COACHES' QUOTES

COACH PAUL DIETZEL OF SOUTH CAROLINA: "We had our chances, I thought our team gave it everything they had. I am very proud of this team. All I asked of them was that they do their best, and I am very proud of the effort they put forth."

"We lost Henry Laws and Zeb Sims (knee injuries) early in the game and that took away half our secondary. We were really hurting back there but I think we hung in their tough. We didn't do some of the things you have to do to win, but I ~~ax~~ couldn't fault the effort."

"I certainly appreciate Frank Howard coming by after the game. I kind of like that old fellow."

"Fellers certainly had a fine day at quarterback. He and Callicut are ~~ix~~ outstanding football players and Clemson is very wellcoached. Red has done an excellent job with them."

"It was a bitter way to end it, but that's the kind of year it has been."

"There were some big breaks each way. If there was one that really took us out of it, it was the lineman down field call that prob bly cost us a touchdown in the fourth quarter. A score there would have made it 33-28, and we would have still been in the thick of it. If there was a game changing break, that was it."

"As for me, personally, I feel like I have been beaten with a blacksnake whip. I think a great deal of the University of South Carolina, of its football program and its athletic department. I'm proud to be a part of it."

"Grantz did a fine job for us at quarterback and Hodgin, as usual, was superb. Bass was not ready to play. He couldn't run with that hamstring injury."

COACH RED ~~W~~ PARKER OF CLEMSON: I thought we played a great game of ball control. I hate those contact fumbles came, but we wanted to control the ball because we respected their offense.

But I thought we played a great defense in the fourth quarter. But South Carolina is very difficult to defend against, but I thought ~~ix~~ we were extremely sound in the fourth quarter. We didn't violate any defensive principles. But they can hurt you on the inside handoff, but that was just about their offense.

I can't ~~g~~ tell you how proud I am of ~~ix~~ our seniors. They did a great job. After the Texas A&M and N. C. State games, they pushed adversity aside, and they were the key to our improvement this year. I'm just proud, proud, proud of them all.

We were a very very good football team today in the fourth quarter. The fumbles nullified what good we did.

I want to say that I think the South Carolina coaches did an outstanding job of turning their team around. That's a very difficult thing to do, ~~ax~~ especially with the record they started out.

The defense did a good job. The secondary allowed only six of 22 completions and we had three intercepts.

At their meeting at midfield, Coach Dietzel leaned over and told Coach Parker: "Keep up the good work."
