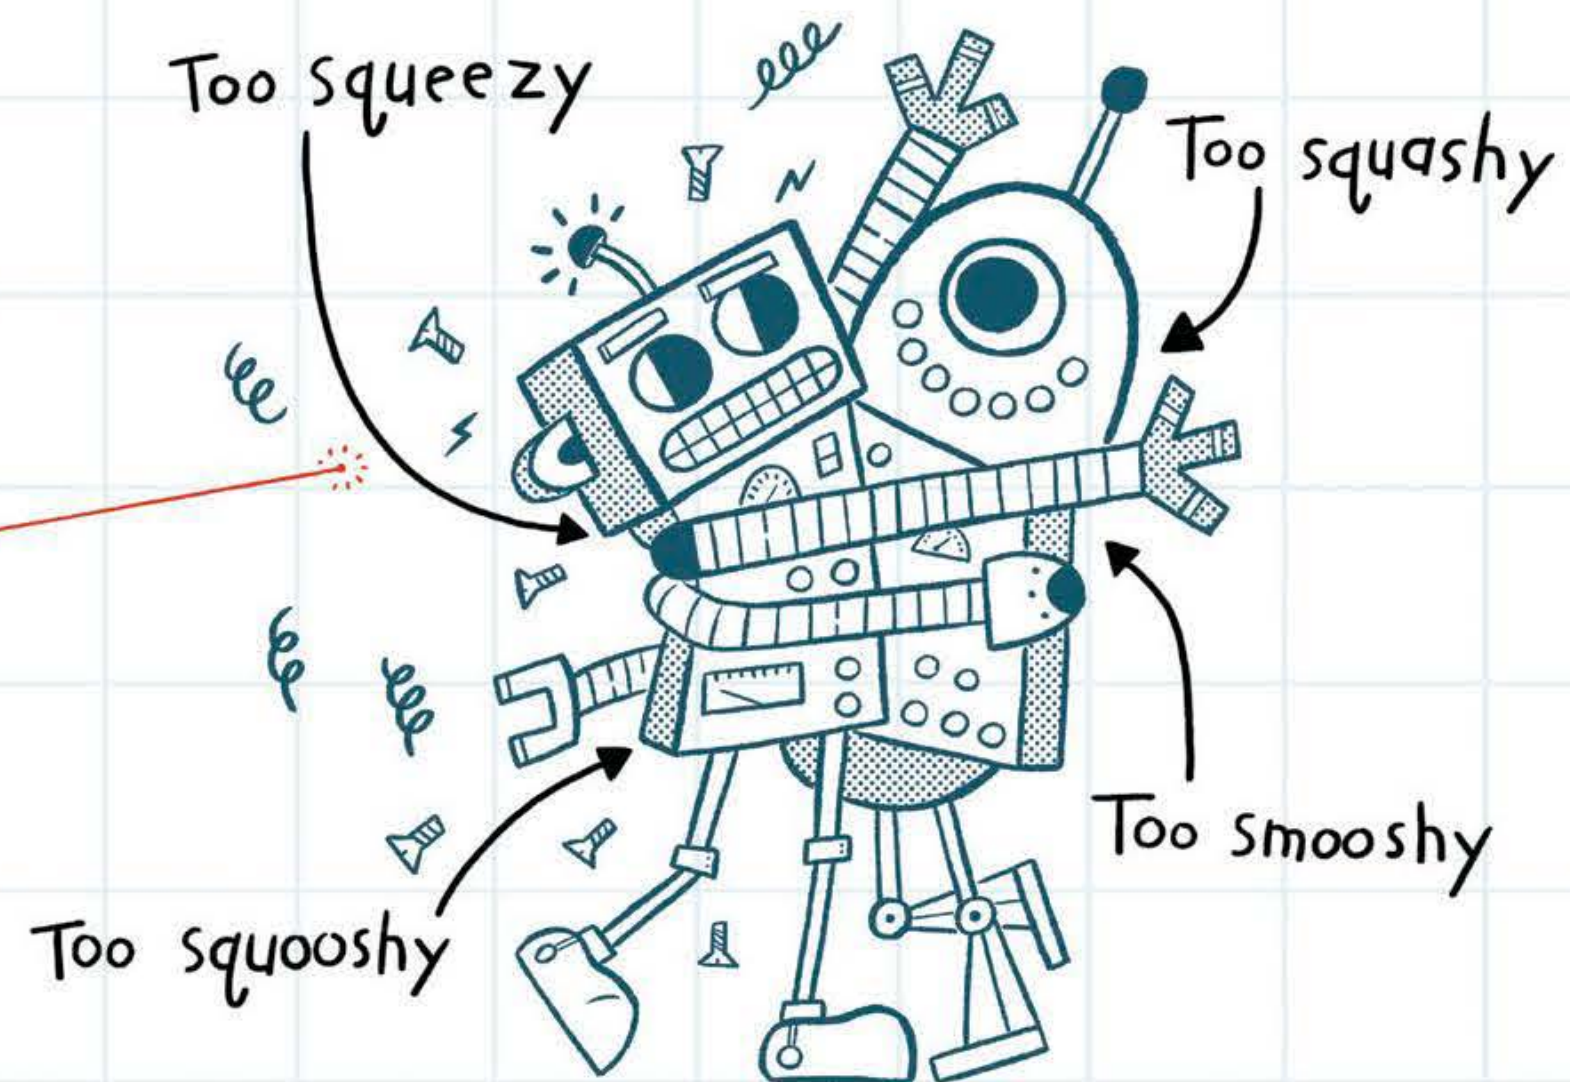

No hugs,
please!

