QUOTES OF COACH RED PARKER OF CLEMSON

If anybody paid their way in, they got their money's worth.

I thought it was a game between two teams who wanted to win so bad. I really thought so many things that happened during the game that was a trend to what had happened to us in the past, but we were able to fight it off this time, and I think it will really help our football team.

The only real regret I have is about the two easy touchdowns we gave them (punt return and fumble between quarterback and center).

I really thought we did a good job with our ~~offense~~ offense all day. ~~We~~ We started Mike O'Cain because we needed some stability and I thought he was the one to give it to us.

This is the first time since the Tulane game (1st of the season) where I thought we had togetherness. The fact that we went with Mike ~~ing~~ today is no reflection on Willie Jordan and Steve Fuller (2 freshman quarterbacks) because I believe they are going to be two great ones.

On the interception, we were in a man coverage because we figured they would run a crossing pattern. We had been in a man a couple of times before, ~~but~~ but not too much.

On the pass after the interception which got a first down, Parker said that ~~if~~ he told O'Cain if Harold Cain was free and clear to throw, but if the corner went with him to get as much as he could on a run and we'd punt if necessary.

BILL DOOLEY**

I can't fault the effort we gave today. You can't find anything exciting in a loss, but we battled them all the way. We never gave up or let down. We missed a scoring opportunity at the end of the game that could've won it for us.

~~Let me~~ Let me congratulate Clemson. They had been averaging four or five turnovers a game, but only made one today. That certainly was a big difference. They ~~are~~ were a very strong team out there this afternoon.

We had some bad things go wrong for us. The holding penalty on the punt was a big play. We had stopped them and forced a punt, but the penalty gave them the ball back and they went in for a score. The penalty was called while the ball was in flight.

Billy Paschall did a good job for us. He made a lot of big plays. ~~So did~~ So did Mike Vought and Mel Collins. Our line blocked extremely well today, also.
