

the
CIRCLES
ALL AROUND US

WRITTEN by BRAD MONTAGUE

A safe little place
for just one person.

Nobody in this
circle but you.

You could keep that circle closed
to everyone but yourself ...

but that would be like a library
with just one book on the shelf.

So let's draw a bigger circle

for you and your family to share.

Now you see what
all can happen

in a circle
full of care.

And wouldn't it be even better
if all your friends could come and play?

As time passes, our eyes open.
We see others we really care for.

And that's when we ask ourselves,
well, what's this circle really there for?

In the circles all around us
everywhere that we all go

there's a difference we can make
and a love we can all show.