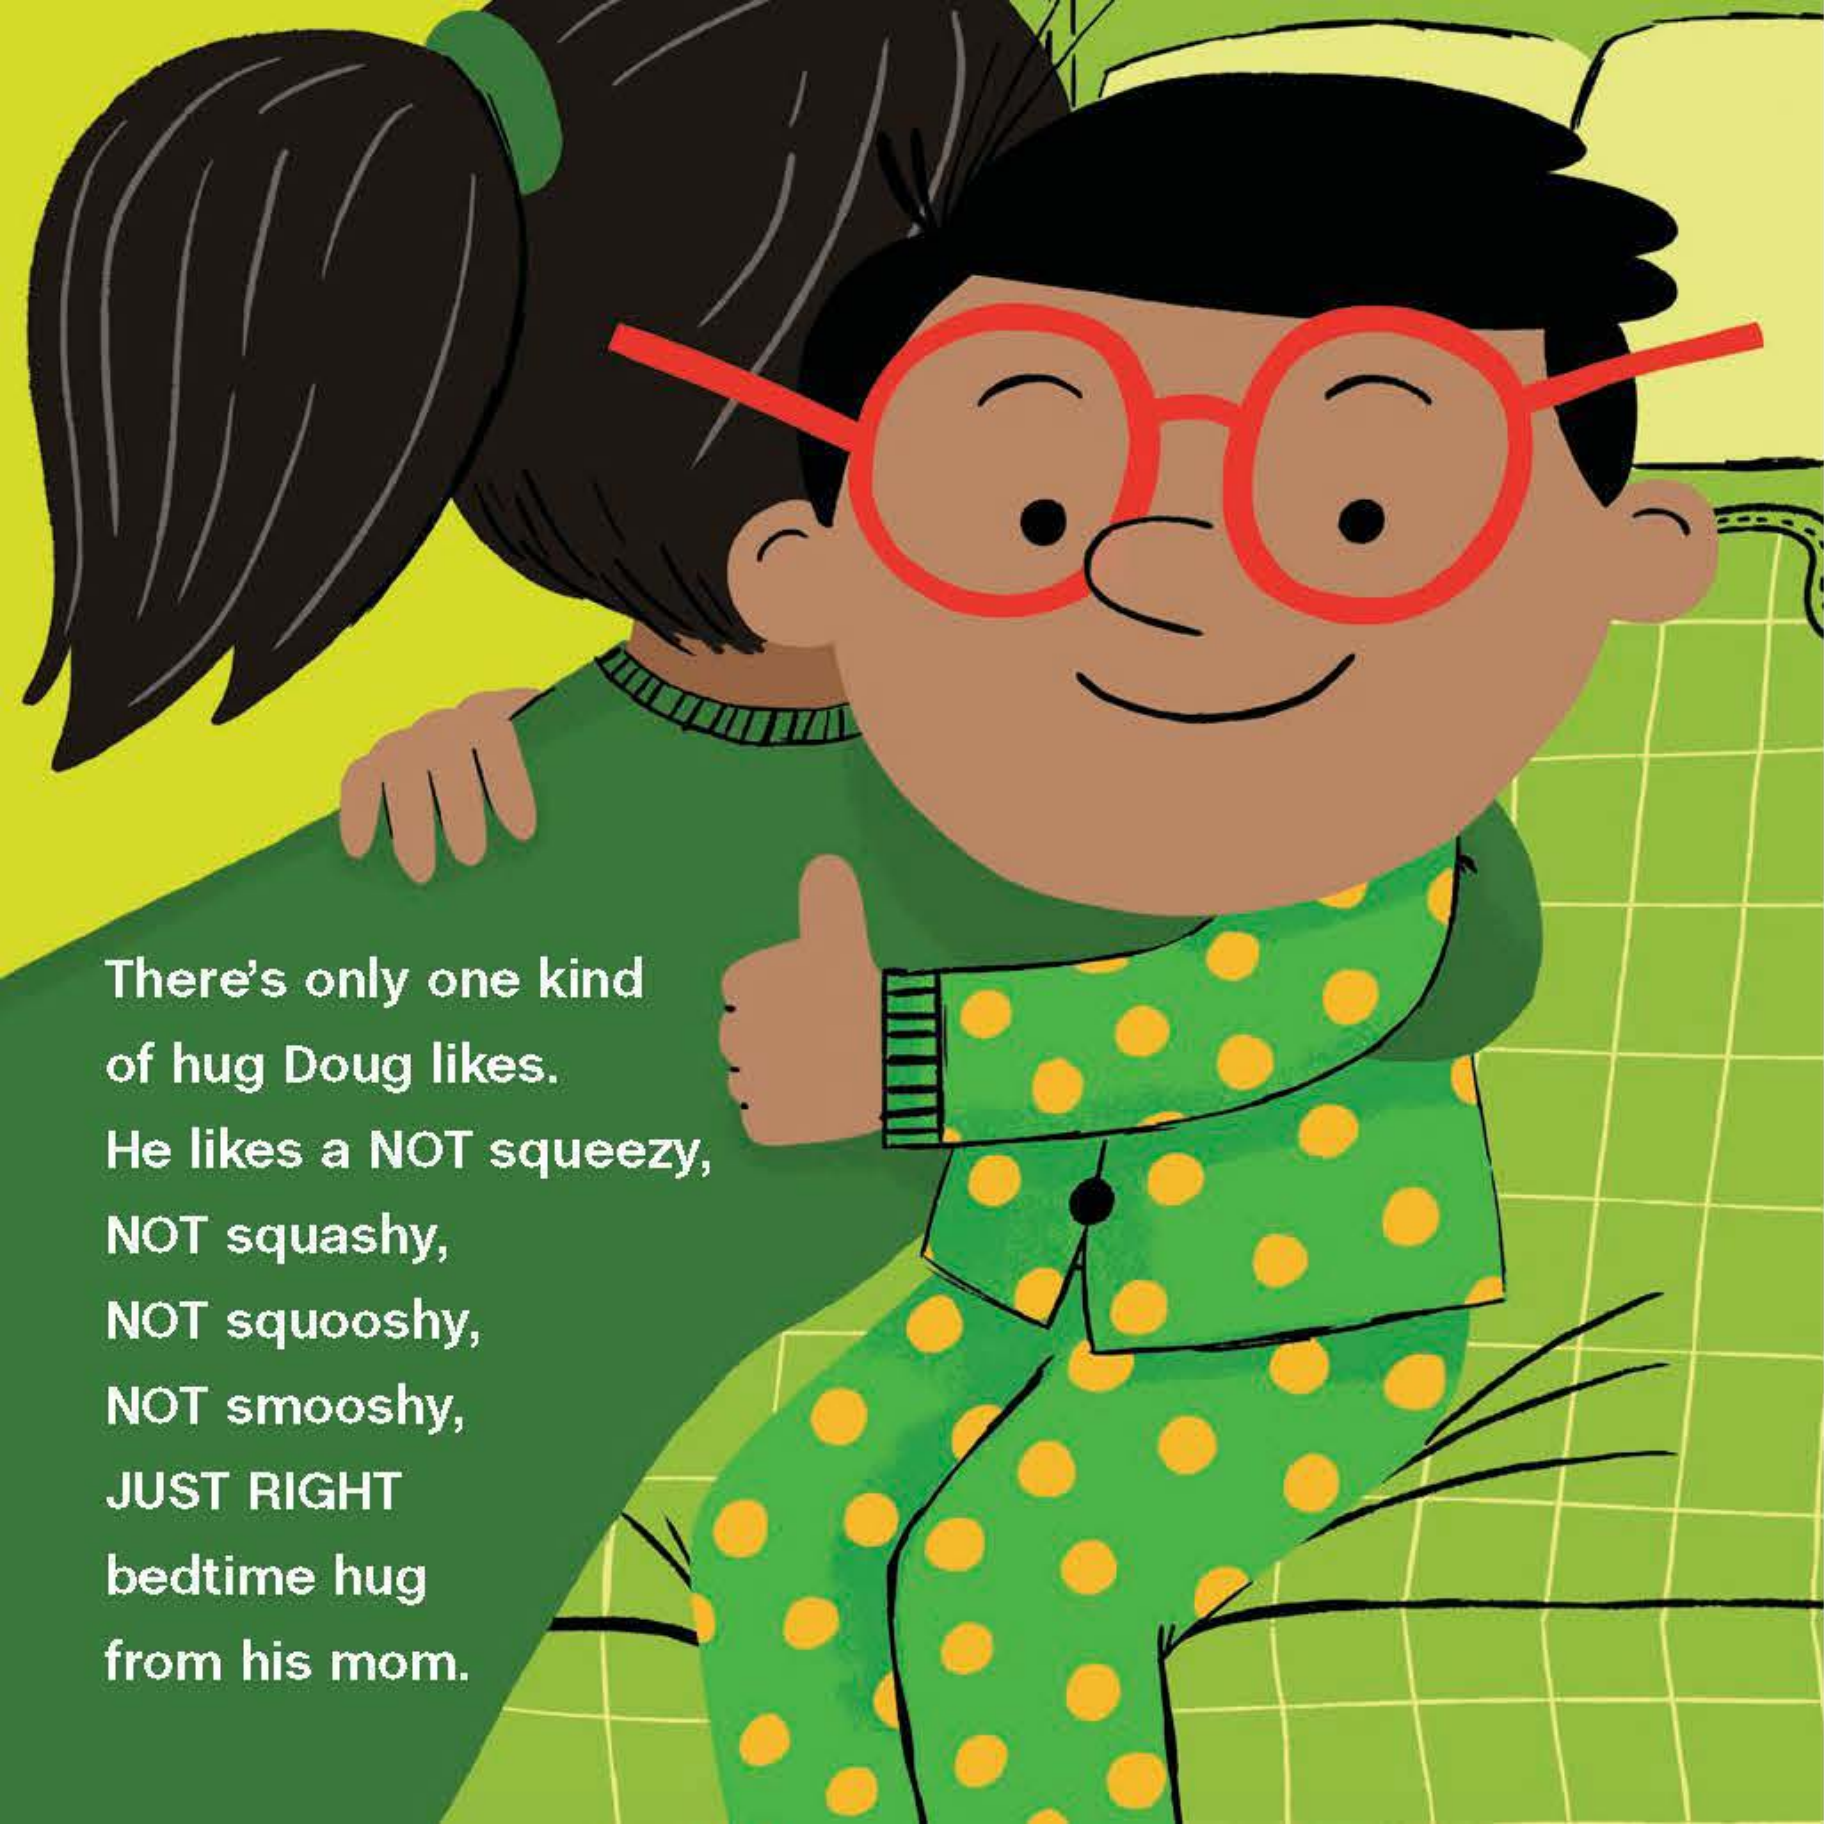

Don't worry—Doug likes YOU.
He just doesn't like HUGS.

Doug thinks hugs are:

There's only one kind
of hug Doug likes.
He likes a NOT squeezey,
NOT squashy,
NOT squooshy,
NOT smooshy,
JUST RIGHT
bedtime hug
from his mom.

Is it bedtime? Are you Doug's mom?
No, you're not. So . . . DON'T HUG DOUG!

Thanks,
but no thanks!

Some people love hugs.
Lots of people don't.
And lots of people are
somewhere in the middle.

Who here
likes
hugs?
