COACHES QUOTES

Coach Red Parker of Clemson: I thought we played hard, I thought we played together and I thought we made a lot of good things happen out there. I felt like there were some things we did better than we had at anytime this year. I was sure proud of our football team.

Looking back now, of course, I guess it's easy to say, I wish we had gone for the field goal we didn't, ~~xxx~~ but that was what got us field ~~xxx~~ position when we got the next touchdown and I don't have as many regrets about that now (not going for FG).

Maryland has some great backs and Hoover and Schultz are outstanding receivers. The difference in the outcome was the ~~xxxx~~ kicking game. Their kickoff return for a touchdown was the difference. It was ~~xxx~~ a game which looked like we were supposed to win, but just didn't.

Considering how bad we've gone this year, to have our players come back and play a game that good, it makes you feel good about what they got inside in getting turned around. But it don't make any easier to take,

We had a good game plan and stayed with it. I thought our entire offensive team played ^{well,} considering we had three sophomores and a freshman starting in the offensive line.

Coach Jerry Claiborne: Like last week we are happy to win. Our defense did not play as well as we expected. O'Cain did the most damage to us. He had a super day. His scrambling hurt us as much as anything. I looked for him after the game to shake his hand...His receivers also made some great catches. When we had to have it the offense made a great drive.

Atkins had not had any tact or practiced for a week. We had planned on using him earlier though.

The kicking game was certainly a vital factor in the game.

Coach Parker and his staff and players did a great job.

On the 4th down we thought we could make the first down. We felt Atkins could get it..get closer ad in the middle of the field. We did consider a field goal then but felt we could make the first down..

I think we deserve a bowl bid.. there are not many teams with a better record..

We have not played with the intensity the last two games we did earlier..Maybe the Penn State game took more out of us than I thought it did.

We put Mark Manges in to run the option. We felt that would go and he runs it well.
