Quotes from Tech Coach Pepper Rodgers:

Clemson moved the ball on us. We had great field position. We just didnt stop them. They played very well. I am happy with a tie after being down 24-13. When you are down 24-13 a tie is not bad. On that last TD ~~in~~ pass by Clemson we had a freshman defensive back in there and he made an error. I had no thoughts of going for a TD down there when we kicked the last field goal. That is what I get paid for, to make these decisions. The booing and people that yell that doesn't bother me. We had to get points on the board when we could. We had the football all night long and we didn't score touchdowns. How can you expect me to go for it on fourth and 3. We got three points that's why we tied. Jolly makes a lot of mistakes but he is an excellent football player, that can throw the ball and without him we would have had a most difficult time tonight. We put them in poor field position but they moved the ball. We ~~xxx~~ were very fortunate to come out with a tie when we recovered the ball at the 8 yard line.

Coach Red Parker of Clemson

I really don't have anything to say.

With the exception of two plays, I thought Steve ~~Fuller~~ Fuller played super. His arm still ~~isn't~~ is not as strong as it's going to be. On the last play, it was supposed to be a pass to Anthony King. He was the only ~~re~~ receiver out. If Anthony wasn't open, Steve was supposed to eat the ball. Steve just let it get away from him. He started to tuck it ~~a~~ away, but just never did get it in.

We started off kinda sketchy, and in the third quarter I thought we were a great football team.

Mike O'Cain is class, class, class.

This is just a bitter, bitter pill.
