COACHES' QUOTES

BO REIN, N.C. State: "I'll tell, football is a game of inches. If we don't hit that little slant pass to Marshall for our third score, there's no telling what would have happened. I was really impressed with Clemson and coach Parker. They never conceded and just kept coming back at us. I had no idea that their quarterback (Mike O'Cain) could run that well.

"Our quarterback (Johnny Evans) truly had an outstanding game. He gave big runs, great leadership and some big plays. Except for that one fumble, he gave us a tremendous game. Our offensive line also played well. That's the most points we've put on the ~~xxxxxx~~ boards this year.

"There were a lot of big plays, as you all saw, but I don't think there was any real key to what happened. Our defense put on its best pass rush of the season. But we gave up too many big plays, just had a few breakdowns.

"Our seniors haven't lost to Clemson in four years. I know they are proud of that fact. I hope the injury to Ed Callaway (knee) is not a serious one. He's truly a great player.

"Clemson played some fine football. They never quit. It was a case of us getting a few more big plays."

N.C. STATE GAME BALLS were awarded to Ron Banther, Larry Shavis and Bill Cherry.

RED PARKER, Clemson: I want to say that Ted Brown is one of the finest ~~xxx~~ running backs we've ever played against. He was the ~~xx~~ difference in a whole lot of ~~xxxxx~~ plays. He was the difference in us stopping them or not stopping them at least 15 different times when they would have had to punt. It was entirely his effort which enabled them to keep the ball.

I don't know why we play bad ~~sz~~ especially in the first half. If we can do it in the third quarter and the fourth quarter, we can certainly do it in the first ~~z~~ two. Why we aren't doing it, I don't know.

I was really impressed with State's offense in the first half. It looked like both of us could not get things under control there for awhile, but they did before we did and it resulted in some points.

Mike ~~xxx~~ O'Cain played very well before he got hurt. I don't know if he has a concussion or not. He had some stitches taken in his chin at halftime. And I think his being tired affected his punting.

On the time when we went for the first down and ~~fx~~ didn't make it, it was my choice to go for the down, but I should have called the play for the quarterback. I was very disappointed in our play in the second quarter.

After we got back in the ball game, I thought we could win, but we didn't punch that last one in, and then it was too late.
