COACHES' QUOTES:

CHUCK MILLS, WAKE FOREST: "Nothing to say, we just lost again. The kids lost their poise a little on offense, but they scrapped all the way. It just wasn't enough. I know that sounds like a broken record. We hustled, we just made so many mistakes. All those penalties killed us.

The defense played ~~hax~~ heck of a ball game except for a couple of plays, but all football games are decided on a couple of plays.

We can see improvement, but it's noting to do cartwheels about. Sure we're glad to score, but I'd rather score more than the other team.

We'll finally win, I just don't know when. The kids have kept battling. We're a joke to everybody but ourselves."

COACH RED PARKER, CLEMSON:

I'm just thankful that this one is over with. I thought it was a very poor job on our part on offense. We got our points too easy, but the defense set them up for us, and we didn't have very far to go.

This game reminded a lot of our Maryland game, only we did get some points in this one. Maybe the heat had something to do with it on the part of both teams. But we never made anything happen. The defense played all right, except for a couple of occasions, but it was very poor offense on our part.

We had a decided ~~lack~~ lack of intensity. But at the same time, I don't think anybody on our team thought they were coming up here for a cake walk.

I'm just thankful it's over with. We might have been in shock because were the favorite for the first time this year.

Tim Sough and Ken Callicutt didn't get to play much. Callicutt was in for one play which was supposed to be a halfback pass, but a delay of game penalty was called before the play got off.

I regret the intercept but it was a case of the quarterback hesitating, and they say he who hesitates is lost. The pass was ~~delivered~~ delivered on time.
