Quotes from Coach Darrell Madra:

"Naturally, we're pleased because it looks like we might have turned the corner with our team. We played a lot of kids. Early in the game it looked like we were aggressive and knew what we were doing.

"It's hard to tell just how much we've improved because Clemson is struggling. They're not as good as they were earlier in the season. They had a lot of injuries out there today and this hurt them.

"Our defense played its best game of the year. Even on their touchdown drive we missed some tackles that might have stopped them. I thought Phil Jones (tackle) played well and so did Greg Johnson (tackle).

"Andy Stockton did a nice job when he came in for Joe Camps at safety. Billy & McPhillips also played well and our defensive secondary did its usual job.

"Those short kickoffs were planned plays and one of them worked when we recovered a fumble.

"The reason Leon Bright didn't play in the second half was that he jammed a ~~and~~ couple of toes. He should be okay.

"Walker showed why he is the starting quarterback. He threw the ball well.

"I think we helped our offense when we put Jimmy Everett in there ~~xxxx~~ instead of the third back. He's much more of a threat.

"Our coaches did a great job of preparing for this game. They deserve a lot of credit."

Coach Red Parker of Clemson: I have done the world's worst job coaching our football team this year because I have allowed us to play every phase of the game that is as ~~xxx~~ bad as I've ever seen. We have gone steadily downhill because we have no enthusiasm in a game to play and because we have not demonstrated enough character, enough fight and enough of everything ~~xxxx~~ I've believed in all my ~~xxxx~~ life. We have the world's greatest supporters and our play has been an insult to every ~~xxx~~ last one of them. And there is no one who wanted this to happen, but I have allowed it to happen.

We've been bad on offense, we've been bad on defense, we've been bad in the kicking game and our enthusiasm, our ~~xxxx~~, our morale, our determination have gone right down the drain and I haven't been able to stop it.

Never have I ever been associated with anything that has happened this way and I blame myself. Therefore, if I cannot get the situation straightened out at the end of this season, I will believe that I have failed Clemson. And I never have ~~xxxx~~ believed that I have failed in anything before but I will believe I have failed Clemson. I'll take the ~~xxxx~~ blame and responsibility for every bad thing that we do because I have allowed us to do it and could do nothing about it.

When ~~times~~ comes at the end of this football season if I'm ~~xxxx~~ dissatisfied with the job I've done in getting our younger people to show some heart for the future, then I'll tell Dr. Edwards (Clemson resident Dr. Robert C. Edwards) and Bill (athletic director Bill McLellan), ~~xxxxxxx~~ are the greatest people in the world for support, I'll tell them I think we need a new football coach at Clemson.
